107th Annual Session

JULY 13-17, 1981
NEW ORLEANS HILTON HOTEL
NEW ORLEANS, LOUISIANA

AFTERNOON SESSION
MONDAY JULY 13, 1981
ONE THIRTY O'CLOCK P.M.

The Public Opening Session of the 107th Imperial Council Session was called to order at one-thirty o'clock p.m., at the New Orleans Hilton Hotel, New Orleans, Louisiana, Noble Avery, Deputy Director General, opening the session.

NOBLE AVERY: Welcome to all of you.

At this time I would like to present to you the Director General of the 107th Imperial Council Session of the A.A.O.N.M.S., Illustrious Geralto "Joe" Vita, Past Potentate of Jerusalem Temple, New Orleans, Louisiana, escorted by the Deputy Imperial Marshal, Walter Castro.

... The assembly applauded as Director General Vita was escorted to the podium...

DIRECTOR GENERAL VITA: Good afternoon, ladies and gentlemen. We are about to open the 107th Imperial Council Session.

We will commence by receiving the civic, Masonic and Shrine dignitaries as they are escorted to the platform.

However, before they do, I would like to make an apology here today for an oversight and I will apologize to the Morocco Temple Band, who was supposed to be here today to entertain us before this show and during the show.

Now, I do not know exactly what happened to the Morocco Band—either they stood in line to check into the Marriott Hotel, which, as I understand, is a big mess over there, or they did not receive our message. Therefore, excuse us for not having their music to greet you here this afternoon.

With that, we will proceed.

I would like to have our Imperial Marshals escort to the platform the city and state officials.

... Whereupon, the city and state officials were escorted to the podium...

DIRECTOR GENERAL VITA: Will the Marshal now please escort the Potentate of Jerusalem Temple, Illustrious Sir, A. J. Mura to the platform.

... Illustrious Sir Mura was escorted to the platform... (Applause)

DIRECTOR GENERAL VITA: The Marshals will now escort the Masonic Dignitaries to the platform, led by the Grand Master of Louisiana, Most Worshipful Grand Master, Dr. Calvin E. Folds.

... The audience arose and applauded as the Masonic dignitaries were escorted to the podium...

DIRECTOR GENERAL VITA: Will the Marshals now escort to the platform members of the National Board of Trustees.

... The members of the National Board of Trustees were escorted to the podium... (Applause)

DIRECTOR GENERAL VITA: The Marshals will now escort to the platform the Past Imperial Potentates and Past Imperial Officers.

... The Past Imperial Potentates and Past Imperial Officers were escorted to the podium... (Applause)

DIRECTOR GENERAL VITA: The Marshals will now escort to the platform the Imperial Officers.

... The assembly arose and applauded as the Imperial Officers were escorted to the podium...

DIRECTOR GENERAL VITA: And now, we will receive the Imperial Potentate of the Shrine of North America, Imperial Sir, Dr. F. T. Hogan H'Doubler, Jr., of Abou Ben Adhem Temple, escorted by his sons, Kurt and Scott H'Doubler.

... Whereupon, rising applause ensued as Imperial Sir Hogan H'Doubler was escorted by his two sons to his position on the podium...

DIRECTOR GENERAL VITA: I would like to have you remain standing while the Jerusalem Temple Legion of Honor presents the Colors.

... At this point, the presentation of Colors, the Pledge of Allegiance and posting of Colors ensued...

DIRECTOR GENERAL VITA: I will now call on the Imperial Chaplain, Reverend William Magill, for the invocation.

REVEREND WILLIAM MAGILL: Dear God, we stand before you seeking to do Your will, hoping to strive to serve others before we serve ourselves.

We ask that You would drive from us all vain decisions, selfish motives and the seeking of personal goals, keeping ever before us, our Lord, our task and our purpose uniting us together with the power of Your love.

May the grace of our Lord, Jesus Christ, and the love of God and the fellowship of the Holy Spirit support us in this task. Amen.

DIRECTOR GENERAL VITA: Will the audience please be seated.

I now declare the 107th Annual Session of the Imperial Council open.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Distinguished Guests, Nobles and Ladies: As Past Potentate of Jerusalem Temple and Director General of this 107th Imperial Council Session, I want to thank and welcome each of you to this Public Opening of our Imperial Council Session.

We have more than 4900 members in Jerusalem Temple and I extend these greetings in their behalf.

I wish to take this opportunity to thank the officials of this State, City and the greater New Orleans Tourist Bureau for their cooperation and courtesies during the past three years and many thanks to my friend, Mr. Ed McNeill, Vice President of the greater New Orleans Tourist Bureau, for his help in making this a most successful convention.

The last time the City of New Orleans and Jerusalem Temple had the opportunity to host a National Shrine Convention was back in 1910, and looking over the audience, I cannot see anyone who could have been here then. (Laughter)

The session of 1910 was, by far, the largest session ever held up to that time

and it was said that Bourbon Street at that time was dim. I am sure history will repeat itself this year except that Bourbon Street will not be dim.

You will have the opportunity to attend the Shrine-A-Rama with Al Hirt, Pete Fountain, Frogman Henry, Dave Bartholomew and his sixteen piece band and the swingers of Abou Ben Adhem at the world famous Superdome tonight and the Shrine Country Western Show with Merle Haggard, Hank Williams, Jr., Tammy Wynett, Danny Davis and the Nashville Brass, also at the Superdome Wednesday night and you can relax in the air-conditioned Superdome for the Thursday night Super Shrine Parade.

I would also like to thank all of my committees for a job well done so far. Will they all stand. Let's give them a round of applause. (Applause)

Also, I would like to thank Noble Don Winter of the Oldsmobile Division of the General Motors Corporation, for their continued assistance and dedication to the Shrine. We are most grateful, Noble Winter. Are you present? (Applause)

To our Imperial Potentate, Dr. F. T. Hogan H'Doubler, Jr., I will always be grateful for appointing me as Director General of this 107th Imperial Council Session and for selecting our beautiful City of New Orleans as the Convention City.

Before we know it, the next four days, which will certainly be busy ones, will slip by. Friday will be here, you will be all packed and heading back to your respective home towns. I would like to say may God be with you until we meet again.

We are privileged to have with us today some distinguished leaders from Government, the Masons and the Shrine. It is a pleasure at this time to introduce them to you.

Now, let me say that due to the State Senate and House being in session at Baton Rouge, we will not have present with us our Governor and our State Senator, Senator Windhorst, nor our Mayor. However, we do have one of our city leaders present here with us and, therefore, it gives me great pleasure at this time to present to you Councilman Bryant Wagner.

COUNCILMAN BRYANT WAGNER: Thank you very much.

Before I speak in behalf of the City, I would like to speak in behalf of my good friend, Governor Dave Treen, who I know would have loved to have been here today. However, you have not seen anything the likes of the last day of our legislative session and they are having some rather wild times up there today.

I do, however, want to say a few words in behalf of the City of New Orleans.

You know, it is a great honor for us to have an organization that does so much for people come and have their convention here in this city with us. I have heard many people talk about how nice it is to see you all on the streets and most of you have been referred to as "those guys who help people." And so I know that when you wear your Red Fez, you wear it very proudly.

The City thinks a whole lot of you and we hope you will enjoy our city as much as we enjoy having you.

Now, before closing, I have these certificates that I wish to present to your Imperial Officers in behalf of our City. I know it would take additional time to present them to each Officer individually and so I would ask your indulgence in that I be permitted to present this first certificate to your Imperial Potentate, Dr. Hogan H'Doubler.

Therefore, Imperial Sir, in behalf of the City of New Orleans, I wish to present to you this certificate.

...Applause ensued as the certificate was presented to Imperial Potentate H'Doubler...

IMPERIAL POTENTATE H'DOUBLER: Thank you very much, Councilman Wagner.

COUNCILMAN WAGNER: Let me also say that I have citations making all of the Imperial Officers a colonel of the staff of the House and we will also have a citation making all the Imperial Officers Honorary Senators of the State of Louisiana.

Again, many thanks for allowing me to greet you in behalf of the City and, in conclusion, we all wish for you a most enjoyable convention.

Thank you very much for coming. (Applause)

DIRECTOR GENERAL VITA: Before we proceed further, I have just received the following telegram addressed to me which I would like to read to you:

"I am delighted to send my greetings to all those gathered for the 107th Annual Session of the Shrine of North America. This event presents a welcome opportunity to express my continuing high regard for the work of the Shriners of North America. You have repeatedly demonstrated a compassion and deep concern for the welfare of crippled and injured children throughout the continent.

"I admire you and your organization and recognize that your efforts reflect the best in human spirit. You have my best wishes for an enjoyable session and for your continuing success in the future."

That is signed—"Ronald Reagan." (Applause)

Now, I would like to present to you the Potentate of our host Temple for this session, Illustrious Sir, A. J. Mura, Jr.

ILLUSTRIOUS SIR A. J. MURA, JR. [Potentate, Jerusalem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Distinguished Guests, Nobles and Ladies All: It is indeed an honor for me to be here at this time to say "welcome" to each and everyone of you and to thank each and everyone of you on behalf of my Divan, the Nobility of Jerusalem Temple and to say to you in sincerity that I have received so many congratulations these past few days on the wonderful job that we are doing. However, I feel that I have been only one small part of it—that our Divan and Nobility have worked very hard to make it successful for you people.

Now, again, please enjoy yourselves while you are here. Again, I say to you that it is indeed a pleasure being your host and, of course, we are here to serve you to the best of our ability. If you have any more compliments, I will gratefully accept them. If you have any complaints, give them to Joe Vita. (Laughter)

Again, while you are in New Orleans, please have the best time of your life because you only live from day to day. Again, thank you all very much for your attendance and please enjoy yourselves. (Applause)

DIRECTOR GENERAL VITA: Thank you, Illustrious Sir Mura.

And now, ladies and gentlemen, I am honored at this time to introduce the Masonic Dignitaries who are present with us today.

It is a pleasure to introduce to you our native son, the President of the Masonic Relief Association of the United States and Canada, Worshipful Brother Glen H. Butler.

WORSHIPFUL BROTHER GLEN H. BUTLER: Thank you, Joe.

Imperial Sir, Imperial Sirs, Past Grand Masters, Nobles and Ladies All: I bring you greetings from the Masonic Relief Association of the United States and Canada.

It warms our hearts to see so many thousands of Nobles together to work as well as to play for the great purposes of the Shrine—supporting the Crippled Children's and Burns Hospitals.

The Masonic Relief Association is composed of Master Masons from all over the United States and Canada and, by the way, many of them are Shriners and they are located in all of the major cities of both countries.

We are at the beck and call of distressed Masons from all over the world. We go quietly about coordinating various forms of Masonic relief in the United States and Canada—from promoting prompt and effective methods of handling jurisdictional relief to acting as an agency for organizing Masonic relief in time of great disaster when so requested by the Grand Lodges.

We provide a meeting place for discussions of various problems in Masonic relief and, incidentally, we will be holding our annual convention here in New Orleans later this year.

In considering the many services supported in behalf of our distressed brethren and their families by the Masonic Relief Association all over the United States and Canada and considering the agencies supported by your Order, this reminds me of the words ably described by Henry Ford some years ago when he said—"You can do anything if you have enthusiasm. Enthusiasm is the ingredient that makes everything start. Enthusiasm is the sparkle in your eye, the swing of your gait,

the grip of your hand, the irreversible surge of your will and your energy to execute your ideas.

"Enthusiasts are the fighters, they have fortitude, they have staying power and they exist at the bottom of all progress."

May the Grand Architect of the Universe, on this day and in the days to come, grant to each of us and to our organizations that great enthusiasm for charity we now share.

Thank you very much. (Applause)

DIRECTOR GENERAL VITA: Thank you, Brother Butler.

From the State of Florida, Most Worshipful Grand Master, Roy Crowthers. (Applause)

Is he present?

...Cries of "no"...

DIRECTOR GENERAL VITA: From the State of Illinois, Most Worshipful Grand Master, Norman R. Buecker. He is not here also.

From the State of Kentucky, Most Worshipful Grand Master James Elliott. (Applause)

From the State of Mississippi, Most Worshipful Grand Master, James C. Barnes. (Applause)

From the State of North Carolina, Most Worshipful Grand Master, Nelson B. Banks. (Applause)

From the State of Rhode Island, Most Worshipful Grand Master, Henry G. Spoerer. (Applause)

From the State of Texas, Most Worshipful Grand Master, Tom Land. (Applause)

If there are other Grand Masters in the audience, please stand. I see one over here (indicating). We welcome you to our 107th Imperial Council Session.

Let us give them a big round of applause. (Applause)

At this time it is likewise a pleasure to introduce to you the Imperial Potentate's Grand Master, Most Worshipful Grand Master of the Grand Lodge of Missouri, Dr. Edward J. Blinn. (Applause)

MOST WORSHIPFUL BROTHER BLINN [Grand Master of Missouri]: Imperial Sir, Dr. H'Doubler, Most Worshipful Grand Masters, Imperial Sirs, Members of the Imperial Divan, Nobles All and particularly the Clowns: I happen to have been a clown.

I certainly wish to express a hearty "thank you" for the invitation to be here at this 107th Imperial Council Session; for your hospitality, consideration and for the sunshine of the Shrine.

Imperial Sir, H'Doubler, I also want to say that I am proud to be a Shriner and that I am proud to be a member of Abou Ben Adhem Temple and particularly so this year because you are the number one Shriner of North America and also a member of this Temple.

I would hasten to add that we in Missouri are very proud of you and of your fine record of service to the Imperial Shrine and to Shrinedom and to Freemasonry.

It is really impressive to see the fine spirit of cooperation between the Shrine and Masonry. I have seen this spirit of cooperation in the other Grand Jurisdictions that it has been my privilege to visit.

In Missouri, which I know best, that spirit of cooperation has been really great. The Shrine Temples in Missouri have been most willing to lend effort and support to the Grand Lodge in helping to institute programs to strengthen the Blue Lodges, which is, of course, the basis of it all.

The Imperial Divan is also manifesting a great spirit of concern and cooperation. The last issue of Knights Templar Magazine contained an outstanding article by Dr. Russell Anthony, Imperial First Ceremonial Master, which should do much to improve inter-Masonic relations and public awareness of the Shrine as a Masonic body.

The term "Shrine Mason" is certainly something to give thought to, especially

as the Shrine actively attempts to reinforce and publicize its relationships with Symbolic Masonry in the minds of the general public and in the minds of Masons generally.

Your great philanthropy can be and is a great showcase of Masonry and, your great efforts, continued and enhanced can only rebound to the benefit of all branches of our great Fraternity.

Masonry today unquestionably has some problems, not the least of which are the great Masonic disease—apathy and lethargy. These could be killers but, fortunately, they are not universal—they can be overcome—and I believe we can take a lesson from the Shrine in how to actively motivate our members.

I feel assured that the future of Freemasonry is bright.

It seems that the pendulum of social thought and action is swinging back to the basic principles of harmonious living, peace and social awareness in relation to which this country, as it has in the past, can continue to grow and prosper.

Imperial Sir, I am happy to bring you the warm and sincere fraternal greetings of your Grand Lodge; the Grand Lodge of Free and Accepted Masons of the State of Missouri; and to add my own personal greetings and wish for you and the Imperial Council a most harmonious, productive session.

It has been a real privilege for me to have served as Grand Master in Missouri this year as you led the Imperial Shrine.

Thank you very much. (Applause)

DIRECTOR GENERAL VITA: Thank you, Most Worshipful Brother Blinn.

It now gives me a great deal of pleasure to present to you the Worshipful Grand Master of the Order of DeMolay, Worshipful Brother David J. Morgan. (Applause)

Representing Henry C. Claussen, the Sovereign Grand Commander, A.A.S.R., Southern Jurisdiction, the Sovereign Grand Inspector General of Louisiana, Ancient Accepted Scottish Rite, Southern Jurisdiction, Dr. Walter Jessen. (Applause)

The General Grand High Priest, Royal Arch Masons, J. W. Vandall. (Applause)

The Grand Master, Grand Encampment of Knights Templar, U.S.A., Kenneth C. Johnson. (Applause)

I am honored at this time to introduce and present the current number one Mason in this jurisdiction, a good friend of mine, the Grand Master for the State of Louisiana, Most Worshipful Dr. Calvin B. Folds. (Applause)

MOST WORSHIPFUL BROTHER FOLDS [Grand Master, State of Louisiana]: Imperial Sir, Dr. H'Doubler, Members of the Imperial Divan, Distinguished Guests, Imperial Representatives, Brother Masons and Beautiful Ladies: It is an honor and a privilege for me, as the Grand Master of Masons of the State of Louisiana, to welcome each of you to Louisiana, especially to the City of New Orleans, which has been characterized as America's most interesting city or the city that care forgot.

As Brother Joe previously indicated, the last time Louisiana had the honor of hosting an Imperial Session was in 1910. We hope, Brethren, that it will not be that long before you come back again.

I would like, at this time, to take a moment to express to you, Dr. H'Doubler, and to the other Officers of the Imperial Shrine, my appreciation for producing and making available to us one of the finest tools that has been placed into our hands in a long time, and here I am referring to the film entitled, "Symbol of Pride," which had its premier showing at the Grand Masters Conference in Orlando, Florida in February.

This film presents the image of our Fraternity that we desire to project to the public as well as to our Brethren and I can assure you in Louisiana it is being exhibited all over our state and has been responsible for many new petitions to our Fraternity.

To the other Grand Masters present, I would urge you to make use of this film in your respective jurisdictions and to each Shrine Temple here represented, I would recommend that you secure a copy and use it because, my Brethren, it will pay dividends in membership and public relations far and above the cost of its printing.

Also to you, Dr. Anthony, we certainly appreciate your article that appeared in

the July issue of the Templar Magazine. Any of you who have not had the opportunity to read this, please do so upon your return home.

I would like to take a moment to tell you a little bit about Masonry in Louisiana.

We have had a long and interesting history. Our Grand Lodge was formed in 1812 by five lodges. One of them, Perfect Union Lodge, was chartered in 1793 by the Grand Lodge of South Carolina and four were chartered in 1810 and 1812 by the Grand Lodge of Pennsylvania.

Three of these original five lodges have been in continuous operation since that time.

Since that early beginning, we now have 288 lodges reaching from Arkansas to the north, to the Gulf of Mexico on the south, to Texas on the west and Mississippi on the east.

These lodges are made up of 45,000 of the finest Brethren to be found anywhere and I can assure you they will do all that they can and all in their power to make your stay here an enjoyable one.

My home is in Monroe and that is why I talk differently from Joe. (Laughter) I am from the Yankee part of Louisiana. This is located in the northeastern corner of our state.

By the way, my Brethren, 1100 Nobles from our area have applied for dispensation to form a Temple at your meeting here within the next few days and should their petition be found to be in order, I hope that in your wisdom you will see fit to grant them that request. This will involve a number of benefits to the Fraternity all over the state.

The lodges in our state have utilized the York Rite Ritual exclusively since 1921. However, we have ten of the older lodges located in New Orleans which utilize the Scottish Rite Ritual for the first three degrees. These lodges plan to confer the Entered Apprentice Degree in full form on Thursday at the Scottish Rite Temple. For those of you who would like to witness some interesting work, this is your opportunity to view it.

Many of our lodges in the New Orleans area will be meeting during your session and several will be meeting in the Masonic Temple building at 33 St. Charles Avenue. They would be pleased to have you visit with them should your time permit.

Our Masonic Temple building is a large building. If you walk out of the front door of the hotel, look to your left, right across the roof of the Mart, there you will see a large Square and Compass with the letter "G". It is lit at night. That is our Masonic Temple building here in New Orleans.

We have five Scottish Rite Temples located in New Orleans, Shreveport, Baton Rouge and Monroe and several Knight Templar Commanderies over the state.

We likewise have three Shrine Temples located in New Orleans, Shreveport and Lake Charles.

The officers and members of the Grand Lodge of the State of Louisiana are dedicated to seeing the Masonic Fraternity grow and prosper in our State and I can assure you that we in Louisiana consider the Shrine to be a Masonic body and are especially proud of this fact. (Applause)

I can also assure you, Imperial Sir, Nobles and Brethren, that this is one Grand Master who is proud to be a Shrine Mason. (Applause)

We salute you for the great philanthropic projects that have been advanced by this great organization and are proud to have been a part in these endeavors.

Let me say, in closing, that we are glad to have you in our midst and we can only hope that your sessions in New Orleans will be of the finest, the most productive and memorable in the 110 years of this noble Order.

Thank you very much. (Applause)

DIRECTOR GENERAL VITA: It is my genuine pleasure at this time to introduce my dear friend and hard worker for this Convention, our Deputy Director General of this 107th Imperial Council Session, Illustrious Sir John J. Avery, Past Potentate of Jerusalem Temple, who will introduce the National Board of Trustees and Past Imperial Officers.

DEPUTY DIRECTOR GENERAL AVERY: Thank you, Director General, for those kind words.

At this time, I would like to present the members of the National Board of Trustees.

Would they please stand and be recognized as their names are called and I will ask you all to please remain standing and the audience to hold their applause until they have all been presented.

Mahlon W. Hessey, Past Potentate of Boumi Temple.

Webber C. Harrington, Past Potentate of Al Kader Temple.

C: Howard Bozeman, Past Potentate of Kerbela Temple.

William E. Mattison, Past Potentate of Arabia Temple.

And will our Past Imperial Recorders please stand as their names are called:

Robert J. Turley of Oleika Temple.

George M. Saunders of Ararat Temple, Imperial Recorder Emeritus.

Now, let us give them all a big hand. (Applause)

T. Hogan H'Doubler, Jr., of Abou Ben Adhem Temple, Springfield, Missouri.

... The assembly arose and applauded as Imperial Sir H'Doubler approached the podium...

DIRECTOR GENERAL VITA: Imperial Sir, before you take the microphone, I would like to make this presentation to you, Imperial Sir.

This is what we call Louisiana Oak and we hope that you will use this wisely and, of course, I know you will and, further, Imperial Sir, it is yours to keep.

... Presentation of large oak gavel to Imperial Potentate H'Doubler ensued...

IMPERIAL POTENTATE H'DOUBLER: Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Fellow Nobles, Lovely Ladies and Guests: I hope you have enjoyed this opening session as I have. It has set the tone for a very, very exciting meeting in which much business will be accomplished.

Right now, we have many things to do.

Let me remind all of the Imperial Representatives that if they do not have their ballots with them to please go back to their rooms and get them. We will reconvene in this room in open business session at three o'clock.

I want to thank all of the people from Jerusalem Temple for the tremendous job they have done. This hotel has knocked themselves out to provide us with all the frills and courtesies.

Therefore, until three o'clock, when we open our regular Business Session, let me thank you all for coming and I hope you will have a wonderful, wonderful week.

Thank you very much.

This session is now adjourned.

... Whereupon, at two-forty o'clock p.m., the Public Opening Session was adjourned...

AFTERNOON SESSION
MONDAY, JULY 13, 1981
THREE O'CLOCK, P.M.

The 107th Annual Session of the Imperial Council was convened in the New Orleans Hilton Hotel, New Orleans, Louisiana on Monday, July 13, 1981, at three o'clock p.m., Imperial Potentate Dr. F. T. H'Doubler, Jr., presiding.

IMPERIAL POTENTATE H'DOUBLER: Will the Representatives please take their seats.

At this point, I would like to have all of the Nobles present stand and I will call upon our Imperial Chaplain, Reverend Magill, to give the invocation.

REVEREND MAGILL: Let us pray.

Supreme Architect of the universe, the question before us is not what Shrinedom can do for me but what I can do for the Shrine.

We ask now that You would empty us of ourselves and fill us with the peace, the purpose, the power of Your life-giving spirit that in all of our deliberations, in all of our confrontations, that we may be still and realize our goal and seek to accomplish it.

To do this, we need Your help and we need to constantly keep before us the love that we have for one another.

In Your name we pray and for Your sake we work for the benefit of crippled children and for the benefit of this Fraternity. Amen.

IMPERIAL POTENTATE H'DOUBLER: Thank you. Now please all be seated.

Let me say, Nobles, we have a very busy schedule and so I am going to ask for your cooperation. Again, please be seated immediately.

I now declare the 107th Annual Session open for business, waiving all forms and ceremonies.

We will next have the report of the Committee on Credentials by Roger E. Murdock, Chairman.

NOBLE ROGER MURDOCK: Illustrious Sir, Illustrious Sirs, Imperial Sirs and Representatives, I will not read all of the names but I will give you the total figure.

Imperial Sir, I would move for the approval of this report.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: We have a motion and a second for approval of the report. All in favor indicate by saying aye; opposed. The ayes have it and it unanimously carries.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I now proclaim this session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the session will remain open until adjourned.

I want to call to the attention of the Representatives our Annual Report, which I want you to know is a fine one. It is in your packet. If you have not read it, please do and it will make this session much more meaningful to you.

I want to thank Mike Andrews, our Public Relations Director, for the outstanding job he did in the compilation of this.

I will now recognize the Chairman of the Committee on Transactions of the Imperial Officers, Thomas W. Melham, Past Imperial Potentate.

PAST IMPERIAL POTENTATE MELHAM: This is the report of Transactions of Imperial Officers.

Imperial Potentate and Nobles, your Committee on Transactions of Imperial Officers, to whom the more detailed report of the Imperial Potentate F. T. H'Doubler, Jr., M.D., was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.
2. That all matters relative to edicts, orders, decisions and recommendations as to statutes and laws be referred to the Committee on Jurisprudence and Laws.
3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.
5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

It is a pleasure for the Committee to express gratitude and appreciation to our Imperial Potentate, F. T. H'Doubler, Jr., M.D., for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

He and his lovely wife, Joan, have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals, and other Masonic organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to Shrine work and ideals. They have endeared themselves to the hearts of all with whom they have come in contact.

Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles, but also the public as well.

We, the members of your Committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to

the Representatives of this, the One Hundred Seventh Session of the Imperial Council, and move for its adoption.

Respectfully submitted,

PAST IMPERIAL POTENTATE MELHAM: Imperial Sir, I would move for the adoption of this report.

IMPERIAL POTENTATE H'DOUBLER: Is there a second.

... The motion was severally seconded. . .

IMPERIAL POTENTATE H'DOUBLER: The motion has been seconded. All in favor indicate by saying aye; opposed nay. It is unanimously carried and thank you, Tom.

I would now like to refer the various legislative matters to the appropriate committees.

To the Jurisprudence and Laws Committee:

All proposed legislation and all Resolutions.

To the Dispensations and Charters Committee;

The proposals to amend Article 29, which are Item Nos. 5, 6, 7 and 8 in the Call.

The application for Dispensations for Azan, Sahib, Barak and Mazol Temples.

The proposals to change the locations of Orak, Philae and Hella Temples.

The request by the Committee to form a Temple at Baton Rouge, Louisiana, that its application for a dispensation be extended.

To the Jurisdictional Lines Committee;

The proposals for changes in Jurisdictional Lines, which are Item Nos. 10, 11, 12, 13 and 14 in the Call.

The application for dispensations for Azan, Sahib, Barak and Mazol Temples.

The application from Osman Temple for Shrine Clubs in jurisdiction concurrent with Zuhrah Temple.

To the Regalia and Emblems Committee:

The proposal to enact Sec. 213.15 which is Item No. 2 in the Call.

To the Finance and Accounts Committee:

The proposal to amend Sec. 205.2 which is Item No. 1 in the Call.

To the Mileage and Per Diem Committee:

The proposal to amend Sec. 205.2, which is Item No. 1 in the Call.

We will next go to Item XI, which is the Jurisprudence and Laws Committee and at this time I will ask its Chairman, Bob Turley, to explain the procedures.

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: The Jurisprudence and Laws Committee will again, as in the past, report to you on the form and legality of each proposed amendment to the By-Laws and upon its constituency with other provisions of the By-Laws and the Articles of Incorporation of the Iowa Corporation, or the Colorado Corporation, as the case may be. Likewise, we will report on Resolutions.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the Jurisprudence and Laws Committee, as such, is either in favor of a proposed amendment or against it.

In his capacity as a Representative, each of the members of the Committee may have strong feelings as to the merits of a particular proposal; and any of us, like you, may wish to participate in the debate concerning one or more of the proposed amendments or resolutions. In so doing, he will speak as an individual Representative and not for the Jurisprudence and Laws Committee as such.

This year, in an effort to afford better understanding of the procedure with respect to legislation, and after consultation with the Imperial Potentate and the Parliamentarian, we propose that legislation and resolutions be considered as follows:

- (1) Report of the Jurisprudence and Laws Committee.
- (2) Report of any other committee to which the matter is referred.
- (3) Recognition of the sponsor for his motion to adopt and his explanation of the proposal, and
- (4) Your consideration, debate and action.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is prepared to answer questions concerning the legal effect of proposed legislation. We will make every effort to serve this Imperial Council as you see fit.

Are there any questions about this procedure? If not, thank you, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: Thank you, Bob.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: We are now going to proceed with a most important item of business which is necessary that we perform today and that is to elect our new Imperial Potentate.

Now, you might think that I am standing up here a little bit reluctant to give up the gavel. However, it is sort of like making love to a skunk—I want you to know that I have had about all of this pleasure that I can stand. (Laughter and applause)

Therefore, I will call upon Illustrious Sir Hal Rush, Past Potentate of Morocco Temple.

ILLUSTRIOUS SIR HAL RUSH [Past Potentate, Morocco Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives:

I appear before you again today with a great amount of pride for Morocco Temple and myself personally.

I want to propose to you the name of a man who has worked for many years and who has done an outstanding job on every committee of the Shrine that he has ever served on. I am likewise sure he will continue that excellent job in the future.

Therefore, at this point, I would like to place in nomination the name of Randolph R. Thomas, Deputy Imperial Potentate, for the office of Imperial Potentate for the ensuing year.

Now, you have heard the motion and hearing no further nominations, I move that the nominations be closed, the rules be suspended and our Imperial Recorder cast a unanimous ballot for Randolph R. Thomas for the office of Imperial Potentate of the Shrine of North America for the ensuing year.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second. All in favor signify by saying aye; opposed nay. It is unanimously carried.

And now, Jack, would you like to carry out your duties?

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives, it gives

me great personal pleasure to cast the unanimous ballot of this august body for Randolph R. Thomas as Imperial Potentate to serve the Shrine of North America for the ensuing year. (Applause)

IMPERIAL POTENTATE H'DOUBLER: And now, Randy, will you please come up here.

Let me ask you, do you accept?

IMPERIAL SIR THOMAS: Imperial Sir, Imperial Sirs and Representatives and my dear Friends: You know, Hal Rush has been doing this for many years and he says this will be his last time. (Laughter) He means it sincerely. He hated to do it so badly because he was so afraid that I might louse it up so that he almost broke down in making my nomination.

However, in a more serious vein, let me say, Imperial Sir, that I do accept the challenge. If the ballot comes out in relation to the hospital program, you will have set a goal for me as Imperial Potentate, as well as for our Divan and our Board of Trustees so that our work will be cut out for all of us. I promise you that we will work diligently, we will work fervently, not only for the Southeast but we have many other places we are going to spend time with.

With regard to selecting my Long-Range Planning Committee Chairman and full committee for the next year, they already basically have their assignments and they are going to be working just as hard next year in a different geographical area as they did in the Southeast.

I urge all of you to bring your families and attend the pageant on Wednesday morning. It will involve a Walt Disney production. I understand it will be a very enjoyable pageant.

However, it will be again a pleasure, during the coming year, as well as a privilege, to continue to serve this great Order of ours. Thank you so very, very much.

... Rising applause ensued. . .

IMPERIAL POTENTATE H'DOUBLER: You know, after that great ovation you were just given, Randy, I now realize more than ever before the old saying, "When you're hot, you're hot." (Laughter)

Now, Nobles, that what we have been doing right now and what we will be hearing on in few moments. I hope, is only the beginning of a tremendously exciting session. Tomorrow we will have the day Parade and no meeting. On Wednesday morning, as soon as we can clear the room after the pageant, we will reconvene and have our other elections and get into more business.

Let me also say that I know that you will weigh carefully all the decisions to be made in relation to these elections because it is you that pick from your ranks the people you want to represent you in order to keep the store and watch over it closely while you go off and do your thing.

We are very honored to be chosen as members of your Imperial Divan and as Trustees and we know it is a great obligation and responsibility as well as a great honor.

We also want to forever remind you that we also put on our individual pants exactly in the same way you do and we want to communicate with you in every manner we can possibly do so. Therefore, feel free to call on us. We want to work with you and we are with you.

I will now recognize the Chairman of the Jurisprudence and Laws Committee, Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, we cannot have any more business this afternoon because the By-Laws say the last order of business on the first day of the session is the election of the Imperial Potentate and you have done that save for a report that has to yet be made by the Tellers concerning that last vote.

IMPERIAL POTENTATE H'DOUBLER: Thank you, for your ruling. (Laughter)

You know, there is another saying—"When you are smart, you are smart; when you are not, you are not." (Laughter)

... Business was transacted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE H'DOUBLER: I will now declare this meeting in recess until Wednesday morning following the completion of the incoming Imperial Potentate's Pageant.

...The 107th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-forty-seven o'clock p.m. to reconvene following the conclusion of the Pageant for the incoming Imperial Potentate on Wednesday morning...

MORNING SESSION
WEDNESDAY, JULY 15, 1981
NINE O'CLOCK A.M.

The Pageant Honoring Imperial Potentate Elect Randolph H. Thomas convened in the New Orleans Hilton Hotel at nine o'clock a.m., Illustrious Sir Roy Lord, Past Potentate of Morocco Temple presiding.

NOBLE ROY LORD: Welcome, ladies and gentlemen, distinguished guests and Nobles all. I am Roy Lord, Past Potentate of Morocco Temple and your Master of Ceremonies at today's Pageant Spectacular. It is my sincere pleasure to welcome each of you here today to view an Imperial Pageant Spectacular for our newly elected Imperial Potentate, Randolph R. Thomas.

And now, without further ado, let us proceed with the "Wonderful World of Randy Thomas."

We will, at this time, have the presentation of Colors by the Morocco Temple Color Guard.

...At this point, the presentation of Colors, the Shriners Pledge of Allegiance and the playing of the three National Anthems ensued...

NOBLE ROY LORD: Let us now begin this glorious day in the history of Shrinedom with an invocation from our Imperial Chaplain-Designate, Imperial Sir John Hardy.

NOBLE JOHN HARDY: We offer our praise to Thee, O God. We turn to You for You have given us life and preserved us during our years.

Today we would ask a special prayer in behalf of our newly elected leader. Bestow upon him the strength and wisdom for the tasks before him.

Give him insight, O Lord, as he seeks the way You would have him go and fill him with courage that he may not falter. Grant to his family and friends compassion and strength for the days ahead. Grant to us all a renewal of a vow to help children and be worthy of the heritage of Shrinedom.

We may have been unfaithful but You have not turned us aside and we now ask that You again enfold us into Your future. Amen.

NOBLE ROY LORD: Thank you, Imperial Sir Hardy.

Ladies and gentlemen, will you please now be seated.

Now, ladies, Nobles and our guests, we have many people to thank for this glorious occasion. Most of all it is the organization from Disney World, for today you will see and hear something that will be of great enjoyment to you. However, before doing that, we have introductions to make of these good Nobles, who, through the years, have helped us to build Morocco Temple into its present enviable position.

Now, ladies and gentlemen, it is with great pleasure and honor that I present to you the Past Potentates of Morocco Temple and I would like to, at this time, present them in the order in which they served their Temple. Please hold your applause until they are all introduced.

...Whereupon, the Past Potentates of Morocco Temple were individually introduced... (Applause)

NOBLE ROY LORD: We are very fortunate, in coming to New Orleans, to have a man who is real busy serving our 90,000 Master Masons in Florida. That is our Grand Master. It is my pleasure to present to you, at this time, a member of Morocco Temple, and the Most Worshipful Grand Master of the State of Florida, Brother Roy Crowthers. (Applause)

Also, seated out in the audience and making a special trip here because of his

friendship, not only for Randy but many other Floridians, is our former Governor and former United States Trade Representative, and a Noble of Hadji Temple at Pensacola, our own Illustrious and Noble Reubin Askew. (Applause)

Now, thank you very much, Past Potentates, and you may now be seated with your ladies.

Now we are going to follow the script for a while.

As in former years, we have another outstanding Potentate this year who is making tremendous strides as he visits around all the Masonic bodies.

It is now my pleasure to present to you our Illustrious Potentate this year at Morocco Temple, Illustrious Sir Dr. William H. Wood.

ILLUSTRIOUS SIR WILLIAM WOOD: Thank you very much, Illustrious Sir Roy Lord.

Morocco Temple shares a great deal of pride with you folks here today in relation to this auspicious occasion.

I would like for you to recognize with us that Morocco Temple is the mother Temple of the Southeastern States of Florida, Georgia and Alabama and since its inception it has grown to a number of nearly 11,000 Nobles encompassing the entire northeastern section of Florida.

We have 29 Uniformed Units; we have 30 very active and viable Shrine Clubs; we consider ourselves one of the leading Temples of the entire North American Continent and a great deal of our leadership is attributable to the person we honor here today.

At this time, I would like to introduce those who have come with us to share this moment of pride.

At the outset, I would like to have you extend your welcome to our Divan. I would ask that you hold your applause until they are all on the stage.

...At this point, the members of the Divan of Morocco Temple were individually introduced... (Applause)

The 29 Units and 30 Shrine Clubs that I alluded to a moment ago are here today represented not in toto but in part.

Representatives have come here to this Crescent City to be present with us on this very, very fine day.

I am going to introduce these Units, together with their leaders, have them walk right across the stage in front of us here and, again, ask that you withhold your applause until all of them have been introduced.

...Whereupon, the leaders of the various Uniformed Units of Morocco Temple were individually introduced as they paraded across the stage... (Applause)

NOBLE ROY LORD: Thank you, Illustrious Sir Wood and thank you, Morocco Temple Uniformed Units. Let's give them all one more great big hand. (Applause)

You know, we timed this just about right. We told them twenty minutes and we used about twenty-two minutes and so we are doing all right.

You know, it is certainly a great pleasure for us to have such an enthusiastic audience. We have standing room only now in the back and so those of you who are seated are very fortunate.

And now, ladies and gentlemen, on with the show!

...Whereupon, the entertainment spectacular involving the Disney World Cast entitled "The Wonderful World of Randy Thomas" ensued... (Applause)

NOBLE ROY LORD: Ladies and gentlemen and all of our Nobility—what a wonderful show that was—given to us by the Walt Disney World Kids of the Kingdom and the Kids of the Kingdom Band. Let us give them another nice big hand.

...Further applause ensued...

And now, the highlight of this hour, and it has been a beautiful hour, but it is with deep honor and pleasure that I now present the Imperial Potentate-Elect of the Shrine of North America, Imperial Sir Randolph R. Thomas, who will be escorted to the stage by the official representative of the Magic Kingdom, His Honor, Mickey Mouse.

...Whereupon, Imperial Sir Thomas was escorted to his seat on the stage by Mickey Mouse... (Applause)

NOBLE ROY LORD: And now, ladies and gentlemen, I give you the First Lady of Shrinedom, Lady Olene Thomas, who will be escorted by her favorite Disney friend, Pluto.

...Whereupon, Mrs. Olene Thomas was escorted to her place on the stage by Pluto... (Applause)

NOBLE ROY LORD: And now, Lady Olene, our Illustrious Potentate of Morocco Temple, Dr. Wood, has a special presentation he would like to make to you at this time.

ILLUSTRIOUS SIR WILLIAM WOOD: I would like to additionally say that this lovely and gracious lady is just as much at home whether she is receiving a bouquet of roses or whether she is preparing for twenty dinner guests; whether she is addressing a thousand Shrine ladies or whether she is baiting a fishing hook. She is a very lovable and sweet person and a real credit to her great husband and a credit to all the Shrine of North America.

At this time, I would like to present these beautiful roses to her in behalf of the Nobility of Morocco Temple and in behalf of the ladies of the Nobles of Morocco Temple.

...Presentation of roses to Mrs. Thomas ensued... (Applause)

NOBLE ROY LORD: You know, there are always those individuals who are an integral part of an Imperial Potentate's life. I would like, at this time, to introduce to you those special people who are dearest to Randy. Would you please make them welcome.

First, his daughter, Barbara; next her husband and Randy's son-in-law, Noble and Dr. Foster Wright and, finally, Randy's pride and joy, his grandson, Thomas. (Applause)

And now, ladies and gentlemen, we have some distinguished individuals who would like to make some special presentations to the Imperial Sir.

First, Dr. Foster Wright, Randy's son-in-law, has a new Fez for our new Imperial Potentate.

NOBLE WRIGHT: Imperial Sir, Dad, it gives me great personal pleasure and pride, in behalf of Morocco Temple and all of Shrinedom and your family to present you with this Imperial Potentate's Fez, emblematic of your office and to tell you also that our love and prayers will go with you every minute of the coming year and, personally, I also want you to know that you have always been my number one Shriner.

...Presentation of Imperial Potentate's Fez and applause ensued...

IMPERIAL SIR THOMAS: Thank you, Foster. It has been a long time that I have been waiting on this and I hope Dr. H'Doubler has patience for another day. (Laughter)

And now, it gives me pleasure to make a presentation to you, if I can find it here.

Foster, normally an Imperial Potentate does not have but one or two aides but, as I travel around, I know that I am going to need a tremendous amount of help and I am going to appoint about twenty-five because I am going to want to be treated like a king. (Laughter)

Therefore, I, at this time, wish to present you with the Imperial Potentate's Aide Fez.

...Presentation of Imperial Potentate's Aide's Fez and applause ensued...

NOBLE ROY LORD: And now, Imperial Sir, our next presentation to be made to you will be made by our Imperial Recorder, Emeritus, Imperial Sir George M. Saunders, who has a traditional gift to present to you at this time.

IMPERIAL SIR GEORGE SAUNDERS: Mr. Chairman, Imperial Sirs, Illustrious Imperial Potentate-Elect, Randolph R. Thomas, Representatives to this Imperial Session, Nobles, very lovely ladies and visitors: It gives me great pleasure to present to you, Randy, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the official title, along with your name.

The Official Imperial Potentate's Flag is of royal purple silk, embroidered in gold to depict the flag of great leadership. May this Flag march along with our three National Flags of the Shrine, at the head of the mighty Phalanx of nearly a million

Nobles of the Mystic Shrine in their dedication to Freemasonry and Shrine tenets and principles and our devoted service to mankind in the greatest of all fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

I know that you, as a Noble, will respect the symbolism of this Fraternal Flag for all that it represents.

Imperial Sir Randy, it is a personal privilege for me to present to you, in the name of all Shriners, your Imperial Potentate's Flag.

...Presentation of Imperial Potentate's Flag to Imperial Sir Thomas and applause ensued...

IMPERIAL SIR THOMAS: Imperial Sir, George, I accept this flag with a great deal of humility because in my book the number one Shriner is George M. Saunders. (Applause)

NOBLE ROY LORD: Well, Imperial Sir Randy, they are really coming in now.

We have a presentation by Imperial Sir Edward McMullan, Imperial Marshal, who has something to present to you in behalf of our Canadian Brothers.

IMPERIAL SIR MCMULLAN: Mr. Chairman, Imperial Sirs, Imperial Potentate-Elect Randolph R. Thomas, lovely ladies and visitors: You know, Randy just asked me, "Did you bring cash?" (Laughter) Well, I do not think he would want Canadian cash. It is eighteen percent less than it is here. (Laughter)

However, it does give me a great deal of pleasure to have the honor to present to you Randy and Lady Olene, in behalf of the Canadian Temples, the Illustrious Potentates of whom are assembled here on the stage with me, this beautiful silver tray, suitably engraved and depicting the names and location of the ten Canadian Temples, forming a solid chain of support from the Atlantic to the Pacific, as a token of our loyalty and support to your great office and this great philanthropy on this most auspicious occasion.

If you will look from the Atlantic to the Pacific you will see here the names of those Temples involved with this presentation.

Also, at this time, I would like to present to you the Illustrious Potentates of the Canadian Temples.

...Whereupon, the Illustrious Potentates of the Canadian Temples were individually presented to Imperial Sir Thomas... (Applause)

IMPERIAL SIR MCMULLAN: And now, Imperial Sir, I would like to ask that you bring to the stage Imperial Sir Jack M. Streight, Q.C., from Vancouver, British Columbia, to make a formal presentation of the Canadian Flag.

IMPERIAL SIR THOMAS: Thank you very much for that presentation, Ed.

PAST IMPERIAL POTENTATE JACK M. STREIGHT: Imperial Sir, my fellow Nobles and ladies: Before I make this presentation I have brought up here the sweetheart of the Shrine of North America with me because I think Randy should not stand alone.

You know, this is the first time that I knew, and I have been coming here for over twenty years, that Morocco Temple was the mother of the Southeastern Temples. However, Randy, I would like to have you know that we came close to being associated with you because when I visited the University of Washington at Seattle and was being taken around the campus, the Vice Chancellor at that time, said to me, "Jack, over there sitting there on that horse is George Washington, the father of our country. However, if we had motorcycles in those days, he could have been the father of your country as well." (Laughter)

Randy, I am very proud to present to you the Flag of our country. We share the same attributes—freedom of speech, liberty and justice and when I visit the United States and cross that imaginary border, I need no passport but all I need is a friendly handshake and to you, Olene, all you need is a smile and may I be the first one to give you a friendly Canadian welcome.

I trust you, Randy, with this Flag and I can assure you and your fellow Americans that you are always welcome in Canada.

...Presentation of Canadian Flag and applause ensued...

IMPERIAL SIR THOMAS: Again, thank you, Imperial Sir Ed and Imperial Sir Jack. Surely Olene and I will treasure not only the tray but certainly this Flag will always carry a warm spot in our hearts. Thanks to all of you from Canada. (Applause)

NOBLE ROY LORD: And now, for our next presentation, we are honored to have with us the Illustrious Potentate of Anezeh Temple, Illustrious Sir Morley Weiser, and his lady, Irene, who are here to make a special presentation to our Imperial Sir in behalf of the Nobility of Mexico.

ILLUSTRIOUS SIR MORLEY WEISER [Potentate, Anezeh Temple]: Imperial Sir, Randy, on behalf of Anezeh Temple, the smallest Temple in Shrinedom but the largest territory, we are proud to present you with this hat. You know, after watching "The Wonderful World of Randy Thomas," this will be a united symbol to pledge our help to you and our very best to you as you go on to lead this great Imperial Shrine during the coming year.

We also have this special presentation to make to Lady Olene, this special Mexican rebozo so that whenever you wear that Mexican hat, she can wear this rebozo.

... Presentation of Mexican rebozo to Lady Olene ensued. . . (Applause)

IMPERIAL SIR THOMAS: Thank you, Illustrious Sir. In behalf of Olene and myself, we are deeply honored to receive this from your great country and our friends. (Applause)

NOBLE ROY LORD: It is an honor and tradition each year for the Imperial Potentate-Elect to receive a beautiful swagger stick from Al Malaikah Temple. Here this year to present this beautiful memento of Imperial Sir Randy's Masonic history is the Potentate of Al Malaikah Temple, Illustrious Sir Lynn B. Whitesides and his Captain of the Patrol, Noble Cecil A. Stevens.

ILLUSTRIOUS SIR LYNN B. WHITESIDES: Imperial Sir, Nobles and guests, it is a pleasure, in behalf of the Nobles of Al Malaikah Temple to carry out the tradition of over thirty years and to present you, Imperial Sir, with this swagger stick, designating your Masonic history. We hope you will carry it with you wherever you go during the course of the next year.

... Presentation of swagger stick and applause ensued. . .

IMPERIAL SIR THOMAS: Thank you so much, Illustrious Sir.

Yes, I can use that in many ways. (Laughter) This is really and truly an excellent equalizer.

... Laughter and applause ensued. . .

NOBLE ROY LORD: And, Imperial Sir, last but certainly not least, the Nobility of Morocco Temple would like to offer their best wishes to Randy and our Illustrious Sir Bill Wood would like to make a presentation to the Imperial Sir.

ILLUSTRIOUS SIR WILLIAM WOOD: Imperial Sir, I consider it a very deep personal privilege to have this honor to represent my Temple here today.

I would like to indulge your time for just a moment here to share with you that this year, some happenstance brought me to this position wherein I am in the same position in my Temple as Randy will be in being our Imperial Potentate.

I might further add that I also have the privilege to be here as a result of his interest in me some twenty-five years ago, because it was soon after I became a Noble of the Mystic Shrine that my friend, Randy, encouraged me to become active in the Temple membership and so, at that time, I joined the Arab Patrol. If it had not been for that, I certainly would not be here today.

Therefore, you can see why I consider this a very great personal privilege to be here at this time, this year, when our Morocco Temple Past Potentate will be the leader of all Shriners in North America.

Let me also share with you the fact that some ten years ago, or more, when it became apparent that Randy would represent Morocco Temple in this trip toward this position, our Nobility sponsored, through their monetary donations, a very small portion of that which it takes to run his campaign and later to absorb some of the expenses of this office.

Now, Randy endeared himself to all of the Nobles of Morocco Temple, when he announced several months ago that all of the money we had sweated over during

these last ten years would come back to Morocco Temple and he especially endeared himself to me when he said that all of this money that we have saved for him would come to that which means so much to this year's Potentate and that is our building fund.

Now, Randy, I know that you are expecting a Cadillac but you have seen already that in this package at our feet is nothing more than a scrapbook. I will not burden you with unwrapping it at this time.

In my hand, however, I do hold the keys to a beautiful Cadillac sedan, diesel powered, midnight blue with the most beautiful upholstery you have ever seen and on the glove compartment is a plaque that our automobile representative in Jacksonville arranged to have inscribed. It is beautifully done in brass and is from the Nobles of Morocco Temple to the Imperial Sir, Randolph R. Thomas, with a great deal of respect and admiration and then on this plaque also inscribed are five beautiful stars.

Randy, in behalf of Morocco Temple, we wish you the best. We stand behind you one hundred percent and we hope you will continue to call on us. (Applause)

IMPERIAL SIR THOMAS: Thank you, Bill Wood.

It is true, that Bill and I have had a long career together. It has certainly been a pleasure to me.

Again, my thanks to all of you, the Divan, the Officers and members of Morocco Temple. Please give them all my regards. (Applause)

NOBLE ROY LORD: And now, Imperial Sir, Randy, to say the least, you are certainly the "Man of the Hour." It was certainly a beautiful show we witnessed today and so would you, at this time, like to say a few words to your thousands of friends out in the audience?

IMPERIAL SIR THOMAS: Thank you, Illustrious Sir Roy, for the good job that you did as Master of Ceremonies.

At this particular time, I am not going to take much time but I stand before you with a great deal of humility, fully realizing that this job is a tremendous job. I feel confident, however, that with the Imperial Divan that I have, the Board of Trustees of both the Iowa and Colorado Corporations, that I will have a good year. They have all pledged to me their support and, in turn, I pledge to the nearly one million Shriners out there that I will give you the best that I have, the best effort and one hundred and ten percent of my time, if it takes it.

Now, if I could have the house lights up a little bit, let me say that everybody has what they call a "rich wealthy cousin," and I am no different from anyone else. Today I want to recognize one of those cousins who left Jacksonville this morning in his airplane and brought with him eleven other Shriners. He has a terrific name, his name is Burt Thomas and he is President of the Winn Dixie Stores. Burt, will you stand up, both you and your contingency.

...The assembly applauded as Mr. Thomas and his contingent from Florida arose...

IMPERIAL SIR THOMAS: I thank you all for taking time out of your busy schedule to come over and share this glory with me and my family.

Also, I would like to again present my dear friend, Governor Askew. We have been friends from way back, I guess, when he was in the Senate. Again, Governor, I appreciate you coming here so very, very much. (Applause)

Again, let me say that my program for this year will be laid out two weeks from this Saturday, when I will have all the Imperial Divan come to Tampa for an all-day planning session for the ensuing year.

I personally feel that is the only way to handle it, wherein a Board can sit down during some leisure moments and spend one day doing this rather than trying to do it in from an hour to an hour and a-half on a Friday afternoon, especially after they have been together for some two weeks like this. I think, at that time, their minds will be fresher.

I also invite all of you to come to Orlando next year. I would like to see all of you next year in the Magic Kingdom.

I am sorry, I missed one introduction.

You know, my family is so large that we just stay among each other and so I just did not recognize them. I thought maybe Roy did but, I have, the way it is said in the South, a slew of brothers and sisters up there in the front row. I would ask that you all stand up and turn around and let those in the audience see you and give you a big hand.

... The family members of Imperial Sir Thomas then arose... (Applause)

IMPERIAL SIR THOMAS: You know, I am proud of them because I know they will work for me and, further, I have so many of them.

I would now like to have Past Potentate Jack Hardy come forward if he is close by.

If not, we can do this on Friday... Illustrious Sir Hardy approached the podium...

IMPERIAL SIR THOMAS: John, I have talked to you and you have accepted this position. This is a big job. You can talk to Father Magill about the details. However, at this time, I would like to present to you this Imperial Chaplain's Fez, which you will be during my year in office.

... Presentation of Imperial Chaplain's Fez and applause ensued...

NOBLE ROY LORD: Thank you, Imperial Sir. We are certainly all very proud of you and Lady Olene.

And now, Imperial Sir and Lady Olene, His Honor, the official representative of the Magic Kingdom of Disney World, Mickey Mouse, asked me backstage before the show if he could have a few moments for a little presentation of his own. I said, "Why sure." Therefore, Imperial Sir Randy and Lady Olene, in a special presentation never before made to an Imperial Potentate or any representative of Shrinedom, His Honor, Mickey Mouse, on behalf of all the characters and staff of the Magic Kingdom, would like to present to you the keys to the Magic Kingdom of Walt Disney World.

... Whereupon, Mickey Mouse approached the podium and presented the keys to the Magic Kingdom of Walt Disney World to Imperial Sir Thomas, following which the Kids of the Kingdom, and the Walt Disney Characters, to the playing of the band of "When You Wish Upon a Star," and "It's a Small, Small, World," paraded clapping and cheering on the stage and among the audience...

NOBLE ROY LORD: And this, ladies and gentlemen, concludes our pageant. We trust that you have enjoyed it as we have putting it on for you.

Thank you all very much. (Applause)

... Whereupon, at ten-forty-eight o'clock a.m., the Pageant Ceremony was concluded...

MORNING SESSION WEDNESDAY, JULY 15, 1981 ELEVEN TWENTY-FIVE O'CLOCK A.M.

The 107th Annual Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at eleven-twenty-five o'clock a.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

IMPERIAL POTENTATE H'DOUBLER: I would ask that the Representatives take their seats because we do have a lot to do.

I am now reconvening our session and at this time I would like to call on Father Magill for the invocation.

REVEREND MAGILL: Let us pray.

Dear God, in all of the issues which confront us, in all of the selections that we are called upon to make, we seek Your guidance that we may put from us selfish, vain desires; that we may seek only those things which correspond to Your will. Grant that as we go about this task, that we may feel the support of the brotherhood, that we may seek its welfare and that we may do what You would have us do. Amen.

IMPERIAL POTENTATE H'DOUBLER: Thank you, Father Magill.

Now, Nobles, what did you think of that Pageant?

... Cheers and applause...

IMPERIAL POTENTATE H'DOUBLER: You know, that is certainly going to be a hard act to follow.

We are now going to go into the elections of the balance of our Imperial Divan.

We will next have nominations for the Office of Deputy Imperial Potentate and at this time I am going to call upon Illustrious Ben L. Newman, Potentate of Mohammed Temple, to present a nomination.

NOBLE BEN L. NEWMAN [Potentate, Mohammed Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: My name is Ben Newman and I am Potentate of Mohammed Temple.

It is a real pleasure for me today to have the honor of placing in nomination the name of Dr. Daniel Bowers for the Office of Deputy Imperial Potentate.

Now, Imperial Sir, there being no further nominations, I move that nominations be closed and that the Imperial Recorder be instructed to cast a unanimous ballot for the election of Dr. Daniel Bowers.

... The motion was severally seconded, voted upon and declared to be carried...

IMPERIAL POTENTATE H'DOUBLER: I will now recognize Imperial Sir Jack Jones, our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives, it gives me great pleasure to cast the unanimous ballot of this august body for Dr. Daniel Bowers as Deputy Imperial Potentate for the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE H'DOUBLER: Thank you.

And now, Dan, do you accept?

IMPERIAL SIR BOWERS: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a pleasure for me to accept this high honor and I assure you I will do everything I can to promote this great philanthropy of ours. Thank you so very much.

IMPERIAL POTENTATE H'DOUBLER: Nominations are now open for the Office of Imperial Chief Rabban.

NOBLE WALTER L. EMERSON [Past Potentate, Kora Temple]: Imperial Sir, Imperial Sirs, and Fellow Representatives, for the Office of Imperial Chief Rabban, I have the honor and pleasure of nominating my good friend, Richard B. Olfene. Those of you who have had the opportunity to attend these Imperial Sessions during the years, I am sure, are all aware of the outstanding record that Dick has compiled during the past six years. This morning, therefore, as I say, I am honored to nominate him for the Office of Imperial Chief Rabban.

Believing there are no further nominations, Imperial Sir, I would move the rules be suspended and I would ask that our Imperial Recorder, Jack Jones, cast a unanimous ballot of this session for Richard B. Olfene for the Office of Imperial Chief Rabban.

... The motion was severally seconded, voted upon and unanimously carried...

IMPERIAL POTENTATE H'DOUBLER: Jack, where are you?

IMPERIAL SIR JONES: Imperial Sir, and Representatives, it is with pleasure that I cast the unanimous ballot of this Convention for the election of Richard B. Olfene to serve as Imperial Chief Rabban for the ensuing term.

IMPERIAL POTENTATE H'DOUBLER: Dick, do you accept?

IMPERIAL SIR OLFENE: Imperial Sir and my fellow Representatives, I do accept. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Nominations are now in order for the Office of Imperial Assistant Rabban.

NOBLE PAUL H. ROBINSON [Potentate, Yaarab Temple]: Imperial Sir, Imperial Sirs and my Fellow Representatives: I am Paul Robinson, Potentate of Yaarab Temple, Atlanta, Georgia.

It gives me a great deal of pleasure to place in nomination for the Office of Imperial Assistant Rabban a Noble who not only has the interest of the Imperial Shrine at heart but of every Temple and every Noble in this jurisdiction.

We are very proud of Gene Bracewell. He has served Yaarab Temple with distinc-

tion and, therefore, it is with pleasure that I nominate Gene Bracewell for the Office of Imperial Assistant Rabban.

Hearing no other nominations, Imperial Sir, I ask that the rules be suspended and the Imperial Recorder cast the unanimous vote for Imperial Sir Gene Bracewell.

... The motion was severally seconded, voted upon and unanimously carried...

IMPERIAL SIR JONES: Imperial Sir and Representatives, it is with pleasure that I cast the unanimous ballot of this Convention for the election of Imperial Sir Gene Bracewell to the Office of Imperial Assistant Rabban of the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE H'DOUBLER: Imperial Sir, Gene, do you accept?

IMPERIAL SIR BRACEWELL: Imperial Sir, Imperial Sirs and Representatives, I do accept and I pledge to you my continued support and my best efforts. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Nominations are now in order for the Office of Imperial High Priest and Prophet.

NOBLE L. B. WHITESIDES [Potentate, Al Malaikah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I am Lynn Whitesides, Potentate of Al Malaikah Temple.

It is my pleasure to place in nomination the name of Imperial Sir Walker Kisselburgh for the Office of Imperial High Priest and Prophet for the ensuing year.

Imperial Sir, hearing no further nominations, I move that nominations be closed, that the rules be suspended and that the Imperial Recorder cast a unanimous ballot for the election of Imperial Sir Walker Kisselburgh to the Office of Imperial High Priest and Prophet for the ensuing year.

IMPERIAL SIR JONES: Imperial Sir and Representatives, it is with great pleasure that I cast the unanimous ballot of this Convention for the election of Imperial Sir Walker Kisselburgh to the Office of Imperial High Priest and Prophet of the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE H'DOUBLER: Now, Walker, I know that humility is not one of your virtues (laughter) but do you accept?

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs and Fellow Representatives, I do accept with all humility and thank you for this opportunity. I will try my best next year to help Randy Thomas have one heck of a year. Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Nominations are now in order for the Office of Imperial Oriental Guide.

NOBLE EDMUND Z. BONTTY [El Kahir Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to place in nomination the name of Imperial Sir Russell H. Anthony for the Office of Imperial Oriental Guide. Dr. Russell has served us well in the past and I am sure he will continue to do so in the future.

Now, Imperial Sir, hearing no further nominations, I move that nominations be closed and that the Imperial Recorder cast a unanimous ballot for the election of Dr. Russell Anthony.

... The motion was severally seconded, voted upon and unanimously carried...

IMPERIAL SIR JONES: Imperial Sir and Representatives, it is with pleasure that I cast the unanimous ballot of this Convention for the election of Dr. Russell H. Anthony to the Office of Imperial Oriental Guide of the Shrine of North America for the ensuing year.

IMPERIAL POTENTATE H'DOUBLER: Russ, do you accept?

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Fellow Representatives, I certainly do accept.

You may recall this morning that Randy Thomas, when he received that swagger stick, said he was going to make use of it. After I congratulated him for receiving that great honor, I asked him to please not bring it to the Board Meetings with him. (Laughter) Nevertheless, thank you all very much and I do accept. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I will now call upon the two candidates for the

Office of Imperial Treasurer and also their nominators, asking them to come up here to the stage.

The Chair now recognizes Richard Olfene.

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs, my fellow colleagues and Representatives all, it is a distinct pleasure for me to step before you this morning and place in nomination for the high Office of Imperial Treasurer a man with outstanding qualifications.

His brochure that you all received and had an opportunity to read spells out those qualifications.

This man has spent his life in the accounting and auditing field. He is a Certified Public Accountant with a fantastic track record in that profession. He has served the Shrine in his own home Temple as its Past Potentate. He has served on the Board of Governors of the Hospital Unit at Portland, Oregon and he has served upon our Board of Trustees.

I am speaking to you of a truly dedicated, highly qualified Shriner to fill the Office of Imperial Treasurer.

This Noble is Past Potentate Webber Harrington.

I personally have probably worked with Webb more than any other member of the Joint Boards throughout the time he has served with us. Let me give you a few little examples of what kind of work this man is doing for you and wants to continue to do for you.

Many of you may remember a little situation we had in the Boston Unit. Now, who was chosen to go there and see what could be done? Webb Harrington. How do I know? I happened to serve on that subcommittee with him. The problem is now solved and everyone is happy and things are going along well.

We also had a little problem in St. Louis and who was asked to go out and see what could be done? Webb Harrington. And what has happened in St. Louis? Well, look at the record. The Hospital there now has a tremendous waiting list. Things have been smoothed out and everything is going along in fine fashion.

Then you may remember what happened last year in relation to the Pacific Northwest, directed especially to the Spokane issue. Again, who was asked to see what they could do to help us there? Webb Harrington. And, again, what has happened there? Again, everything came out well and is presently going along well.

Now, let us look at Canada. We are about to embark upon a renovation program in relation to the Montreal Unit that will affect all the Canadian patients available in that area. Webb is very supportive of this move. He is a working individual, someone with whom you and I can sit down, get an audience with him and have him work with you diligently.

However, let us think for a moment of the office that I would like to have him fill. Never before than now, in my judgment, do we need a highly specialized, qualified individual that knows what to do and how to run the Treasurer's Office.

You know, for many years it has been more or less a ceremonial office. However, Webb will not make it a ceremonial office, he is going to make that office do what it should do. He will improve it. Further, with all of his years of accounting work and working closely with the IRS people, you want an individual there with that type of experience on board because it is vitally important that we have a man with expertise in that field.

Let me just say in closing, because I do not have to go on in relation to this man, even though I could do it for a long, long time, I think so highly of him and his ability to serve you and the general Nobility of this Order, what difference does it make if a man wears three stars, five stars or no stars? I know what I want. I hope you know what you want. I am sure we both want the best man for the job. At any rate, that is what I want.

Therefore, when I cast my ballot, and I am soliciting you to do likewise, I am casting my ballot for a highly qualified, dedicated, proven individual—a man that will be an asset to our Fraternity and to the Treasurer's Office in particular.

Therefore, I am going to cast my ballot, and I would urge you to give it the same

consideration, for Webber Harrington for the Office of Imperial Treasurer. Thank you very much. (Applause)

NOBLE GRAVES TRUMBO [Beni Kedem Temple]: Imperial Sir, Imperial Sirs and Representatives: I consider it a great personal privilege, honor and pleasure to place in nomination for the Office of Imperial Treasurer, Past Imperial Potentate Peter Val Preda.

Peter and I have been good personal friends for many years.

At the beginning of our friendship, it is quite possible, that he also being a native-born West Virginian, had more than just a bit of influence in this relationship. However, over the years his inherent ability became evident to me as he progressed through the Imperial Line, as well as reaching the top in his chosen business career as an automobile dealer, being elevated to the Presidency of the National Automobile Dealers Association and serving that body for two terms as Treasurer.

Now, I am sure that each of you received a brochure from Cairo Temple a week or so ago outlining Peter's qualifications. Therein was outlined the complete biographical sketch concerning Peter, including his education, family, military, fraternal, business, civic and service organization activities. I therefore see no need at this time to reiterate to you that record because I am sure all of you are cognizant of the information.

For a moment then, let us just together analyze as to what the duties of the Treasurer's Office are. These are spread upon a complete page in the By-Laws and, therefore, in the interest of time, I will refer to only eight of them.

Number one, arrange for the payment of all obligations of the Imperial Council out of appropriations made by the Imperial Council and in accordance with a budget adopted by the Imperial Council.

Number two, arrange for the keeping of all financial records and books of account.

Number three, collect and receive all revenues and deposit them in the depositories approved by the Board of Directors.

Number four, provide for the maintenance of adequate and complete records and books of account, keeping separate the revenues of the Imperial Council and receipts for the Hospital.

Number five, keep and maintain all budget controlled records.

Number six, prepare an annual statement of the financial condition showing assets, revenues, liabilities and net worth.

Number seven, prepare an annual operating statement and submit his annual report to the next annual session of the Imperial Council.

Number eight, with the approval of the Board of Directors, he shall arrange for the prudent investment of all funds of the Imperial Council not needed for immediate payment of obligations under current appropriations.

Now, to satisfactorily handle these duties a good background in financial experience is necessary and important and Peter has these qualifications.

However, what else is important? The future, and we must look to the future. You probably heard it said many times that today is the first day of the rest of your life. I submit to you, my fellow Representatives, in looking to the future, that Peter Val Preda has the proven experience, integrity, physical stamina, alertness of mind and is willing to devote the required time to be effective in being in charge of the Shrine's money bag.

When I say "be in charge", I mean just that.

We all recognize, of course, that there are certain routine transactions involved in discharging the various duties of Imperial Treasurer and that most of these are controlled by budgetary authorization. However, in other areas he is expected to use his own initiative and judgment.

We need a man of independent judgment, not a hand-picked successor to our out-going Treasurer. We must have a man that is willing to make prudent decisions for the Shrine and even though such decisions may not be popular.

What we should keep uppermost in our mind when we elect a Treasurer is that we are basically seeking a watchdog type of administrator to protect the assets,

regulate the cash flow and monitor the money market on a regular basis and to insure that prudent investments are made at the right time.

Nobles, we are talking about two multi-million dollar corporations, Iowa and Colorado, for which this Imperial Council is responsible and that means you and me.

The name of the game is "money" and the manner in which we are able to administer the various facets of our philanthropy depends greatly on money management.

Here in this assembly is where the buck stops. We, the Representatives, are the ones who have final responsibility. It is our responsibility to see that a strong financial position is maintained in order to keep improving our hospital programs and facilities. This is the Shrine's all-out commitment to the public, that we are providing and will continue to provide for the needs of crippled and burned children.

My fellow Representatives, when we normally want to know how good our financial position is, what do we do? We look at the bottom line.

To assure us that we will be looking good on the bottom line, let us put the money bag into the hands of Peter Val Preda. Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I would now like to call on Joe Howell, the Chairman of Tellers.

I hope you all have your ballot books with you.

NOBLE JOE HOWELL: Let me inform you that for this election we will use ballot 5. Also, will the Representatives be sure to tear off the stub. Don't put it into the box.

IMPERIAL POTENTATE H'DOUBLER: Are there any questions concerning your balloting instructions? If not, I will ask that you now cast your ballot.

...Whereupon balloting and collection of ballots ensued...

IMPERIAL POTENTATE H'DOUBLER: Let me ask you, have you all voted? If so, I will declare the ballot closed.

We will now proceed with election for the Office of Imperial Recorder and I will call on Noble Glenn W. Aiken, Al Menah Temple.

NOBLE GLENN W. AIKEN [Recorder, Al Menah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives, our Imperial Recorder, Jack Jones, has been serving Shrinedom in a very capable and dignified manner. It is therefore my pleasure and honor to nominate Jack H. Jones to succeed himself as Imperial Recorder.

And now, Imperial Sir, if there be no further nominations, I move that the rules be suspended and that the Illustrious Potentate of Egypt Temple, Owen Reuterwall, cast the unanimous ballot of this Imperial Council for Jack Jones to serve as Imperial Recorder for the ensuing term.

...The motion was seconded, voted upon and unanimously carried...

NOBLE OWEN REUTERWALL [Potentate, Egypt Temple]: Imperial Sir, it gives me a great deal of pleasure as the Potentate of Egypt Temple and also as Jack's uncle (laughter) to cast this unanimous ballot for Jack Jones as Imperial Recorder for the ensuing term. Thank you.

IMPERIAL POTENTATE H'DOUBLER: Jack, do you accept?

IMPERIAL SIR JONES: Thank you "uncle." Fellow Representatives, it is certainly with deep humility that I accept this Office to succeed myself and I appreciate so very, very much your confidence in me. I thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you.

Now, Nobles, as we continue on, and, in the interest of time, I will ask all the candidates for Imperial Outer Guard and their nominators to come over into this (indicating) area so that we can save as much time as possible.

Now, I believe that Milton Frazier has a nomination to make.

NOBLE MILTON T. FRAZIER [Habibi Temple]: Imperial Sir, Imperial Sirs and Representatives, it gives me a great deal of pleasure to place in nomination the name of Imperial Sir Voris King for the Office of Imperial First Ceremonial Master for the ensuing term.

Imperial Sir, there being no further nominations, I move that the rules be suspended and that the Imperial Recorder cast the unanimous ballot for Imperial Sir Voris King to serve as the Imperial First Ceremonial Master for the ensuing term. Thank you.

...The motion was seconded, voted upon and was declared to be unanimously carried...

IMPERIAL POTENTATE H'DOUBLER: I will recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir and Representatives, it is with pleasure that I cast the unanimous ballot of this Convention for the election of Imperial Sir Voris King to the Office of First Ceremonial Master of the Shrine of North America for the the ensuing year.

IMPERIAL POTENTATE H'DOUBLER: Voris, do you accept?

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs and Fellow Representatives, it gives me a great deal of pleasure and it is with deep humility that I accept the privilege of serving in this office during the coming year and also pledging my support to Randy Thomas. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Nominations are now in order for the Office of Imperial Second Ceremonial Master.

NOBLE HARRY E. ALGER [Al Azhar Temple]: Imperial Sirs, Imperial Sirs, Illustrious Sirs and Fellow Representatives, my name is Harry Alger and I am a Past Potentate of Al Azhar Temple in Calgary.

I am very pleased once again to present to you the name of Edward J. McMullan for nomination to the distinguished Office of Imperial Second Ceremonial Master.

Imperial Sir, hearing no further nominations, I move that nominations cease and that the Imperial Recorder be instructed to cast a unanimous ballot in favor of Edward McMullan.

...The motion was seconded, voted upon and declared to be unanimously carried...

IMPERIAL SIR JONES: Imperial Sir and Representatives, it is with pleasure that I cast the unanimous ballot of this Convention for the election of Edward McMullan to serve as Imperial Second Ceremonial Master for the ensuing term.

IMPERIAL POTENTATE H'DOUBLER: Ed, do you accept?

IMPERIAL SIR McMULLAN: Imperial Sir, Imperial Sirs and my Fellow Representatives, I do accept with pleasure and I shall continue to do my duty and my utmost to look after all the obligations that are put forth to me. Thank you very much for your confidence in me and I shall endeavor, at all times, to do my best. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I shall now call upon the Potentate of Crescent Temple, Al Orosz, for a nomination.

NOBLE ALADAR OROSZ [Potentate, Crescent Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives, it is my honor to place in nomination the name of Imperial Sir George W. Powell for the Office of Imperial Marshal for the ensuing term.

Imperial Sir, there being no further nominations, I move that the nominations be closed and that Imperial Sir Voris King be requested to cast the unanimous ballot of this assembly for Imperial Sir George W. Powell for the Office of Imperial Marshal.

...The motion was seconded, voted upon and declared to be carried...

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs and Fellow Representatives, it gives me great pleasure to cast a unanimous ballot for the election of George Powell to the Office of Imperial Marshal for the ensuing term.

IMPERIAL POTENTATE H'DOUBLER: George, do you accept?

IMPERIAL SIR POWELL: Thank you, Imperial Sirs, I do accept. You know, with times as they are today, it is a real good feeling to be employed for another year. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I will next recognize Noble W. L. Barrineau for the purpose of making a nomination for the Office of Imperial Captain of the Guard.

NOBLE W. L. BARRINEAU [Al Sihah Temple]: Imperial Sir, Imperial Sirs and my Fellow Representatives, twelve months ago, at Cleveland, I had the privilege of placing in nomination the name of Joseph P. Padgett for the Office of Imperial Outer Guard.

Today it is my honor and again my privilege to place the name of Joseph Padgett to serve for the ensuing year as Imperial Captain of the Guard. I, therefore, at this time, place his name in nomination for the Office of Imperial Captain of the Guard for the ensuing term.

Now, Imperial Sir, if there be no further nominations, I move that nominations be closed and that our Imperial Recorder cast the unanimous ballot of this Convention for Imperial Sir Padgett.

...The motion was seconded, voted upon and declared to be carried...

IMPERIAL POTENTATE H'DOUBLER: Jack.

IMPERIAL SIR JONES: Imperial Sir and Representatives, it is with pleasure that I cast the unanimous ballot of this Convention for the election of Joseph P. Padgett to serve as Imperial Captain of the Guard for the ensuing term.

IMPERIAL POTENTATE H'DOUBLER: Joe, do you accept?

IMPERIAL SIR PADGETT: Imperial Sir, Imperial Sirs and Fellow Representatives, I do accept and say to all of you that I will continue to do my best. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Joe.

Now we will ask the candidates for the Office of Imperial Outer Guard and their nominators to come up on the stage. Jack Jones will have you draw numbers from one to five and that will be the order in which you are nominated.

Now, after the nominating speeches have been completed, we will ask you to vote on the way out. Is that clear to everybody? Then, when we come back this afternoon, we may find that we have an election.

Now, Joe Howell, where is Joe?

...Cries of "counting ballots"...

IMPERIAL POTENTATE H'DOUBLER: We will need Joe and we will also need Nelson Banks.

Now, I believe numbers have been drawn and the first one to be nominated will be John W. Dean, III, from LuLu Temple. I will ask him to sit to the furthest seat on the right, my right, your left.

Next to be nominated will be Noble Frank J. Showah and he will be seated in the second seat.

The third one is Everett M. Evans, who will be in the third seat.

The fourth one will be Robert O. Snyder, who will be in the fourth seat and then finally, John A. Rose, who will be seated in the fifth seat.

I will now call upon Nelson Banks to make the nominating speech for John W. Dean, III.

NOBLE NELSON BANKS [Sudan Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives and Nobles: It is with great pleasure and pride, my Fellow Representatives, that I place in nomination for the Office of Imperial Outer Guard a Noble whom I have known and admired with great respect over the past years.

The challenge of the Eighties is before us and the Noble whose name I will place in nomination has already accepted the challenge and his record of the past is proof of his ability to lead and to serve the Shrine of North America as he progresses through the line to the exalted position of Imperial Potentate.

Our great heritage of the past challenges each of us to offer the best we have in these frustrating days, and for every position to be one of responsibility and leadership.

The Noble I refer to is John Dean, a Past Potentate of LuLu Temple. Illustrious Jack is a practicing attorney and a successful businessman and owner of two of the larger business firms in Philadelphia. He is actively involved in many civic organiza-

tions, rising through the ranks as a concerned citizen; secondly, as a volunteer who wanted to be a part of the action in his local area; and, thirdly, because he is a great dynamic leader who will help the cause in which he is involved.

Jack Dean was raised a Master Mason in 1950. He is a member of the York Rite and Scottish Rite and was created a Noble in 1952. He organized the Air Patrol to transport children to our Burns Center, all at no cost to his Temple. With his own airplane, he has flown many missions to the Burns Centers and Crippled Children Hospitals.

While Potentate, through his guidance and knowledge, his Temple experienced a good increase in membership and he is willing and ready to apply these same ideas and principles to the Shrine of North America. He has the know-how to make the Shrine grow because his life has been one of service to his community, to his church, to his fellowman and to those children who look to us for help.

Jack Dean has served on many Imperial Committees to which he gave his very best. As Regional Director of Region 22, and under his guidance, LuLu Temple's Wills and Bequests Program has been one of the most successful in all of Shrinedom. He has been a member of the Board of Governors of the Philadelphia Unit since 1974, serving on numerous committees and as Chairman of their Legal Committee.

My fellow Representatives, I present to you a young man of 53 years of age, who is an energetic, dynamic individual and in a position to serve the Imperial Council. He is a leader among men and will speak his convictions for the best interest of our beloved Fraternity.

He has traveled extensively for the past two years to the various Shrine Temples and Association meetings, where most of you have met Jack and his lovely lady, Kay. You are aware of his concerns and willingness to find ways to achieve greater goals of leadership in the work of the Shrine.

He has the unanimous and enthusiastic support of his Temple and the consent of the Philadelphia Unit of Shriners Hospitals. He has proven himself worthy and capable of the positions of the past and will prove himself worthy of your trust in the future. We need such a man today more than ever before—a young, energetic and capable person—one who has leadership ability.

Even in his busy life, he has found time to be actively involved in community work, youth programs, civic projects, Chamber of Commerce, the American Legion and many other organizations too numerous to mention.

We need confidence in the person elected as our Imperial Outer Guard. He must be young enough and have the mature judgment that he might possess imagination, enthusiasm and, above all, the ability to lead the Shrine of North America. He should be one who has earned the respect of his fellowman as well as the respect of his business associates where he resides. He should have character and integrity, both of which should be impeccable, and Jack Dean has all of these qualifications and more.

Jack Dean is a determined leader and that is what we need in this Fraternity that you and I love so much.

He was the very strong runner-up in Cleveland last year and one that you will always be pleased to call your friend and Brother.

My fellow Representatives, it is with great pride and joy I place in nomination the name of John Dean for the Office of Imperial Outer Guard and we will appreciate your vote for this great Shrine Mason.

Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you very much, Nelson.

I will now call upon Illustrious Sir Howard R. Clark to nominate Frank J. Showah.

NOBLE HOWARD R. CLARK [Pyramid Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Representatives All: As the Potentate of Pyramid Temple, Shelton, Connecticut, the ninth oldest Temple in North America, it gives me great pleasure to place in nomination for the Office of Imperial Outer Guard the name of a great Noble and good friend, Illustrious Frank J. Showah.

Illustrious Frank has had a very busy and successful career as a family man,

a business man and a Mason. He started, as a young boy, as a member of the Order of DeMolay and then became a Mason in 1946, a member of St. John's Lodge No. 8, Stratford, Connecticut. He is also a member of Lafayette Consistory, a Knight Templar, the International Order of Cabiri, the Royal Order of Jesters and a Past Potentate of Pyramid Temple.

Illustrious Frank has truly exemplified the principles of Masonry and Shrinedom and has involved his entire family in Masonic and Shrine organizations.

His lovely wife, Alice Showah, is a member of the Daughters of the Nile, as is his mother, Mary Showah, who resides with Frank and his wife in Shelton, Connecticut. He has five children—three daughters and two sons. His daughter, Pamela, is a Past Worthy Advisor of the Rainbow and is a member of the Daughters of the Nile and her husband is a Past Master Councilor of DeMolay and is presently First Vice President of Pyramid Temple's Oriental Band.

Illustrious Frank's son, Michael, just became certified as a chiropractic physician and is a member of Pyramid Temple, and his youngest son, Mark, is an honor student at Jacksonville University, studying electrical engineering and is a member of the Order of the DeMolay.

Illustrious Frank has also contributed a great deal to Pyramid Temple. While he served as Potentate, he instituted a hospital fund program, a paper sale, using ideas he had learned from other Temples and now Pyramid Temple has had an annual hospital fund program for the benefit of the hospitals ever since. Programs and activities, especially new ones, are not always so easy to sell but Illustrious Frank is always telling our Temple that although we may be small, we can learn from the ideas and programs which are successful in other Temples throughout our great Fraternity and that we should share experiences and communicate with each other in order that we may continue striving for our common goal. As a result, Pyramid Temple has benefited and has taken a more active role in contributing to our hospitals.

Illustrious Frank's business background and experience has also contributed to developing new programs and success for Pyramid Temple.

He is the President and founder of Alcon Data Corporation, which was a public corporation since 1969, and provided computer services nationally, primarily to the banking and financial industry. The company developed proprietary systems which were unique in the field and the company was recently acquired by Donnelly Marketing Company, a division of Dun and Bradstreet.

Illustrious Frank continues as its President and is responsible for the development of new markets for the company.

Illustrious Frank has participated in seminars and has been a guest speaker for the American Banking Association, the Bank Marketing Association, and has prepared and conducted training programs for national financial institutions to improve communication and marketing information internally. It was from this experience that he came up with the idea of an Officers' Program Guide. Nobles, the Shrine of North America is big business, with 181 offices represented by each Temple and 181 branch managers represented by each Potentate. There are 1,086 assistant branch managers represented by all the elected officers of the Temples, with many other numerous managers beyond that for each Shrine Club and Unit. And, finally, and most importantly, there are some 932,000 Nobles, all of whom are dedicated and working for a common goal.

It is my opinion that Illustrious Frank can contribute greatly with his ideas and experience to improve communications between our Temples, to improve our Masonic and Shrine membership and to help raise more funds for our great philanthropy by taking advantage of the organizational base of the Shrine of North America.

Syndicating successful programs, as Illustrious Frank proposes, is just the beginning. Taking advantage of the wealth of talent and manpower which we have to call upon is the instrument to achieve our common goal.

It is for these reasons that I wholeheartedly believe that Illustrious Frank J. Showah will be an asset and an important contributor to the Imperial Divan and our Fraternity and I therefore endorse and nominate him for the Office of Imperial Outer Guard.

Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I will now call on Past Potentate George S. Terry to nominate Everett M. Evans.

NOBLE GEORGE S. TERRY [Past Potentate, Sharon Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and my Fellow Representatives: Everett Evans, Past Potentate of Sharon Temple, Tyler, Texas, is an outstanding candidate for Imperial Outer Guard of the Shrine of North America. This statement is made because his record speaks so forcefully to this.

Each of you have received a brochure outlining the service Everett has rendered to the Shrine and to charitable, civic and business organizations.

Let me briefly expand on his record. He always accepts and works at these jobs with enthusiasm and dedication, injecting his gift of personal magnetism into each assignment.

He is a young man, only 46 years old, and yet with the experience of many more years than his age indicates.

He is married to the very charming Maxine Evans and they have three lovely daughters, Shelley, Kelly, and Holly.

His son-in-law is also a Shriner.

This is a man who always injects all of his person into each job assignment, one who is determined to be successful in anything that he is called upon to do.

He was raised a Master Mason in 1957, at the age of 23, and has been hard at work for the Fraternity, devoting more and more of his time to all of the bodies and learning more and more about Masonry.

In his early years in the Shrine, he was a Unit man, a charter member of the Sharon Temple Motor Corps and was also a member of the Director's Staff and a team captain of that Unit.

Being interested in all of the bodies of Masonry, he is a York and Scottish Rite Mason, a member of the Red Cross of Constantine and a member and Past Director of Tyler Court, Royal Order of Jesters.

His Temple recognized his abilities and elected him to the Divan in 1967 and elected him Potentate in 1971. This was a great year for Sharon Temple. He purchased land for a Mosque and the Temple Mosque was completed in 1976.

The thirteen Temples of Texas elected him President of the Texas Shrine Association in 1973, making him the state leader of some 60,000 Texas Shriners. He did a masterful job that year and was drafted later to head the Membership Committee for our Association. Again, he created and directed an effective program.

In 1977, Everett was elected to the Board of Governors of the Galveston Burns Institute. He is still serving on that Board and is in his second three-year term. He has been an effective voice on that Board, particularly during the search for a new Chief of Staff.

He is also a member of the Board of our Houston Orthopedic Unit. His fellow Board members, observing his leadership and executive abilities, have elevated him to the position of Chairman of the Board. All who attend the Houston Board of Governors meetings are always impressed by the way the business of this hospital is conducted and the excellence and operation of this program.

The Imperial Council has not overlooked this man's abilities and has appointed him Regional Director of Region 19 of the Endowments, Wills and Gifts Committee. Again, his quality has shown through. Under his direction, Texas is beginning to emerge and reach a much improved position in this very important work for our philanthropy.

Everett is always available when requested to serve the Shrine and is now a member of the Jurisdictional Lines Committee of the Imperial Council.

Also a member of the Knight Templar Eye Foundation, he is always rallying to the causes for humanity.

He is a successful businessman, being the owner of a truck leasing firm that bears his name in his home town of Tyler. He also owns Hertz Auto Leasing Agencies in Tyler and three other Texas cities.

His record chronicles many other civic and business activities in his busy life, where he applies his expertise to help with solutions for the betterment of all.

Nobles from throughout the Southwest—Potentates, both past and present and the general Nobility have long been urging him to run for Imperial Office.

Recognizing his considerable talents, coupled with his willingness to run for this office and feeling the time has come for a representative from the Southwest to be elected to the Imperial Divan, we respectfully solicit your wholehearted support of this candidate.

If you are looking for an Imperial Divan member who understands all levels of Shrinedom, one who can counsel with you and share your concerns about local Temple matters, one who possesses sincerity, compassion, diligence, integrity and the courage of his convictions, then you have found your candidate and we ask for your vote for this Shriners' Shriner.

It is a distinct privilege and honor to place in nomination the name of Everett M. Evans for the Office of Imperial Outer Guard of the Shrine of North America. Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Now I will recognize Past Potentate (Judge) Gene B. Lee to nominate Robert O. Snyder.

NOBLE GENE B. LEE [Mizpah Temple]: Imperial Sir, Imperial Sirs and Representatives, my name is Gene Lee and I am the Junior Past Potentate of Mizpah Temple at Fort Wayne, Indiana and it is with great pleasure and pride that I place in nomination for the Office of Imperial Outer Guard the name of a truly distinguished Past Potentate of Aladdin Temple at Columbus, Ohio—Illustrious Sir Robert Owen Snyder.

A Columbus native, he has resided in that city during the entire 54 years of his life, except for the years of military service during World War II and the pursuit of a professional baseball career. Although he attended Ohio State University, I am pleased to assure you that he did not play football under Woody Hayes.

Happily married to the same charming, understanding and supporting wife, Marilyn, for thirty years, they are the proud parents of three grown children—Linda, a pharmacist; Karen, a state employee; and young Bob, an OSU accounting graduate and presently enrolled in law school.

A successful self-employed businessman as a contractor in the building trades for twenty-eight years, Bob is semi-retired and is prepared to continue his devoted service to all of Shrinedom if he receives your call to duty.

Robert Owen Snyder is a leader and a doer.

Following nine years of service as a member of the Divan of Aladdin Temple, he served as its Potentate in 1980. During his year, 743 new Nobles were created, elevating his Temple from the sixth to the fifth largest Temple in Shrinedom. Also, \$145,000 in new monies were added to the Temple treasury and \$1.5 million was contributed to our Colorado Corporation by the Aladdin Crippled Children's Hospital Association.

Also, during his tenure as Potentate, Aladdin Temple hosted nine consecutive days of conventions in their magnificent new Mosque with two and one-half acres under roof, commencing with the Ohio Shrine Association, followed by the Imperial Seminar and concluding with the Shrine Directors Association. Many of the Representatives here today attended one or more of these meetings and can attest to the efficiency of Bob's staff and the warm hospitality extended to every Noble in attendance.

Bob has served as Representative to the Imperial Council for five years and has also served on the Board of Governors of the Lexington Unit of Shriners Hospitals for Crippled Children and the Burns Unit at Cincinnati.

Fellow Representatives, we have the opportunity here and now to elect as our new Imperial Outer Guard a man of experience, honor, integrity, humility, personal warmth and caring, who offers himself, his time, his energy, his industry and his resources to the advancement of the best interests of our beloved Fraternity and the world's greatest philanthropy, the lifeblood and heartbeat of the Shrine.

Will you be so generous as to join with me in endorsing and supporting Robert Owen Snyder as Imperial Outer Guard. Thank you so much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you.

Potentate Al Yale will now nominate John A. Rose.

NOBLE AL YALE [Potentate, Al Bahr Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: My name is Al Yale, Potentate of Al Bahr Temple, which means "by the sea in beautiful San Diego, California."

I come before you today to place in nomination for Imperial Outer Guard the name of John A. Rose, a man whom I have known personally for many years.

Most of you have met John as he has traveled about the country, met his wonderful family last year in Cleveland when they all came out to support their Dad.

John has five married children—three daughters and two sons.

His two sons, a son-in-law and his brother are Master Masons and Shriners.

John and his wife have been happily married for thirty-six years. John is a loving husband, father and grandfather.

John has a firm foundation, a strong belief in God, and a positive attitude toward life that keeps him on a straight and successful course.

John's involvement, both at the local and international level of his church, are an indication of the value and importance he puts on the spiritual side of life.

We are very proud of John in San Diego. He began there with a small automotive service in 1946 and through the years his insight and understanding of the business world have been reflected in his accomplishments.

Today John is the Chairman of several corporations, the Vice Chairman of a very successful bank and his new car agency is numbered among the top ten of the nation.

John is a man who is respected by his associates as a leader, not only locally but on the state level through his participation on various state committees, where his expertise and knowledge are utilized in the formation of policy and laws of the state.

He has been interested in aviation and aerospace for many years and served for fourteen years as a board member of the International Aerospace Hall of Fame, located in Balboa Park, San Diego. He served as its President for three years, during which time he handled the domestic and international affairs of this worldwide organization. He also was Chairman of the Aerospace Development Committee that raised \$2.5 million for the new Hall of Fame and Aerospace Museum in San Diego, after the original one had been destroyed by fire in 1979.

John is a compassionate and caring person—never too busy to help another human being. He pilots his own plane and has flown several of our burned children to Galveston for treatment.

His business and civic affiliations attest to the vigor and enthusiasm of this energetic, generous, Brother.

He is a sponsor of Little League, Boy Scouts and numerous charities. He is a Past President of the Optimist Club and a member of the Elks and the Navy League, plus many trade associations.

He knows people from all walks of life but his number one interest is the Shrine and our Burns and Crippled Children's Hospitals.

In his Masonic life, John was raised to the sublime Degree of Master Mason on March 30, 1950. He is a member of both the Scottish and York Rite bodies and after serving Al Bahr Temple in many capacities, including Potentate in 1979, he continues to serve as our elected Chairman of the Board of Trustees for the third consecutive year.

John has won the love and friendship of our Nobility. His great sense of honor, friendly smile, combined with his inherent talent for leadership have been a guiding light.

John has served as a member of the Imperial Charters and Dispensations Committee and was appointed to a special Legislative Committee for the Imperial in 1979. He was also on the Imperial Membership Committee and was an aide to the Imperial Outer Guard.

John, always active with our Masonic youth groups, has been honored with

the DeMolay Legion of Honor Degree. He is also a life member of the Cabiri, and currently serves as Vice President of the Al Bahr Past Potentates' Association. John is also proud to be a member of San Diego Court 133, Royal Order of Jesters and many other Masonic and fraternal organizations.

The Divan, the Past Potentates and Nobility of Al Bahr Temple, join me unanimously and enthusiastically in the support of John's candidacy for the Imperial Divan.

As Representatives, it is important that we investigate each candidate thoroughly, check their background, qualifications and character, their ability to lead and motivate. This is the time to use our wisdom for the highest good of the Order in choosing a man who will one day serve as our Imperial Potentate.

It is my sincere opinion that if you have done just that, you will join all of us by casting your vote for John A. Rose for the Office of Imperial Outer Guard.

Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Al.

I also want to thank each and everyone of you for your wonderful, courteous attention to these nominating speeches. We will now call upon Joe Howell to give us the results of the Treasurer's race.

NOBLE HOWELL: Imperial Sir, Imperial Sirs and Representatives, it is with pleasure that I give you the results of ballot 5 for the Office of Imperial Treasurer.

There were a possible 813 votes; 755 actually voted. There was one spoiled ballot. Necessary for choice, 407. The votes were distributed as follows—Peter Val Preda, 239; Webber Harrington, 515. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I will now call upon our Imperial Treasurer-Elect, Webber Harrington.

NOBLE WEBBER HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives, my heart is filled to overflowing. In all humility, I accept.

Now, while I hope to bring a whole new dimension to this Office, I want to say no one can serve finer than our Past Imperial Treasurer for the past fifteen years, who served in that Office with such great integrity, Tom Melham. Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: The Chair next recognizes Imperial Sir Peter Val Preda.

PAST IMPERIAL POTENTATE PETER VAL PREDA: Thank you.

Imperial Sir, Imperial Sirs and Fellow Representatives, to all of you who voted for me, I thank you and I would also like to offer you the opportunity of joining with me in making this a unanimous ballot for Webb Harrington. (Applause) I would so move.

...The motion was duly seconded, voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE H'DOUBLER: Thank you, Peter.

Now, I will again call upon Joe Howell once more to give us some instructions.

Remember, in relation to the candidates for Imperial Outer Guard, you will now be casting your ballot as you leave the room and for this use ballot 3.

NOBLE HOWELL: Fellows, you may have noted that we have new boxes this year and if you want to save us a little time and make it easy on yourselves when you go to put in your ballot, please do not fold it and push it in because it involves a little trouble for us if it does get folded up in the box.

Now, as the Imperial Potentate has indicated, we will take your ballot up at the door as you file out.

IMPERIAL POTENTATE H'DOUBLER: Nobles, we will now recess for lunch. It is now ten minutes of one and we will stand in recess until two-thirty and we will only stay to four-thirty because they have to get ready for the banquet. That means we are going to have two concentrated hours of business this afternoon. Please be prompt.

...The 107th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed twelve-fifty o'clock p.m., to reconvene for the afternoon session at two-thirty o'clock p.m....

IMPERIAL POTENTATE H'DOUBLER: Nobles, if you will take your seats, I would like to reconvene our session. We are now reconvened for business and I will call on Joe Howell for his report on the election of the Imperial Outer Guard.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives, it is with pleasure that I give you the results of ballot 3 for the Office of Imperial Outer Guard.

The votes were distributed as follows: Snyder 14; Showah 19; Evans 85; Rose 95; Dean 568.

IMPERIAL POTENTATE H'DOUBLER: John Dean, the microphone is yours, do you accept?

NOBLE JOHN DEAN: Imperial Sir, Imperial Sirs and my Fellow Representatives, I do indeed accept. I would not consider anything else. (Laughter)

I would just like to thank everybody for the fine support they have given to me—the challenge that they have also given to me, to go on and work hard for our Fraternity. I hope I will make you proud and I promise you that I will do everything that I can to make you proud of me.

Thank you again.

... Cheers and applause ensued. . .

IMPERIAL POTENTATE H'DOUBLER: I want to congratulate the candidates for their courtesy, as I did this morning.

NOBLE EVERETT EVANS [Sharon Temple]: Imperial Sir, Imperial Sirs and Representatives, from down in Texas we find it hard to say that we are usually used to losing but I can think of no finer man to lose to than John Dean.

With that in mind, I would like to make a motion we suspend the rules and elect him by acclamation. I would also like to say that if my Temple approves, I will be back again next year. (Applause)

NOBLE JOHN ROSE [Al Bahr Temple]: Imperial Sir, Imperial Sirs and my Fellow Representatives, I thank you for the support you have given me and I would also like to make a motion we elect Jack Dean by acclamation.

Thank you very much. (Applause)

NOBLE FRANK J. SHOWAH [Pyramid Temple]: I would also like to participate in the motion that Jack Dean be elected by acclamation and again indicate to you that I will be back next year. (Applause)

NOBLE ROBERT O. SNYDER [Aladdin Temple]: I would also like to go along with the motion to declare John Dean elected by acclamation. I have enjoyed traveling with these candidates this year and it has been a real good campaign. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Now, Nobles, we will put it to the floor. What is your pleasure?

All in favor indicate by saying aye; those opposed nay. It is unanimous that the election be declared unanimously in favor of Jack Dean.

Now, Jack is only the Imperial Outer Guard-Elect but his Temple at this time would like to make a little presentation, which I will allow them to do.

NOBLE OSKAR HUBER [LuLu Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Fellow Representatives and Nobles All: May I call to the stage John's children, his son-in-law and the Potentate of LuLu Temple and also, Past Potentate and Board of Trustee member, Winner Delp, to help me make this presentation.

In behalf of your gracious and devoted wife, Kay, your mother, your children,

myself and the friends you have made in your extensive travels, together with the Illustrious Sirs of LuLu Temple and its Nobility, it is my sincere honor and privilege to be the first to address you as Imperial Sir-Elect John W. Dean, III, and have your son place upon your head your Imperial three-star Fez. May you wear it in honor, in pride, with sincerity in devotion but, most importantly, that it be worn in good health and in the sunshine of the Shrine.

... Presentation of three-star Fez to Noble Dean ensued. . .

... Business was transacted in the Colorado Corporation at this time. . .

IMPERIAL POTENTATE H'DOUBLER: I will now recognize the Chairman of the Insurance Committee, Bill Blick.

NOBLE WILLIAM BLICK: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles: Before submitting the report of the Insurance Committee, I would like to express my deep appreciation to Imperial Sir Vic and Imperial Sir Hogan for giving me the opportunity of again serving our wonderful Fraternity and our beloved philanthropy.

I also want to thank the members of my Committee, who gave so generously of their time and advice and who were so instrumental in whatever successes we have achieved.

I am pleased and I am excited with our progress to date and I believe you can look forward to much more activity in the future.

Our Committee exists to serve three purposes.

The first is to make certain that the assets of our hospitals and fraternal corporations are adequately protected at the lowest possible cost.

Secondly, to assist the Board of Directors and Board of Trustees, Boards of Governors and the Imperial Committees responsible for employee benefits of our staff and our medical personnel.

Thirdly, to provide information and assistance in broadening these coverages to each Shrine Temple and Shrine Association and to find ways and means to help them reduce their premium costs.

With respect to our hospital and Imperial Council programs, I am happy to report that we have been able to take advantage of the current favorable conditions in the insurance marketplace and we have renewed our coverages for our hospitals and other properties under a master policy format at a very favorable price.

Also, with respect to our Colorado and Iowa Corporation casualty insurance, we all know that large organizations such as ours ultimately pay for our own losses. Because of this fact, we have negotiated a cost-plus contract with the insurance companies servicing our business so that more money than ever is left in our hands to earn an investment income for us rather than let them pocket those profits.

Our benefit coverage ranges for our employees were substantially broadened last year in order to keep pace with similar business and hospital concerns. We must compete with others for talent in these days. Benefits make up a large portion of the salary package, just as they do in our own personal situations.

We accomplished these improvements at the same time that we saved \$200,000 in annual costs. (Applause)

In addition to these savings, we also secured the return of almost a quarter of a million dollars in reserves as the insurance companies primarily use them to make a profit for themselves.

It is therefore my pleasure to report to you that we are more than adequately protected in all of these areas and that we are using sound business and financial principles to keep our expenses to a minimum.

The last and most exciting portion of my report concerns each of our Temples constant struggle to reduce their own expenses.

Imperial Sirs Vic and Hogan specifically commissioned our Committee to develop a new property and casualty insurance program for the Temples that would permit us to buy more protection for less cost. We did.

This voluntary program is exclusively for your benefit. No profit or benefits revert

to either the Imperial Council or to the Colorado Corporation. No benefit of any kind reverts to me, the members of the Committee or any Imperial Officer. The savings will be yours alone. We only perform a service for you that is designed to benefit your individual Temples and their members.

Let me briefly cover some points that are important to the success of this understanding.

First, your own insurance brokers are still involved and they will continue to be paid for their services to you.

Secondly, the actual contract of insurance is one of the broadest for the Fraternity that is in existence today.

Thirdly, the ability to tailor-make your own insurance coverages through your own needs still exists.

Most importantly, your premiums should be substantially less than that which you are now paying.

We announced this program just a few short months ago at the Recorders' Seminar at Tampa.

Also, a questionnaire was sent to each of the Potentates and Recorders by our Imperial Potentate advising them of the immediate availability of this opportunity to save money in the same way that many of our related fraternal organizations were already doing. For instance, this involved fourteen of our own Temples; the Southern Jurisdiction of the Scottish Rite, the DeMolay, the Job's Daughters, Rainbow, the White Shrine, the Ladies Oriental Shrine, plus the Grand Lodges and Masonic Homes in almost every state.

All of these are already insured under this thirty-year-old format. Let me say that it is not a new program but the Shrine is a new entrant into that program.

Since the inception of this program, we now have twenty-one Temples insured on an individual basis and thirty more quotations have been provided to you or are already in the mail this week.

Almost one-third of you have acted. The rest of you will not know what you are missing until you complete the questionnaires, receive your quotations and then compare them with what you now have.

What a thrill it will be to report to your Nobility that you have saved them an awful lot of expense dollars.

These savings are available to you immediately. You do not have to wait until your policies expire. Even if you have to cancel your present policies and pay a small penalty, usually no more than ten percent at the most, I believe that you will be ahead of the game, in most cases.

Our current estimates of your potential savings range between twenty-five and forty percent, based upon the numbers we have seen to date.

I mentioned broader coverage available to your Temples. For instance, I was asked to discuss insurance protection as related to your Ceremonials for candidates and our members putting on the initiation.

I cannot, of course, say whether or not your present policy gives you the protection you desire. Policies differ, endorsements vary, states have different requirements and interpretations of negligence.

I can report, however, that the new policy does provide these coverages because it is designed for our type of exposure.

All of the fraternal organizations previously mentioned have initiations, etc., and to date, no claim of any nature has ever been denied.

Our Shrine Directors are constantly emphasizing safety in our initiations but we have had a few losses and, therefore, it behooves us all to make sure that we have the proper coverage.

We are putting together a similar program for your Workers Compensation Insurance and we hope to add all of our premiums together in order to give larger premium discounts to each of you.

Further information on this will be sent out as soon as all of the details are worked out.

Shrine Associations and Imperial Convention Corporations are also eligible to join this program and could receive the same financial coverage benefits that are available to your Temples.

We will shortly communicate to all Temples the establishment of a program designed to provide medical insurance to the players, coaches, etc., participating in

our famous fund-raising athletic events, such as football, baseball and basketball, as well as similar activities.

Medical costs today and the legal climate in which we live in mandates such a program if we are to continue to derive financial and public relations benefits from these events while, at the same time, protecting your Temple's assets.

In passing, I would also like to mention that the insurance provisions in our By-Laws and in our General Orders are not universally followed. When this is not done, the whole Shrine organization can suffer.

Hopefully procedures will be established in the near future that will more efficiently monitor compliance by the Temples in this very important area.

The portions of the General Orders relating to insurance are the products of the best legal and insurance minds in our Fraternity. They are designed to help you and, therefore, should be read and followed.

It has come to the attention of the Imperial Divan and this Committee that commercial concerns are contacting our Temples for purposes of selling insurance to our members by utilizing your Temple membership roles. It appears to be a violation of our By-Laws and I strongly suggest that you consult with the Secretary for Fraternal Affairs in Tampa, or the Chairman of the Jurisprudence and Laws Committee prior to signing anything or agreeing to embark on or even continuing such a program.

Gentlemen, I am a financial man who, incidentally, is fairly knowledgeable on insurance matters. It makes sense to me to pool our buying efforts in order to reduce our costs and to get better protection.

I hope each of you who has not already acted will return home and start the process of comparing what you now have with what is available. I am certain that you will be pleasantly surprised at the results.

Please let me know if I can be of any assistance to you. My home address is in the Directory under Committee Assignments and in the Call. Also, you might call Lew Molnar at the Office who has been of such great help to this Committee. Further, while we are here at New Orleans, you can reach me at this hotel or at the Headquarters Office on the second floor if you have any questions or suggestions.

Imperial Sir, I would move the acceptance and adoption of this report.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion and the second. Is there any discussion? All in favor signify by saying aye; opposed nay. It is unanimously carried and I want to express my gratitude and that of the Joint Boards to Bill Blick for the outstanding job he has done on this Committee. (Applause)

Now, Nobles, it is four-twenty-six p.m. and we are supposed to be out of here at four-thirty. However, I have not yet heard from the Tellers and so I am now going to call on Bob Turley. I am sorry, I will recognize Robert Cooper from the Jurisprudence and Laws Committee.

NOBLE ROBERT E. COOPER [Reading]: To the Representatives of the Imperial Council:

The Imperial Potentate's General Orders (Series of 1980-1981) issued pursuant to Section 206.5(a)(4) having been referred to the Jurisprudence and Laws Committee by your adoption of the Report of the Committee on Transactions of Imperial Officers and in accordance with Section 206.5(a)(14), your Committee now reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and the By-Laws of the Iowa Corporation.

Wherefore, this Committee recommends that the Imperial Potentate's General Orders be approved.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman

**IMPERIAL COUNCIL AAOONMS
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES**

The by-laws of the Imperial Council AAOONMS, an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the by-laws requirements. Because of their numerous and diverse activities, many questions confront Temples concerning accounting requirements. The American Institute of Certified Public Accountants Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

The accrual basis of accounting is recommended to Temples, particularly the larger ones, as the most meaningful accounting method. However, it is not mandatory, and for some of the smaller Temples, this method of accounting may not be practical and, therefore, the cash receipts and disbursements method may yield adequate information. However, the Temples' auditors may not be able to give an opinion on cash basis financial statements, which states that the financial statements are prepared in conformity with generally accepted accounting principles. The auditor can report on cash basis statements as a special report.

One of the problems confronting Temples is how to report on entities such as Temple Holding Corporations, circus promotions, charity funds, and unit funds, some of which are not under the control of the Temple office. All funds, entities such as Temple Holding Corporations, charitable funds under the control of the Temple, and activities such as circuses should be included in the Temples' financial statements. Where the activity is a separate incorporated entity, such as a Temple Holding Corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total. In the case of units which have their own funds, the auditor may not from a practical standpoint be able to audit the funds. In such cases, the Temple's financial statements should be prepared without the units' funds if they are not under the control of the central office. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial state-

ments. The practice of allowing units to have funds which are out of control of the Temple office should be discouraged. Even though such funds may be excluded from the Temple audited financial statements, such funds must be included in the Temple's annual reports to the Internal Revenue Service.

As is set out in the AICPA Statement of Position, property and equipment, under generally accepted accounting principles, should be carried at cost. Appropriate depreciation rates should be established for these fixed assets and depreciation recorded on the Temple's books.

Included with this addendum is a revised chart of accounts for Shrine Temples. This chart has been updated to assist the Temples in conforming to move modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the Temple to maintain all of the detail expense accounts that are set out in the chart. The Temple may also add accounts as necessary.

Financial statement formats with sample Notes to Financial Statements are also attached. These are guidelines since only the Temples' auditors are in a position to determine the precise reporting and disclosure requirements.

THE IMPERIAL COUNCIL
EXPLANATION OF ACCOUNTS

ASSETS

ACCOUNTS 100-119: CASH

A separate account should be maintained for each bank account, whether checking or savings. Checks should be of the voucher type and printed in duplicate. Receipts should be deposited intact on a daily basis.

The amount of cash necessary to meet minor needs should be determined and recorded as petty cash. The fund should be operated on an imprest basis.

ACCOUNTS 120-129: RECEIVABLES

At the beginning of the year, the total amount receivable from members for dues should be computed and charged to dues receivable. Accounts payable—Imperial Council—Hospital assessment should be credited for its part in Account 210. The Temple dues portion should be credited to Account 401—Dues Revenue.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations, such as uniformed units, etc. Account 122 should be charged with the amount that has been advanced, and credited as payments are received.

ACCOUNTS 130-139: INVENTORIES

Account 130—Inventory—Fezes should be charged with all fezzes purchased. If fezzes are given to candidates, they should be charged to Account 680 and this account credited.

Account 131—Inventory—Food and Beverage should contain items which are for resale. Such items may include food, beverages, tobacco, etc.

Account 132—Inventory—Jewels should contain the cost of jewels that are held for sale. These may, on occasion, be some Past Master's or Past Potentate's jewels. These are held in this account until disposed of.

ACCOUNTS 140-149: PREPAID EXPENSES

Account 151 includes the cost of purchase, construction, or other carrying value of the Mosque Building, and the cost of any subsequent improvements.

The cost of other buildings and improvements should be carried in Account 152.

All items of furniture and equipment which have a useful life of more than one year should be charged to Account 153. If any of the furniture or equipment is disposed of, the cost of the item disposed of should be removed from the account.

Account 155 should be charged with the original cost of uniforms, costumes, regalia, etc. Dispositions should be credited to the account when they occur.

Accumulated depreciation should be credited to Account 160. All items of building, equipment and paraphernalia should be depreciated over their useful life.

LIABILITIES

ACCOUNT 210: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL ASSESSMENT

On January 1st of each year, each Temple pays to the Imperial Council \$5 for each member on its roll as of December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time payment is made to the Imperial Council. The \$5 for the hospital is credited to this account when dues receivable is set up as of January 1. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 210 for the hospital levy. If a member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 211: ACCOUNTS PAYABLE—IMPERIAL COUNCIL—OTHER

On January 1st, each Temple owes \$1.25 per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. At the time the per capita tax is credited to this account, an offsetting charge should be made to Account 600 Per Capita tax. All other amounts due the Imperial Council are to be carried in this account.

Designated funds—Designated funds represent unrestricted funds set aside by the membership and/or Finance and Accounts Committee for specific purposes.

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Investments—Investments in stocks and bonds are carried at the lower of cost or market. Gains and losses on the sale of investments and adjustments to the provision for loss in market value of investments are charged or credited to revenue.

Property, equipment and paraphernalia—Property, equipment and paraphernalia are stated at cost. Maintenance and repairs are charged to operations as incurred. At the time items are retired or disposed of, the applicable cost and accumulated depreciation are cleared from the accounts and the difference, net of proceeds, is charged or credited to operations.

REPORT OF TIME AND PLACE COMMITTEE

July 13-17	1981	New Orleans, Louisiana

July 4-8	1983	Denver, Colorado
July 1-5	1984	Boston, Massachusetts

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the General Offices at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1981 IMPERIAL COUNCIL SESSION

The 1981 Session of the Imperial Council will be held in the City of New Orleans, Louisiana, the week of July 13, 1981. The Director General is Geralto "Joe" Vita, 933 Broadway, New Orleans, Louisiana 70118. Telephone, Area Code 504, 866-0322.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Minneapolis area with the Housing Chairman as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in New Orleans, Louisiana in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through any-

one except the Convention Housing Committee—CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1981 Session in New Orleans, Louisiana.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives (2) Uniformed Units, (3) the General Nobility, and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed-Units there would be no parade.

Hotel room assignments at New Orleans are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in New Orleans is George W. Sewing, 74 Kilgore Place, Kenner, Louisiana 70062. Telephone, Area Code 504, 469-2445.

The Executive Secretary-Fraternal Affairs will handle the room assignments for the Representatives and other Temple Officers who are not Representatives, and the distinguished guests.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

It is suggested that if convenient time is available, a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Secretary-Fraternal Affairs) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT

JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all Shrine meetings.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Secretary-Fraternal Affairs.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward eight pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please write the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities for their administration to the Temple membership at a meeting and proceed in accordance with the vote of the membership.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all

public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent, or (2) making provision for the deposit of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units, or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the By-laws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

I. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty matters relating to insurance, and the fourth member shall be the Temple Legal Counsel.

II. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

- a. Review all Temple, Shrine Club and Unit Operations and activities, including fund-raising events of any kind or nature.
- b. Review, analyze and where appropriate, appraise all Temple properties, whether real, personal, or mixed (including properties held by any holding corporations and affiliated corporations operated in conjunction with the Temple), as well as Shrine Club or Unit properties.
- c. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Clubs or Units, or any holding or affiliated corporations, to determine the adequacy and the extent of the coverage afforded by those policies in light of the guidelines established by this General Order.
- d. Prepare a written report to the officers of the Temple setting forth their findings with regard to the sufficiency and adequacy of the present insurance program and their recommendations with regard to additional insurance coverage or policies necessary to assure adequate protection. This report shall include the Committee's estimate of the annual cost of the insurance program proposed and recommended. A copy of this report shall be sent to the Executive Secretary-Fraternal Affairs at the time it is filed with the Temple. The report of the Insurance Advisory Committee shall be completed and submitted to the Temple officers in sufficient time for it to be available to the Chief Rabbai for his use in preparation of the proposed Temple budget for the following year.

III. Guidelines for Insurance Coverage

The Insurance Advisory Committee shall in their review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant and affiliated corporations) consider all Temple and affiliated bodies, operations, activities and fund-raising events. The Committee shall evaluate the Temple insurance program under the following *minimum* insurance guidelines:

a. *Policy Considerations*

Determine the advisability of securing first and extended coverage; theft; surety bond coverage for all persons holding funds of the Temple and its collateral activities; boiler and machinery; auto comprehensive liability for both owned, non-owned, leased or hired automobiles (including bodily injury, property damage and medical payments); host liquor liability or "dram shop" insurance covering potential liability relating to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosions, for real and personal property, for premises, whether owned or leased; products liability and completed operations coverage; premises medical payments for guests or members; workmen's compensation as required by state laws, including coverage for both paid employees and "volunteer" workers; blanket contractual liability coverage for all written (oral if available) agreements; owned and non-owned watercraft and aircraft liability; parade; spectator's liability; carnival liability; and any other additional insurance coverages warranted by the operations and activities of the Temple under the circumstances.

b. *Minimum Limits on Liability*

Comprehensive liability insurance for the Temple, Shrine Club, Units, holding corporations, appendant or affiliated corporation should have minimum primary limits of \$500,000 for each occurrence—NOTE: these primary limits may be increased depending on the operations and activities of the Temple and its appendant bodies, and the locale thereof. Great reliance should be placed upon the advice and recommendations of the Insurance Advisory Committee and Temple legal counsel in establishing policy limits. It should also be noted in establishing the limits of the basic primary Temple insurance program that the availability to the Temple of excess liability coverage which is recommended (commonly referred to as "Umbrella" lia-

bility coverage) may be governed by an underwriting requirement that the basic primary coverage shall be a minimum of \$500,000.

c. Named Insureds

In all Casualty or Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as an additional named insureds, only as respect to the operations and activities covered under the policies: "The Imperial Council A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Secretary-Fraternal Affairs Certificates of Insurance on all Casualty and Liability coverage evidencing compliance with this General Order, each time such policies are changed.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Funds and Entities Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for local purposes such as transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with the other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following. IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their members shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of account shall be audited annually in a manner consistent with the requirements of Section 334.5 of the By-Laws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation; and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1979; and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1979.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

ADORNMENT OF FEZZES

Your attention is called to § 213.1 of the Imperial By-laws, which deals with the fez and which reads as follows, viz:

§ 213.1 FEZ.

The exclusive head covering of the Order shall be the red Moroccan fez with a black tassel.

(a) Jewel and Name of Temple. The name of the Temple of which the Noble is an active member, together with a facsimile of a scimitar and that portion of the jewel of the Order consisting of the crescent, sphinx head and star may be embroidered on the fez with gold or silver bullion or silk.

(b) Titles. The Imperial Chaplain, Potentates, Past Potentates, Recorders and Divan members may have their titles embroidered in small letters in gold or silver bullion or silk beneath the emblem on the fez. Active members of official uniformed units of a Temple may likewise have the names of their units beneath the emblem on the fez.

(c) Imperial Officers. The Imperial Potentate shall have a row of 5 gold stars beneath the emblem on his fez. Each Past Imperial Potentate shall have a row of 5 stars, the 2 outermost of silver and the other 3 of gold. Each of the other Imperial Officers, past or current, shall have a row of 3 gold stars beneath the emblem on his fez.

(d) Adornment. The embroidery on the fez may be adorned with rhinestone jewels of a size no larger than those officially recognized by the Imperial Council as number 12. One pin may be used to hold the tassel in place.

(e) Fez, how and when worn. The fez shall be worn in its proper shape without crushing, creasing or alteration; and no device, ornament, title, wording or adornment other than that permitted by this section may be used on the fez. The fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order. It may not be worn when or where prohibited by the Imperial Potentate.

The Potentate of each Temple is hereby requested to notify the members of his Temple of the provisions of § 213.1 and to encourage strict compliance therewith.

Given under our hands and the seal of the Imperial Council this 19th day of September, A.D., 1980, and of the Order A.H. 1400.

The Executive Secretary of Fraternal Affairs shall be notified of any Representative who qualifies, not later than June 26, 1981.

NOTICE TO POTENTATES AND RECORDERS

1980-81 COMMITTEE LIST

Appointed by Imperial Potentate F. T. H'Doubler, Jr., M.D.

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

Beginning at Canal Street and South Clairborne Avenue, move East on Canal Street toward River to St. Charles, turn right to Poydras Street, turn right on Poydras Street to Superdome, turn left to South side of Superdome, turn right to center of Superdome, turn right and enter Dome making a complete circle inside, then exit making right turn to street, turn right and follow around Dome to North side and disband.

The Reviewing stand will be on the right side of the Parade after entering Superdome.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Geralto "Joe" Vita, Director General of the Convention, whose office is located at 200 Room Mezzanine in the Superdome. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour

of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement of the parade as a whole.**

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units “marching” near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall “march” at the end of the column.

Most recently, direct orders forbidding any but “forward marching movements,” although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in New Orleans may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in New Orleans will be parades throughout, and in no part a pageant. Only so-called “forward marching movement” will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In New Orleans, only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same

to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.

5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in New Orleans, it is desirable that you supply one member of your Temple to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Gene Marques. Provost Headquarters during the Convention will be in the Melrose Room in the New Orleans Hilton and Towers. Each Potentate will kindly advise Noble Marques the name of the Noble who will serve on the Provost Guard. Correspondence with Noble Marques prior to July 1 should be addressed to him in care of Director General Geralto "Joe" Vita, P.O. Box 6397, New Orleans, LA 70174.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation, and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1980, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1980.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see to the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent, or (2) making provision for the deposit of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

RESOLUTION

WHEREAS, the Boards of Directors and Trustees of the Colorado Corporation have received and unanimously approved the recommendations of a Special Committee appointed to survey the needs for orthopedic units of Shriners Hospitals for Crippled Children in the southeastern United States, which recommendations were submitted through and endorsed by the Long-Range Planning Committee of the Colorado Corporation after careful study and consideration of the report of professional hospital consultants engaged by the Special Committee; and

WHEREAS, such recommendations call for the establishment and construction of a new orthopedic unit of Shriners Hospitals for Crippled Children, which may be undertaken only after approval of the Members of the Colorado Corporation at its annual meeting, in accordance with § 503.2 of the By-Laws of the Colorado Corporation; and

WHEREAS, notice of the proposed establishment and construction of a new orthopedic unit must be given to the Members of the Corporation, in accordance with § 503.2(c) of such By-laws; and

WHEREAS, the comprehensive nature of the recommendations of the Committees and their professional consultants is such that the Boards of Directors and Trustees believe that such recommendations should be considered as a whole by the Members of the Colorado Corporation at its annual meeting next to be held in New Orleans, Louisiana, in July 1981;

THEREFORE, THIS RESOLUTION, which is unanimously and enthusiastically endorsed by all members of both the Board of Directors and the Board of Trustees of Shriners Hospitals for Crippled Children, will be presented to and recommended for adoption by the Members of the Colorado Corporation at its next annual meeting, in the following terms and provisions, to wit:

RESOLVED, that a new orthopedic hospital with a bed capacity of forty patients, designed so that it can be increased in size if the demand warrants an increase, be constructed at Shreveport to replace the present aged building; that, if it proves to be feasible, the new building be located upon the Shreveport property presently owned by the Corporation; but that, if it be not feasible to construct the new building on such property without materially interfering with the care of patients in the present

building during construction, or for some other reason, that a new building site at Shreveport be acquired; and

FURTHER RESOLVED, that action be taken to acquire a new building site at Greenville, if necessary, for the purpose of construction of a new orthopedic hospital to replace the present facility in Greenville and to be occupied not later than 1990; and

FURTHER RESOLVED, that a new orthopedic unit of Shriners Hospitals for Crippled Children be established in Florida upon some site to be selected in the Tampa area; and that a new hospital facility, with a bed capacity of approximately sixty patients, be constructed to serve the crippled children of Florida, Alabama, and parts of Georgia; and

FURTHER RESOLVED, that \$50,000,000 of the funds of the Corporation be appropriated for the implementation of this Resolution, including (1) the acquisition of a site in the Tampa area; (2) the acquisition of sites, if necessary, at Shreveport and Greenville; and (3) the construction costs of new hospital facilities at both Shreveport and Tampa (but not including the costs of construction of a new hospital facility at Greenville); and

FURTHER RESOLVED, that in accordance with §§ 508.7 and 510.1(b)(1), the Board of Trustees and the Committee on Buildings and Equipment be hereby authorized, empowered, and directed to take such steps as are appropriate and consistent with the By-laws of the Corporation to fully implement all provisions of this Resolution with deliberate speed, making progress reports to the Members of this Corporation at its annual meetings from time to time until the provisions of this Resolution are fully implemented.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: Now, let me urge you to be here promptly at nine o'clock in the morning. We will reconvene promptly at nine o'clock.

This meeting will now stand in recess until nine o'clock tomorrow morning.

...The 107th Annual Session of the Imperial Council, A.A.O.N.M.S. recessed at four-thirty o'clock p.m. to reconvene the following morning at nine o'clock a.m....

MORNING SESSION THURSDAY, JULY 16, 1981 NINE O'CLOCK A.M.

The 107th Annual Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at nine o'clock a.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

IMPERIAL POTENTATE H'DOUBLER: Nobles, if you will be seated, I would like to commence our meeting.

Now, before we begin, let me ask you all to wear your SBI buttons.

Now, again, we have a lot of work to do.

Will you please remain seated and uncover and I will call upon the Imperial Chaplain to give the invocation.

REVEREND MAGILL: Let us pray.

Dear God, you know the secrets of our hearts. You know our inner motivation. You know the things that drive us on.

We ask that You fill us with the wisdom that You so willingly gave to Solomon; that You would help us make decisions so that we can go home knowing that You have been with us; that You have never been absent from us; that You have been concerned for us and that You have blessed our work.

These things we ask because we are Your children and You have promised that You would answer these prayers. Amen.

IMPERIAL POTENTATE H'DOUBLER: We are now reconvened for our business of the day and the first order of business is, as I indicated earlier, for everyone to put on his SBI button. It is not doing you any good in your pocket.

I will now recognize Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives: I would like to give all of you present this morning a brief overlay of what we have been doing in relation to our Public Relations Department. However, before I commence with that, let me say that I have been looking back over the last two or three days of this session and I just remembered that one of the most important things that took place was when Walker gave his beautiful report concerning EWG. That was certainly informative but, really, I did not know a thing about the fruit flies until Walker told me. At any rate, it certainly takes one to know one. (Laughter)

Now, also, let me say that we will have some guests with us in the room this morning during this meeting that will be assisting us in our public relations endeavor.

I would like to say one thing in addition here to Walker and that is last week a gentleman came up to me and asked, "Just what do you see in Walker Kisselburgh?" Well, I did not have an answer and, therefore, I would like to have you work up something a little bit later for me. (Laughter)

Seriously, however, your Public Relations Department has been very active during the preceding year. It has been very aggressive and we think we have been successful, with the help of our good public relations staff under the direction of Mike Andrews, our Public Relations Director.

Since we were last together at Cleveland, we have made two new public service announcements, spots, that have been distributed to over 7,000 radio stations and over 700 television stations and I am happy to report that within the next two weeks there will be another PSA sent out to these radio and television stations.

These, of course, are telling the general public—"If you know of a crippled child that needs help, call us at our toll-free number."

Now, along with that, we have formed a One-In-A-Thousand Club and this involves a group of men that are Shriners, of course, but they are business leaders in their respective communities and we are asking these fellows to contact radio and television stations to make sure these films or public service announcements are used.

Our success has been great and we can tell this by the fact that our patient census has been increasing in certain areas where we have been using spot announcements.

Also, in other areas, where we have a backlog of patients, there, of course, we are not running the public service announcements but we think that with the advent of public service spots and our toll-free number, we are clearly getting into a position that where, if we need patient recruitment in a particular area or region, that we can flood the area with these public service announcements and certainly bring in crippled children that need help and, as I said in the beginning, that is what we are all about.

The Public Relations Department has been very active in assisting the Endowments, Wills and Gifts Committee in their great endeavor to continue to bolster our EWG funds.

We have also been working very closely with Dr. Russell Anthony and the Membership Committee.

We have been upgrading and improving our literature during the past year and we are very proud of that. We are distributing quite a bit of it.

For example, in one month we mailed out over 35,000 sheets of literature or brochures for Shriners Hospitals for Crippled Children and the Endowments, Wills and Gifts and Membership Programs.

Therefore we feel as though we are receiving exposure.

Now, Walker and I, the other day, were talking at one of our meetings, talking about public relations projects and he said, "The name of the game is exposure, exposure, exposure." Now, that is absolutely correct because the more we can tell the Shrine story, the more we are going to improve the image of the Shrine and the more we are going to get the public to know what we are all about and this, in turn, is going to help with Endowments, Wills and Gifts and with our membership.

At the present time, we are endeavoring to get some Shrine stories printed in some national publications, such as Reader's Digest, National Geographic, the Time-Life Books and others, and we feel that we are going to be successful.

During the past twelve months, we also endeavored to get involved in a billboard program and, as of today, we have put up around the country over 2,000 big billboards, free of charge, space donated. Here again, we want to use this means of getting our public relations message across to the general public so that, again, they will, through their visibility of these billboards, also learn or become familiar with what the Shrine is all about. In other words, educate them to the fact that we are doing a great job in the field of caring for crippled and burned children.

Now, last year I spoke to you on the results of our Lew Harris Polls. I indicated to you certain numbers and figures that we had obtained from these surveys and those figures, which had just been released, indicated something like this:

That nine out of ten people were aware of the Shrine.

We were the second most well known service organization in the country.

However, on a disappointing basis, we likewise found out that less than fifty percent of those people knew what the Shrine was all about. They were misinformed, did not know about the hospital program, we were not getting the message across to them.

Now, what that poll actually did was to give us a bench mark from which to measure and in about two years we can possibly do it again and, hopefully at that time, we will be making considerable progress in conjunction with our image.

Now, a poll was also conducted in relation to the public's burn I.Q. and there we found there was a definitive need for burn prevention. As a matter of fact, more than fifty percent of the public desired to know more about how to prevent burns.

Now, I am happy to report to you today that as a result of our National Stop Burns Program and campaign, more than sixty million Americans, North Americans, have received the SBI messages either through radio, television or the newspapers.

Also, many more will have learned about this through the hard work of our individual Temples.

In addition to this, I might state that we requested the Temple Potentates to contact the Governor of their state and ask them to cooperate with us in proclaiming a week entitled, "Stop Burn Injuries Week" in their state. I am happy to report to you that fifty of the State Governors complied with that request and I think that is fantastic.

Now, our SBI Program, of course, as was mentioned at the session in Cleveland, was officially kicked off by President Gerald Ford on National Television at our East-West Game back in January. President Ford, of course, is co-chairman of the Stop Burns Program.

Also, our SBI spokesman that travels around the country, Dr. Duane Larson, has certainly done a fantastic job with his national media exposure. He has already made seven or eight stops in such major cities across the country as New York, Los Angeles, Miami, San Francisco, Chicago, New Orleans and, further, I know that he also appeared on the John Davidson Show and some other top-rated television programs and, of course, when you can get a man like Dr. Larson on National Television to talk about the Shrine, what it is all about and how you stop burns and burn prevention, if you can get their attention, then you are making progress.

I will be telling you more about some of the other things we are doing in a few moments but at this time we have prepared for you a short film presentation that I think will be most informative to you and will tell you more about the SBI Program than I can from this podium. Therefore, let us now have the showing of the film. It is entitled, "We Can Do It," and I think we can.

... The above-mentioned film presentation ensued. ... (Applause)

IMPERIAL SIR BRACEWELL: Now, again, the title of that presentation was "We Can Do It," and I am sure that your applause indicates that we can certainly do it, is that correct? (Applause)

Now, those of you who were with us last night at the Banquet, you heard a keynote speaker and I am sure that after listening to this keynote speaker last night, that you now realize that Dr. Edward Annis stands for America and that his ideas certainly intertwine with those of the Shrine. Therefore, in a way, we might say that Dr. Annis is an official spokesman for the Shrine of North America.

He is a Past President of the American Medical Association and is recognized as one of the foremost lecturers in the United States.

He is generally referred to as "Mr. Medicine." Therefore, it gives me a great deal of pleasure, at this time, to present Dr. Annis to you.

DR. EDWARD ANNIS: Thank you very much, Mr. Bracewell.

You know, last evening I had an opportunity to remind some of you of the truly fantastic progress which has characterized modern medicine.

I indicated, for example, that when I was in medical school, the leading cause of death in this country was infectious diseases. However, since that time, and as a result of the input of so many minds from so many areas of science, we have eliminated one after the other of these diseases so that, as a result, death from them has very, very substantially declined.

Also, I indicated something else—the speed of progress.

I told you, for example, that if you had gone into any of our hospitals or had someone take you around and show you some of the truly fantastic tools we have today for diagnosis and treatment of disease, this would likewise remind you that half of everything you saw really did not exist any place in the world ten years ago.

I can recall, for example, that at the time penicillin came out, there was likewise a rapid development of other antibiotics and these likewise, in a short period of time, helped us greatly in our ability to overcome infectious diseases.

You know, one morning, while entering the surgical hospital where I was Chief of Surgery at Miami, I was met by a representative of one of the very fine pharmaceutical companies. This was during the time of the early days of the use of antibiotics, when people often became ill when they took them and you would have to take a pill or capsule in an effort to eliminate the nausea and the discomfort from the use of some of these products. He said, "You know, we now have a product that has a lower absorbability, has less toxicity, lasts longer in the bloodstream. I am sure it is something that you will like."

I said, "Well, look, I am in a hurry, just give me some literature on it."

Well, he gave me some literature and a sample or two and I again told him I would check into it a bit later.

Well, that day, after the conclusion of my first operative case, I went into the surgeons' lounge, where you can get a cup of coffee and a doughnut or something in between cases and, as usual, I could not find a seat because the family physicians and interns had taken them all. (Laughter)

However, seated there was the hospital's Chief of Medicine, Dr. George Smith.

Now, perhaps I had better give you a little bit in relation to his background by saying that George Smith was trained in the hallowed halls of the Mayo Clinic.

Well, I approached him and said, "George, this fellow stopped me on my way in here and was talking to me about this new drug. He told me it had just come out but I thought, from your experience, you might know a little more about it. Is it any good?"

He looked at it a moment and then replied, "Oh, yes, that was research that the Shrine did." Now, he was not referring to the Shrine here but he was referring to the Mayo Clinic, as most of their graduates did for many years. He said, "It is a very fine drug, does exactly just what they say it will do. It is essentially rapid and effective in the bloodstream."

I then said to him, "Well, George, don't you have difficulty keeping up with these new drugs which come out so rapidly? You know, in my case, I cannot even remember their names let alone their indications."

He replied, "Well, think nothing of it because we also have this trouble. You know, we are coming up with new drugs so fast that today, in some instances, we have drugs for which there is no disease." (Laughter)

Well, at any rate, that is the speed with which doctors have been given tools with which to deal with various forms of disease.

This, today, enables us to do more in connection with preventive medicine.

Now, I can also tell you that there are in excess of some 400,000 doctors taking care of American people today. We have some 56,000 in 126 medical schools; another 158,000 in 4,000 hospitals, where they are trained in every field of medicine, every specialty and subspecialty to assure the American people, wherever they live, they have available to them men and women with the knowledge, skill and tools to give them the very best that medicine has to offer.

Now, as I said, no longer is infectious disease the leading cause of death under the age of 45. Number one cause of death today is, as a matter of fact, accidents, the second is homicide and the third is suicide.

These are the areas in which the doctors of this nation need the help of the people of America and, in my own experience, the most severe cause of accidents is burns to little children. As a matter of fact, ninety percent of the most severe of all trauma is burns and, strangely enough, perhaps as high as ninety percent of them occur within the environs of the home.

Now, most doctors and most hospitals cannot solve this problem—only an enlightened, informed group, such as you, telling the story as you have been telling it so beautifully over and over again, can educate the public to this fact.

You know, with regard to informing parents and the public, everything is right here (indicating) in this little pamphlet. Everything is contained therein to inform yourselves and the public, your children, your grandchildren, your daughters and your sons. Everything is here, everything that we need now, and, further, it will be a great contribution to the progress of preventive medicine and can be made by all the doctors in the country, because burns, some of the most serious of all trauma, affects two million of our citizens, the most of any industrialized nation in the world every year.

Therefore, on this basis, half of our children will be horribly scarred for life in spite of the finest efforts of today's modern physician.

To tell you a little more about this, because he knows so much about it, and to give you additional input as to the reasons to go home and be motivated to carry out this truly magnificent program, I do want to introduce one you already know. He is one of those in the picture, a former Chief Medical Advisor to the Shrine Burns Program, former Chief of Surgery of your Galveston Burns Unit, former President of the American Burns Association and a man who, in 1972, at the recommendation of the American Medical Association, was given the Physician's of the Year Award by President Nixon because of his fantastic contribution to minimizing scars, to eliminating some of the things that happen after burns occur and he, perhaps as well or better than anyone in this room, knows how important is prevention.

To tell you a little more about what you can do and why it is so important that you do it, I introduce to you your own Dr. Duane Larson. (Applause)

DR. DUANE LARSON: Nobles, many times I have had the pleasure of addressing you, both at this podium and in numerous areas in your home communities. At those times, I had the pleasure of telling about all of the new advances and improvements we were making in one of the most disastrous, tragic accidents that could possibly occur to our families.

With your permission this morning, I would like for you to see the problem, which is not a very pretty picture at all and so, with these few words, we will take a little trip.

Little Mary, a nine-month-old child, a beautiful girl, blonde hair, blue eyes, full of pep was wheeling around in her walker. The world was full of surprises—the world was full of love—she had not a worry in her mind because she was thankful to God she was alive and enjoying every minute of it.

Unfortunately, however, little Mary was not aware of the fact that in that warm room of her home, where she was always safe, unfortunately she was not. She reached up, was able to reach a cord and pulled on it. This went to a crock pot full of scalding hot chili.

In one-half of a second, that crock pot fell over, striking this little girl over the face, neck, chest and the breast that would develop years later—her upper extremities and abdomen and her lower leg.

This little girl cried out in extreme pain because we all know the painfulness, the pain that occurs with a burn.

The mother ran into the kitchen, saw this little girl she loved, saw her flesh beginning to turn into rapid wrinkles and the little girl crying out in fear and pain, really not knowing what had occurred.

The mother called the father, who came home. An ambulance came and the child was quickly taken away from her warm environment into a cold environment filled with strangers who loved her, but she did not know this, who were constantly subjecting this little girl to pain.

When she reached our Shriners Burns Unit, the first thing that we did was rush her into the emergency room, where we had to put a catheter into her vein and start intravenous fluids.

We also put a needle into a vein to draw out blood so that we could see the electrolytes and what blood changes that were occurring so that, in turn, we would be better able to treat this little girl.

We had to handle this painful burn wound, knowing it hurt everytime we touched her. We put antibacterial ointments on her and put her to bed.

She had a nasal gastric tube going into her nose and stomach because the stomach does not work well when you are severely burned—so we could suck out the extra food that laid there in deposit in the stomach. We took blood pressures on her, even though we knew it hurt. We had to come back every few hours in order to get some more blood. That girl was faced every day with the painful process of going to the tub to be bathed because we knew that we had to keep the bacterial count down on her wounds so that it would not invade this precious little body and this precious little life that we were attempting to salvage.

Day after day this miserable story went on, with the entire staff dedicated to try to make it as easy as possible for this little girl.

But how in the hell do you make it possible for a little girl that is living in hell? You can try to do it, but you are not going to do it, it is impossible.

Within five days, she goes to the operating room, where this tremendous blood loss occurs but we need to get that burn wound down to a salvagable area—to shave off the burned tissue. She bleeds, hemostasis is used for stopping the bleeding when it occurs and then we take skin grafts—we literally skin them alive—horrible words but I think it is time we understand.

Now, I cannot go out into the public and say this but I can say it to you. I can say it to we Nobles; we are the troops, we need to get out.

Finally, after weeks of this kind of injury and care, this child may come to that final day where she is discharged and we say, "Thank God, she can now go home."

But then we have, over a six-month period, this terrible process we have studied so extensively and that is that a burn wound is, after six months, like being covered with glue. For example, if they lie in a flex field position or position of comfort, they freeze in this kind of position—freeze in this crippling contracture which we were so used to seeing years ago.

Not only that, but we have cells that move into this wound that literally pull for many, many months, up to nine months after the burn. These cells, for example, are pulling this beautiful face into the most grotesque facial feature you can possibly imagine.

I would like to tell you two simple stories.

There is a boy of fourteen years of age, not very far from my home town, not very far from the Burns Institute in Galveston—an athletic boy, full of dreams of the future. However, in a half a second those dreams were destroyed.

Now, he went home healed. What do we mean by "healed"? Physically, yes, but even the wound is continuing to undergo those disastrous changes.

What emotional trauma. This boy would not go outside the home. He would only go out if the father went into the garage, backed the car out and after he

looked up and down the street to see there was nobody there to observe him, then he would run into the car, crouch down on the floor boards behind the seat and then when they got out to the country, where nobody could see him, he would then sit up and look around and be a happy boy. However, when they came back home, he reversed the process.

Let me tell you another story that my heart bleeds for and just sets the whole Institute into the most tragic feeling we have ever had.

There was a little girl who was burned severely, six months of age, that survived and we were so enthused that the child had survived because she was involved in a fire and they could not pull her out of the house until the fire was put out. These parents had lost their other children and had only this one little girl left. Further, they were parents that could not have any more children. Therefore, both the mother and father were so glad to have the child come home. However, she went home without a nose, without ears and with some of the most deadly scars you have ever seen. However, we were happy because they were happy but, unfortunately, within six months, that child came back to the Institute, the parents could not handle it—just could not handle the child that they loved so much before that burn occurred.

Gentlemen, I would suggest that you go to see the movie "The Elephant Man." One week I took my three sons and my wife and we went to the movie and saw that picture, "The Elephant Man." I think you all ought to see that, especially if you start beginning to feel that all of this is a lot of work.

In that movie, for example, this boy crouched in a corner after being made fun of. Unfortunately, children do this—they make fun of this boy. He crouched in a corner and he hollered out, screamed out in despair—"I am a human being, I am a human being."

Through my eyes, I hope you have seen this morning these children crying out to me today, day in and day out, "I am a human being."

Children are crying out like this in all of our hospitals—"I am a human being."

How can I put that child back together and make a human being out of this child—one that can walk down the street like other children, who can go back on the athletic field or who can go out and give a normal hand to their new boyfriend rather than a crippled up, scarred hand which makes it so difficult for that child to go on into adulthood and be a normal adult.

Fellows, let's listen to this call—"I am a human being."

I am now going to turn the podium back over to Imperial Sir Hogan and with that, Imperial Sir, I want to thank you not only for the children in our Burns Institutes and who can care for them but also for those children who would not have been in our Burns Institutes but because of your encouragement and enthusiasm incurred to undergo these programs.

For this we thank you from the bottom of our hearts.

... Rising applause ensued...

IMPERIAL POTENTATE H'DOUBLER: You know, as Dr. Larson was speaking, I turned to Gene Bracewell and I said—"You know, I think it is time we change our slogan from 'We Can Do It' to 'We Will Do It.'" (Applause)

This is a very exciting program, one in relation to which we can all feel great satisfaction. It is a most rewarding experience.

Unfortunately, however, we will not be able to see that child and say, "We saved this one from a burn," but when we go back in several years and see what the statistics are in our land, in Canada and the United States, we will feel a glow of satisfaction.

As has previously been mentioned, in Canada and the United States, we have the highest incidence of burns of any industrialized nation in the world. This despite the fact that these two countries have conquered polio and diphtheria, smallpox and those types of diseases.

On the other hand, just go down to the hospital at Mexico City and you will find that over half the children in there are victims of polio, tuberculosis and other simple diseases that we had in this country and in Canada not too many years ago.

How appalling it is that with all of these great strides in all the other areas of preventive medicine, we could have dropped the ball here.

We are world leaders in one district in doing the best job but, in burns, until the Shrine came into the picture, we were, as world leaders, doing the worst job.

I will now turn this back over to Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you very much, Imperial Sir. Also, thank you, Dr. Annis and Dr. Larson for your stirring comments.

Now, Representatives, I would like to give you just a bit more information.

You will notice on the table up here that we have designed and produced some new posters for you. The small posters here can be placed into the waiting rooms of the doctor's office. There is a pocket in there, for example, in which you can place the "Too Hot Not To Handle," brochure. These are available and will be made available to the Temples for a cost of \$10 each. Also, they are personalized with your Temple name there at that price. That is really a little bit less than actual cost on it.

The larger poster board also has a pocket on it for the brochure, "Too Hot Not To Handle" and can also be displayed in your Temple. The cost of those are \$20 each.

The hot thing we have now in relation to the SBI Program is the "Too Hot Not To Handle" brochure.

We initiated Phase 1 of this back in January at which time we printed one million of these brochures. However, within six weeks we were out of brochures. We printed another 500,000 when we commenced Phase 2 after approval by the Joint Boards back in February. We now have less than 25,000 in stock and I have in a request now for over two million more brochures and, of course, that gets expensive but I do feel like they can help us tell our story and, with them, we can get our message out, namely, that burns are preventable.

I think that if we put enough of these brochures out and educate the public, that we can eventually prevent many of these burns. God only knows, that is what we are trying to do.

I want to thank you for allowing me to serve as Chairman of your Public Relations Committee and it is your Public Relations Committee and I want to tell you that we are there to serve you and your needs and the needs of your Temple.

Also, with regard to these efforts, as well as those of EWG and Membership, if we can, any of us, help you, please do not hesitate to call.

Now, I have one additional piece of news.

Everyone knows the voice behind our various cartoon characters, such as Donald Duck and others, Mel Blanc. He has agreed to do some films for us. I think it will be in the form of a tag-on type of deal—a four or five minute cartoon film to be sent out to theaters throughout the country to show on Saturday in relation to childrens programs. He has also consented to do some public spots for us.

With that, thank you very much, Representatives and let's really push this Stop Burns Injury Program.

Again, I thank you for your time. I think it is fantastic.

IMPERIAL POTENTATE H'DOUBLER: Thank you, Gene. Also, Doctor Annis, we wish to thank you for this morning giving us a superb inspirational message and also, Dr. Larson, once again, you were just great and thank you ever so much.

Is there anything else on burns?

All right now, George Powell, will you now please come forward.

IMPERIAL SIR POWELL: Imperial Sir, Imperial Sirs, Representatives and Nobles: Our future is tied into our source of raw material and the best raw material that we can possibly create for Masonry, the York and Scottish Rite Masonic bodies and the Shrine is from the DeMolay.

The DeMolay this year is on its very exciting program to do many things to create our raw material so that we can have the kind of citizens, the kind of leaders and the kind of young men who will move this country into the future.

We are most fortunate in having with us today, David J. Morgan, the Grand

Master of the International Supreme Council of the Order of DeMolay, who will bring to you a real exciting message.

NOBLE DAVID J. MORGAN [Grand Master, International Supreme Council, Order of DeMolay]: Imperial Sir, Imperial Sirs, Distinguished Guests and Nobles All: I am proud to be a Shriner and particularly after having seen the display you just witnessed with me. It certainly does all of us good to know that the work we are doing as Shriners is very important.

I am here to talk to you about DeMolay and, really, am also here for a three-fold purpose.

The first is to thank you, Imperial Sir, and the Imperial Council, for the support you have given to the Order of DeMolay—not only for the cash contributions you have made to our Supreme Council, but also to the Supreme Council in Canada; not only for the sponsorship of the Frank S. Land Breakfast at the Grand Masters Conference but also for such pleasant an unexpected reports as to open your Annual Report, on page 9, and see a picture of you standing with the DeMolay. That certainly is visible support.

Now, I might add, that perhaps there is some significance in that particular picture being on that page, page nine, because the Order of DeMolay originally started with only nine members.

I would like to tell you, Nobles, that the main support for DeMolay comes not from the Supreme Council but, rather, from the 181 Temples throughout the country.

You heard mentioned a little while ago the support that had been generated for the Stop Burns Injuries. Now, many of you have been handed this (indicating) booklet this morning. Inside, on one page, is an article on the DeMolay and it talks about the program that Tangier Temple in Omaha, Nebraska, originally had set up.

This is advanced information but I can tell you the results of that particular program.

That program has been designed in three phases, the first phase of which was to use a rest stop property, which the DeMolay did in that state over the fourth of July and wherein they were handing out coffee and doughnuts to travelers across the length and breadth of Nebraska in those sixteen rest stops.

However, I can also tell you that at some of these stops they also had a number of these "Too Hot Not To Handle" booklets and distributed, on the fifth of July, over 8,000 of those booklets. One rest stop alone handed out over 1,500 but the interesting thing is that a third of them they handed out at these particular stops were handed to out-of-state visitors and, therefore, on this basis, the breadth and depth of the information that you are handing out is even wider than you perhaps are aware of.

The Nebraska DeMolay intend to follow through with two other phases.

They have, two weeks from this coming weekend, a statewide meeting, wherein they are going to have a seminar on the Stop Burns Program and they have asked the local chapter to take back the material to their communities and to work out a program in their own community and distribute it—take this back, for example, through the public schools or wherever else it can be used to advantage.

The first phase of this, for example, is to tie in with a Mothers' Club Meeting that they are having down in Hastings in October and to use the mothers, for example, to again distribute the same type of material to the PTA organizations, the churches and other sources such as this that would be available to them.

I think all of this is exciting and it is exciting because, as I see it, it gives an opportunity for the DeMolay to turn around and say, "Thank you" to the Shrine for the particular things that the Shrine has done.

I am delighted with all of this and I salute the Officers and Nobility of Tangier Temple for being so willing to work with DeMolay.

Maybe some of you may also have received the publication from Alcazar Temple at Montgomery, Alabama. This came to me several weeks ago when I was away on a trip. It was just laying there and I did not get a chance to read it. However, I threw it in my luggage and had an opportunity to read it on the plane. Now, it was most interesting to see, on the cover of this publication, a picture

of the Potentate and Treasurer of the Temple, I believe, with the Officers of the DeMolay Chapter they are sponsoring down there but, the more important thing is that on the inside of this publication, the message therein, a good part of it, is devoted to DeMolay because that is their project for the year.

The interesting thing here is that their Membership Committee it being chaired by the Treasurer of that Temple. I think it is very significant that we find that our membership and membership in the DeMolay go together because, as Brother George has indicated, that is where our life blood is.

We need to, as Nobles, be visible with the DeMolay, with these young men and this is not only as a group of Shriners but as individual Shriners because it may not be so important that we put the image of the Shrine before our DeMolay boys but that we do put the individual dads before them.

I am glad to see, therefore, that in some instances, we have had some very good success with these DeMolay programs. I know that there are some Temples, for example, that have some very strong, on-going programs and then there are those of us who have programs only from one year to another year or only when the Potentate of that Temple gets hot on the subject of DeMolay during a particular year. However, we have had good programs in many Temples for many years. As a matter of fact, there are several Temples that have had outstanding programs year after year after year.

I would say, for example, that Murat Temple in Indianapolis is the finest example of a strong continuous year after year DeMolay program. Also, Al Malaikah has had a very strong DeMolay program.

I would also like to say, in connection with my own little Temple, Kerak Temple in Reno, Nevada, they likewise have run a couple of programs that have helped. I would tell you, however, that I think there are more things that they could be doing and that I intend to go back and work with them on some of these things.

I would like to really leave you Nobles with this thought—that you go back to your Temples and try and develop some kind of a DeMolay program. With regard to the program that Nebraska and the Nebraska DeMolay runs concerning the SBI there, I have asked that the information be gathered and made available to me concerning this program and that I, in turn, will send it on to each of our Executive Officers. I am going to ask that they, in turn, involve the DeMolay in helping to distribute that material because I think it will be our way of saying, "Thank you" to the Nobility for what has been done.

However, beyond that, I would also ask that you give some consideration to some kind of a DeMolay program on a year to year continuing basis within your Temples because, I believe, as does George Powell, that our lifeblood in the Shrine is the DeMolay and we have to plant the seeds—have to do it on an individual, person-to-person basis.

You may remember that Gene Bracewell, in connection with his talk, was mentioning some results of a poll as to visibility of the Shrine. Now, I am sure that our young men in the DeMolay know what the Shrine is because they see, on a group basis, how some of these Temples are run and operated, perhaps sometimes not to their liking. However, what these young men actually need is an opportunity to be able to know you as an individual. When I look back into the past, I realize that the crowning thing some years ago with DeMolay and their interest in Masonry was because of the fact that there were Masons and Shriners working with the youth in those bodies. As a matter of fact, that is what initially attracted me to it.

With that, Imperial Sir, I wish to thank you and the Nobility for your support and generosity to the DeMolay. I will also promise you that as Grand Master I intend to work with you as closely as possible in the support of our great philanthropy.

Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I think another thing that should be in the minutes is that we are getting such wonderful cooperation from all of the firemen throughout North America in relation to this project, the Stop Burns Injury Project. As a matter of fact, both Dr. Larson and I will be on their National Meeting program in Kansas next January. They have asked us to participate in their program and, of course, that is flattering to both of us.

Now, at this point, I would like to recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives: First, as a matter of personal privilege, if I may, several months ago and before there was any suggestion even that I be a nominee for the Board of Trustees, I told the Deputy Imperial Potentate that inasmuch as fifteen years made me an emeritus member of the Jurisprudence and Laws Committee and twelve years was plenty long enough for anybody to serve as its Chairman so that someone else ought to have that fascinating opportunity, that I would plan to retire from that position.

He was very gracious in connection with that announcement, as I suppose most everybody would be, to let me step aside and let somebody else do that.

The past opportunities I have had to serve this Imperial Council have been very gratifying to me but, again, the past is but prologue. I am terribly excited about the future of Shriners Hospitals for Crippled Children, more excited than I can express to you and, therefore, I am more grateful than I can tell you for your having given me the opportunity to be a part of this future. Thank you.

However, let me continue by adding that I still have a responsibility as the Chairman of this Committee for another couple of days and I want to tell you that we are getting ready to move into an awful lot of legislation and reports and a lot of business and we are going to need your help to be able to get through it.

For example, the Jurisprudence and Laws Committee alone has, altogether, thirty-one reports to bring to you and there are other committees that have reports as well to make. Therefore, we are going to need your patience and your endurance and cooperation. Of course, I know we will have it but I just want to tell you about the task that we have before us.

This morning I talked to the Imperial Potentate about this and so I am not out of line. We are planning to go into the questions related to some of the items in the Call, particularly to the ones that relate to dispensations and charters. We are going into the applications for dispensations and charters and the Jurisdictional Lines Committee and the Dispensations and Charters Committee work on those two.

All of you who are sponsoring these items of legislation and these applications and members of those committees whom I have already talked to, please be ready so that we can move along and we do not lose time in asking somebody to come up here.

You cooperate with us and we will get through this long agenda and we still do it to your satisfaction. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I will now call on Ted Corsones for Jurisprudence and Laws.

NOBLE TED CORSONES: Imperial Sir, Imperial Sirs and Representatives, before I start my report Dr. Posey is going to be following me and so I would suggest he come up here, please.

Now, let us address ourselves to page 14 of the Call for the Annual Session, item 8. Let me take a moment to explain the procedure to you in relation to item 8.

Inasmuch as it really calls for two sub-items, if you will, being sub-items (e) and (f), I am going to give two reports, one on (e) and one on (f). Dr. Posey, from Dispensations and Charters, will give you a combined report on both of them and then the Imperial Potentate will call on the proponents of item 8 to move the adoption of the first portion thereof, this being subsection (e) and then, after action on that, to move on and have the same proponent move adoption of subsection (f).

With that explanation, let me proceed.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 329.3(e) of Article 29 of the By-Laws of the Iowa Corporation, so that it will read as follows:

"Section 329.3 Action by Imperial Council (e) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter. Notwithstanding the foregoing provisions of this subsection, if the application is refused despite recommendations by the Dispensations and Charters Committee and

the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of the Imperial Council."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted

NOBLE TED CORSONES: And now let me report on subsection (f) thereof, the same item.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 329.3 of Article 29 of the By-Laws of the Iowa Corporation by adding subsection (f), which would read as follows:

"Section 329.3 Action by Imperial Council (f) The applicants for a dispensation or charter may designate one of their number as their spokesman, and he shall have the privileges of the floor at the Imperial Council Session; but not the right to vote."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE TED CORSONES: Imperial Potentate, I now request that you call on Illustrious Sir R. A. Posey of the Dispensations and Charters Committee, for the presentation of the combined report in relation to both of these from that committee.

NOBLE R. A. POSEY: Imperial Sir, Imperial Sirs and Fellow Representatives, the report from your Dispensations and Charters Committee is in two parts and so I will give them in the same order that Illustrious Sir Ted Corsones did.

We will go first to item 8.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a proposal to amend Article 29 of the By-Laws of the Iowa Corporation. This is item number 8 on the Call for the Annual Session of 1981 and it appears on Page 14, thereof. It concerns itself with allowing an application for dispensation for a new Temple to be extended until the next annual session if it had received the recommendations of both the Jurisdictional Lines Committee and the Dispensations and Charters Committee. It also allows a spokesman for such a new Temple to speak on the floor even though he is not a Representative.

The Committee met with the proponent of this amendment, Kenneth E. Thomas, Potentate and Representative, and T. Bruce Ballinger, Chief Rabban and Representative of Bahia Temple. This amendment addresses itself to an unfortunate situation that occurred at the last Imperial Council Session when the Nobles of Melbourne,

Florida received the recommendations of both the Committees on Jurisdictional Lines and Dispensations and Charters to form a new Temple. There was no opposition to their request in either Committee. Then, on the floor, their application was defeated at the request of their "mother" Temple.

The "mother" Temple, which is Bahia Temple, now strongly and enthusiastically supports the application for a new Temple in Melbourne, Florida. The territory involved is Brevard County and this is within the exclusive jurisdiction of Bahia Temple.

In order to rectify this unfortunate situation, Bahia Temple has proposed this amendment and requests your support in its adoption.

Your Committee unanimously recommends the adoption of this amendment.

Respectfully submitted,

IMPERIAL POTENTATE H'DOUBLER: The Chair will now call upon Nobles Kenneth E. Thomas and T. Bruce Ballinger, to move adoption of item (e) to change the By-Laws.

NOBLE KENNETH THOMAS: Imperial Sir, I am Kenneth Thomas, Potentate of Bahia Temple and I would like to say that we of Bahia Temple, along with our Chief Rabban, Bruce Ballinger, extend to you an opportunity to adopt this article 8 in your Call this morning.

As was mentioned, we present this because of the circumstances that occurred last year when we opposed the creation of another Temple on the floor.

IMPERIAL POTENTATE H'DOUBLER: Just a moment. If you will first move adoption, then we can get it seconded and then have discussion.

NOBLE KENNETH E. THOMAS: Thank you, Imperial Sir.

I will move the adoption of this so that it may be placed before you.

IMPERIAL POTENTATE H'DOUBLER: Is there a second to the motion for adoption?

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: We now have a motion and a second for adoption and the matter is now open for discussion.

NOBLE KENNETH E. THOMAS: As a part of this discussion, let me say that we do approve and move this be adopted.

We solicit your support for the adoption of these proposed By-Laws and we do it because of the circumstances that did occur last year—because of the difficulties that came before us at the Imperial Session in 1980 and created opposition by our Illustrious Potentate, myself and Bruce Ballinger. However, this matter has now been taken care of and cleared up. Therefore, we are supporting this move so that the matter concerning Azan Temple can be brought before you at a later date.

Thank you very much, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: Is there further discussion?

... The question was severally called for...

IMPERIAL POTENTATE H'DOUBLER: I see nobody desiring to discuss the matter further and the question has been called for.

All in favor signify by saying aye; opposed nay. It is passed by the required two-thirds vote.

I will now ask either Noble Thomas or Noble Ballinger to move for the adoption of item (f) to change the By-Laws.

NOBLE T. BRUCE BALLINGER: I would so move, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: Do I hear a second?

...The motion was severally seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second, is there discussion?

...The question was called for...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for. All those in favor indicate by saying aye; those opposed, nay. This has likewise received the necessary two-thirds majority vote and so I declare that it has passed.

I will now recognize Illustrious Sir Roland St. John of the Dispensations and Charters Committee.

NOBLE ROLAND E. ST. JOHN: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in Brevard County, Florida requesting a dispensation for a new Temple to be located in Melbourne Florida and to be known as Azan Temple.

The petition was reported to your Committee by the Imperial Recorder as being in good order. Your Committee has examined the petition and has found that a sufficient number of qualified Nobles had signed the petition.

Your Committee further found that the material and information prepared and presented by the proponents was in proper order, well prepared and met all the provisions of the By-Laws of the Iowa Corporation.

The Committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the officers of Bahia Temple, which presently has jurisdiction in Brevard County. Such officers have extended to the petitioning Nobles assurances of good will and support if dispensation is granted.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your Committee met in executive session and unanimously approved and recommended the granting of the dispensation.

Your Committee then met in join session with the Committee on Jurisdictional Lines as required by Section 329.3 (b) of the By-Laws of the Iowa Corporation. The jurisdiction of the new Temple was determined on recommendation of these two Committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

Therefore, your Committee recommends that Azan Temple be granted dispensation and granted jurisdiction in the State of Florida as follows:

"Section 454.8 Azan Temple, U.D. Has exclusive jurisdiction over the County of Brevard."

Your Committee recommends the granting of the dispensation.

IMPERIAL POTENTATE H'DOUBLER: Is there discussion? All in favor of the motion to refer indicate by saying aye; opposed nay. The matter is referred.

I will now recognize Walter Jeffries of the Jurisprudence and Laws Committee, who has served this Committee for fifteen years with distinction.

NOBLE WALTER JEFFRIES: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to create a new Temple at Melbourne, Florida to be known as Azan Temple, U.D.

In conformity with the reports and recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, that dispensation be granted and that jurisdictional lines be modified, Section 454.1 of Article 54 of the By-Laws of the Iowa Corporation would be amended and a new Section 454.8 would be added thereto so that such sections would read as follows:

IMPERIAL POTENTATE H'DOUBLER: I will recognize our Parliamentarian, J. B. Hopkins, for an announcement.

NOBLE J. B. HOPKINS: Thank you, Imperial Sir.

Nobles, last year I had the opportunity to commence a rotating trophy. After careful thought, the first recipient, I felt, deserved it. He has carefully kept it all year. He has brought it back and I have studied throughout the year as to which of your distinguished members of the Imperial Council would receive this special rotating trophy for the coming year.

Now, Gene Bracewell won hands down.

In relation to that, I present this little poem:

"Gene, does public relations very well,
And with Kisselburgh's help does sell;
This we can all attest and tell,
Even if he and his personality does smell."
... Laughter and applause...

Therefore, Gene, will you please come up here and get your trophy. It has been carefully kept all year and we suggest you bring it back next year to present to next year's winner.

IMPERIAL SIR BRACEWELL: Thank you, J. B. I accept this on behalf of you and your other two friends. (Laughter)

IMPERIAL SIR KISSELBURGH: Imperial Sir, I protest this award. (Laughter)

IMPERIAL POTENTATE H'DOUBLER: Very good, and now I will recognize Roland St. John of the Dispensations and Charters Committee, with regard to the Sarasota matter.

NOBLE ROLAND ST. JOHN: To the Representatives of the Imperial Council:

Your Committee further found that the material and information prepared and presented by the proponents was in proper order, well prepared and met all the provisions of the By-Laws of the Iowa Corporation.

The Committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the officers of Egypt Temple, which presently has jurisdiction in such counties. Such officers have extended to the petitioning Nobles

assurances of good will and support if dispensation is granted, and an equitable manner of resolving the authority over existing Shrine Clubs in concurrent jurisdiction.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your Committee met in executive session and unanimously approved and recommended the granting of the dispensation.

Your Committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.3(b) of the By-Laws of the Iowa Corporation. The jurisdiction of the new Temple was determined on recommendation of these two Committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

NOBLE GRAVES H. TRUMBO: To the Representatives of the Imperial Council Session:

There has been referred to your Committee on Dispensations and Charters a proposal to amend Section 329.1 of the By-Laws of the Iowa Corporation. This is

item number 6 on the Call for the Annual Session of 1981 and it appears on page 13 thereof. It really concerns itself with the establishment of a Temple in a province of Canada which has no Temple what-soever.

The Committee met with the proponent of this amendment, P. L. "Len" Dixon, Potentate and Representative of Philae Temple. As a result of the meeting the Committee was convinced that the Province of Newfoundland needs a Shrine Temple and is entitled to have one located thereat. Philae Temple presently has exclusive jurisdiction in such province and it supports this request with utmost enthusiasm. This province has dedicated Masons and dedicated Shriners and it is ready for its own Temple. Because of its limited population, however, a change in our By-Laws is necessary to accomplish this salutary purpose.

NOBLE R. A. POSEY: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a proposal to amend Section 329.2 of the By-Laws of the Iowa Corporation by adding a new subsection thereto. This is item number 7 on the Call for the Annual Session of 1981 and it appears on page 14 thereof. It concerns itself with application for dispensation for new Temples which become void.

The Committee met with the proponent of the amendment, Frank A. Busse, Potentate and Representative of Islam Temple. The effect that this would have on all Shrine Temples, as well as Islam Temple, was discussed. As a result of this meeting, the proponent agreed to modify the proposal. The proposal, as redrafted, would read as follows:

"Section 329.2 Application, form and procedure.

(h) When an application for a dispensation becomes void, no further application may be issued until the expiration of one year thereafter. If a second or further application for a dispensation becomes void, no further application may be issued until the expiration of two years thereafter."

Therefore, as you can see by looking at item number 7 on the Call, this modifies the original proposal by reducing two years and four years to one year and two years.

Your Committee recommends the adoption of the proposal as modified.

Thank you, Frank, for your brilliant Report. (Laughter)

We will now move on to the Monroe application and I will again recognize Graves Trumbo from Dispensations and Charters.

NOBLE GRAVES TRUMBO: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in Ouachita Parish, Louisiana requesting a dispensation for a new Temple to be located in Monroe, Louisiana and to be known as Barak Temple.

The petition was reported to your Committee by the Imperial Recorder as being in good order. Your Committee has examined the petition and has found that a sufficient number of qualified Nobles had signed the petition.

Your Committee further found that the material and information prepared and presented by the proponents was in proper order, well prepared and met all the provisions of the By-Laws of the Iowa Corporation.

The Committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the officers of El Karubah Temple, which presently has jurisdiction in Caddo Parish. Such officers have extended to the petitioning Nobles assurances of good will and support if dispensation is granted, though they are in opposition thereto.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your Committee met in executive session and unanimously approved and recommended the granting of the dispensation.

Your Committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.3(b) of the By-Laws of the Iowa Corporation. The jurisdiction of the new Temple was determined on recommendation of these two Committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committee.

Therefore, your Committee recommends that Barak Temple be granted dispensation and granted jurisdiction in the State of Louisiana as follows:

"Section 463.4 Barak Temple, U.D.

Has:

- (a) Exclusive jurisdiction over the Parish of Ouachita.
- (b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction."

Your Committee recommended the granting of the dispensation.

Respectfully submitted,

NOBLE SMITH: Imperial Sir, I would move that the report be received and referred to the Committee on Jurisprudence and Laws for implementation.

... The motion was duly seconded, was voted upon and carried...

NOBLE EDWARD MAAG: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to create a new Temple at Monroe, Louisiana to be known as Barak Temple, U.D.

In conformity with the reports and recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, that dispensation be granted and that jurisdictional lines be modified, Article 63 of the By-Laws of the Iowa Corporation would be amended and a new Section 463.4 would be added thereto so that such sections would read as follows:

"ARTICLE 63
Temples in Louisiana

"Section 463.1 El Karubah Temple

Has:

(a) Exclusive jurisdiction over the parish of Caddo.

(b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

"Section 463.2 Jerusalem Temple

(a) Exclusive jurisdiction over the parish of Ouachita

(b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or By-Laws of the Iowa Corporation.

NOBLE MAAG: Imperial Sir, for the purpose of placing this before this assemblage for debate, I move for the acceptance of this report, the granting of the dispensation and adoption of the amendment.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second, is there any discussion?

... The question was called for...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for. All in favor signify by saying aye; opposed nay. It is carried by the necessary two-thirds majority.

NOBLE ROY DELANEY [Potentate El Karubah Temple]: Imperial Sir, when does El Karubah Temple get an opportunity to speak against this? I was at the microphone.

IMPERIAL POTENTATE H'DOUBLER: However, I did ask for discussion.

NOBLE DELANEY: However, I was standing at the microphone and it went by so fast we did not get an opportunity, Sir.

IMPERIAL POTENTATE H'DOUBLER: I will ask the Parliamentarian to rule on this.

NOBLE J. B. HOPKINS: You would, Illustrious Sir, be in order to make a motion to reconsider.

NOBLE DELANEY: I would so move, that we reconsider, Sir.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: It has been moved and seconded that we reconsider. All those in favor of reconsideration indicate by saying aye; opposed nay. We will reconsider.

NOBLE ROY DELANEY: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: I would like to have you know that this is the second time since 1973 that El Karubah Temple has been hit by a new Temple.

The only reason for this is because of loss of election for the position of Oriental Guide.

We had an individual from Monroe who started a campaign in September of 1979 for election in January of 1980. He ran against a man who had previously lost and ran the second year and he won the election.

To let you know we had a spirit of harmony, one of our Divan members took this man around to the Units, introduced him so that he would know where and when these people would meet and let them know who he was.

The action of securing the petition for dispensation was an independent action and was not entered into by the Club. I have a letter with me from the Club stating such.

In that letter there is a statement that Monroe was three years away from a Temple. It also stated that they had \$55,000 with which to operate the Temple and also, in relation to the information that you received in this (indicating) little yellow sheet, a statement was made in there to the effect that the building was completely paid for.

Well, my fellow Representatives, they still have bonds out. We know this because one of my own Divan members has a bond.

In relation to the Units, they have one of the greatest Units in El Karubah and that is the Camel Riders. They do a fantastic job. They have won a lot of trophies

but no other Unit from that area has paraded in a parade that I know of since I have been on the Divan.

We did not try to stop them in any way or hurt membership, which we could have done in 1980 and 1981. We could have kept them from having ceremonies but we did not.

In a spirit of cooperation in 1980, we cooperated in every way not to hinder their efforts.

On March 28th of this year, I let them have a ceremonial. We are interested in total membership and growth of the Shrine.

Representatives, we ask that you vote "no" on this proposed Temple for those reasons.

IMPERIAL POTENTATE H'DOUBLER: Thank you.

I will recognize the Potentate from Habibi Temple at the microphone back there.

Now, while he is coming to the microphone, let me further indicate to you that this morning, under item eight, we voted that one proponent of the proposed Temple who is not a representative would be allowed to speak in favor—if such a person were in the room.

With that, I will recognize the Potentate from Habibi Temple.

NOBLE LARRY W. STEPHENSON [Potentate, Habibi Temple]: Imperial Sirs and Fellow Representatives: You know, whenever you have a problem between two factions within a Temple, if you keep those two factions from getting together, you continuously fester a sore.

Now, this is really indicative of the move that Habibi made a short two years ago. We started with 1100 members and we now have just under 2,000.

However, any time you undergo something like this, you tend to split, you can expand.

Two of the three Temples in Louisiana are definitely for Barak Temple. I would appreciate your considering very carefully the effect on the membership by granting them this dispensation. Thank you so very much.

IMPERIAL POTENTATE H'DOUBLER: Now, is there any other opponent who wishes to speak?

NOBLE JOHN ATKINSON [El Karubah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: My name is John Atkinson and I am the Chief Rabban of El Karubah Temple.

El Karubah Temple is opposed to the granting of this dispensation because we do not believe it is in the best interests of the Shrine.

Now, in this brochure that this Club sent to all of the Representatives, they indicated to you that they are a strong Shrine Club, with strong leadership. I would like to take just a moment of your time to give you some facts.

In 1976, we scheduled two ceremonials for this Shrine Club. They were unable to get any candidates, had no ceremonial.

In 1977, two ceremonials were scheduled. They had two.

In 1978 they had one ceremonial in relation to which they obligated 380 Nobles.

In 1979, two ceremonials were scheduled and they had none.

Nobles, for that four-year period of time, that was 79 new Nobles or an average of 19 per year.

In 1980, they had a good year. They created 133 new Nobles.

In 1981 they created 53 and, therefore, Nobles, for this six-year period, that is 265 new Nobles or an average of 44 per year.

Even in their best year, in 1980, with 133 new Nobles, they showed a gain in membership of only 47.

They speak to you and indicate they have no representation with El Karubah, cannot get anyone elected.

Now, to my knowledge, there have only been two Nobles from this Shrine Club who ever ran for Oriental Guide and neither came back to run a second time.

They have always had representation on our Divan from the period 1970 to 1979. They have had, in some years, three men elected to our Executive Board.

We do not feel that it would be in the best interests of the Shrine to grant this dispensation at this time and I would ask each of you, if you were going to be a new Potentate of a small Temple such as this, as El Karubah is, how would you like to start off with a class of 1100 Nobles for your year?

I urge your support in voting "no" in relation to this dispensation.

IMPERIAL POTENTATE H'DOUBLER: Thank you.

Now, would a spokesman in favor approach the microphone and state your name?

NOBLE DONALD LOGAN. I want to speak in favor of the proposed Barak Temple.

We are in an area which is completely across the state from Shreveport, where El Karubah Temple is located. We are solid in our desire to have a Shrine Temple.

We do have tremendous potential and we have worked hard and we have done a lot, as is evidenced by the fact that in less than a year's time, we have brought all of our men and all of our Nobles together, completed our petition, did all of the work and met all of the requirements that we were supposed to meet and submitted them and are actively working to get a Temple in our area.

We have a partition in membership in that we have twenty percent of the Master Masons living in the State of Louisiana in our area. A lot of these are young men and it is well known that the Shrine needs new members and we are actively pursuing the fact of Shrine Masons and new members in our area.

We have a Scottish Rite Temple that was started some ten years ago. That Temple has grown now to 2,000 or a little more in membership.

We also have Commanderies that support us. We have the full support of all the Masonic bodies that are in our area.

Since we started working on our petition, we have been able, through our diligent efforts, to create or have El Karubah create and reinstate over 255 Shriners. We at one time reinstated 57 Shriners who had become suspended due to the fact that they just did not have the time to travel the distances required to participate.

Let me further say this, Imperial Sir, that we do not need more members in the Shrine who are going to get a card and then after three years become disenfranchised and, in turn, drop their dues payments and subsequently become suspended.

We are on the active move to gain members. Without a display of activity, without a new Temple, the Shrine cannot grow.

I am sure you will agree that if we are going to continue our wonderful work, especially in relation to what was indicated to us and what we approved yesterday, then I am fully convinced that new members and new Temples are necessary.

Also, please remember, when a Temple divides, we always have regrowth. The mother Temple usually outgrows the younger Temple but the regrowth is there and new members are acquired.

These are things we stand for and we are united and we are working hard and we do want to have a new Temple and I can assure you, if this application is approved, that we will become one of the great Temples in Louisiana, just like the other three Temples there at this time.

I would urge each and every one of you to give us your support, give us your vote. Don't hold us back. We have been stirred to activity and I think now is the time to let us proceed. Thank you, Imperial Sir. [Applause]

IMPERIAL POTENTATE H'DOUBLER: Now, is there somebody else to speak in opposition?

NOBLE JOHN MCCRAY [Junior Past Potentate, El Karubah Temple]; Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: Shreveport had the first Shriners Crippled Childrens Hospital in the world and is soon to have a new hospital.

El Karubah Temple is and always will be in favor of progress.

I have been involved in the Shrine Club some 130 miles from Shreveport, much moreso than our friend from Monroe, and so I am familiar with the Shrine Club and familiar with their problem.

I think what we are dealing with at this time is a shift of some 100 or 1,000 members from one area of the state to another area of the state.

I feel that we are dealing with the possible creation of a Temple in a limited population and, most important, I feel that we are in the process of possibly improving a potentially weak Temple and, in the process of doing this, likewise weakening a good strong, loyal Temple, one who has been in existence for many, many years; who has been a part of the cornerstone of Shrinedom; that has helped build what we have today.

Gentlemen, I realize that it is difficult for you to get emotionally involved with a membership when it does not directly affect you but let me tell you this, El Karubah is here today asking for your support. You may be here next year or in the future in the same position.

I would urge you to think very long and hard about granting a charter to a Temple who barely meets requirements and who has very limited potential growth.

I thank you very much.

IMPERIAL POTENTATE H'DOUBLER: Are there any other people who would like to speak in favor of the motion?

...The question on the motion was severally called for...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for.

By way of explanation, what you are voting on is the granting of a dispensation to adopt an amendment to allow the new Temple, Barak Temple, U.D. That was the motion that was brought up.

Now, if you vote "yes", in relation to this motion, then you will be creating a new Temple. If you vote "no", you are against the creation of this Temple.

All in favor indicate by saying aye; opposed nay. It is carried by the necessary two-thirds.

...Cheers and applause ensued...

NOBLE ROY DELANEY: Since it is your desire that we try to grow again, which we have done since 1973 and, as I stated before the Charters and Dispensations Committee, I also want to let you know that peace and harmony will prevail throughout the remainder of this year between my Temple and the proposed new Temple in Monroe, Louisiana, and I would further say that I wish them all the luck in the world and hope that what we have done here has not been wrong. We will be with them on the 23rd of this month, meeting with them in their building and we will support them as much as we possibly can.

Thank you, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: Well, how about that?

...Cheers and rising applause ensued...

IMPERIAL POTENTATE H'DOUBLER: You know, Nobles, this is the most exciting Imperial Session I have ever attended because I feel we are working so closely together as a team and working out our problems for the good of the Order and you are all to be commended.

Now, I know it is getting a little long. It is roughly twenty minutes before twelve o'clock. We do have some short items here. Therefore, why don't you just stand up for one or two minutes and then I am going to call on the Jurisprudence and Laws Committee for the presentation of item 1 in your Call which is on page 12.

NOBLE ROBERT MORRISON: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 205.2 of Article 5 of the By-Laws of the Iowa Corporation, so that it will read as follows:

"Section 205.2 Per Diem. Each Representative who attends a Session of The Imperial Council shall be paid per diem expenses at the rate of either (a) \$45 or (b) a sum equal to the room rate for double occupancy, including applicable taxes and charges, at the headquarters hotel, plus \$15, whichever is greater, for each day he attends the Session."

Your Committee conferred with the sponsor of this proposal and he agreed to the

deletion of the words "and charges," which were thought to be confusing, so that, as modified, the proposal will read as follows:

"Section 205.2 Per Diem. Each Representative who attends a Session of the Imperial Council shall be paid per diem expenses at the rate of either (a) \$45 or (b) a sum equal to the room rate for double occupancy, including applicable taxes, at the headquarters hotel, plus \$15, whichever is greater, for each day he attends the Session."

The Committee reports that the proposed amendment, as modified, is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE

NOBLE MORRISON: Imperial Sir, I would move for the acceptance of this report.

... The motion was seconded, voted upon and carried. . .

IMPERIAL POTENTATE H'DOUBLER: The Chair next recognizes Imperial Sir Edward McMullan, Chairman of the Committee on Mileage and Per Diem.

IMPERIAL SIR McMULLAN: To the Representatives of the Imperial Council:

There has been referred to your Committee on Mileage and Per Diem a proposal to amend Section 205.2 of the By-Laws of the Iowa Corporation. This is item number 1 on the Call for the Annual Session of 1981 and it appears on page 12 thereof. It concerns itself with the expenses to be paid a Representative who attends a Session of the Imperial Council.

The Committee met with the proponent of this amendment, Thomas F. Lucas, Past Potentate and Emeritus Representative of Al Chymia Temple. The financial burden to the Imperial Council was reviewed and the definition of the word "charges" was discussed.

As a result of this meeting, the proponent agreed to eliminate certain language from the proposal and to make the effective date of the amendment January 1, 1982. The proposal, as redrafted, would read as follows:

"ARTICLE 5 Mileage and Per Diem

"Section 205.2 Per Diem. Each Representative who attends a Session of the Imperial Council shall be paid per diem expenses at the rate of either (a) \$45 or (b) a sum equal to the room rate for double occupancy, including applicable taxes, at the headquarters hotel, plus \$15, whichever is greater, for each day he attends the Session.

This amendment is to take effect January 1, 1982."

Therefore, as you can see by looking at item number 1 on the Call, this modifies the original proposal by eliminating the words "and charges" and provides for an effective date of January 1, 1982. This will allow responsible financial budgeting for the amendment.

Your Committee recommends the adoption of the proposal as modified.

Respectfully submitted,

PER DIEM

IMPERIAL SIR McMULLAN: Imperial Sir, I would move for the receipt of this report and modification of the proposed amendment.

... The motion was duly seconded, was voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: We will now call on Bob Evans.

NOBLE ROBERT EVANS: Imperial Sir, Imperial Sirs and Representatives: The Finance and Accounts Committee has received the proposed amendment and we report that its adoption of this amendment would increase the 1982 budget of the Iowa Corporation by \$25,000.

I would move the receipt of this report.

... The motion was seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will now recognize the sponsor of item number 1, Tom Lucas.

NOBLE THOMAS LUCAS: Imperial Sir, Imperial Sirs and Representatives, I am Thomas E. Lucas, Past Potentate and Emeritus Representative of Al Chymia Temple.

I would like to move adoption of the amendment as it has been modified.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: The motion has been made and seconded to adopt the amendment as modified. Is there discussion?

I will recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I think there has been an agreement that that would include a provision that it would take effect as of January 1, 1982. That should be a part of the motion.

NOBLE THOMAS E. LUCAS: Then, Imperial Sir, I would move for the adoption of the amendment as presented by the Committee, with it to take effect on January 1, 1982.

I would move adoption of this amendment to be effective January 1, 1982.

... The motion was again seconded...

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion and the second, is there any discussion?

... The question was called for...

NOBLE THOMAS E. LUCAS: Imperial Sir, may I make one statement in reference to those charges?

In reference to those charges, I can say one thing about your Mileage and Per Diem Committee and also the Jurisprudence and Laws Committee, and that is they thought somebody might think their laundry and lunch might be chargeable and so I agreed to take that out.

IMPERIAL POTENTATE H'DOUBLER: The question has been called for.

All in favor of the amendment as presented, to take effect January 1, 1982, will please say aye; opposed nay. It is carried by the necessary two-thirds majority.

I will now call on Past Imperial Potentate George Klepper for the Emeriti Membership Report.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: Imperial Sir, Imperial Sirs, Distinguished Guests, Representatives and Nobles All: I would like to have the members of the Emeriti Committee to come up to my right so that they will be near the front.

We are now going to put nominations in for emeriti membership to this body.

For your general information, I thought you would be interested to know that this year we have 215 Representatives that are here for the first time.

I also thought you might like to know that with the addition of the Emeriti Members this year, there will be 100 Emeriti Members and they represent a knowledge

and experience of 2,428 years as Representatives during the period of time that they have been Representatives.

Our senior Representative is our old and dear friend, Henry Lembke, from Albuquerque, New Mexico. If he is in the audience at the present time, I would like to have him stand.

He has been a Representative for 53 years. (Applause)

At this time I would also like to indicate to you that one member of my committee, due to illness, was not able to be here and do his part as a member of this committee. However, we will take care of that situation.

I would first like to call on Sir Knight Wilbur Bell, who will make the first two nominations.

NOBLE WILBUR BELL: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Distinguished Guests, Fellow Representatives and Nobles All: It is a pleasure and an honor to present the name of Robert L. Bouschor, Illustrious Potentate of Ahmed Temple for Emeriti Representative.

Noble Bouschor began an active career in Masonry in 1957. He has served as Master of his Lodge, High Priest of his Chapter, Thrice Illustrious Master of his Council and Commander of his Commandery.

He is an active member of the Scottish Rite in the Valley of Marquette and directs the Fourth Degree. He is also a member of invitational groups and other Masonic affiliated bodies.

He began his career in Shrinedom by being a member of the Ahmed Temple band, where he served as Band Manager in 1962-1963. He was elected Recorder of Ahmed Temple and served that position from 1964 through 1972, when he was appointed a member of the Divan. Since that time, he has advanced and is now serving as the Illustrious Potentate.

He, his wife, Marilyn, and three daughters are members of St. Mark's Lutheran Church. He has also been active in civic activities for the benefit of humanity and his community. I recommend him for Emeriti Membership.

I also have one more nomination but I believe it would be useless for me to take any time whatsoever to try to inform you of his activities, for each of you have witnessed the wonderful Pageant of Randolph R. Thomas, our Imperial Potentate-Elect of Morocco Temple. I further nominate him for Emeriti Membership.

...Whereupon, at this point, Illustrious Sir, Robert L. Bouschor and Imperial Sir Randolph R. Thomas were presented with their Emeriti Certificates.... (Applause)

NOBLE ALLAN C. MALLQUIST [Tebala Temple]: Imperial Sir, Imperial Sirs and Representatives and Nobles: The Noble I am about to introduce hardly needs an introduction. He served as Imperial Potentate of the Shrine of North America in 1979 and 1980 and comes from Dayton, Ohio, where he served as Potentate of Antioch Temple in 1968.

Imperial Sir Chuck Claypool became a Master Mason in 1954. He was made a Thirty-Second Degree Scottish Rite Mason with the Valley of Dayton. He received the Super Excellent Master Degree from Reece Council No. 9 and the Orders of the Red Cross, Multan Temple from Reed Commandery No. 6, Knights Templar.

He is also a member of the Royal Order of Jesters and a member of the Cabiri.

Imperial Sir Chuck Claypool resides in Kittering, Ohio and is a member of the Dayton Chamber of Commerce. He is a prominent real estate owner, investor and contractor in Dayton.

During his term as Imperial Potentate, he served on several Imperial Committees and has served our Fraternity well.

May I introduce to you Past Imperial Sir, Charles Claypool. [Applause]

PAST IMPERIAL POTENTATE CLAYPOOL: Fellow Representatives, I did not choose to run anymore but I just want to thank you for giving me the opportunity to serve you as Imperial Potentate and, for the rest of my life, anytime I am called on, I will be happy to serve to the best of my ability. [Applause]

NOBLE ALLAN MALLQUIST: The next individual that I am about to introduce to you likewise needs no introduction. He is none other than our present Imperial

Potentate, Dr. F. T. "Hogan" H'Doubler. He is one gentleman that probably has had his name mentioned a hundred thousand times in the various house organs of the Shrine.

You all know what this excellent Noble has done. I do not think I need to stand here and take the time to recite to you his bibliography.

However, I take great pleasure in introducing him to you for presentation of his Emeriti Membership Certificate.

...Presentation of Emeriti Membership Certificates to Past Imperial Potentate Claypool and Imperial Potentate H'Doubler ensued...

IMPERIAL POTENTATE H'DOUBLER: You know, it hardly seems that I have been around for fifteen years and it is also quite amazing that this year, Chuck Claypool, Randy Thomas, Dick Olfene and myself on the Imperial Divan will be receiving our certificates at the same time. Thank you so very much.

NOBLE ALLAN MALLQUIST: At this time I would like to present to you Harvey Leggee.

NOBLE HARVEY LEGGEE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: You know, one of the fine points of being a member of this Emeritus Membership Committee is the opportunity to present distinguished Shriners to the Council.

We are honored today to present for membership in this distinguished group of Shriners another Noble who has honored Shrinedom in the past and will continue to do so as he approaches that top position of Imperial Potentate.

Imperial Sir Richard B. Olfene, Imperial Assistant Rabban, a Noble of Kora Temple, Lewiston, Maine, was born in that City on December 6, 1927. He was educated in the Auburn Public Schools and Bentley College of Boston.

He served in many civic and fraternal organizations in that area, including the Lewiston-Auburn Chambers of Commerce, Trustee of the Auburn Sewage District and an incorporator of the Central Maine Medical Center.

He is President of the Round House Motor Inn, a licensed real estate broker and President of the Beech Hill Estates.

Dick was a Maine State Senator in the 106th Maine Legislature and active in many Maine State political campaigns and governmental committees.

He has been an active Mason for thirty years, a member of both the York and Scottish Rite bodies, a member of the Red Cross of Constantine and served as Illustrious Potentate of Kora Temple in 1966.

He is a Past Director of the Royal Order of Jesters, Court No. 107, Past President of the Northeastern Shrine Association and an Honorary Legion of Honor of the Order of Demolay.

He is married to the lovely JoAn N. Park and they have two sons, Rick and Todd.

As an Imperial Representative from Kora Temple for the past fifteen years, we are happy to present for Emeritus Membership to the Imperial Council, Imperial Sir Richard Olfene of Kora Temple.

...Presentation of Emeriti Certificate to Imperial Sir Olfene ensued...[Applause]

IMPERIAL SIR OLFENE: Thank you, Fellow Representatives. It is a distinct pleasure to receive this award, particularly from my good friend, Harvey Leggee, who himself is serving this Session in his 44th year as a Representative. How is that? Thank you, Harvey. (Applause)

NOBLE HARVEY LEGGEE: Thank you for those kind words, Dick. However, I am just a young fellow trying to get along. (Laughter)

May I present at this time another member of the Committee, Noble J. Harry Leggett, Senior of Scimitar Temple.

NOBLE J. HARRY LEGGETT: It is my pleasure to present the name of James C. Hathaway, Past Potentate and Recorder of Mahi Temple, for Emeriti Membership.

Noble Hathaway was born in Birmingham, Alabama on August 28, 1911. He is presently a retired pharmacist.

He is a member of Biscayne Bay Lodge No. 124, F&AM of Miami, Florida; a mem-

ber of the Miami Scottish Rite bodies; a member of the York Rite bodies; a member of the Royal Order of Jesters, Court No. 8, holds an Honorary Legion of Honor from the DeMolay. He is also a Past President of the Shrine Recorders Association and an Emeritus Member of the Southeastern Shrine Association.

Now, Jim, it is my pleasure, since you have attended the required number of years, to present to you your Emeriti Certificate.

... Presentation of Emeriti Certificate and applause ensued...

NOBLE DEWEY E. S. KUHN: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Illustrious Sirs and Fellow Representatives: I am genuinely privileged for this opportunity and honor of placing in nomination for the treasured Emeriti Membership a fellow Mason and Shriner who, by his efforts and accomplishments, distinguished himself by dedicated contribution to government, a span of duty in the United States Navy in World War II and for unselfish service to his church, major involvement in civic affairs, including a hospital in his home community and, even more importantly, his masterful and diligent service to Masonry and the Shrine.

My nominee is sixty-one years young, married, the father of two sons (both dentists) and four grandchildren—one son to soon be initiated a Shriner.

He is a Kent State University holder of a liberal arts degree and was commissioned as Engineering Officer in 1943 at Columbia University United States Navy Midshipmen's School. He served as an Executive Officer in World War II in both the Atlantic and Pacific areas.

In 1947, he became associated with the Federal Bureau of Investigation as a special agent in Chicago, Illinois, Pittsburgh, Pennsylvania and finally, Erie, Pennsylvania. He was retired by governmental mandate after thirty-one years of meritorious service. He is justly proud of numerous personal letters of commendation from the then FBI Director, the inimitable J. Edgar Hoover.

As a Sunday School Superintendent and teacher, a church Elder, Deacon and Lay Teacher, he distinguished himself as a much sought after speaker at worship services, banquets and youth groups.

He is the present Treasurer, a member of the Executive Committee, the Budget and Finance Committee and the Medical Staff Joint Advisory Committee of the Mill Creek Community Hospital, where he has also been an active member of the Board of Trustees for fifteen years.

He began his Masonic journey in 1949 as a member of Leyden Lodge No. 993, AF&AM in Franklin Park, Illinois, where he still retains his membership. He is also an active member in the Scottish Rite at Erie, Pennsylvania, with major cast assignments in four degrees and a participant in the Scottish Rite choir.

As a Past Potentate and Life Member of Zem Zem Temple, he continues to be active in all phases of Shrine activities, including the Chanters.

He was elected a Representative to the Imperial Council for the first time in 1967 and reelected each and every year since. He is a member of the Cabiri and Court No. 58, Royal Order of Jesters. Recent well-deserved recognition came to him from the Grand Secretary of the International Supreme Council of the Order of DeMolay, advising him of his election to receive the Honorary Legion of Honor Degree.

It is with distinct pleasure that I now nominate for Emeriti Membership in the Imperial Council, this peerless and indefatigable worker in the vineyards of our Shrine and Masonry, Past Potentate, Illustrious Sir, Myron H. Treter of Zem Zem Temple, Erie, Pennsylvania.

... Cheers and applause...

It is my rare privilege to present to you now this beautiful, wonderful and well-deserved Certificate as an Emeriti Member.

... Whereupon, the Emeriti Member Certificate was presented to Illustrious Sir Myron H. Treter... (Applause)

PAST IMPERIAL POTENTATE KLEPPER: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: The first man I am going to present to you is Illustrious Sir William C. Vaughan of Kazim Temple.

Now, this man has such a long record of distinguished service that I will not present it all in detail but there is one thing I would like to say about him and that is that he has held all of the highest offices in the Methodist Church. Further, he is

a businessman, has two automobile agencies, four appliance stores in different cities of Virginia, has been involved in politics for a number of years and was, for six years, the mayor of Lynchburg. Also, Masonically, he is a fifty-year Mason, a Past Master of his Lodge. Further, he is a member of all of the Masonic bodies, a Past Potentate of Kazim Temple and is also a Past Grand Master of the State of Virginia.

Therefore, I present to you Illustrious Sir William C. Vaughan as an Emeritus Member of this body, he having been here as a Representative for the required fifteen years.

...Whereupon, presentation of Emeriti Certificate to Illustrious Sir Vaughan and applause ensued...

PAST IMPERIAL POTENTATE KLEPPER: And the last man that is to be presented to you at this time is also known to all of you—Brother Nelson Banks.

Brother Banks hails from New Bern, North Carolina and is not only a member of the Masonic and Shrine bodies, but is likewise the Director of the Rotary Club there. He is also a Director of the Building and Loan in New Bern and has held many civic offices in that city.

He has been the Recorder of Sudan Temple since 1961. He is Secretary-Treasurer of the Recorders Association of North America. He is also a Thirty-Third Degree Honorary of the Scottish Rite; a Commander of the State Knights Templar and is also, at this time, serving in the capacity of Most Worshipful Grand Master of the State of North Carolina.

I present, at this time, to Nelson B. Banks, his Emeriti Certificate.

...Presentation of Emeriti Certificate to Noble Nelson Banks and rising applause ensued...

PAST IMPERIAL POTENTATE KLEPPER: In closing, let me say to all of you that I appreciate your kind attention. I am sorry that this did drag out a little bit but I don't think there is any office that is more important to a Temple, other than perhaps having an individual as Potentate, than to have that individual as an Emeriti Member because he has represented that Temple for fifteen years, put in his time working in the Temple and retaining his connections with Masonry and the Shrine.

Thank you so much for your kind attention.

IMPERIAL POTENTATE H'DOUBLER: Thank you, George.

I understand that our parliamentarian wishes to raise a point of order. However, inasmuch as we barely have a quorum here, I wonder if he would rather wait and raise his point of order when we reconvene in approximately an hour and a-half. (Laughter)

It is now twelve fifteen p.m. and we will reconvene here again at one-forty-five p.m.

...The 107th Annual Session of the Imperial Council, A.A.O.N.M.S. recessed at twelve-fifteen o'clock p.m., to reconvene at one-forty-five o'clock p.m.

AFTERNOON SESSION THURSDAY JULY 16, 1981 ONE-FIFTY O'CLOCK P.M.

The 107th Annual Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at one-fifty o'clock p.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

IMPERIAL POTENTATE H'DOUBLER: Nobles, if you will take your seats, we would like to get our session under way. We still have quite a bit of business to transact and I would greatly appreciate your cooperation and patience as you have thus far given it to me.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: The Chair will now call Robert W. Morrison to present a report from the Jurisprudence and Laws Committee concerning the Iowa Corporation.

NOBLE ROBERT W. MORRISON: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws the Imperial Potentate's Report of his Rulings and Decisions issued and made during the recess of the Imperial Council, which Report is required to be presented by Section 206.5(a)(14). Respectfully submitted,

RULINGS AND DECISIONS (Series of 1980-1981)

KISMET TEMPLE
September 4, 1980

After the Temple budget is adopted pursuant to Section 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the Temple at a meeting thereof.

Trustees of a Temple, who are authorized by Temple By-Laws to invest certain of the Temple's funds and to maintain and manage the Temple property, do not have authority to transfer money back and forth from the operating account to the invested funds of the Temple; and they must procure authority to do so from the members of the Temple pursuant to Section 324.8.

CENTRAL STATES
SHRINE ASSOCIATION
October 29, 1980

Inasmuch as the provisions of "Shrine Protocol" do not fall within the definition of "Shrine Law" under Section 101.3(j), the failure to adhere to "Shrine Protocol" is not a violation of Shrine Law.

NILE TEMPLE
October 29, 1980

A Resolution calling for the establishment of a "Temple Building Committee," to which would be delegated powers already given to others by the Temple By-Laws, is patently inconsistent with the Temple By-Laws and cannot be properly adopted.

There is no office of "Recorder Emeritus" and the title creates no rights or privileges.

TEHRAN TEMPLE

are subject to the control of the Temple itself and cannot be designated for a special purpose by the Potentate of that or the succeeding year.

HASAN TEMPLE
February 3, 1980

A Resolution which would require the election of the appointive Divan was properly ruled out of order for inconsistency with Section 325.3.

JOPPA TEMPLE
April 21, 1981

Election of Imperial Representatives at a second meeting instead of at the annual meeting and without the notice of election required by Section 325.10(c), is improper; and a new election with proper notice is required.

ZUHRAH TEMPLE
June 3, 1981

The provisions of Section 336.2(c) do not apply to public appearances by units of a Temple in the jurisdiction which that Temple holds concurrently with one or more other Temples; and "public appearances by units," as referred to in Section 336.2(c), differ from "activities" referred to in Section 328.9.

NOBLE ROBERT MORRISON: Imperial Sir, I move the adoption of the report and the approval of your Rulings and Decisions.

... The motion was duly seconded.

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second, is there any discussion?

If not, all in favor of the motion indicate by saying aye; opposed nay. It is carried.

I will now recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I am pleased to report to you that I have some withdrawals and I will be pleased to take them one at a time because they require unanimous consent.

The first one is as follows:

"We, the undersigned Imperial Representatives of Philae Temple, Halifax, Nova Scotia officially request withdrawal of the Resolution found in the Imperial Council Call regarding the moving of the seat of Philae Temple from Halifax, Nova Scotia, to Dartmouth, Nova Scotia."

This is respectfully submitted and is signed by the Potentate and Chief Rabban and two other Imperial Representatives.

Imperial Sir, I ask unanimous consent that this be withdrawn and move that the Jurisprudence and Laws Committee be discharged from further report thereon.

IMPERIAL POTENTATE H'DOUBLER: What is your pleasure?

All in favor signify by saying aye; opposed nay. It is carried unanimously.

NOBLE TURLEY: Here is another one. "I, John G. Umbrite, Potentate and Representative of Al Azhar hereby request withdrawal of said motion from the Call."

That is signed by the Potentate of Al Azhar Temple.

Imperial Sir, I ask unanimous consent that this be withdrawn and I move you that the Jurisprudence and Laws Committee and other committees to which this has been assigned be discharged from further report.

... The motion was duly seconded.

IMPERIAL POTENTATE H'DOUBLER: It has been moved and seconded that this legislation be withdrawn. Again, it requires unanimous consent.

All in favor signify by saying aye; opposed nay. It is unanimously carried.

IMPERIAL SIR TURLEY: Imperial Sir, I also have a written request from Roy B. Delaney—

"I, Roy B. Delaney, the proposer of item 5 in the Call, do hereby wish to withdraw same."

I ask unanimous consent that proposal 5 be withdrawn and move that the Jurisprudence and Laws Committee and the other committees to which this has been referred be discharged from further report thereon.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second to withdraw further consideration of this legislation. Again, it requires a unanimous vote.

All in favor indicate by saying aye; opposed nay. The motion is unanimously carried.

IMPERIAL SIR TURLEY: Imperial Sir and Imperial Sirs, I also have this message: "Please withdraw item 12 as published in the Call."

That is signed Nelson B. Banks.

I ask unanimous consent, that item 12 in the Call be withdrawn and I move you, Imperial Sir, that the Jurisprudence and Laws Committee and other committees to which this was referred be discharged from further report thereon.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second, which is to withdraw further consideration of this item from the Call.

All in favor indicate by saying aye; opposed nay. It is unanimously carried.

IMPERIAL SIR TURLEY: Imperial Sir, the next item to be brought up before you is Item 11 in the Call and, for that, I will call on Walter Jeffries.

NOBLE WALTER JEFFRIES: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 478.2 and 478.3 of Article 78 of the By-Laws of the Iowa Corporation, so that they will read as follows:

...The motion was duly seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will next recognize Arthur Armitage.

NOBLE ARTHUR ARMITAGE: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal, shown as item No. 11 in the Call, by Hiram J. Casebolt, Potentate of Amran Temple, to amend Article 78 of the By-Laws to read as follows:

"ARTICLE 78
Temples in North Carolina

"Section 478.2 Sudan Temple

Your Committee met with the Representatives and other interested Nobles of Amran and Sudan Temples at which time a full and complete discussion was held dealing with all the ramifications of the proposal.

After careful consideration your Committee feels that the proposal is in the best interest of the Shrine and, therefore, recommends its adoption.

Respectfully submitted,
COMMITTEE ON JURISDICTIONAL
LINES

Voris King, Chairman
Arthur E. Armitage, Jr.

J. D. Hill
Dewey E. S. Kuhns
Howard E. Smith

NOBLE ARTHUR ARMITAGE: Imperial Sir, I move this report be accepted.

... The motion was duly seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will now call upon Potentate Hiram J. Casebolt to move adoption of this legislation.

NOBLE HIRAM J. CASEBOLT: [Amran Temple] Imperial Sir, Imperial Sirs and Fellow Representatives All: I would move for the adoption of the report of the Jurisdictional Lines Committee—of the amendment.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second to adopt the amendment as presented. Is there any discussion?

... The question was called for...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for. All in favor signify by saying aye; opposed nay. It is carried unanimously.

... Cry of "Imperial Sir, you did not recognize Nelson Banks."...

NOBLE NELSON BANKS: Imperial Sir, do I have an opportunity to make a comment on the proposition that has just been presented?

IMPERIAL POTENTATE H'DOUBLER: Indeed you do.

NOBLE NELSON BANKS: Can I get my notes, please?

IMPERIAL POTENTATE H'DOUBLER: Yes.

Nobles, I thought we gave ample time for discussion but Nelson Banks would like to make a motion.

NOBLE NELSON BANKS: I would like to make a motion for reconsideration. I did not quite understand the fast movement of the entire situation. Therefore, I do ask for reconsideration.

There are some very pertinent matters relating to this subject which I think this

Imperial Council needs to hear because not only does it affect Sudan Temple, it affects every Shrine Temple in North America.

I would like to therefore make a motion for reconsideration of this matter.

IMPERIAL POTENTATE H'DOUBLER: You have before you a motion that we reconsider the issue. Is there a second?

...The motion was duly seconded...

NOBLE H. J. CASEBOLT [Amran Temple]: Imperial Sir, inasmuch as Nelson Banks was sitting over here, was trying to get the floor and you did not acknowledge him, let us just go ahead and open this up and hear what he has to say.

IMPERIAL POTENTATE H'DOUBLER: Wait just a moment, we have the motion for reconsideration on the floor. It has been seconded. We cannot have any discussion.

NOBLE CASEBOLT: However, Imperial Sir, we had a situation like this here not too far back which involved exactly the same type of thing.

Now, with regard to this matter of reconsideration, perhaps you should call on our Parliamentarian for a ruling on this before we proceed from this point.

NOBLE NELSON BANKS: Imperial Sir, I only make mention of the fact we did not have an opportunity to discuss it and I say that the facts in relation to this matter are of utmost importance to the Shrine of North America and that it will, in turn, affect the Potentate in every Shrine Temple.

IMPERIAL POTENTATE H'DOUBLER: Just a moment, Nobles. I do not want to interrupt here but we have had a medical problem in the back of the room and so we will just recess temporarily here while I and Dr. Bowers investigate what is actually wrong.

...A brief recess ensued as Imperial Sir H'Doubler and Dr. Bowers investigated a medical accident in the rear of the meeting room...

IMPERIAL POTENTATE H'DOUBLER: Nobles, I would like to call our meeting back into session.

The medical problem we had in the rear of the room is under control and if you will all be seated, we will get back to business.

I will now call on our Parliamentarian, J. B. Hopkins.

NOBLE J. B. HOPKINS: Imperial Sir, Imperial Sirs and Representatives, there seems to be some question as to whether or not the motion before us is legally in order. Well, legally and properly, Nobles, this motion is not in order. However, the Imperial Potentate can rule it out of order and that would be absolutely legal and proper and then, if you are so inclined, there can be a motion made to appeal his ruling and a majority, if you agreed, can then open the issue back up again. That is the only legal way to do it. Therefore, I will ask the Imperial Potentate to make his ruling on this issue at that time.

IMPERIAL POTENTATE H'DOUBLER: What our Parliamentarian has said will be my ruling in this case.

NOBLE J. B. HOPKINS: And now, if somebody so desires, they can make a motion to appeal the ruling of the Chair.

NOBLE NELSON BANKS: In all earnestness, I ask that we have an appeal from the ruling of the Imperial Potentate.

I base this on the issue that the motion was acted upon very quickly and some of those sitting over here did not completely understand it and, again as I said previously, with regard to this issue, there are matters that need to be brought to your attention. Therefore, I would ask for your consideration and that you vote to appeal the decision of our Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: This needs a second.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: All in favor please say aye; opposed nay. The body has overruled the ruling by the Chair and, therefore, Nelson, you now have the floor.

Before we proceed, however, I believe you will have to make a motion to reconsider.

NOBLE NELSON BANKS: I now make a motion, Imperial Sir, that we reconsider.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: All in favor signify by saying aye; opposed no. Let us have a showing of hands. All in favor please raise your hands; down hands; those opposed. It carries.

Now, fellows, we are going to be on TV and so let's start smiling. (Laughter)

I will now again recognize you, Nelson.

NOBLE NELSON BANKS: Imperial Sir, Imperial Sirs and Representatives one and all: I apologize for the overlooking on my part but I do think there are matters that need to be presented to you regarding this issue for your consideration.

First of all, I want to say that the information that was passed out by the members of Amran Temple—I have a copy and you have a copy—and the territory requested by Amran Temple is now concurrent jurisdiction.

We of Sudan Temple ask for one thing and that is that it remain in the concurrent status as it presently is.

We want to take nothing from them but, by the same token, we want nothing taken from us. We only ask that our territory remain concurrent.

I ask that because of this reason—our members in the counties represented for exclusive jurisdiction have worked their hearts out—they have worked hard to develop this area in relation to new members and to raise funds for our Shrine Hospital Program. We, along with them, wonder why, after working so hard for the membership, working so hard for the hospital program and for the goodwill of the Shrine of North Carolina, we do these things if, after we develop an area, it can be taken away and given to someone who has not contributed the amount of effort that we feel that we have.

Their effort has not been as great. We have four Shrine Clubs in the four counties in question, including one Legion of Honor Unit.

One Club has recently purchased property to construct a building thereon.

There are Shrine Clubs building in two of the other counties, one of which is quite involved in this particular legislation.

Both of the Shrine Clubs are very valuable and one of the Clubs is valued at \$350,000 to \$400,000.

In addition to that, on the 14th day of November of this year, Sudan Temple has scheduled and arranged what we call a Shrine Day at Duke University in Durham, North Carolina, at which time Duke University will be playing their annual football game and the Shrine Units will be on parade during halftime and then we have before the game activities, at which we also anticipate we will be raising some additional \$30,000 to help our cause.

This is the first such game and we have the assurance of the Athletic Director that we can continue this in the days and years to come, which will put us in line for getting more funds for our hospitals.

Now, the map that you have before you shows a tremendously large area for Sudan Temple. I submit to you that the area is large but, on the other hand, very sparsely populated and heavily Black.

The counties requested for exclusive jurisdiction are heavily populated counties and are the fastest growing counties in the state.

I say to you we have three and one-half times the members that Amran Temple has. Why take away from Sudan an area and give it to another Temple who does not have that many members.

Further, I say to you that our members care not about the difference involved. They love Sudan and want to stay there.

Also, in relation to the information given to you, I would like to correct the record in this respect.

I have reference to item 2, where the comment has been made that plans are being considered to start a new Shrine Temple in Winston Salem and the Greensboro High Point area, which is complete news to us, and was only learned about upon our arrival here. I also say it is complete news to the Representatives and Officers of Oasis Temple where, one of them lives in the Winston Salem area.

Another thing that I would say is that in relation to the Blue Lodge Masons in the territory involved, that with the membership of Amran at 2,194, they have three times more Masons to work for in relation to their membership than we do, even though we show a growth of Master Masons in our area. However, in relation to their membership, as I say, they still have three times as many to work on and so why do they not go ahead and work on that?

Now, let me also tell you this, and I say this in all sincerity—that there are 784 members in Sudan Temple involved in the four counties that are being requested for exclusive jurisdiction. Of that number, 86 percent of them or some 617 have signed a request to this Imperial Council which I will, as Recorder of the Temple, say is certified as being true.

Of the authentic members residing in the area in relation to which the petition is designated, 86 percent have requested this association to please leave the jurisdiction concurrent and if a change is made, we prefer to be exclusive—we do not want it exclusive—we want it concurrent.

We say—let the men have the opportunity of joining the Temple of their choice and not to be forced into any Temple which they may not want to go into.

Now, also, if you want to take out the heart and soul of the Shrine Clubs in that area, if they should lose this territory, we are going to, for example, have a dead club at Durham and a dead club in Greenville County which, in turn, will affect the money raised for our hospital programs.

Also, I want to say this because I know that it is pertinent to the matter that is presently being studied—namely, that we have a problem with a holding corporation in relation to the Durham Shrine Club—which is known as the Red Fez Holding Corporation. This problem has existed for a number of years.

This holding corporation was illegally formed and it is still illegally formed and this is not my saying so but this is the ruling of the Imperial Council Jurisprudence and Laws Committee and also General Legal Counsel. They both say that it is illegally formed.

They tell me and they tell you that it is a Shrine Club Holding Corporation.

Now, we have had that problem for a number of years. Two Imperial Potentates have visited North Carolina trying to resolve this problem. The Chairman of the Jurisprudence and Laws Committee, Imperial Sir Turley, has made two trips; Imperial Legal Counsel, Noble Ed Maag, has made three trips. Each time they were promised by the Director of this Corporation that the matter would be resolved only when they got on the airplane to return to their respective homes. It was not done—they completely forgot about it.

Further, at the meeting of the Jurisdictional Lines Committee, it was brought out that the Corporation had no By-Laws. The Potentate of Sudan Temple requested their holding corporation to form By-Laws. They refused and said they would not do it. The Potentate of Sudan Temple then directed that the By-Laws be formed. They submitted a set of By-Laws which were not in keeping with Shrine law and they were not approved by our Potentate.

Our Potentate then, by certified mail, sent a set of By-Laws and asked and directed that they adopt them at a certain given time. This they refused to do. For the refusal of his order, he then sent by certified mail, in keeping with Shrine law, Article 337.6, subsection 2, a letter directing that they be removed from office so that he could have the opportunity of appointing new officers. This they likewise refused to do.

There is still the problem and matter of litigation to be handled upon our return to North Carolina if this jurisdiction remains concurrent.

Now, they have less than twenty directors in this holding corporation and these officers, one of them—one of these directors was in the Jurisdictional Lines Committee meeting on Monday with four others and one of these was standing out there today presenting this material to you.

They have defied the Imperial Potentate, the Imperial Council and the Imperial Jurisprudence and Laws Committee and the Potentate of Sudan Temple.

Now, the point I would like to make to you is that in connection with a meeting before the Jurisdictional Lines Committee this past Monday, the Potentate of Amran

Temple stated to them, which the record will verify, "if you give us this territory exclusive, the problem will be resolved in thirty days."

I say to you, Nobles, this is the case of the tail wagging the dog. It is a case of blackmail because if this is allowed then I also say, in turn, any Shrine Club throughout North America can tell a Potentate where to go and when to go there and do as they so please. However, that is not right because Shrine Clubs, as we all know, are under the jurisdiction of the Temple Potentate and these clubs, in turn, are also under our jurisdiction.

If this goes through, we will have wounds that will not be healed for many years to come. Further, we will destroy three active clubs and give them the kiss of death because they have a closed corporation and, further, they told us at a meeting with them, that it will remain closed until such time as they themselves want to add new directors.

I asked the question—"what happens when all of the present directors pass away?" They said "when we get down to six, seven or eight, we will find a way to appoint them. We are not going to be called a Shrine Club Holding Corporation."

However, I say it is a Shrine Club Holding Corporation and they say it is not. Again, we are going to completely straighten it out upon our return to North Carolina and I respectfully ask you, for the good of the Shrine, for the good of our State of North Carolina, that we leave the jurisdiction concurrent—give the man the opportunity to appear and go wherever he so elects. Let him have the choice and not make it a forced issue with him.

Imperial Sir, I earnestly and sincerely solicit the support that that jurisdiction remain concurrent and will again tell you that we are not attempting to take anything away from anybody; we are asking you to leave them where they are and let the applicant for the Shrine have a choice of the Temple he wants to petition. Again, as I said before, these boys have worked hard and they have also raised, to date, more than \$246,000 for our hospitals.

They are all greatly concerned and so I earnestly and sincerely beg and ask your consideration in leaving the jurisdiction concurrent and we will resolve the problems on the Red Fez Corporation upon our return and not have a few individuals telling the Imperial Council and the Potentate of the controlling temple and what they cannot do and what they will do.

Again, Imperial Sir, I ask that the jurisdiction remain concurrent as it presently is.

Nobles, I thank you, each and all of you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Nelson.

Now, before we go on, let me tell you that our brother who had the medical problem in the back of the room is in satisfactory condition. (Applause)

Now, going back to the motion, is there further discussion?

Do you understand the motion before you, which is whether or not to approve the adoption of item 11 before you?

NOBLE NELSON BANKS: Imperial Sir, may I make one additional comment and this has nothing to do with the debate, for or against.

However, realizing the large number of people we have in the audience, realizing the position it can sometimes put the Chairman in relation to making a ruling; realizing the seriousness of the problem and the complex problem that exists in Durham and in the Durham Red Fez Corporation, with regard to all of these reasons, I would move we have a written ballot.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: Let me say to you, Nelson, we are not yet ready for that and will be ready for it at such time as we get to voting on the issue before us.

Again, I will recognize, at this time, the Potentate of Amran Temple.

NOBLE CASEBOLT [Potentate, Amran Temple]: Imperial Potentate, Imperial Divan and Illustrious Nobles All: I am Hiram Casebolt of Amran Temple.

When this Imperial Council issued a charter to Amran Temple some five years ago, they told us to go home and do a job and in the five years that we have been in

operation, we started out with a little over 1,000 members and, during that time, we have now more than doubled our membership.

We have, in those five years and with the limited territory available to us with which to work, contributed over \$285,000 to the Crippled and Burned Childrens Hospitals and, at the same time, we have accumulated something over \$304,000 in capital assets and a Building Fund to help towards the construction of a new Mosque.

Also, we finished a Shrine Ceremonial not long ago, in which, in relation to our limited territory, we had some 62 candidates which, based upon the percentage of population of our members, of those that go out and get the candidates—based on percentage, we had actually a larger class than did either of our sister Temples, Sudan and Oasis. Sudan Temple, as you know, has a little over 11,000 members and Oasis, on their side, has approximately 13,000 members.

In those years we have become mature, we have established the kind of organization and, certainly, in this particular county, we know more about the local problems than anyone else and, on the basis of our growth thus far, we believe we are in a position to assume a greater share of the responsibilities of running the business of Shrinedom in the State of North Carolina.

Now, Noble Nelson Banks has commented to you about some of the things that they are doing in Durham County and this is all very true. However, I want to emphasize the fact to you, Illustrious Nobles and Representatives, that Sudan Temple is not doing a single thing in any of these four counties that Amran Temple cannot do and do more effectively and more efficiently because of our proximity to these counties.

These are our neighbors. These are eight and ten miles away and so we know these are our friends and we get along with them famously and, therefore, we also, on that basis, know that we can solve any problems that may arise there.

Now, many of the things that Sudan Temple is doing there now, that they want to do, such as a football game, we would be perfectly happy to have them continue to do that and we really can help.

There really is no need for concurrent jurisdiction in the State of North Carolina, where we have 100 counties. Sudan has some 46 of these counties in which to work and Amran Temple has, in effect, ten—six exclusive and four with which we are working concurrently.

If this is approved, and I hope you will give us this territory, these four additional counties, Sudan Temple will still have 42 counties in the State of North Carolina, which is almost all of Eastern North Carolina, and Amran Temple still will only have ten counties in which to work.

Now, so that, as we say, we are in a position to work more effectively for Shrinedom, we are now ready to move forward and, therefore, we require this territory. Further, we need some breathing room.

In relation to some of these counties which we have on a concurrent basis, for example, we wanted to set up a Shrine Club in Butler, in one of these counties, where 23 of our own members wanted to be involved into it, there, we, of course being in concurrent jurisdiction, had to request that Temple's permission to do this and Sudan refused us permission to set up a Shrine Club in that county because they thought it would conflict or compete with one already set up in there.

Therefore, we were not given an opportunity to do the things we should do or could do if we were free to do so.

Now, insofar as all of this other material that Nelson told you about, this information about the Durham County Shrine Club, the situation with the Corporation, their Past Potentate told all of us in the Committee, the meeting of the Jurisdictional Lines Committee on Monday when Noble Ed Maag, our General Legal Counsel, said he had been working with that problem for about four years, one of our Past Potentates said, "I know this has existed since 1966 because that is the year I was Potentate and I began working with it."

Well, all I can say to you, Nobles, is that if Sudan Temple has been working with it since 1966, well, that is a time period of fifteen years, and if they have not resolved that problem in fifteen years, when, as a matter of fact, it has

gotten worse instead of better and, as a matter of fact, almost gotten to the point of where it is in court—well, if they have not been able to resolve that problem in fifteen years, how is Nelson going to go back home and resolve it in a few days after he gets back home? (Applause)

I say to you, Illustrious Sirs, it is time to let somebody there who knows how to solve that problem do it.

When I made that problem known to the Jurisdictional Lines Committee, I was sincere about it and I am sincere and honest in saying to you, and I know this for a fact, that if you will give us those four counties as our exclusive jurisdictional territories, I will go back and I will guarantee you that within thirty days we will have that problem resolved to the complete satisfaction of the Imperial Council.

I know how to do it and know these friends of ours, these neighbors of ours and we can get it done because, I might add, I have spent my entire life in working with problems. I have been working with all sorts of these kinds of problems and as a management consultant, I have, as a matter of fact, spent my life solving problems and I know how to do it and I can assure you that if you give us that territory we will solve that problem within thirty days and come back to you next year and say it has been solved.

Further, if I cannot do it, I will be willing to give it all back to them.

We would appreciate this opportunity and would ask that you support us in our request.

Thank you very much.

... Cheers and applause ensued. . .

IMPERIAL POTENTATE H'DOUBLER: I will next recognize Dr. Smith from the Dispensations and Charters Committee.

NOBLE SMITH: Imperial Sir, we of the Dispensations and Charters Committee have heard all of the testimony and discussion you people have heard here today and in spite of all of this testimony, we felt that there are two different issues involved here.

We felt that one of them, for example, was the issue of jurisdictional lines and so we ruled on that and this was our unanimous recommendation, that which you have heard from the Chairman of the Committee—that this be approved. I would like to point that out to you Representatives.

NOBLE NELSON BANKS: Imperial Sir, may I speak again?

IMPERIAL POTENTATE H'DOUBLER: Just a moment, Nelson, you have already spoken on the issue once. I will have to recognize somebody, at this point, who has not spoken to the issue.

Is there anybody who has not spoken to the issue who desires to speak at this time?

... The question was severally called for. . .

IMPERIAL POTENTATE H'DOUBLER: Just a moment. Let me first say to you, even though the question has been called, Nelson, you do have a further opportunity to speak if you care to exercise it.

NOBLE NELSON BANKS: With regard to the existing problem, in my remarks I did not say, for instance, that Nelson was going to straighten out the problem—I said that we would straighten out the problem and, further, I also said that the Imperial Council has been involved with this problem before Imperial Sir Fred Morrison came to the Carolinas to try to help us get it resolved.

It is something which one man cannot straighten out. As a matter of fact, I submit to you it is even, in fact, a little larger than the Imperial Council and the reason he can make that statement is that he is a director of their Temple. As a matter of fact, these directors belong to Amran.

Again, we only ask that the jurisdiction remain concurrent save the two active Shrine Clubs and that is all we request and if it comes to a vote, I don't want to put any burden on any Representative—I would still like to have a written ballot.

IMPERIAL POTENTATE H'DOUBLER: And would you make that into the form of a motion?

NOBLE NELSON BANKS: Yes, I would make that in the form of a motion, that there be a written ballot on this issue.

IMPERIAL POTENTATE H'DOUBLER: Do I hear a second? I did hear a second.

We will take a vote on whether or not this issue should involve a written ballot. Again, this only requires a simple majority.

All those in favor of having a written ballot please say aye; opposed nay. It is defeated. I think I got your message loud and clear. (Laughter)

Now, Representatives, the motion before you is whether or not to adopt item 11 on the Call. This takes a two-thirds vote.

I will put the question on the issue.

All in favor indicate by saying aye; opposed nay. Well, let us have a showing of hands. All in favor raise your hands; opposed by like sign. It carries by the necessary two-thirds majority. (Applause)

Now, Nobles, let us move on to our next item. Walter Pettit of Jurisprudence and Laws will present the next item for consideration.

NOBLE WALTER PETTIT: This is item 13 in your Call.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Article 13 of the By-Laws of the Iowa Corporation by adding Section 213.5, which will read as follows:

Section 213.5 25-Year Members' Jewel. Any Noble who has been a member of the Order for 25 years or more may wear the Jewel of the Order superimposed over the numerals 25."

Also referred to your Committee was the report of the Regalia and Emblems Committee and its recommendation that the proposal be redrafted to read as follows:

"Section 213.5 25-Year Members' Pin. Any Noble who has been a member of the Order for 25 years or more may wear the Jewel of the Order as a lapel pin, combined with the numerals 25, in a design approved by the Board of Directors."

The Committee reports that the proposed amendment as redrafted is in proper and legal form and will not conflict with any provision of the Articles of incorporation or By-Laws.

Respectfully Submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Robert E. Cooper
Theodore Corsones
Walter S. Jeffries
Edward G. Maag
Robert W. Morrison
Walter S. Pettit, Jr.

NOBLE PETTIT: Imperial Sir, I would move for the acceptance of this report.

... The motion was duly seconded, was voted upon and was carried. ...

IMPERIAL POTENTATE H'DOUBLER: I will next recognize Imperial Sir Voris King. Kingfish, front and center please.

IMPERIAL SIR VORIS KING: Imperial Sir, Imperial Sirs, this is the report of the Regalia and Emblems Committee of the Iowa Corporation. This is found on page 12, item 2 in the Call.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Regalia and Emblems a proposal to amend Article 13 of the By-Laws of the Iowa Corporation by adding Section 213.5 which will read as follows:

"Section 213.5 25-Year Members' Jewel. Any Noble who has been a member of the Order for 25 years or more may wear the Jewel of the Order as a lapel pin, over the numerals 25."

The proponent has agreed to reword the amendment as follows:

"Section 213.5. 25 Year Members' Pin. Any Noble who has been a member of the Order for 25 years or more may wear the Jewel of the Order as a lapel pin, combined with the numerals 25, in a design approved by the Board of Directors."

Your Committee feels that the proposed amendment as redrafted would be in the best interest of Shrinedom and therefore recommends its approval.

Respectfully Submitted,
COMMITTEE ON REGALIA AND
EMBLEMS

Voris King, Chairman
Edward G. McMullan
Joseph P. Padgett

IMPERIAL POTENTATE H'DOUBLER: I will next recognize Noble Gerald Calderone, the Potentate and Representative of Irem Temple to move for the approval of the proposed amendment.

NOBLE GERALD CALDERONE [Potentate, Irem Temple]: Imperial Sir, I wholeheartedly agree with the new wording that modifies my amendment in the interest of clarity and move that the amendment be revised as reported by the appropriate committee, thank you.

IMPERIAL POTENTATE H'DOUBLER: Would you be so kind as to move modification of the proposal as stated in the report?

NOBLE CALDERONE: I will so move.

IMPERIAL POTENTATE H'DOUBLER: Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: Is there discussion of this motion?

If not, all in favor indicate by saying aye; opposed nay. It is carried.

Now would you move for adoption?

NOBLE CALDERONE: It is also my feeling, Imperial Sir, that this will further instill in our Nobles who are qualified to wear it a sense of pride and so that all would in fact see that we do have a sense of pride. I would so move.

IMPERIAL POTENTATE H'DOUBLER: What he said is "I move for the adoption of the modified amendment." (Laughter)

Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: All in favor indicate by saying aye; opposed nay. It is carried by the necessary two-thirds majority.

Also, Nobles, let me just take a little breather here long enough for me to remind you that each of you received a copy of the "Parade To Glory", which is the labor of love of one of our distinguished Past Imperial Potentates, Orville Rush, who cleaned it up, modified it and updated it and so I now ask that you recognize Orville with a standing ovation for the great job he did.

...Rising applause to Past Imperial Potentate Rush ensued...

PAST IMPERIAL POTENTATE RUSH: Thank you Nobles, for the wonderful warmth of your reception and thank you, Imperial Sir, for your thoughtful, generous, gracious remarks. It was my pleasure.

IMPERIAL POTENTATE H'DOUBLER: Thank you.

Let me say that we are again deeply indebted to Orville because nobody else could have done this job—nobody would take the time or have the talent or expertise necessary to put this all together. We will be forever indebted to him as a fraternity.

Now, let us move on to item 4 and, for this, I will recognize Robert W. Morrison.

NOBLE ROBERT W. MORRISON: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 325.4 of Article 25 of the By-Laws of the Iowa Corporation, so that it will read as follows:

"Section 325.4 When Elected. Each Temple must elect its Officers and Repre-

sentatives at its November meeting preceding the annual meeting with the installation to be held at its annual meeting in January."

The Committee reports that the proposed amendment would conflict with Section 324.1(b) of the By-Laws.

Respectfully Submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Robert E. Cooper
Theodore Corsones
Walter S. Jeffries
Edward G. Maag
Robert W. Morrison
Walter S. Pettit, Jr.

NOBLE MORRISON: Imperial Sir, I move the acceptance of this report.

... The motion was seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: We will now proceed and I will recognize Walter Pettit of Jurisprudence and Laws for the presentation of the next report. This is in relation to item 9.

Well, just a moment. There seems to be some question about item 4 being acted upon the way it was.

I am informed, for example, that it was illegal. As a matter of fact, we were told item 4 was illegal and so I do not think we need any more action. However, I will ask our Parliamentarian about that.

NOBLE J. B. HOPKINS: With regard to item 4, since Jurisprudence and Laws has found it in conflict with existing law, it is therefore illegal and no motion is necessary. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Now, Nobles, are you not amazed as to how profound I am? (Laughter)

Now, again, we go to item 9 and for that I will recognize Walter Pettit of the Jurisprudence and Laws Committee.

NOBLE WALTER PETTIT: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 332.2 of the By-Laws of the Iowa Corporation, so that it will read as follows:

"Section 332.2 Dues

(a) The annual dues in every Temple shall be not less than \$20 paid in advance before January 1st by all members.

(1) Candidates initiated during the year are included.

(2) Life members are exempt."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Robert E. Cooper
Theodore Corsones
Walter S. Jeffries
Edward G. Maag
Robert W. Morrison
Walter S. Pettit, Jr.

NOBLE WALTER PETTIT: Imperial Sir, I would move for the acceptance of this report.

... The motion was duly seconded, was voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will now call upon the Potentate of Jerusalem Temple who is the sponsor.

NOBLE A. J. MURA [Potentate Jerusalem Temple]: Imperial Sir, I would move that the amendment be adopted and the reason I am asking for adoption is that Jerusalem Temple's dues is the lowest of the 181 Temples and we deem it a necessity, due to lack of cooperation of the Nobility. (Laughter) As a matter of fact, it involves simple arithmetic. We have to have more money. It is like inflation or anything else.

We have, I might say, been through this with our Nobility. Now, we have a dues of \$16 per year and I do not think there is any Temple in the whole of Shrine-dom that has such a low dues figure for their annual dues.

Now, with that, I will not bore you with anything else. All I can again say is that we feel that this is a necessity. We ask your cooperation in voting for the amendment.

IMPERIAL POTENTATE H'DOUBLER: Thank you very much. Is there further discussion?

NOBLE ROBERT BOUSCHOR [Potentate, Ahmed Temple]: I have to speak in opposition to this.

IMPERIAL POTENTATE H'DOUBLER: Just a moment, I don't think I received a second to that.

... The motion was severally seconded...

IMPERIAL POTENTATE H'DOUBLER: The matter is now open for discussion.

NOBLE ROBERT BOUSCHOR: Again, I say I speak in opposition to this.

Our dues, at the current time, are \$17 per year. We just raised them a few years ago from \$12.

Also, we are a small Temple, 1300 members, and we work like the devil to raise money. We do not feel that we have to live off of our dues.

Now this motion, insofar as I am concerned, is superfluous.

If Jerusalem Temple cannot raise their dues locally without the cooperation of their own membership, then why throw it upon the Imperial Council to raise their dues for them? (Laughter)

You know, the way the By-Laws are presently written, any Temple, upon the vote of the Temple membership, can raise their dues to whatever they like.

Now, for example, if this is passed, we will have to immediately raise our dues \$3 per year.

I just received a list the other day of our members who were two years in arrears and this is the first time, and I have followed this up previously, that our list has doubled, because we do have a lot of old members.

Also, in our jurisdiction, we have between a 33 and 34 percent unemployment rate. The fellows in that area, if this has to be done, are going to say "this is the straw that breaks the camel's back." We will lose them from the Shrine and we will lose them all the way down the line.

We have a large jurisdiction, one in which it is hard to get to Temple functions. These are more or less dues carrying members in our outlying areas.

I feel that we have a very unique situation in that as a Temple, for our size, we are well off financially. We do not feel that we need to raise our dues any more.

Again, I think this is superfluous and I would suggest it be left as it is.

IMPERIAL POTENTATE H'DOUBLER: Is there any further discussion?

NOBLE MURA: Let me add that we are likewise losing membership due to age and everything else. I think we lost almost 70 this year.

Fellows, we have put this proposition before the membership now for some four straight years and we have been turned down each time. We just cannot exist working along without the help of that extra money. I don't know of any other way to do it.

IMPERIAL POTENTATE H'DOUBLER: Is there further discussion?

... The question was severally called for...

IMPERIAL POTENTATE H'DOUBLER: Well, let us be sure.

All right now, I will put the question. Again, this takes a two-thirds majority.

All in favor of the proposal indicate by saying aye; opposed no. I heard you—it was defeated.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I will, for the next item, recognize Ted Corsones of the Jurisprudence and Laws Committee.

NOBLE TED CORSONES: Representatives, please do not go looking through your book, (Laughter) because it will not be in there.

Last year in Cleveland, as you may remember, it was voted to change the By-Laws so that the annual per capita would go from \$1.20 to \$1.85.

Now, there is another provision in the By-Laws which addresses the same area and where it says "to arrange to remit to the Imperial Treasurer the annual per capita". Well, we forgot to change that portion of it and so that presently is a loose hanging item.

Now, when we make a mistake we, of course, like to face it and correct it and so that is what we are doing here in connection with this next item which I am now going to present.

This is addressed to the Representatives of the Imperial Council:

Your Committee on Jurisprudence and Laws, by virtue of the authority under Section 101.5 of the By-Laws of the Iowa Corporation, proposes an amendment to Section 327.3(a)(10) so that it will read as follows:

"Section 327.3(a)(10)

To arrange to remit to the Imperial Treasurer the annual per capita tax as follows:

- (i) Before March 31st, 50%
- (ii) Before June 1st, 35%
- (iii) Before October 1st, the remaining 15%."

This will bring Section 327.3(a)(10) in conformity with Section 211.4(a).

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws of the Iowa Corporation.

NOBLE CORSONES: Imperial Potentate, I move the acceptance of this report and the adoption of the amendment.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion for the acceptance of the report and adoption of the amendment. It has been seconded. Is there any discussion?

All in favor indicate by saying aye; opposed nay. It is carried by the necessary two-thirds majority.

I will next recognize Tom Melham, our Imperial Treasurer, for his report.

PAST IMPERIAL POTENTATE TOM MELHAM: Imperial Sir, Imperial Sirs and Fellow Representatives: Let me say that I just received this.

However, I am delivering this report with mixed emotions. As you know, this will be my final report to you as Imperial Treasurer and that saddens me. However, I

am extremely happy with the selection of Webb Harrington as my successor for I sincerely believe that he will perform outstandingly in the Office of Imperial Treasurer.

I would like to remind you that my detailed report can be reviewed in the Book of Reports, therefore I will not bother you by reading figures which are so large that one can hardly comprehend them.

Now, we all know that the Colorado Corporation is in a healthy financial condition. I have witnessed in my fifteen years as Treasurer an unbelievable growth in the Corporation. I have seen the expenses go from a five million dollar figure annually to this year's approved budget of approximately \$69 million. Fortunately, during the same period of time, our Endowment Fund growth has kept pace with our increasing expenditures.

I feel very good at this moment as far as the hospitals are concerned. However, I would caution you that now is not the time to become complacent. All economic forecasts will be with us for some years in the future. We must continue to work hard in building the Endowment Fund to ensure our ability to continue this great work we are rightfully so proud of.

Now, I wish that I could go out of office with a glowing report on the Iowa Corporation. Unfortunately I cannot. We have a problem; our sources of income are not keeping pace with inflation. I do not have an answer for the financial problems at this moment but I do encourage the Board of Directors to find a solution as soon as possible.

Before I close, I find it necessary to acknowledge several men who have greatly assisted during my fifteen years as Imperial Treasurer.

Bill Blick, whose Insurance Company Committee Report you heard on Wednesday, has been a tremendous help to me and I take some pride in the fact that I was the one responsible for getting this fine Noble to contribute his talents and bringing his expertise into the Imperial Council and without, I might say, any cost.

To Bob Vetter, our dedicated Chairman of the Finance and Accounts Committee, who has helped me, over the years, keep track of the budgets.

To Jim Hendrix, our Imperial Auditor, I could never adequately express my appreciation for the accounting knowledge this man brings to the Shrine.

And, finally, to Lew Molnar, our Executive Vice-President. He has responded so well to the exposure of our headquarters operation during this period of growth.

I was given, some years back, power to go ahead and employ someone that we would need in the position he now fills. I gave him the one instruction—"think it over, talk to your wife and if you are convinced and agree to additional compensation coming along year after year, this could be and would be your life's work."

Up to now this has been working and I am sure you all know of the benefits that Lew has given us. He has attended every one of our committee meetings and I am so proud of him.

I am also so proud of Bill Blick and his work on the Insurance Committee.

Imperial Sir and Representatives, I want to thank you for allowing me this honor of serving you and others before you these last fifteen years.

With that, Imperial Sir, I would move for the acceptance of my final report.

... Rising applause ensued. . .

IMPERIAL POTENTATE H'DOUBLER: Unfortunately, Tom's motion dies for lack of a second. (Laughter)

All in favor indicate by saying aye; opposed nay. Unanimously carried.

Gosh, Tom, I just ram-rodged everything through. That was certainly a great report and thank you very much.

I will now recognize Past Imperial Potentate George Klepper, who has something very pleasing to report.

PAST IMPERIAL POTENTATE KLEPPER: Imperial Sir, Imperial Sirs, Honored Guests and Representatives: At this time I want to make a motion that Imperial Sir Tom Melham be made Trustee Emeritus and Treasurer Emeritus with rights and privileges.

He has served this organization and been a part of the official family for some

thirty-five years and, as you have just heard, for some fifteen years as our Imperial Treasurer.

Therefore, I will move you, Imperial Sir, that he be made a Trustee Emeritus and Treasurer Emeritus, with rights and privileges.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: Just a moment, Webb Harrington has asked for the microphone.

NOBLE WEBB HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives, I did ask for the privilege of the microphone for the purpose of seconding this motion.

I would like to pay tribute to the great Treasurer that we have had for the last fifteen years. I am honored that he felt that he wanted me to succeed him but that was up to you Representatives.

However, I want to tell you how impressed I am with the integrity, fiscal responsibility and sense of duty of Tom Melham. Anything that I might try to do in that Office from a professional standpoint could never improve upon Tom's qualities, which I have just mentioned to you, because these are like the Rock of Gibraltar when it comes to financial and fiscal responsibility.

He has earned our admiration, our respect and our love. He will always be, to me, Imperial Treasurer.

I second the motion. (Applause)

IMPERIAL POTENTATE H'DOUBLER: I would next recognize Floyd Meyer, Potentate of Tripoli Temple.

NOBLE FLOYD MEYER [Potentate, Tripoli Temple]: If I am out of order, I am sorry, Imperial Potentate, but I do not have to tell you that we of Tripoli Temple are very proud of our Tom Melham and if another second is in order, I would like to do that at this time.

IMPERIAL POTENTATE H'DOUBLER: Well, we already have a second but if you want to make it a third, I will accept it. (Laughter)

Now, all in favor of the motion indicate by saying aye; opposed nay. It is unanimous.

And now, Tom, would you come up here?

I would like to read this to the Representatives:

"WHEREAS, Thomas W. Melham, in his capacity as Imperial Treasurer of Shriners Hospitals For Crippled Children, A.A.O.N.M.S., has donated fifteen years of dedicated service; and

"WHEREAS, said Noble Melham served as Imperial Potentate in the year 1957-1958; now be it therefore

"RESOLVED, that we officially and in this manner express our appreciation to Thomas W. Melham, who has so generously contributed of his time and efforts to the advancement and support of the charitable purposes of the Shrine of North America."

This is submitted by myself and Vic Thornton and, fortunately, this just says "July, 1981", it did not have a date or month on it.

Tom, congratulations to you.

... Presentation of above read resolution To Imperial Sir Melham and applause ensued...

PAST IMPERIAL POTENTATE MELHAM: Well, Nobles and Representatives, you know it is a good thing I had a couple of drinks during the noon hour or I would not be able to take this.

However, this is something I did not expect and to you folks and to the Representatives who preceded me down through those fifteen years, my everlasting thanks. Now, this recognition here and your reception previously really put the frosting on the cake. God bless everyone of you and I hope that as the years go by, I can still come around. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: We are going to keep Tom around as long as we possibly can, rest assured of that.

We will now have the Orak Resolution to Dispensations and Charters and I will recognize Roland St. John.

NOBLE ROLAND ST. JOHN: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters the resolution of Orak Temple to change its location from Hammond, Indiana to Michigan City. This appears on page 18 of the Call for the Annual Session. Normally, there is no difficulty with such a request.

However, in this case, the request involves a move from a county over which Orak Temple has exclusive jurisdiction into a county over which Orak Temple has concurrent jurisdiction. Such a move requires among other considerations, a change in the By-Laws. No request for a change in the By-Laws was sent to the Imperial Recorder for publication with the notice of this Session. This was obviously an oversight on the part of the Nobles of Orak Temple.

Your Committee met with the fine Nobles of Orak Temple and your Committee was convinced that Michigan City was nearer to the center of Shrine life for Orak Temple; that a new building was under contract in Michigan City; that Orak Temple had the money to pay for such building; the shift in population in this area had generally followed a trend toward Michigan City; and that it was closer to the Valley of Scottish Rite.

Orak Temple, realizing its dilemma, obtained a written agreement from all the Temples in Indiana approving their move to Michigan City and presented it to your Committee. The contents of such written agreement were verified.

It further appeared that Orak Temple has complied with Section 322.5 of the Imperial By-Laws and that the change in location would be in the best interests of the Order.

Therefore, in order to prevent an unnecessary hardship and financial burden on well intentioned Nobles from Orak Temple, the Committee hereby recommends that the Jurisprudence and Laws Committee invoke their authority under Section 101.5 and submit a proposed amendment to accomplish the intent of Orak Temple which meets the approval of every affected Temple.

Respectfully Submitted,

NOBLE ROLAND ST. JOHN: Imperial Sir, I would move for the receipt of this report.

... The motion was duly seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will now recognize Dr. Smith from the Committee on Jurisdictional Lines.

NOBLE HOWARD SMITH: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines the resolution on page 18 of your Call requesting a change of location of Orak Temple from Hammond, Indiana to Michigan City, Indiana.

If this Imperial Council permits the change, this Committee recommends the following change in Article 59 of the By-Laws to read as follows:

"ARTICLE 59
Temples in Indiana

Section 459.4 Orak Temple

Has:

(a) Exclusive jurisdiction over the County of La Porte

(b) Concurrent jurisdiction in the remaining counties of the State of Indiana except for those counties over which another Temple has been granted exclusive jurisdiction."

Attached to this report is an agreement of approval of this request signed by all Potentates of the Temples in Indiana dated July 13, 1981.

Respectfully Submitted,
COMMITTEE ON JURISDICTIONAL
LINES

Voris King, Chairman
Arthur Armitage, Jr.
Everett Evans
J. D. Hill
Dewey E. S. Kuhns
Howard E. Smith
Cecil B. Walrath

NOBLE HOWARD SMITH: Imperial Sir, I would move for the receipt of this report.

... The motion was duly seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will now call on Ted Corsones.

NOBLE TED CORSONES: Representatives, if you will bear with me for just a moment, these By-Law amendments do not appear in the Call.

The only thing in the Call, on page 18, was the resolution to move the location of the Temple so, as a consequence of this oversight, the Jurisprudence and Laws Committee was requested to invoke its authority given to it by you under the By-Laws to amend the By-Laws and so bear with me.

First of all, let me tell you what the agreement is so that you understand what is involved.

The agreement is as follows:

AGREEMENT

The undersigned Temples, being all of the Temples in Indiana, hereby agree that:

1. Orak Temple may move the location of its Temple to Michigan City, La Porte County, Indiana, from Hammond, Lake County, Indiana.

2. Orak Temple shall have exclusive jurisdiction over La Porte County.

3. All Temples in Indiana shall have concurrent jurisdiction over Lake County, Indiana.

4. The Imperial Potentate or Committee on Jurisprudence and Laws may propose amendments to the By-Laws of the Imperial Council so that the foregoing may be accomplished at the present Imperial Council Session being held at New Orleans, Louisiana.

Dated this 13 day of July, 1981.

That agreement was signed by the Potentates of Hadi Temple, Mizpah Temple, Murat Temple, Orak Temple and Zorah Temple.

Now, that is what they want us to do.

Therefore, your Committee on Jurisprudence and Laws submits the following report.

To the Representatives of the Imperial Council:

Your Committee on Jurisprudence and Laws, at the request of your Committee on Dispensations and Charters, and by virtue of its authority under Section 101.5 of the By-Laws of the Iowa Corporation, proposes an amendment to Article 59 thereof so that it will read as follows:

"ARTICLE 59
Temples in Indiana

Section 459.1 Hadi Temple

Has:

- (a) Exclusive jurisdiction over the County of Vanderburgh
- (b) Concurrent jurisdiction in the remaining counties of the State of Indiana except for those counties over which another Temple has been granted exclusive jurisdiction.

Section 459.2 Mizpah Temple

Has:

- (a) Exclusive jurisdiction over the County of Allen.
- (b) Concurrent jurisdiction in the remaining counties of the State of Indiana except for those counties over which another Temple has been granted exclusive jurisdiction.

Section 459.3 Murat Temple

Has:

- (a) Exclusive jurisdiction over the County of Marion.
- (b) Concurrent jurisdiction in the remaining counties of the State of Indiana except for those counties over which another Temple has been granted exclusive jurisdiction.

Section 459.4 Orak Temple

Has:

- (a) Exclusive jurisdiction over the County of La Porte.
- (b) Concurrent jurisdiction in the remaining counties of the State of Indiana except for those counties over which another Temple has been granted exclusive jurisdiction.

Section 459.5 Zorah Temple

Has:

- (a) Exclusive jurisdiction over the County of Vigo.
- (b) Concurrent jurisdiction in the remaining counties of the State of Indiana except for those counties over which another Temple has been granted exclusive jurisdiction."

Your Committee reports that the resolution to change the location of Orak Temple is in proper and legal form and that upon the adoption of the foregoing amendment, it will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully Submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Robert E. Cooper
Theodore Corsones
Walter S. Jeffries
Edward G. Maag
Robert W. Morrison
Walter S. Pettit, Jr.

NOBLE COOPER: I would move for the receipt of this report, that the foregoing amendment of Article 59 be adopted; that the Imperial Council find in favor of changing the location of Orak Temple from Hammond, Indiana to Michigan City, Indiana; that the move is in the best interest of the Order; that the resolution be adopted and that it order an amendment to the charter changing the location of Orak Temple. I would so move.

IMPERIAL POTENTATE H'DOUBLER: You have before you the motion and the second, is there any discussion?

If not, those in favor indicate by saying aye; opposed nay. The motion is carried by the necessary two-thirds majority.

IMPERIAL POTENTATE H'DOUBLER: Now I am going to call on Walker Kisselburgh. (Cheers and applause)

NOBLE KISSELBURGH: Thank you, Imperial Sir.

In his infinite wisdom, Gene Bracewell, Imperial Sir Gene Bracewell gave me the solution to cure the fruit fly problem in California. He said, "simply use a fruit fly swatter and just go like this." (Laughter)

Now, fellow Representatives, I have a delightful experience to undertake in your behalf.

Earlier you heard that the Chairman of the Jurisprudence and Laws Committee; Robert J. Turley, is stepping down as Chairman of the Jurisprudence and Laws Committee and just yesterday you elected him as a member of the Board of Trustees of the Colorado Corporation which we are all very delighted for but "Bobby Joe" as he is very lovingly called is going to receive his just desserts for what he has been doing to us here for twelve years as Chairman of the Jurisprudence and Laws Committee. (Laughter)

I have been assigned this responsibility by our Imperial Potentate, Hogan H'Doubler, and I would like to get on with it.

May I call for "Bobby Joe." Will you come up here please and stand before your peers and receive your just due.

...Imperial Sir Turley approached the podium...

NOBLE KISSELBURGH: May I have the first package, please.

Now, "Bobby Joe", you have been standing up here in regalia that would shake even the gays in San Francisco. (Laughter) I am not too sure the fruit fly did not come out of Kentucky. (Laughter)

However, "Bobby Joe", in keeping with your color-blind attitude you have used over the many years (laughter) this very expensive tuxedo shirt is presented to you with love and admiration.

...Whereupon, Noble Turley, in opening the package removed from therein a multi-colored tuxedo shirt... (Laughter)

NOBLE KISSELBURGH: And now, Bobby Joe, may I ask you to remove your coat, please.

...Whereupon, Noble Turley was likewise presented with a multi-colored blazer... (Cheers and applause)

NOBLE KISSELBURGH: Let me say to you, "Bobby Joe", the first time you wear these two items of clothing together, they are certainly going to clash but, of course, that is the way your clothes have been ever since I have seen you. (Laughter)

May I have the other gifts please.

Now, my fellow Nobles, you must realize that "Bobby Joe" has been, over the years, what we call a "half-assed" golfer. He is not going to get any better and any money he may further invest in his game of golf is going to be wasted.

Somebody once told him—"Why don't you quit the game of golf for a couple of weeks and then give it up entirely." (Laughter)

Therefore, in keeping with the general game of golf that he plays, we went, "Bobby Joe", at great expense, to get you this golf bag and the clubs therein.

...Whereupon, at this point Imperial Sir Turley was presented with an old early century golf bag containing two irons and two woods... (Laughter)

NOBLE KISSELBURGH: Let me say to you that these are very valuable clubs. They are wooden shaft clubs, which goes along with your game. I think you are going to enjoy those very much. (Laughter and applause)

And now "Bobby Joe", just to show you that our heart is in the right place, and we do appreciate your years of devoted service, may I now have the next gift, please and at this time, I likewise present it to you.

...Imperial Sir Turley, upon opening this package found enclosed therein a glass-enclosed perpetual motion clock... (Applause)

NOBLE KISSELBURGH: Let me say, Bob, this is to keep up with your perpetual mouth. (Laughter) Also, this is a very expensive clock, a whole lot better than you deserve, I want to tell you that. (Laughter)

Let me read to you the inscription, fellows. "Presented to Robert J. Turley, Chairman Jurisprudence and Laws Committee, with deep appreciation and respect for his countless years of devoted service and dedication to the Shrine and its philanthropy—July 13-16, 1981—Imperial Council, A.A.O.N.M.S."

We give that to you with our love and affection, Bob.

... Rising applause ensued...

IMPERIAL POTENTATE H'DOUBLER: Before I ask Bob to comment, I would like to have Ted Corsones please come up here.

NOBLE CORSONES: You know, I am not going to try to follow that act and so I am going to be merely the "straight man."

You know, it is a little difficult how to determine to address Bob. Do we address him as "Imperial Sir"; do we say "Trustee Elect" or "Mr. Chairman", as we have for the past fifteen years, those of us who have been on the Committee that long.

This is a fellow that—well, let me tell you how we feel about him on the Jurisprudence and Laws Committee.

While sitting there, as you are, as Representatives, before we were asked to serve on this Standing Committee, we would look up here in absolute awe. As a matter of fact, the knowledge that Bob has of Shrine Law and procedures boggles the imagination of any of us. And then, as we had the opportunity to serve with him on this committee, that awe on our part really does not diminish but becomes respect because when you serve with this man, he is as kind and as considerate and as thoughtful and as human a being as there ever can be. (Laughter) Let me say that is said very sincerely.

And when Bob, as he will be doing during the next day or so, leaves the Chairmanship of this committee, he leaves us with a legacy of the warmest friendship and, obviously, a well-organized committee so that we may continue to serve you, the Imperial Council.

Now, in recognition of Bob's fifteen years of service, all the past members as well as the present members of the Jurisprudence and Laws Committee, deemed it appropriate that they present him with a lasting tribute that he can take home of our high esteem of him.

Let me, because I won't take but a second, read the names of some of the people who have been on this committee who are participating. We have Kenneth Briggs, John Cochran, Robert E. Cooper, myself, Mahlon W. Hessey, Walter S. Jeffries, Jr., the Honorable Warren L. Jones, who is with me here on the stage, William Knowlton, the Honorable Sewell Lamdin, Edward G. Maag, Robert W. Morrison, Walter S. Pettit, James T. Singley, Edwin K. Steers, Jack Streight—and I think that is the list that we have, with the exception, of course, of the Honorable Robert J. Turley.

Now, we cannot make him a Kentucky Colonel, because I am sure he is already that and so, with your kind permission, let me suggest to you before I present him with his gift from this committee, that you allow me to designate him as Chairman Emeritus of the Jurisprudence and Laws Committee and that you approve this by acclamation. (Applause)

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion. I need a second.

... The motion was severally seconded...

IMPERIAL POTENTATE H'DOUBLER: All in favor indicate by saying aye; opposed no. It is unanimously carried.

NOBLE CORSONES: And now, Warren, if you will come forward, I am going to read the inscription and have Judge Jones present the gift to Bob.

"Presented to Robert J. Turley, Chairman, Jurisprudence and Laws Committee, A.A.O.N.M.S., for his distinguished service 1967-1981. Presented by those committee members privileged to have served with him, July 13, 1981, New Orleans, Louisiana."

And now, Judge Jones, will you be kind enough to make the presentation in behalf of all of the past and present members of the committee.

...At this point, Imperial Sir Turley was presented with a large silver bowl...

NOBLE WARREN JONES: Mr. Chairman, Robert, I go back a long way on the Jurisprudence and Laws Committee.

You know, Bob Turley came on the committee and he found it as it was then. He has, for many years, served as Chairman of the committee and, as Chairman, he has made it what it is today.

That, fellow Nobles, I think is a profound observation and is worthy of your serious contemplation.

I have the honor and privilege, Bob Turley, of presenting to you, on behalf of your associates, this inscribed bowl which, as a Kentuckian, I know that you will fill it with that which it should be filled with and I know you will not dilute it and I know that you will be tender with that which you will put into it and I also know that you will invite your friends and guests to partake with you sparingly. (Laughter)

It is with the affection of all of those of us who have had the proud privilege of serving with you that we are honored to make this presentation to you. God bless you.

...Rising applause ensued...

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs, Judge Jones, Members of the Committee and Representatives: Usually when I come up here, I think I know what I want to say.

If it were the jacket, I could say that only Walker Kisselburgh could find the place to get a jacket that looked like this. (Laughter)

If it were the golf clubs, I could tell you the truth of the matter really is that he gets the lower score but I always take away the money. (Laughter)

However, these other things leave me without an adequate way to express the appreciation I feel for what you have done and for what these great judges and lawyers have done over the years and in sharing the burdens of this committee, I can tell you the affection that I have for them and each of them and how much this really means to me.

Those Imperial Potentates whom I have served and those members of the Board of Trustees and Board of Directors of the charitable and fraternal corporations with whom I have worked over the years, they have been magnificent. I tell you that every one of them has at heart as his purpose service to this Fraternity and its Hospitals.

While sometimes there is disagreement about methods, there is no disagreement about goals. You should be proud of them and all of them.

I have grown to love them and I have loved serving you and this Imperial Council and the Hospitals.

The only thing that I can say that is in my heart, that is greater than the depth of appreciation I have for these kind things that have been said and for these permanent remembrances of this occasion, is the opportunity you gave me yesterday to share with you the bright future of Shriners Hospitals, and I thank you.

...Rising applause ensued...

IMPERIAL POTENTATE H'DOUBLER: Thank you, Bob, and we all second the fact that you will be sharing in the bright future of Shrinedom for many years to come.

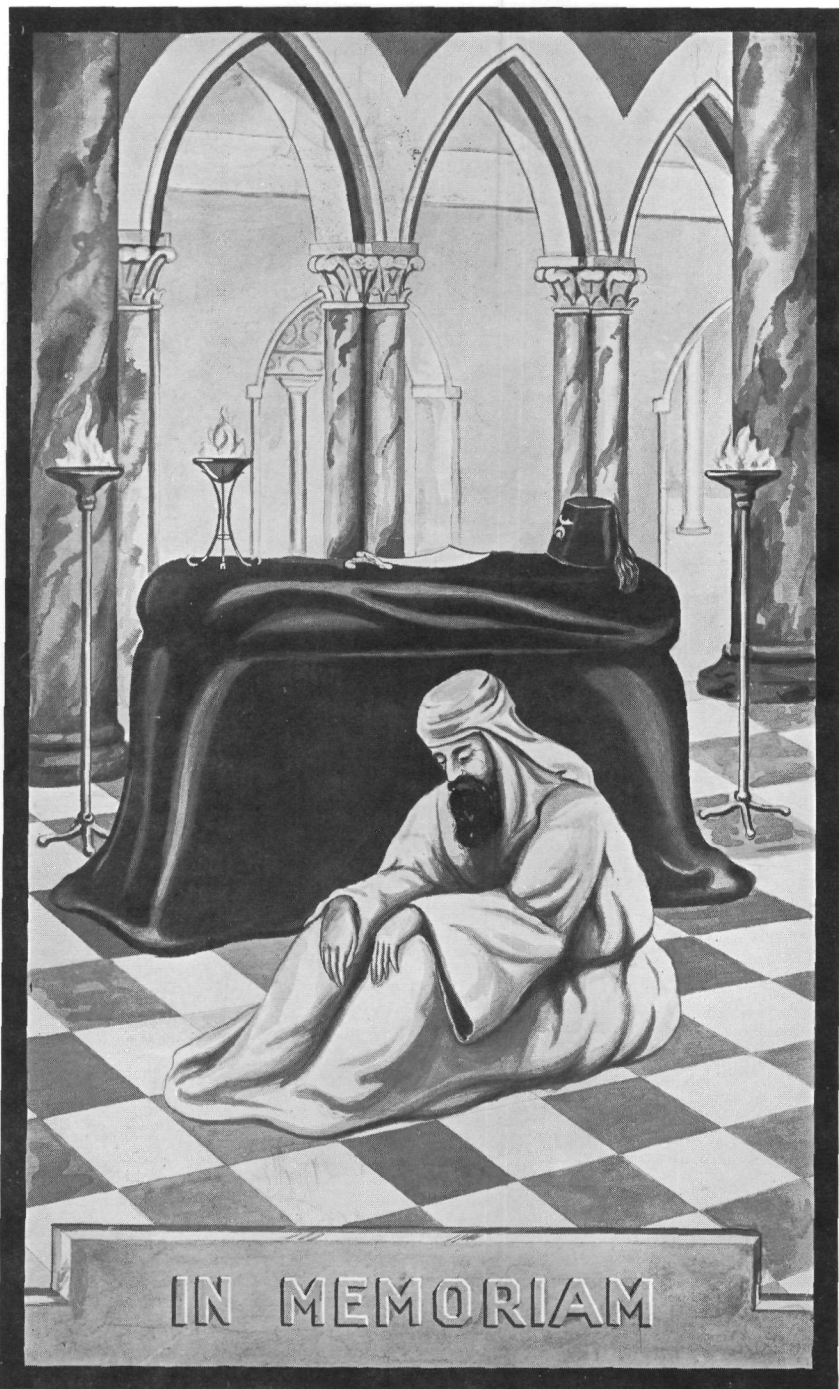

I would now like to have the Potentate of Sabbar Temple come up to the podium and while he is coming up, let me inform you that tomorrow morning we will reconvene at nine o'clock and if these chairs are not full, we will have a roll call. (Laughter)

Let me also assure you that there is no way that you can start getting your checks until after eleven o'clock and I don't know how soon after that, because we still have a lot of important business to take care of tomorrow morning. Therefore, I want all of you here. Do I make that loud and clear?

...Cries of "here, here"...

I will now recognize Walker Kisselburgh.

IMPERIAL SIR KISSELBURGH: Imperial Sir and Fellow Representatives, you were notified yesterday that a milestone has been reached in Shrine history.

When the One Hundred Million Dollar Club was founded in 1972, and it has been a very successful method in raising monies for the Shriners Hospitals For Crippled Children, at the Western Shrine Association in San Francisco just a couple of months ago, the Potentate of Sabbar Temple, Richard Bukey, came to me and said, "Walker, we are now over the 80 percent mark and I need a letter from you and the Imperial Potentate challenging us to get to the 100 percent mark."

I said to him that he would have that letter. Also, I put in there, not thinking it would ever be fulfilled, that I would buy him the biggest trophy that we could get. (Laughter)

Also, I am sure when you see this, that you will agree that this is one of the biggest trophies we could get. (Laughter)

However, it is inscribed as follows: "Presented to Sabbar Temple, Illustrious Potentate Richard Bukey, in recognition for becoming the first Temple in the history of Shrinedom to achieve 100 percent participation in the One Hundred Million Dollar Club, Shriners Hospitals For Crippled Children—Imperial Council Session, New Orleans, Louisiana, July 16, 1981."

This is truly history making and I present to you, Illustrious Sir, on behalf of everyone here, this trophy.

... Presentation of trophy and rising applause ensued...

NOBLE KISSELBURGH: Now, in my inimitable way I decided this is a traveling trophy. The next Temple that may receive 100 percent membership will be the new recipient of it.

NOBLE RICHARD BUKEY [Potentate, Sabbar Temple]: Imperial Sir, Imperial Sirs and Representatives: You know, Walker is a comedian.

I challenged him, it is true, in San Francisco to give us a trophy and I am damn proud of it and I think Sabbar Temple has the right to be proud of it.

I think that the One Hundred Million Dollar Club organization idea is a good one and this is an outstanding organization—an outstanding idea.

This is a way you can get your membership involved in the Shrine. The enthusiasm that has been generated because of our efforts from the One Hundred Million Dollar Club this year has overwhelmed the Temples. We are setting all kinds of records and I suggest to you new Temples, if you wish to take this on as a project, with the enthusiasm now in existence and the momentum gained, that you may well take this trophy away from us next year.

I would also like to have you meet the Chairman of our Committee, an outstanding Noble, a hard working guy, an individual who has been Chairman of this Committee for five years. Noble Jim Fink. Thank you so much, Jim, for a tremendous effort. (Applause)

NOBLE JIM FINK: It was a hard job but it took off.

I joined the Shrine twenty years ago and I joined the Shrine because of the Childrens Hospitals.

You know, giving \$100 to a crippled child is not much money and I think, in this connection, we should all remember way back when we joined the Shrine. It is for our crippled children and our Hospitals. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you very much, Nobles.

You know, I guess the rest of us have to feel just a little bit ashamed and I am sure we will all go home and work a lot harder on this project.

Now, we are on a tight schedule, as I mentioned a while ago, and we will reconvene at nine o'clock in the morning.

We are now going to call on Past Imperial Potentate Carlyle Brock to present the Necrology Service. I would urge all of you to stay. Rest assured it will take less than twenty-five minutes.

PAST IMPERIAL POTENTATE BROCK: Imperial Sir, Imperial Sirs, Illustrious Sirs, my fellow nobles: Listen to the words of our Imperial Chaplain.

REVEREND MAGILL: Most gracious God, we remember before you at this moment our proud Nobles who have passed through the vale and into your life of peace and harmony on the other side. We ask that you would take them into the arms of

your mercy. Let your perpetual power shine upon them and grant them peace. Amen.

PAST IMPERIAL POTENTATE BROCK: Let us reflect and remember: Whenever we erect fitting monuments, construct pretentious memorials, or observe distinctive anniversaries, we are saying to our Nobles dead: Look down upon us from the emblazoned pathways of the heavens; guide our stumbling feet; steady our trembling hands; fire our fainting hearts, that we *may* serve well the generation of our time, and cast out shadows of benevolence and beneficence down the dim vistas of unborn days.

When I was a small boy, my mother used to remind me that God was everywhere—he lives, he sleeps, in the rocks of the earth, in the earth beneath your feet, in the streams as they course from the hillsides in the rain as it falls from the heavens. He moves in the beasts of the field, the fowl of the air, the insects and all living things. He awakes in man—man created in his image and likeness; man endowed with a heritage of freedom; man endowed with a soul immortal, which sets him above and apart. In every living human being, be he humble or exalted, we find a soul spark of the Creator in which we recognize him.

I shall now ask Past Potentate James McKnight, Chairman Emeritus and a Past Potentate of Zem Zem Temple, to read the list of the Nobles who have departed from our midst. It is time we pause and reflect and remember their friendship and brotherhood.

... The following list of departed Nobles was then read...

PAST IMPERIAL POTENTATE BROCK: Such were the men who lie here and such the country which inspired them.

Time does not permit my extolling the virtues and contributions of those who have departed.

However, let me say a few words about Noble General Omar N. Bradley, to whom our Fraternity, nation, and free world owes an eternal debt of gratitude.

At the time of his death, he held the highest rank of any living officer and served the United States longer than any other man in our history. Noble Bradley served as first chairman of the Joint Chiefs of Staff. He was a part of the initial leadership of NATO among other accomplishments too numerous to mention. He directed the Normandy invasion and coordinated the strategy of the dynamic, colorful generals of the battle fields.

We are exceedingly proud of this truly great soldier and Noble.

We survivors who pray to be spared their bitter hours but must disdain to meet our foes with a spirit less triumphant, let us draw strength not merely from twice fold arguments—how fair and noble a thing it is to show courage in battle—but from the busy spectacle of our great country's life as we have before us day by day, falling in love with her and remembering that all this greatness she owes to men who knew their duty and had the courage to do it; men who, in the hour of conflict, had the fear of dishonor ever present to them; men who freely gave their lives to her as the fairest offering they could make.

They gave their bodies to the Commonwealth but received, each one, man by man, for his memory, praise that will live on the lips, that will blossom in the deeds of their countrymen from sea to sea.

For the whole earth is the sepulchre of heroes. Monuments may rise and tablets be set up to them in their own lands, but on far-off shores there is an abiding memorial that no pen or chisel can trace. It is graven not on stone or brass but in the living hearts of humanity.

Take these men for your example. Like them, remember that happiness can be only for the free; that freedom alone is the sure possession of those alone who have the courage to defend it.

And now, my friends, we bid farewell to those who marched these corridors and streets at conventions before us. Let us reflect and remember that beyond the sunset, beyond the galaxies, beyond the Great White Way, there are new worlds to conquer and new abodes to inhibit.

Let us have faith and let us give thanks for their lives and cherish their memories. We are the richer for their lives.

...Whereupon, the sounding of "Taps" ensued...

PAST IMPERIAL POTENTATE BROCK: And now, may the Lord bless you and keep you; may the Lord's countenance shine upon you and be gracious unto you; may the Lord lift up the light of his countenance and give you peace, now and henceforth and forever more. Amen.

IMPERIAL POTENTATE H'DOUBLER: Thank you very much, Carlyle.

We will reconvene at nine o'clock tomorrow morning. We are now in recess.

...The 107th Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-fifteen o'clock p.m. to reconvene the following morning at nine o'clock a.m. ...

MORNING SESSION FRIDAY, JULY 17, 1981 NINE O'CLOCK A.M.

The 107th Annual Session of the Imperial Council was reconvened in the New Orleans Hilton Hotel, New Orleans, Louisiana, on Friday morning, July 17, 1981, at nine o'clock a.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

IMPERIAL POTENTATE H'DOUBLER: Will the Representatives please take their seats. Nobles, will you remain seated and please remove your Fez for the invocation.

REVEREND MAGILL: Let us pray.

Dear God, we thank you for your guidance, for the presence of your sustaining spirit in this 107th Session.

We have felt your presence here. We appreciate the support and harmony and the love and the brotherhood that has existed.

As we leave this presence of one another, we ask that you would go with us, granting us strength, peace, purpose and power in your name. Amen.

IMPERIAL POTENTATE H'DOUBLER: Before we continue, I want to announce that we are going to do everything possible to have everybody come up and present their checks this morning but in the interest of time, we will ask you to go backstage and have your picture taken. During the next hour, please go backstage over on your left if you have a check to present so you can have your picture taken with Woody Bennett. Later, and I hope that time permits, we will have a chance to come up and

make a public presentation of your check. However, we can do it much more rapidly by having your picture taken beforehand.

I will recognize Dr. Russ Anthony.

IMPERIAL SIR ANTHONY: Thank you, Imperial Sir Hogan.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: Thank you all for staying here this morning, coming here this morning and I promise you that I will respect your wishes and the wishes of the Imperial Council, that this report will be short.

It is important that you do witness this film if you can at all possibly do so.

In this day in 1938, Douglas Corrigan was just another American airplane pilot but on this day, July 17, 1938, Douglas Corrigan took off from New York, supposedly to fly to California and the next day he arrived in Dublin, Ireland, after an outstanding job of flying which he insisted had taken him the wrong way. From that point on, all of you who are within the hearing of my message, know that he has been known in history as "Wrong Way Corrigan".

The world at that time and still today, expects that "Wrong Way Corrigan" had known exactly where he intended to go all along. However, only rarely in our public life do we find figures who are willing to reverse themselves and be called "Wrong Way Corrigan".

"Consistency", said Emerson, "is the hobgoblin of small minds."

The original "Wrong Way Corrigan" was not so bothered and, as a result, the world in this time has been advanced by others who did not hesitate to take a sharp turn in a different direction.

Also, as Imperial Sir Walker Kisselburgh mentioned, these are exciting times. Also, each of us listened intently to Imperial Sir Richard Olfene when he said the salvation of this great philanthropy and this great fraternity will be dependent upon us appropriating money for these two new hospitals, and all and each of you read most emphatically. However, they both failed to mention, my friends, that all of that would not have been possible had it been without the life blood of this great organization and that life blood, my friends, is its membership.

We in this great fraternity in the last two years have lost over 6,000 members. We in our Masonic fraternity over the last twenty years, have lost over a million members.

These are startling figures, my friends, but we have chosen, in these two great bodies, to ignore them for too long.

We have been content to keep going in the same direction and our leaders have been content to keep going in the same direction as well. In other words, there was not a "Wrong Way Corrigan" to be found among any of our great fraternity for a long, long time.

However, that, my friends, is all in the past. It is all in the past and I can assure you that because, from the very lowest member to each and every one of these Temple Divans, even our new Temple Divans under U.D., through you, the Potentate, through the Past Potentates and on this stage here, each and every one of your Shrine leaders have dedicated themselves to a reversal in direction and allowed themselves to be called "Wrong Way Corrigan".

And they are not alone. Our Grand Masters in all of our Grand Lodge jurisdictions by far and in the majority are also dedicating themselves to a reversal of direction and that direction, my friends, is in an increased recruitment, an effort to bring back into the body of our fraternity new life blood.

Do you see this (indicating) folder? This folder should be in all of your Recorder's Offices and they, in turn, should see to it they are in the hands of every Noble within the entire membership.

These are being produced in the same manner that the SBI brochures are being produced from our Headquarters, and I can assure you that Imperial Sir Gene Bracewell would like to produce just as many of these as they have those of the SBI.

Avail yourselves of them. Keep them there and see that your Nobles use them so that you can tell the story of Shrine Masonry and you can tell the story of our philanthropy as well.

On the table before you—on the chair on which you are sitting, each of you will have found one of these when you sat down. These will be sent to each Potentate, to each Recorder and each Membership Chairman every year so that the "Pride" Program can be fully understood from administration to administration and it is designed in a manner to make it simple so that each and every one of you can understand how the program works.

Please, please, Nobles, avail yourself of the information that is detailed here in a very consistent and short manner. Use the film that was produced by our Public Relations Department, "For Many Reasons".

It now gives me great pleasure to have each of you witness the film that was produced and which had a premiere showing at the Grand Masters Conference in Orlando, Florida. This is entitled "Symbol of Pride". I will make further comments after the showing of the film in just a few moments.

...Whereupon, the film entitled "Symbol of Pride", was shown... (Applause)

IMPERIAL SIR ANTHONY: Nobles, and I call you all "Nobles", after the viewing of that film, I am sure that each and every one of you are proud to be called Shrine Masons, am I correct? (Applause)

Each Potentate will receive a complimentary copy of this film in the very near future from the Tampa Headquarters Public Relations Department. May I suggest that each of you Potentates reorder a minimum of three more copies from the Tampa Headquarters at the low, low price of \$85 per film. Then you can have at least four copies circulating and in your film library at all times, whereby you can show this film to any Club you can think of, any place you may want to show it.

In closing, let me admonish you all that the Shrine is a living organization, it is not a preservation of the past—it is made up of living, breathing, enthusiastic Shrine Masons.

Let us bury the past once and for all and get on with the present now. I know that we can and that we will.

Imperial Sir, I would move for the acceptance and adoption of this report.

... The motion was duly seconded, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE H'DOUBLER: Nobles, let us hear it for Russ Anthony—how about that? (Applause) I am sure that all of you will put this to good use and aid the others in telling our story so well.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL SIR JONES: The next item I would like to call to your attention at this time is the Imperial Recorder's Report and I would like to announce to all of the Representatives that my report is in the Book of Reports, pages 4 through 17, and in the essence of saving time, I would just like to make that announcement and also ask that this report be accepted. Therefore, Imperial Sir, I move for its acceptance.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: Thank you, Jack.

Nobles, you have heard the motion and the second, that the report be accepted. Is there any discussion?

If not, all in favor indicate by saying aye; opposed nay. It is unanimously carried.

Now, in the interest of time, the reports of the Shrine Rooms East and Shrine Rooms West Committees will be entered into these proceedings without reading.

...Whereupon, there follows, for record purposes, the Reports of the Shrine Rooms East Committee and Shrine Rooms West Committee.

REPORT OF THE SHRINE ROOMS EAST COMMITTEE

To the Imperial Potentate, Imperial Divan, and Representatives to the 107th Imperial Council Session, A.A.O.N.M.S.

Your Committee is honored and pleased to submit a report on its administration of the Shrine Rooms East, located in the George Washington Masonic National Memorial, Alexandria, Virginia, for the year June 1, 1980, through May 31, 1981.

The Committee held two regular meetings during the year. October 9, 1980 and May 15, 1981. Both of these meetings were held in the Board Room of the Memorial. In addition, the Committee participated in two events of major importance.

On November 22, 1980, a delegation of Officers, Past Potentates, Nobles and their ladies from Saladin Temple, Grand Rapids, Michigan, headed by their Potentate, Illustrious Frank VanderVoord, journeyed to Alexandria and presented to the Shrine Rooms East an oil on canvas portrait of their most distinguished member, President Gerald R. Ford. Appropriate ceremonies were held in the Parade Room with Illustrious Edward E. Buckley, Past Potentate of Kena Temple and Vice Chairman of the Committee presiding. Welcoming remarks were extended by Illustrious William C. Vaughan, Past Potentate of Kazim Temple and Chairman of the Committee; Illustrious Fred E. Bridgeman, Potentate of Kena Temple in whose jurisdiction the event took place; Most Worshipful Marvin E. Fowler, Secretary-Treasurer of the George Washington National Masonic Memorial Association, and the Honorable William L. Scott, former United States Senator from Virginia. Among the Masonic Dignitaries in attendance were Imperial Sir George W. Powell; Past Imperial Potentates George E. Stringfellow and Orville F. Rush; C. Fred Kleinknecht, Secretary General, Scottish Rite, S.J., and Jack Parsons, Eminent Grand Commander of Virginia. Kena Temple Units provided the Color Guard, Honor Guard and music. Illustrious Frank VanderVoord expressed his Temple's pleasure and honor in providing the portrait and requested Illustrious William F. Goosmann, Past Potentate to make the presentation. The portrait was accepted by Illustrious William C. Vaughan on behalf of the Shrine Rooms-East and by Imperial Sir George W. Powell on behalf of the Imperial Council. The portrait was hung and veiled until such time as President Ford himself could be present for the unveiling.

The Chairman of the Committee was notified that President Ford would be in Alexandria on December 11, 1980, for the formal unveiling. Again, appropriate ceremonies were arranged. Due to the expected size of attendance the event was held in the Auditorium of the Memorial with Illustrious Edward E. Buckley acting as Master of Ceremonies. The Units of Kena Temple turned out in full force to provide the services required. The invocation was given by Dr. M. Graham Clark, President of the School of the Ozarks and Past Imperial Chaplain. Welcoming addresses were extended by Illustrious William C. Vaughan; Illustrious Fred E. Bridgeman and Illustrious Stanley F. Maxwell, Past Potentate of Aleppo Temple and President of the George Washington Masonic National Memorial Association. The Governor of Virginia, the Honorable John N. Dalton, a Past Potentate of Kazim Temple, expressed his warm regards for the honoree of the occasion and his pleasure in having this important event taking place in the Commonwealth.

Joining with the Imperial Potentate on this memorable day were Imperial Sirs Randolph R. Thomas, Richard B. Olfene, Gene Bracewell, George W. Powell, George E. Stringfellow, Orville F. Rush and Illustrious Frank U. Stewart, Potentate of Boumi Temple.

Masonic Dignitaries included Provincial Grand Master Marvin E. Fowler, Supreme Tall Cedar Raymond F. McMullan; Past Grand Monarch, Dr. George W. Thomas; Cryptic Grand Master John Harris Watts; General Grand High Priest J. W. Vandall and Grand Secretary General C. Fred Kleinknecht. Top representation was present from the Masonic Services Association, the Grand Lodges of Virginia, Maryland and the District of Columbia, the Orders of Eastern Star, DeMolay, Job's Daughters and Rainbow. Special recognition was given to Noble Frank L. Dority, Chief Custodian of the Shrine Rooms-East; Mr. Paul Jewell of the Deyerle Studios, Roanoke, Virginia, who produced the portrait; Noble Charles H. Rowell who crafted the gold leaf frame, and Congressmen-elect from Northern Virginia Frank Wolf and Stanford E. Parris.

Representing the Illustrious Potentate and Nobility of Saladin Temple was Past Potentate William F. Goosman whose remarks were most suitable for the occasion as he had grown up in the same area of East Grand Rapids as Jerry Ford.

In his introduction of President Ford, Imperial Potentate F. T. H'Doubler proclaimed this a great day for the Shrine and how honored he was that the Shrine had this opportunity to pay due recognition to such a great American and fellow Noble here in this great edifice on Shooters Hill in Alexandria. President Ford, with his

usual grace and dignity, paid warm praise to Masonry, the Shrine and special appreciation to his Temple for making this great day in his life possible. He then unveiled his portrait assisted by the Imperial Potentate and the Past Potentate of Saladin. This portrait was hung in the Shrine Rooms-East alongside portraits of Presidents Warren G. Harding, Franklin Roosevelt and Harry Truman who were also Shriners.

The entire ceremony was recorded on tape and a transcript has been forwarded to Shrine Headquarters.

A transcript is likewise attached to this report. A condensed copy was entered in the Congressional Record of Monday, May 18, 1981, by Senator Harry Byrd of Virginia. A copy of this is also attached.

Displays and memorabilia in the Shrine Rooms-East are reported in excellent condition. An inventory was furnished Shrine Headquarters, along with the Annual Report of the Chief Custodian, Frank L. Dority.

All equipment has been checked by the maintenance contractors and found to be in good condition.

Dioramas of all Hospitals and Burns Units are now on display with the exception of those recently remodeled or now being rebuilt.

A total of 42,130 people signed the visitor's register during the year. Visitation to the Shrine Rooms-East during the past year was again somewhat below normal. However, visitors from foreign countries increased by a goodly number during the past year (totalling 957). A detailed monthly report has been furnished Shrine Headquarters by Noble Dority. We are looking forward to an increase in visitation during the coming year.

During the period June 1, 1980 through May 31, 1981, expenditures of the Shrine Rooms-East totalled \$43,375.49, a copy of which is attached to this report. No unusual or unexpected expenditures are anticipated.

The Staff at the Shrine Rooms-East is doing an excellent job of presenting our impressive displays to the public and the Committee is entirely satisfied with the overall operation of the same. We express our appreciation to the Imperial Potentate for permitting us to administer the Shrine's greatest showcase.

Respectfully submitted,

SHRINE ROOMS-WEST COMMITTEE

The following is a report of the International Shrine Rooms West Committee for the Shrine Year 1980-1981 for inclusion in the Imperial Council Proceedings.

During this year we have continued to add various Shrine artifacts to our collection of exhibits. We have been able to complete the Fez exhibit which we think is quite impressive.

We also added a new Fraternal Room which increases our exhibit space, and utilizes a room which originally was a diet kitchen in the old hospital. We believe that this addition makes the museum more attractive. We plan to renew the paint in the museum this year. The Museum was dedicated March 18, 1972 and during the ten year period considerable wear and tear is noticeable.

The Shrine Rooms West Committee remains the same as last year with the exception of Noble Lee L. Aslanian who is doing Hospital Recruitment work for the Temple.

We appreciate the support and encouragement that the Imperial Officers are giving us. We believe that we are doing a service for Shrinedom in preserving many Shrine artifacts for viewing by our Nobility.

We would appreciate it if the members of the Imperial Divan in their trips to the

various Temples would encourage the Temples to send their memorabilia to us for display.

Respectfully Submitted,

IMPERIAL POTENTATE H'DOUBLER: I will now call on Cecil Walrath of the Committee on Jurisdictional Lines.

NOBLE CECIL WALRATH: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal identified as item 10 in the Call by D. Sam Erickson, Potentate of Osman Temple. to amend Article 68 of the By-Laws which would give exclusive jurisdiction to Osman Temple in the Counties of Dakota and Olmstead. These counties, with the exception of the City of Eagan, are presently shared concurrently with Zuhrah Temple.

Your Committee met with the Temples affected by this request for change and after a full discussion of this proposal, your Committee feels that the present concurrent jurisdiction is in the best interest of Shrinedom and, therefore, recommends that the request for change be denied.

NOBLE WALRATH: Imperial Sir, I move that this report be accepted.

... The motion was duly seconded, voted upon and carried. . .

IMPERIAL POTENTATE H'DOUBLER: Now, I will call upon Potentate Sam Erickson of Osman Temple to move adoption of the report.

NOBLE SAM ERICKSON: [Potentate, Osman Temple] Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I would move for the adoption of this amendment.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: The motion has been made and seconded and we are now on discussion. I will recognize the Potentate of Osman Temple.

NOBLE SAM ERICKSON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Historically, Osman Temple membership has been largely derived from the exclusive Ramsey County jurisdiction and the counties to the South and in Southeastern Minnesota, where we have twelve Shrine Clubs.

Zuhrah's Temple membership is largely derived from its exclusive county of Hennepin and other counties to the southwest and west of Hennepin County.

Geographically, Osman Temple has jurisdiction in Ramsey County, a population of 458,000 people, an area which contains the City of St. Paul but, beyond that area are serious limits to our growth. Let me explain.

Immediately to the West of Osman Temple and separated by the Mississippi River is Hennepin County, the exclusive jurisdiction of Zuhrah Temple. The population of Hennepin County is 940,000 or about twice the population of Ramsey County, which is an Irish Catholic County and to the immediate East of us, just a few miles, is the State of Wisconsin.

To the North of us, the first County is Dakota County, which pledges allegiance to the City of Minneapolis and, therefore, we are limited and then further beyond that is the Temple at Duluth, Minnesota.

In relation to Hennepin County, which is the Minneapolis area, five of the eight largest cities are contained in the State of Minnesota and so, as a result, we are seriously limited insofar as our growth to the North is concerned. Also, insofar as East or West of Ramsey County is concerned.

Late in 1980, our Divan made a commitment for a decade of growth. We organized a new program for membership and realigned our budgets for a greater allocation of dollars in relation to both membership and continuing activities.

Our membership Co-Chairmen have gone back to the Blue Lodges and that is the level they are working at currently, promising us in the future greater growth of the membership in our Temple.

The Spring Ceremonial that we had in May involved more candidates than the combined Spring and Fall Ceremonials of the past ten years and with our new programs we will have a continued growth of membership.

Another part of our "Decade of Growth" included both the need for exclusive jurisdiction in Dakota and Olmstead Counties, and addition of three new Shrine Clubs.

As an aside here, we are proud to have formed three new Units in the first six months of 1981.

The Southeast Region of Minnesota represents 17 percent of the Osman Temple membership. In relation to our Spring Ceremonial, this part of the state represented 30 percent of our Spring class.

We are currently in the developmental stage of forming two new counties in Southeastern Minnesota to add to our present six active Shrine Units.

Now, a letter to the Imperial Recorder that was dated in 1972, written by Noble Turley, Chairman of the Jurisprudence and Laws Committee, gave the following opinion, which states in part:

"If Osman Temple were to be moved to Eagan Township in Dakota County, then exclusive jurisdiction in Dakota County should be granted to Osman Temple in accordance with Section 328.2(d)."

Now, we have moved to the City of Eagan, which is in Dakota County and going by the letter from Mr. Turley in 1972, we are only asking for exclusive jurisdiction in that county and if you read the By-Laws of the Iowa Corporation, it does say that under that Section you should have exclusive jurisdiction in the County in which your Temple is located.

Our Temple consists of a country club, plus facilities for a Temple. We currently have an investment of \$1 million in this property at Eagan, Minnesota and we do have exclusive jurisdiction in this Village, Town or City as it is called in Minnesota of Eagan. However, that is the County where our Temple is.

Now, we currently have two active and progressive Shrine Clubs in this particular county and so there is a need, I feel, to recognize, as stated in Noble Turley's letter and in accordance with the By-Laws of the Imperial Council, that Dakota County is the official home of Osman Temple and exclusive jurisdictional approval for Osman Temple will give us the quality to Zuhrah Temple's exclusive jurisdiction in their home county of Hennepin, where its Temple is located.

It is reasonable that Osman Temple is entitled to be granted exclusive jurisdiction in Dakota County, where our Temple is based and with that exclusive jurisdiction, coupled with Olmstead County to the Southeast of us, membership will follow naturally throughout this corridor, throughout the adjoining counties.

Now, if you will go back into Shrine history—if you will look at other Temples throughout Shrinedom, membership has expanded progressively with the official recognition of Temples associated with geographical areas.

Osman Temple sincerely believes that its request is reasonable and necessary to provide growth and, of course, we are mindful of the constant need for expanding our membership.

Official recognition is essential not only to unify our members but also inspire them to further membership expansion.

Thank you, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: Thank you.

Bob Turley has asked for the microphone.

NOBLE ROBERT TURLEY: Imperial Sir, I have no feelings one way or the other about what the jurisdiction ought to be in Minnesota. That is up to the Temples in Minnesota and to the Imperial Council.

However, I asked for the floor because I would not want you to make a decision under a misapprehension.

The letter to which the Potentate of Osman Temple just referred, he said was written in 1972. Now, I have not seen a copy of it since 1972 and I am not really altogether sure that I remember everything that was in it. (Laughter)

However, I suspect that letter was written at a time when Osman Temple wanted to move the location of its Temple to a City in Dakota County which, at that time, was in concurrent jurisdiction and the Imperial By-Laws did not permit a Temple to be located in an area, in a city or county where it had concurrent jurisdiction. Therefore, that letter was written under those circumstances at other times and I hope you will not think that a statement taken out of context from that letter means that I, as a Representative, endorse this proposal today.

As I have told you, I have no feelings about it one way or the other. I simply do not really think I should be quoted out of context and that you should be under a misapprehension. Thank you.

IMPERIAL POTENTATE H'DOUBLER: We will now hear from an opponent.

NOBLE KENNETH SIEGFRIED [Zuhrah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives, my name is Ken Siegfried and I am a Past Potentate of Zuhrah and a Representative.

You know, if you vote to cast aside the recommendation of the Committee, what it means is that the new territory that Osman Temple would acquire, the Nobles have no choice—that potential Noble has no choice—he has to go to Osman Temple. At the present time, under concurrent jurisdiction, he has a choice.

Now, if you look at Osman's track record on membership, it does need help but not by cutting up the territory.

That particular location that they are seeking is the fastest growing county in the State of Minnesota. That, coupled with Ramsey County, which is near the Eastern border of Minnesota, also affectively gives them exclusive jurisdiction in Washington County, which is concurrent but because of its location they also enjoy.

If they were to get their way, they would have effectively land-locked an area of about 60 miles North and South by about twenty-seven miles wide.

Also, referring to Noble Turley's comments, his recollection is exactly correct. I think what Osman is seeking is a game of checkers here. Everytime they move to a new location, they want to keep what they have left and also grab some more.

A "yes" vote will ensure that with the help of Zuhrah Temple, you will have a four to one advantage in members going after new Nobles in that area. That is what Imperial Sir Anthony was preaching this morning and I think it is a good lesson for us to learn.

If you had been present at the meeting of the Jurisdictional Lines Committee concerning this issue, you would have heard effectively the same arguments that Potentate Erickson made to us just a few moments ago. However, the Committee did not buy it and you should not either.

For that reason, I recommend that you adopt the recommendation of the Committee. Thank you.

...The question was severally called for...

IMPERIAL POTENTATE H'DOUBLER: Is there anybody else who would like to speak in favor?

Now, do you all understand what we are voting on? If you vote "yes", you are voting to go along with Osman Temple's request.

...Cries of "no, no"...

IMPERIAL POTENTATE H'DOUBLER: I will recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, you are exactly right. The Committee Report has already been dealt with. You are now dealing with the motion to adopt the amendment to the Imperial By-Laws and a vote "yes" would adopt the amendment to the Imperial By-Laws. It takes a constitutional majority, two-thirds and at least 400.

IMPERIAL POTENTATE H'DOUBLER: That takes at least a two-thirds majority, and at least 400 people. In other words, we are not voting on the recommendation of Jurisdictional Lines but we are voting on the proposed amendment which is item 10.

Is that clear?

Is it not clear to anybody?

Well, I don't think you understand and so I am going to ask Ted Corsones to explain it his way.

NOBLE TED CORSONES: As the Imperial Potentate has indicated to you, let us take a look at page 15, item 10.

We have gone through the Committee Reports and Jurisdictional Lines told you how they would like you to vote. They would like you to vote "no". That is just a Committee vote. You folks have the vote.

Therefore, it is item 10 that you are voting on. If you vote "yes", you are voting to do what Osman Temple has requested you to do; if you vote "no", you are voting against the proposal.

Does that make it clearer?

...Cries of "yes"...

IMPERIAL POTENTATE H'DOUBLER: Is there further discussion?

...The question was severally called for...

IMPERIAL POTENTATE H'DOUBLER: All in favor of the motion signify by saying aye; opposed no. It does not carry by two-thirds.

Now, there is a request from Osman Temple to form and control three Shrine Clubs and, in connection with this report, I would like to call on Jurisdictional Lines.

NOBLE ARTHUR ARMITAGE: To the Representatives of the Imperial Council:

On page 18 of the Call, there is a request from Osman Temple for permission to form and control three Shrine Clubs in the areas of Blooming Prairie, Spring Grove and Zumbro Falls.

After a full discussion on the subject with the Temples affected by this legislation,

namely, Osman and Zuhrah Temples, your Committee recommends that this request be denied.

NOBLE ARMITAGE: Imperial Sir, I would move that this report be received.

... The motion was duly seconded, voted upon and carried...

IMPERIAL POTENTATE H'DOUBLER: I will now ask the Osman Temple Representative to move adoption. This will take just a simple majority.

NOBLE ERICKSON: Imperial Sir, I would move for adoption.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: A motion has been made and seconded and it is now open for discussion.

NOBLE SAM ERICKSON [Osman Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives, let's try it one more time. (Laughter)

We faced a dilemma in our area and the presentation by Past Potentate Siegfried is correct, that will give more Nobles in Dakota County a chance to seek membership but, unfortunately, with a Temple of more than 11,000 and a little one of 3600, you know where most of the Nobles are going to go. So we will not have exclusive jurisdiction in the county where we are located but, I would like to address this particular issue of Shrine Clubs.

We are asking for a Shrine Club in Zumbro Falls and there is a particular reason. We do have a Shrine Club that encompasses three counties.

In one part of the county, the county to the east, is the community of Zumbro Falls and Red Wing and, in Red Wing, if anybody in this room has ever collected pottery, is the old Red Wing Pottery which is now out of business.

All our Nobles in that area will not travel the distance, and it is more than 50 miles, from one point to another point in this particular three-county area.

We have 130 Nobles in that area and all we are asking for is a spin-off. In other words, we will maintain the one in the eastern part of the area but will also spin-off part of the Nobles in the eastern part of that area and form a new Shrine Club.

We have an area in the southeastern part of Michigan, which would be to the southeast of Rochester, Minnesota, and that area contains 73 Nobles. Again, it is a distance problem because it is 60 miles from the Spring Grove area to Rochester and approximately 50 miles to Winona, where we have another Shrine Club.

We have a very active group in that part of the state containing 73 Nobles that we are not serving and with a Shrine Club and with the Scottish Rite located now in Rochester and with the activity of the Blue Lodges in the southern part of the state, we are asking for a Shrine Club for those 73 Nobles.

Another request is Blooming Prairie, Minnesota, and there are two Shrine Clubs in that area. We have one to the south and Zuhrah has one to the north. However, our Nobles in the Blooming Prairie area refuse to go to the Shrine Club that is Osman controlled because of a particular industry in that town and the separation between management and the employees.

Again, the Blooming Prairie area is a rural agricultural area and these Nobles in that area, and there are 51 Nobles, again are not active Nobles, are not out seeking candidates because we do not have Shrine Club activities.

Therefore, we are requesting these three new Shrine Clubs for this reason.

Thank you, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: Is there anybody who would like to speak in opposition?

NOBLE KENNETH SIEGFRIED [Zuhrah Temple]: Imperial Sir, I just wanted to add a couple of comments because the Potentate of Osman Temple did not give you some of the distances.

It seems we have a rather fluid location for Canyon Valley because, by his own volition, they float over some 60 miles and yet they cannot seem to drive 16 miles to get to a Zuhrah Shrine Club or 20 miles to get to an Osman Shrine Club for the proposed Blooming Prairie Club.

In addition, there are three other Osman Shrine Clubs, all of them within 40 miles.

In relation to one they seek to establish at Spring Grove, there is a Zor Temple Shrine Club at LaCrosse, Wisconsin, 30 miles, and another Osman Club at 47 miles.

In relation to Zumbro Falls, there is a Shrine Club, Osman Shrine Club, at Rochester, 20 miles to the South and there is a Canyon Valley Shrine Club, one that floats, at some 40 miles.

So it is not a question of mileage. They simply do not have that far to go and I do not believe that the reasons that were laid before you today are any different than the ones that the Committee heard and they did not buy it at that time either.

IMPERIAL POTENTATE H'DOUBLER: Thank you very much.

Does anybody wish to speak in favor?

... The question was severally called for...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for and now what we are voting on requires a simple majority and that is that Osman wants jurisdiction in relation to some Shrine Clubs.

All in favor indicate by saying aye; opposed nay. It is defeated.

I will now recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives, I am pleased to inform you that this concludes the business in the Call and concludes the work of the Jurisprudence and Laws Committee. I would like to thank the Committee for its hard work.

I would like to thank the Representatives. I asked them early on if they would be patient with us and I do thank you for your attention, your patience and your endurance.

Also, Imperial Sir, I think you deserve a commendation; the commendation of this whole Imperial Council because you have so ably presided with firmness, with fairness and good humor. We appreciate it.

... Rising applause ensued...

IMPERIAL POTENTATE H'DOUBLER: Thank you, Nobles.

Now, the next item is also very important. It is the Time and Place Report, by Randy Thomas, our Imperial Potentate-Elect.

IMPERIAL SIR THOMAS: Thank you, Imperial Sir, Hogan.

Imperial Sir, Illustrious Sirs and my Fellow Representatives: Those of you who had the opportunity to witness the pageant on Wednesday morning, I think that tells the story, but, at this time, I would like to bring to the microphone the Director General of the 1982 Imperial Council Session, Noble Merve Henning.

NOBLE MERVE HENNING: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives: I appreciate this opportunity to take a few moments to join Imperial Sir Randy Thomas to extend to all of you and your Nobility an invitation to attend a session of fun in the Magic Kingdom, the 1982 Imperial Council Session.

As those of you who attended and witnessed the Wednesday Pageant, Central Florida is eager to provide your Nobility with the finest accommodations and vacation attractions. I am sure that your attendance at the 108th Imperial Council Session will be a memorable one.

My staff and I are still available up in room 2543 in the Towers to assist you with room accommodations in relation to Central Florida. We will be there until approximately two-thirty today.

In behalf of Imperial Sir Randy Thomas and myself, your host, Bahia Temple and the very fine attractions, characters and staff of our headquarters location, Walt Disney World, we sincerely hope you will join us next June 14-18 in Orlando for the 108th Imperial Council Session.

And now if I can ask Imperial Sir Randy to step back up here.

Mickey Mouse left yesterday but he wanted to leave this little token for you to be his ambassador for the Magic Kingdom for the rest of this year.

It is a Mickey Mouse tie tack and he wants you to wear it and be proud of it.

...Presentation of tie tack and applause ensued...

IMPERIAL SIR THOMAS: I shall be happy to do so.

NOBLE HENNING: I move that the Imperial Council Session next meet at Orlando as stated in the Time and Place Report.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: The motion has been made and seconded. All in favor signify by saying aye; opposed nay. Carried.

I will next recognize Dr. Dan Bowers.

IMPERIAL SIR BOWERS: Imperial Sir, Imperial Sirs and Fellow Delegates: Two years ago you voted to accept the recommendation that we hold the Session in 1983 in the beautiful City of Denver, in the foothills of the Rocky Mountains of the great State of Colorado.

It is my pleasure to present to you this morning Director General, Past Potentate Bob Reynolds of El Jebel Temple, who will give you in essence the program we propose to have in that great city for this Session.

NOBLE ROBERT REYNOLDS: Thank you, Imperial Sir Dan.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives, Most Worshipful Grand Masters and Nobles All and particularly you Assistant Rabbans: We invite you to a memorable and historic vacation in the beautiful State of Colorado, in the mountains, where you will find just to the West of Denver the beautiful natural amphitheater cut into rock.

Or, on the other hand, just twelve miles from Denver, you will find the "Boardwalks" as they were or, just twenty-five miles to the west of Denver, we have the mining towns of Blackhawk and Central City, with their boardwalks as they were 120 years ago, when the discovery of gold set people crazy.

Or, on the other hand, you might like to visit the Air Force Academy, just fifty miles south of Denver, with its beautiful chapel, with seventeen spires glistening in the sunshine.

Or perhaps you would like to go just a hundred miles or so to the northwest, to Estes Park, or perhaps to the highest automobile road in the nation on Mt. Elbert, over 4,000 feet.

Or, through the Eisenhower Tunnel, just sixty miles west of Denver or the 600-foot long pool at Glenwood Springs.

I invite you to join the 35 Temples already on board before we came to this Session to come to beautiful Colorado, colorful Colorado and that is why, Imperial Sir Dan, we say the place to be in 1983 is Denver, Colorado on the 4th of July week.

Also, the officers of the Corporation made quite a decision in inviting you for the first time in recent years to a four-day session. The nights at the hotel will be Monday night, Tuesday night, Wednesday night and Thursday night, the 4th of July being on Monday. You will come in on Monday and leave on Friday.

You don't have to do that. Some of you may want to set up four days as well as five to give your troops additional incentive to go to work for five instead of four. That is up to you.

However, we do invite you to come to Colorado in 1983 and we will be available over here immediately after with the cards and to answer your questions.

Thank you for your time. (Applause)

IMPERIAL SIR BOWERS: Thank you, Past Potentate Bob Reynolds.

Gentlemen, the last session we had in Denver was in 1960 and I might also say that I hope to use as a program for this particular year the program that was used many years ago. I was fortunate to find from the Shrine Club, the first Shrine Club in the State of Colorado, the program. It is a small program, very colorful. It describes the old railroads, etc. I don't even think that George has one of those. I hope to utilize that for your pleasure and to show you what we had years ago in the great City of Denver.

Therefore, I welcome you and I would move once more that you accept the City of Denver for the Convention in 1983.

Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Dan.

Now, while Dick Olfene is coming up, I want to tell you that the beautiful tie tack that was given to Randy is a beautiful replica of Mickey Mouse.

You will recall that at our banquet on Wednesday night, your Master of Ceremonies, Dr. Brown, admonished him about Mickey-mousing around and he promised me at the Cabiri Breakfast that he would not and I am sure he will not because he will be a very dynamic and wonderful leader but if you see him wearing this tie tack, I hope you will give him hell. (Laughter)

I will now give you Imperial Sir Dick Olfene.

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and Representatives: Last year you voted confidence in me, my Director General and the Nobles of Aleppo Temple, to hold the 1984 Imperial Council Session in the City of Boston, in the State of Massachusetts and I now want to introduce to you the Director General of that convention, a Past Potentate of Aleppo Temple, Fred Spencer.

NOBLE FRED SPENCER [Aleppo Temple]: Imperial Sir, Imperial Sirs, Representatives and particularly the High Priests and Prophets: We certainly welcome you in 1984 to Boston and hope you are making your plans now. We have not had an Imperial Session in Boston and so it will be something new for you.

We have much to see and much to do in Boston and we have the great lobsters, which many of you seek when you do come to the Boston area.

Now, I will not drag on, the hour is getting late, but please come to Boston because you will have a great time there in 1984.

The dates, again, will be July 1-6. The first is on Sunday and so the Convention will officially begin on the 2nd and, further, while I am here, let me remind those of you down the line two or three years that we will have a Shrine Seminar for you in March of 1984 in St. Louis. Therefore, keep abreast of things as they come in so you do not schedule other things to conflict.

Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Dick.

Now, as I stated earlier, we are very anxious that those of you who made your check presentations yesterday be publicly acknowledged and so, as we move on, there are some seats over here that are vacant and if you can drift into this area it will save us time when we get to this portion of the program.

Now, if I can have your attention, we will call on Merv Henning to give the Report on Finance and Accounts.

... Noble Henning presented the Report of The Finance And Accounts Committee as contained on the following pages with respect to the income and expenditures for the Imperial Council, Iowa Corporation, with the Representatives, by unanimous action, approving the adoption of the report for the year 1980 as submitted, adoption of the revised budget for the year 1981 as submitted and approved the tentative budget for the year 1982 as submitted as follows...

IMPERIAL POTENTATE H'DOUBLER: I will recognize Past Imperial Potentate Harold Close.

PAST IMPERIAL POTENTATE HAROLD CLOSE: Thank you, Imperial Potentate.

Imperial Sir, Imperial Sirs and Representatives of this Imperial Council: It was not my purpose originally to speak out about finances, although I watch them from year to year.

Following the Session last year, when the per capita tax was increased, seeing some of the things which increased in expenses, it seemed to me I could not sit silent.

Now, probably 80 percent of the Representatives to this Session are officers of your own Temple and certainly finances is one of the most important items you can discuss at an Imperial Council Session because an increase in per capita tax affects your Temple financially and possibly your membership also because it is passed on by increasing your dues.

Sometimes we get into the habit of doing things year after year and I think it is necessary to consider these things and make changes.

Now, it is customary to approve the budget that you just heard approved. It is estimated that the income is going to be so much and it is further stated that classification and details of these are available if anybody wants them read. I have never heard anybody ask for them to be read. Even if they were read, they would not mean anything to me and I doubt if they would mean anything to you because nobody is going to memorize all of those figures when they are read.

I simply go along on the basis that I assume that the figures in the detail of the current budget being presented are approximately what we did approve last year and, possibly because of inflation, with some normal increase.

However, I would normally have assumed that there is some relation between those figures and, as is stated, they will be listed in the Proceedings of this meeting.

Last year, when I received the Proceedings of the meeting some six or eight months later, I was somewhat surprised, and I am going to quote the one item and it is one item, fellow Representatives, that irks me no end and that is the item of secretarial allowances for your Imperial Officers.

Now, in 1979, that item was listed as \$7,200. Normally, a year ago, I assume that the budget was going to include something to this effect. When I got my Proceedings and looked at it, I saw that item jump from \$7,200 to \$28,800, an increase of 400 percent.

Let me read to you from the report made by the Finance and Accounts Committee when they recommended an increase in the per capita tax. I am not going to read a lot, just take excerpts from the report.

"The Iowa Corporation experienced deficits of \$87,000 in 1978, \$120,000 in 1979. Your Committee anticipates a deficit in 1980 of \$129,000 even though we will realize a gain of \$482,000 from the sale of our Chicago National Headquarters property. If it were not for the inclusion of this gain, our deficit for 1980 would approximate \$611,000.

"Your Committee further projects that for 1981, and on a very conservative basis, the deficit will exceed \$400,000.

"With present membership of approximately 940,000, an increase of 60 cents would produce approximately \$564,000 additional annually. If this change is made, we project that we would have a net operating deficit of \$47,000."

Now, Nobles, with a report like that and making an increase in the per capita tax, it seems to me that any normal Board of Directors would take steps to limit expenditures.

The expenditures of the Iowa Corporation during the year since our last Imperial Council Session has increased by leaps and bounds. I am not going to mention any item outside of the secretarial allowance but I will give you one illustration.

The budget was approved at the Session, like it is approved today, and within hours, not days, but within hours, at the conclusion of this Session, your Board of Directors approved an increase in one item alone of \$30,000.

Now, Nobles, let me say this to you—I spent eleven years in this Imperial Divan and never once in those eleven years did I accept five cents from the Imperial Council for secretarial allowance.

Now, let us just consider, while I am at it, what did happen to the secretarial allowance. I am not objecting to any secretarial allowance for the Imperial Potentate because the Imperial Potentate has many decisions to make that various Temples ask him during his term of office, many rulings, and I think he is entitled to it.

In 1974, and this is the way it is listed in your Proceedings—"Imperial Potentate's Secretarial Allowance, \$1200." The following year, in 1975, Imperial Potentate's Secretarial Allowance, \$3,000.

In 1976, Imperial Potentate's and Deputy Imperial Potentate's, \$3,600. In 1979, the secretarial allowance doubled from \$3,600 to \$7,200 and listed the following—"Imperial Potentate, Deputy Imperial Potentate and other Officers." In 1980, it listed the Imperial Potentate's Secretarial Allowance and other Secretarial Allowances in the amount of \$28,800.

Now, Nobles, this is more than a 1700 percent increase in six years.

Now, the thing I object to is the way it is listed in your Book of Reports here.

It is listed as I just mentioned to you "Imperial Potentate, Deputy Imperial Potentate and other Officers". There is no way you can tell, by looking at this report, who is getting what and I object to that. I believe they should be listed by the office and by how much.

You can get it if you want to go to the office. Now, I am not saying they are trying to hide anything because I do not believe they are but I think this should be available to the Representatives who are voting money.

Now, this is more like a salary, in my estimation, than secretarial allowance.

The six top officers, starting with the Imperial Oriental Guide, received \$300 a month or \$3,600 annually. Each one receives the same amount for secretarial allowance.

Each one of these officers, you have heard them and I have heard them, when they were campaigning for office, made the statement that they would like to make a contribution to the Shrine.

Now, I get many Shrine magazines and I make it a point to look at all of them and I see the Shrine magazines urging the members to join the One Hundred Million Dollar Club for the benefit of our children, or urging their efforts on the part of the Committee on Wills and Bequests to get money for our hospitals.

I have always felt that maybe the top officers of the Shrine, if they want to make a contribution, can contribute a little effort on the part of their secretaries to carry out correspondence for the secretarial work without charging the Shrine for a secretarial allowance.

Now, Nobles, the question here is as to what to do about it.

I had a meeting the other day with your Imperial Potentate Elect, a very fruitful meeting, and I have admired your Imperial Potentate Elect, Randy Thomas, for many years, but as a result of the meeting I had with him, that admiration turned to affection because I am absolutely confident that during his term of office there will be no increases in the budget of the Iowa Corporation such as I am mentioning.

However, that is not the answer. I am seeking something that is on a much longer term basis than a one-year basis because we have different individuals coming and going.

What I would like to see accomplished for the Shrine is something on a long-term basis, something that will see that our finances are handled in a businesslike manner and to accomplish that purpose, I am going to offer you the following, Imperial Sir and Representatives—I move that the Imperial Potentate Elect be requested to appoint a committee, a special committee Chaired by the Imperial Auditor, to study and review the escalating costs sustained by the Iowa Corporation over the last five years and to report to the Board of Directors the results of such study with their recommendation prior to the 1982 Annual Imperial Council Session and to the Representatives at the 1982 Session and that the Board of Directors submit their recommendations to the Imperial Council as to any action deemed necessary to enhance and improve the financial stability of the Iowa Corporation.

To implement this motion, I further move that the Board of Directors be authorized to appropriate such sums as they deem necessary to defray the costs of the work of such committee.

IMPERIAL POTENTATE H'DOUBLER: The motion has been made, it now requires a second.

I will recognize Imperial Sir Thomas.

IMPERIAL SIR THOMAS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Illustrious Sirs and Fellow Representatives: I have been in conference with Past Imperial Potentate Harold Close and I would like to second the motion that he has just made and suggest its adoption.

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion and the second. Does everybody understand the motion?

... Cries of "yes" and a call for the question ensued...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for. All in favor indicate by saying aye; opposed nay. It is carried.

I also think it is appropriate at this time that I tell you that your Imperial Officers work very hard and that they work their secretaries very hard in relation to their correspondence. Some of them have to hire an extra half-time secretary to help with their correspondence.

I am quite certain that in each instance this does not even begin to defray the office expenses they incur and that does not even take into consideration the time that they devote to these tasks during their working day, a part of which they have to use towards making a living.

We will now get back to Merv Henning.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: At this time, I would like to call on our Past Imperial Recorder, George Saunders.

PAST IMPERIAL RECORDER GEORGE SAUNDERS: Most Illustrious Imperial Potentate, Imperial Officers and Representatives to this Imperial Council; Imperial Sir Hogan H'Doubler, I am privileged to speak for the Representatives of this Imperial Council and, in their names, I present you with a Past Imperial Potentate's Jewel, a beautiful symbol, fashioned by a noble craftsman from purest gold, diamonds and other precious stones—presented to you by the Nobility of our Order in recognition of and appreciation for the years of faithful and dedicated service you have rendered to our Noble Shrine and its great charity work, Shriners Hospitals for Crippled Children.

Made from the purest gold, emblematic of the true value of the Masonic Brotherhood that has been so much a part of your life; diamonds and precious stones symbolizing the true character of the individual, fraternal and charitable efforts you have made in behalf of the fraternal organization as well as its charitable hospitals.

You have maintained a strenuous schedule as Imperial Potentate of the Shrine of North America for the past year and we all wish you continued good health and continued happiness in the vineyards of the Shrine. Sincere thanks and good wishes from all of us go to you for your devotion to duty and your contribution to our Noble Order.

... Presentation of Past Imperial Potentate's Jewel to Imperial Sir Hogan H'Doubler and rising applause ensued...

IMPERIAL POTENTATE H'DOUBLER: Fellows, I think that sets the stage for me to tell you that the time has come for me to say thanks again for the opportunity to serve you these many years. When I made suggestions for the good of the Shrine and our Hospitals, I did my best to fulfill your desires.

Each year, for many years, we have moved forward through the efforts of your Trustees and Past Imperial Potentates and your Imperial Divan. This year was no exception.

You leave here today knowing that you, too, had a part in making it all happen.

As you know, under the Imperial Bylaws, the immediate Past Imperial Potentate automatically serves as a Trustee for one year. I look forward to the responsibility.

I trust that our new Imperial Potentate, Randy, will put me to work.

I wish to express my appreciation to all of Hogan's Heroes. Joan and I will be forever grateful for your continued friendship and love. Thank you and God bless you.

... Rising applause ensued...

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: We just have a few more things to do here and I will ask for your indulgence.

Again, however, I would like to make this observation—that I could not have had a more cooperative body working and discussing items to everyone's satisfaction and yet, even on that basis, you can see that we are short on time. Also, as you can see, as we continually move forward as rapidly as possible, there is more and more business to be considered.

I will now call on the Chairman of the Grievance and Appeals Committee.

NOBLE SEWELL LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an appeal filed by Noble Charles W. Spence of Hejaz Temple from the decision of the Hejaz Temple Grievance Committee in finding "no probable cause" existed in the charges filed by Noble Spence against Noble Jimmy Polk.

The matter was scheduled for hearing on Sunday, July 12, 1981, in the Magnolia Room, New Orleans Hilton and Towers, at 2:00 p.m. Due notice of said hearing was given all parties concerned by first class mail.

The appeal was submitted on behalf of the appellant to your Committee on the basis of the documentary evidence provided, together with the minutes of the Hejaz Temple Grievance Committee. Oral testimony was received from members of Hejaz Temple as well as the present Potentate, Hubert Howard, and the matter was submitted for determination.

After a thorough discussion and consideration of all the evidence submitted, together with the applicable Imperial Council By-Laws, your Committee on Grievances and Appeals is of the unanimous opinion that the Hejaz Temple Grievance Committee's investigation of the complaint was incomplete and lacked the thoroughness contemplated by Section 330.2(a) of Article 30 of the Imperial Council By-Laws.

Further, your Committee on Grievances and Appeals is of the opinion that the Hejaz Temple Grievances and Appeals Committee exceeded its authority under the aforesaid Imperial By-Laws provision by recommending that the following Nobles of Hejaz Temple be reprimanded: Charles W. Spence, Jimmy C. Polk, R. C. Reynolds, and William Hedgepeth.

In view of the above, your Committee on Grievances and Appeals recommends to the Imperial Council that the matter be remanded to the Potentate of Hejaz Temple with instructions to appoint an entirely new Temple Grievance Committee directing said Temple Committee to consolidate any and all charges and complaints arising out of the matter previously investigated, to conduct a thorough investigation into the same, receive oral and documentary evidence, make a record (electronically or manually) of said investigation, and report their decision in compliance with Section 330.2(a)(2) of Article 30 of the Imperial Council By-Laws.

It is further recommended that the Potentate of Hejaz Temple be directed to rescind the reprimand heretofore levied against the following Nobles of Hejaz Temple: Charles W. Spence, Jimmy C. Polk, R. C. Reynolds, and William Hedgepeth, in the same manner in which it was issued, giving due notice thereof to the membership of Hejaz Temple through the Hejaz Temple publication.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all members of the Committee, with the exception of Robert C. Lake of Hejaz Temple, who did not participate in the vote of the Committee in reaching its decision.

I. Sewell Lamdin, Chairman
John D. Cochran
Gordon Harris
Gordon R. Pate
James T. Singley
Gerald Groat

NOBLE SEWELL LAMDIN: Imperial Sir, I would move for the adoption of this report. . . . The motion was severally seconded and, there being no discussion, was voted upon and carried. . . .

IMPERIAL POTENTATE H'DOUBLER: We will next have the Report of Mileage and Per Diem, Ed McMullan, Chairman.

IMPERIAL SIR MCMULLAN: To the Imperial Potentate, Officers and Members of the Imperial Council:

As provided in Article #5, Sections 205.1 and 205.5 of the By-Laws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance equal

He shall also be paid per diem expenses of sixty-four dollars (\$64) room rate, plus fifteen dollars (\$15) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive sixty-four dollars (\$64) plus fifteen dollars (\$15) per day for three extra days. All members of the Committee on Finance and Accounts shall receive sixty-four dollars (\$64) plus fifteen dollars (\$15) per day for one extra day. All members of the Committee on Dispensations and Charters shall receive sixty-four dollars (\$64) plus fifteen dollars (\$15) per day for one extra day. All members of the Committee on Jurisdictional Lines shall receive sixty-four dollars (\$64) plus fifteen dollars (\$15) per day for one extra day. All members of the Committee on Grievances and Appeals shall receive sixty-four dollars (\$64) plus fifteen dollars (\$15) per day for one extra day.

PAST IMPERIAL POTENTATE JACK STREIGHT: Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded, was voted upon and declared to be unanimously adopted...

IMPERIAL POTENTATE H'DOUBLER: Thank you for your participation and God bless you, Joe Vita, for you did a fantastic job. Let us hear it for Joe.

... Applause ensued...

Now, we are just about to wind up here.

I would next like to recognize Roland St. John for the report of the Committee for Shrine Association Study.

NOBLE ROLAND E. ST. JOHN: To the Representatives of the Imperial Council:

Your Committee met on two occasions in 1981. All members were present in Tampa, Florida on January 26, 1981 at which meeting it was determined that the ongoing efforts of the Committee would best serve the Shrine and the Associations by direct, personal communication between the Committee and the Shrine Associations.

During the year 1981, members of the Committee attended regular and Special Meetings of twelve different Shrine Associations and appeared on their programs. All other Shrine Associations were presented written presentations outlining the purpose

of the Committee and requesting certain studies be made within the Association, to define problems and formulate recommended solutions.

We are pleased to report to you that the response to your Committee's inquiries have been most gratifying. In many instances, problems have in fact been defined and solutions determined. In most every instance, the Associations have convinced your Committee that they have the leadership and capabilities to solve their own problems, if any.

We did learn that the Optimum Long Range Plan, presented to the Imperial Council in its 1980 Session, relating to future Association boundaries is of great concern. The recommendations of all Associations addressing themselves to this matter have been duly noted. Your Committee recommends that *no* action be taken to implement any Association boundary change under present circumstances.

Your Committee met July 13, 1981 at New Orleans, Louisiana. At this meeting the Committee heard from representatives of three Shrine Associations, all indicating support for the purpose of your Committee.

In conclusion, it is the feeling of your Committee, that its efforts in behalf of the Imperial Council during 1981 have been especially fruitful. They have, we feel, been beneficial to the Shrine of North America.

We recommend no legislation to this Session. However, we further recommend that a Committee of this nature be continued for the purpose of continuing study and evaluation of Shrine Associations so as to be in a position to advise and assist, where possible, the Shrine Association and the Imperial Council.

Respectfully submitted,
COMMITTEE FOR SHRINE
ASSOCIATION STUDY

NOBLE ROLAND ST. JOHN: Imperial Sir, I would move for the acceptance of this report.

...The motion was duly seconded, voted upon and was declared to be unanimously carried...

IMPERIAL POTENTATE H'DOUBLER: And now, as one of my last and most pleasant experiences in office and which will be my last act, and that is to acknowledge your new Imperial Potentate, who has some very important announcements and I also would like to say at this time that he has been a wonderful friend, a wonderful man to work with and he will have my undivided support during his term of office. Thank you.

IMPERIAL SIR THOMAS: Thank you.

Imperial Sir Hogan, Imperial Sirs, Illustrious Sirs and Fellow Representatives All: I am sorry we are running late because I did have a few messages I wanted to bring to you this morning, primarily in relation to a program that I am going to implement. I guess this is the first time that this will ever happen but, on the first of August, I am bringing all of the Imperial Divan into the Central Office for a one-day Seminar. It really will be a Planning Session. My purpose there is that you, as a body, have voted to hold seminars for your fine officers every three or four years. This year, for example, we held a seminar for the Recorders.

I also think, on that basis, that we now, as Imperial Officers, need to sit down and have a Planning Session for the coming year—our year. That way we can all go out into the field and say basically the same things. Also, from this, they will understand what each other is supposed to do and then next year, in Orlando, we hope to have a good Session.

Now, also, to comment a little bit on the motion made by Past Imperial Potentate Harold Close and his remarks.

I would like to say that operating in a deficit has always been a thorn in my side

because, no matter what type of operation I am involved with, I never like to operate at a deficit. However, you must also remember that the Iowa Corporation is a non-profit organization.

It has in assets \$5 million. We do not like to go into the assets. We like to keep them but then neither, on the other hand, can we set up a sum of \$10 million or \$20 million in relation to the Iowa Corporation. I want you to understand that because then, if we did, we would have a problem with the IRS because it is a fraternal corporation.

But, nevertheless, I have spoken with the Divan and this year I am appointing an Iowa Budget Committee which will be to help the Imperial Potentate during the Board Meetings to make sure that when Committee members or Chairmen come in with requests for dollars that we know exactly where the budget stands.

My program also in relation to this Seminar is to deal strictly in relation to membership. I think membership at this stage is also a little bit bigger than one Imperial Officer can carry and so it is going to be a program for all of the Imperial Officers. I am going to ask that everywhere they go, wherever they make a talk, that a portion of that talk stress membership aspects of the Shrine and what it means to this great Order.

Now, also, we are going to come out of our Seminar with a procedure that when Imperial Officers address you on respective occasions, that they talk no longer than twenty minutes. This is especially true at banquets. As a matter of fact, I do not think that an Imperial Officer needs twenty minutes to get his message across at any banquet. Now, so much for that. At any rate, that is my opinion.

At this time, I would like to announce my appointees to the various standing committees.

... At this point, Imperial Sir Thomas announced his various Standing Committee appointments...

IMPERIAL SIR THOMAS: Imperial Sir, that concludes my report. I thank you all for your patience.

IMPERIAL POTENTATE H'DOUBLER: As you can see from that report, our Imperial Officers, on the first day of next month, will plan their work and then, in turn, go out and work their plan and I know they will do a good job.

... Business was transacted in the Colorado Corporation at this time...

IMPERIAL SIR JONES: Imperial Sir, I move that all of the acts and transactions of the Imperial Officers, Board of Directors and others for the Iowa Corporation for the past year and at this Session be ratified and approved.

... The motion was duly seconded, voted upon and was declared to be unanimously carried...

IMPERIAL POTENTATE H'DOUBLER: Is there anything further, Jack?

IMPERIAL SIR JONES: That is all I have, Imperial Sir.

IMPERIAL POTENTATE H'DOUBLER: I will now call on Past Imperial Potentate Orville Rush to come to the podium. I understand that today is his birthday and he has reminded me that he has yet to receive his first cigar. I hope somebody does something about that before the day is over.

NOBLE J. B. HOPKINS: That is not true—I gave him one this morning (laughter).

IMPERIAL POTENTATE H'DOUBLER: At any rate, Orville, will you please come forward.

He will install our Imperial Officers.

PAST IMPERIAL POTENTATE RUSH: Imperial Sir, Imperial Sirs and Fellow Representatives: This is truly an historic occasion. We are in the process of installing newly elected officers for the Shrine year 1981-1982. As usual, the old order changeth, yielding place to the new.

I request to act as Installing Imperial Marshal, Imperial Sir Thomas W. Melham, to present the newly elected officers in proper form and position for installation.

... The Imperial Officers Elect were presented in proper form for installation...

... At this point, the Imperial Officers, in unison, repeated their oaths of office...

...At this point, Imperial Potentate Elect Randolph Thomas then repeated an additional obligation pertaining solely to his office...

PAST IMPERIAL POTENTATE RUSH: Fellow Nobles, I present to you your newly elected and installed Imperial Potentate. Please rise, behold him and salute him in the manner which is appropriate to his exalted office.

...Rising applause ensued...

PAST IMPERIAL POTENTATE RUSH: And now I would like to have the immediate Past Imperial Potentate Dr. F. T. Hogan H'Doubler, please step forward.

Imperial Sir, you have had an outstanding and fruitful year and I feel it was gratifying to your splendid family and to you. I appreciate your thoughtful courtesies and it was my privilege to work with you. We look forward to your continued valuable input to Shrinedom and our philanthropic endeavors.

We will now have your Jewel and Fez presented to you.

...Whereupon, Past Imperial Potentate Dr. Hogan H'Doubler was presented with his Past Imperial Potentate's Fez... (Applause)

PAST IMPERIAL POTENTATE H'DOUBLER: Again, Nobles, I thank you. As someone has said to me, these silver stars go well with my hair. (Laughter)

PAST IMPERIAL POTENTATE RUSH: And now I address myself particularly to our new Imperial Outer Guard, Jack W. Dean, and our new Treasurer, Webber Harrington. Joining the Imperial Divan will prove to be one of the greatest experiences of your lifetime. I know each of you will make your imprint on our great fraternity. May the future be bright for you and I wish you Godspeed.

...At this point, the three-star Fez and Jewel of Office were presented to Imperial Sirs Dean and Webber Harrington... (Applause)

PAST IMPERIAL POTENTATE MELHAM: I asked for the privilege of doing this and I will try to keep it brief.

I am about to present to the newly elected Treasurer the Jewel of his Office. Normally these will be passed down for years and years. This is one given me fifteen years ago, and then I have this (indicating) one and wore this all the time, and the one I had was stolen and we got a new one and you are the first to wear this, Imperial Sir, and I am happy to pin it on you right now.

...Presentation of Jewel and applause ensued...

PAST IMPERIAL POTENTATE RUSH: To our three Trustees, who are already well versed in their duties, having proven their merit, and to our new Imperial Chaplain, who is daily performing God's work, who will help all of us do our utmost to remember our Masonic vows, keep steady our steps and let no iniquity get dominion over us, all of you will be members of one of the greatest fraternal families ever conceived by mankind.

The Imperial Chaplain will now present the new Imperial Chaplain with his Fez and Jewel.

REVEREND MAGILL: It is with great pleasure that I present this Jewel to you and admonish you to watch your step.

...Presentation of Jewel and applause ensued...

IMPERIAL SIR HARDY: Imperial Sirs and Nobles All, this is indeed a real honor for any person to have—to be able to have the opportunity to be with fine men and for me to be able to counsel with them.

Throughout the past year, I am sure that Imperial Chaplain, Reverend Magill, has been of great help to them and a great comfort to them and in behalf of almost one million Shriners of the Shrine, it gives me a great deal of pleasure to present to Bill Magill the Past Imperial Chaplain's Jewel.

Bill, congratulations, it is a pleasure to know you.

...Presentation of Past Imperial Chaplain's Jewel and applause ensued...

PAST IMPERIAL POTENTATE RUSH: And now we come to that moment when we are ready for the presentation of the Jewel and the Fez to Imperial Potentate Randolph R. Thomas.

PAST IMPERIAL POTENTATE H'DOUBLER: Randy if you will take that Fez off your head it will be an honor for me to put this new one on you.

It is a great honor for me to place upon your head the five stars of a Morocco Temple Fez, making you the leader of all Shrinedom, the greatest fraternity on earth.

I know you will wear it with honor and glory to the Fraternity.

...Presentation of Imperial Potentate's Fez to Imperial Potentate Thomas ensued
... (Applause)

PAST IMPERIAL POTENTATE RUSH: Imperial Sir, you have received the badge of your authority as the Imperial Potentate of the Shrine of North America and, likewise, the official Fez with its five golden stars emblazoned thereon.

I also present this gavel to you, which I am confident you will wield with equity, justice and great honor to this Imperial Council, exercising your usual sagacity and perspicacity. (Laughter)

I wish for you a wonderful, enjoyable and exceedingly successful reign as Imperial Potentate, constituting one of the greatest years of your life. God bless you and yours, Imperial Potentate Randolph R. Thomas.

I now declare the Imperial Officers duly and regularly installed.

...Presentation of gavel to Imperial Potentate Randolph R. Thomas... (Applause)

IMPERIAL POTENTATE THOMAS: Thank you very much, Orville. You did an outstanding job, as usual.

Now, prior to calling our new Imperial Chaplain forward to give us the benediction and send us on our way home, let me say to the Imperial Divan and the Board of Trustees that the official picture will be taken just outside this door for the magazine and for the Central Office.

Now, at this point, I will call upon Past Potentate John Hardy, Imperial Chaplain, to give us the benediction.

IMPERIAL CHAPLAIN HARDY: Gratefully, our heavenly Father, we pause to thank You for the help that You have given to us, the strength and sustenance You have given us. We ask in the days to come You may be with us, we may be guided by You. May our actions be admirable in Your mind and helpful to the Shriners all over North America.

Be with us and guide us, in His name we pray. Amen.

IMPERIAL POTENTATE THOMAS: Thank you, Imperial Chaplain. I now declare this Session adjourned.

...Whereupon, at twelve-o-seven p.m. the Session was adjourned...

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER A.A.O.N.M.S.

January 1, 1980 to December 31, 1980

*Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1980 to December 31, 1980 are submitted for your information.

The report of the Imperial Auditor showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The election returns for 1981 of the 181 Temples reflect that there are Representatives to the Imperial Council for 1981 as follows:

	*Total Number	Total Votes
At Large	13	13
Ad Vitam	19	18
Emeritus	94	76
Elected	720	720
Appointed	3	3
Total		830

*Includes duplications

At the end of our last calendar year, the Temple's Annual Reports showed a total of 932,744 Nobles plus 3,990 Associate Members on the active rolls of membership, and Permanent Contribution Member certificates were held by 82,216 Nobles, which relieved them of paying the Annual Shriners Hospitals Assessment. The Associate Membership total of 3,990 must be added to the total membership figure of 932,744 members since Temples profit financially from Associate Memberships.

The net loss in total Shrine membership for the year 1980 was 5,660 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It should be noted that 158 Temples reported a loss in membership, while only 22 Temples reported gains during the previous year.

The 1980 net loss of Shrine membership was even greater than 1979 which was our first loss since 1941. Something has got to be done to reverse that trend. I urge every Potentate to make membership the number one priority for his Shrine year. Also, I challenge each Temple Divan member to work doubly hard on membership through development of new ideas to improve their Temple's existing programs. It could be that your Temple has

the best recruiting program possible, but does not have other programs, social and otherwise to attract the interest of non-Shriners. How is your image in the communities throughout your jurisdiction? Is your Mosque building in a good state of repair, a building of such beauty that you can proudly say "that's my Shrine Mosque"? If you don't have your own Mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? It is also very important to have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country.

Your Imperial Membership Committee has developed some outstanding membership recruitment programs, please use them. Watch your suspension list closely. If a Noble is about to be suspended for non-payment of dues, investigate his situation and try to determine why he is in arrears. If he is experiencing financial difficulties and cannot afford to pay, the Temple should remit his dues. Also, many Nobles who have been previously suspended for non-payment of dues would like to be restored but because of their financial situations cannot afford the restoration fees. If this situation exists, it would be in the best interest of the Shrine to charge him only the current year dues and/or hospital assessment to reinstate. Generally, a Noble is proud to pay his hospital assessment.

While on the subject of membership, I urge you as officers of your Temple to work in close harmony with all Masonic bodies for the betterment and positive growth of our great fraternities. Another important organization to which we should pay special attention is DeMolay. Every Temple should strongly support Demolay activities in their area. It not only provides us with potentially good Shrine Masons, but it also develops good men with high ideals and good moral character, the type of men that we want to be future world leaders.

Imperial Potentate Dr. F. T. H'Doubler has done a magnificent job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership, and for this I compliment him on an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work.

The following pages contain specifics that have been compiled for your use; please study them and compare the history of membership of your Temple with that of others. Work hard to promote the best interest of our great fraternity, the world's greatest philanthropy.

ES SELAMU ALEIKUM

Respectfully submitted,

JACK H. JONES
Imperial Recorder

THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA

We have examined the balance sheet of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (an Iowa Corporation) as of December 31, 1980 and 1979, and the related statements of income and expense and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1980 and 1979, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, nonprofit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America. The organization is exempt from federal income tax under Section 501(c)(10) of the U. S. Internal Revenue Code.

Reclassifications—Certain reclassifications in the 1979 Statement of Income and Expense have been made to conform to the 1980 presentation.

Dues and Fees—The Imperial Council's principal source of income consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective December 31 of each year and are transmitted by the temples to the Imperial Council during the subsequent twelve-month period. A portion of the annual dues is designated for the annual Imperial Council Session and is credited as a liability to the session. The per capita dues were increased from \$1.25 to \$1.85 effective December 31, 1980.

Marketable securities—Marketable securities are carried at cost not in excess of market.

Investments—Investments in corporate bonds are carried at cost, adjusted for amortization of premiums and discounts.

Expenses Billed to Convention Corporations—The Imperial Council bills each Convention Corporation principally for Central Office staff travel costs in connection with the annual convention and associated board meetings. The collection of these billings is dependent upon the financial results of the convention operations and other factors. Because of the uncertainty of the collection of these billings, the Imperial Council does not recognize these reimbursements until actual receipt.

3. TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children, ("SHCC"), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments and other receipts are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters Building owned by SHCC. (See Note 4). The two organizations also prorate salaries and other costs based on the estimated value received by each organization. The amounts of \$263,117 and (\$73,148) represent the net amounts due to (from) SHCC at December 31, 1980 and 1979, respectively.

4. NATIONAL HEADQUARTERS RELOCATION

At a special meeting in April 1978, the representatives of the Imperial Council authorized the relocation of the National Headquarters from Chicago, Illinois to Tampa, Florida. The Imperial Council has been provided space for its National Headquarters in facilities constructed by Shriners Hospitals for Crippled Children.

In February 1980, the Imperial Council closed the sale of its Chicago National Headquarters land and building for \$920,000. The sale price included a mortgage note payable \$6,795 monthly, including 8½% interest until 1995. The mortgage balance amounted to \$670,308 at December 31, 1980.

5. EMPLOYEE RELOCATION ADVANCES

In 1979 certain National Headquarters' employees were provided advances for home construction and other costs in connection with their move to Tampa, Florida. These advances have been repaid in 1980 from proceeds of permanent financing furnished by SHCC.

6. DUE FROM (TO) IMPERIAL COUNCIL SESSIONS

7. RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council was \$12,000 and \$11,750 for 1980 and 1979, respectively.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
July, 1981

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags. If there are only one or two flags, such as state, province, and Shrine flags, they may be paraded on the marching left of the three national flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs

of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Secretary for Fraternal Affairs at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representative should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Secretary for Fraternal Affairs at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the

same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

Introduction of Imperial Potentate

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....
Temple,(City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....
Temple, of.....(City),.....(State or

Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High

Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

CANADIAN PROTOCOL

Banquets:

In Canada a toast is always given to Her Majesty, The Queen: "Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen, God Bless Her."

And then a toast to the "Office" of the President of the United States.

In Canada smoking is never permitted until after the toast, except when ladies are in attendance.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting [slang enough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the

protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy of the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 8 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Divan, elected and appointed, of the Temple are allowed on *one* line underneath the emblem on the fez. Active members of official Uniformed Units may have the names of their Units likewise on *one* line beneath the emblem on the fez. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National

Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. The Military Salute is used by the leader of a Uniformed Unit when passing in review, and the reviewing officers return the salute.

Salute to the Flag

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.

When not wearing the Fez the right hand should be held over the heart.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

THE STAR-SPANGLED BANNER

Oh! say can you see.
By the dawn's early light,
What so proudly we hail
At the twilight's last gleaming,

Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

Temple Membership

§ 323.1 **Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ 323.2 Petition, form. Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

§ 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; when initiated.

(a) A Temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Application for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a

member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

(h) Associate membership is terminated by:

(1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the Temple by an associate member who is in good standing and free from charges;

§ 323.8 Retention of Membership.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a).

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership he loses his

membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

ARTICLE 28

Temple Jurisdiction and Waivers

§ 328.1 **Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ 328.2 **Extent.**

(a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions

to ½ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected, or for the limited purpose authorized by Section 328.6(e), or upon the vote of the Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ 328.3 Change in jurisdictional lines.

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples, if it appears for the best interests of the Order to do so.

Amend. 1976

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of

any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom

objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no Temple is located and when no Temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest Temple located in an adjoining state to his state of residence, if the location of that Temple is within 25 miles of his residence; and no waiver from any Temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the Temple to which the petition is presented.

Amend. 1976

Amend. 1979

(f) A Temple which initiates a petitioner under § 328.6(e) shall notify the Temple in the petitioner's State of residence and nearest such residence within 30 days after the initiation.

Amend. 1979

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of

which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

§ 328.9 Clubs, Units and Activities in Concurrent Jurisdiction.

(a) In all cases where a Shrine club exists or is hereafter organized in concurrent jurisdiction, only the Temple having control of that club may organize or maintain units composed of Nobles residing in the city, county or other geographic area served by that club and only that Temple may sponsor activities in that area.

(b) This section shall not apply to units in existence or to activities planned and publicized prior to May 1, 1975, or in any case in which the Temples involved may otherwise agree.

(c) The planned and publicized activities referred to in § 328.9 (b) shall be exclusive for the Temple having planned and publicized said activities annually prior to May 1, 1975, so long as said activities are continued annually thereafter.

ARTICLE 29

Dispensation for New Temple

§ 329.1 Requirements.

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good stand-

ing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) Notwithstanding the provisions of subsections (b) and (c), the Imperial Council may grant a dispensation for a Temple in any State in which there is no Temple or in the Capital City of Canada or in unoccupied territory; but such dispensation may be granted only on the petition of at least 300 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

Amend. 1981

(e) Notwithstanding the provisions of subsection (c), the Imperial Council may grant a dispensation for a Temple if its proposed location is not less than 300 miles from any Temple in the same State and if its petition for a dispensation is approved and supported by all other Temples in that State.

Amend. 1974

(f) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Amend. 1974

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

Amend. 1980

Amend. 1980

(h) When an application for a dispensation becomes void, no further application may be issued until the expiration of one year thereafter. If a second or further application for a dispensation becomes void, no further application may be issued until the expiration of two years thereafter.

Amend. 1981

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under either § 329.1(b) or § 329.1(e) until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

Amend. 1974

(d) A dispensation granted to a Temple under § 329.1(d) shall be effective only until the next annual session following the session during which it was granted. If the Temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 750 Nobles in good standing on its roll of membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

Amend. 1974

(e) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter. Notwithstanding the foregoing provisions of this sub-section, if the application is refused despite recommendations by the Dispensations and Charters Committee and the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of the Imperial Council.

Amend. 1974

Amend. 1981

(f) The applicants for a dispensation or charter may designate

one of their number as their spokesman, and he shall have the privileges of the floor at the Imperial Council Session, but not the right to vote.

Amend. 1981

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Tem-

ple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 **Jurisdiction.** A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 **Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less

than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Noble.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the

report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

Amend. 1967

ARTICLE 31

(e) He forthwith shall send them to the Committee on Jurisprudence and Laws. If the committee approves them they are so endorsed, one copy shall be retained by the Committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the Temple.

(b) The Imperial Recorder also must submit a list of any By-laws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(c) Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its By-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body is final.

§ 331.5 Change in Imperial Council laws; effect on Temple By-laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

PREFACE

These annotations are not "Shrine law". See §101.3(j). They are simply references to rulings, decisions, and interpretations of the Imperial By-Laws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BY-LAWS

(Iowa)

§ 101.3

1972 Proceedings, p. 155. *Obedience to Shrine law, as defined in § 101.3(i), is not optional but is required of all Shriners and of every Temple.*

1973 Proceedings, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.*

§ 101.4

1972 Proceedings, p. 153. *According to Robert's Rules of Order, which apply by virtue of § 101.4, an amendment which is germane and which does not enlarge the scope of a resolution at the time being considered by the Temple may be offered without prior notice.*

Unless appropriate points of order and appeals from rulings thereon are made at the meeting at which violations of parliamentary procedure are claimed to have occurred, the objectors waive any right to question the procedure by which action by the Temple was taken.

1975 Proceedings, p. 20. *By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.*

§ 101.7

1966 Proceedings, p. 208. *Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.*

§ 101.9

1966 Proceedings, p. 208. *Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.*

§ 203.1

1976 Proceedings, p. 177. *An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.*

§ 206.5

1966 Proceedings, p. 211. *General Orders of an Imperial Potentate are not amendments to By-laws of Imperial Council.*

1970 Proceedings, p. 95. *General Orders expire at the conclusion of the term of office of the Imperial Potentate who issued them.*

1970 Proceedings, p. 96. *The Imperial Potentate may suspend from office a Representative to the Imperial Council.*

1973 Proceedings, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.*

§ 207.3

1976 Proceedings, p. 176. *While the minutes of the Boards of Directors*

ANNOTATIONS TO BY-LAWS (IOWA)

and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under §208.6(e).

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Potentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.4

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1976 Proceedings, see p. 175. The use of the title "Ambassador at Large" on a fez is forbidden by §§ 213.1(b) and 213.1(e).

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 323.3

1967 Proceedings, p. 83. *Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.*

1972 Proceedings, p. 154. *Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.*

1973 Proceedings, p. 98. *Under § 323.8 a Noble is required to maintain membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.*

1979 Proceedings, p. 169. *The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the By-Laws of the Imperial Council.*

§ 323.5

1975 Proceedings, p. 20, § 323.5 *requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.*

§ 323.7

1973 Proceedings, p. 96. *A Noble holding associate membership under § 323.7 must pay the hospital assessment in each temple in which he holds membership and from which he does not have a Permanent Contributing Membership certificate issued pursuant to § 332.4.*

1973 Proceedings, p. 97. *Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.*

1973 Proceedings, p. 97. *Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.*

1973 Proceedings, p. 97. *Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.*

1975 Proceedings, p. 19. *§ 323.7 does not prohibit the holding of associate membership in more than one Temple.*

1976 Proceedings, p. 177. *Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.*

1976 Proceedings, see p. 177. *One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.*

1977 Proceedings, p. 162. *By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.*

1979 Proceedings, p. 169. *Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assess-*

ANNOTATIONS TO BY-LAWS (IOWA)

ment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the By-Laws of the Imperial Council.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in § 330.2(a)(3) have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with § 324.8.

§ 323.13

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

ANNOTATIONS TO BY-LAWS (IOWA)

1973 Proceedings, p. 97. *Imperial By-law §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.*

1973 Proceedings, p. 97. *So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.*

§ 324.1

1972 Proceedings, p. 152. *So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.*

1973 Proceedings, p. 97. *The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.*

1975 Proceedings, p. 20. *A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum.*

§ 324.3

1978 Proceedings, p. 87. *Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.*

§ 324.7

1972 Proceedings, p. 154. *§ 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.*

§ 324.8

1966 Proceedings, p. 211. *The use of proxies or voting by mail is prohibited.*

1970 Proceedings, p. 93. *Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.*

1974 Proceedings, p. 26. *It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.*

1975 Proceedings, p. 20. *In the absence of a Temple By-law delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.*

1979 Proceedings, p. 171. *In the absence of Temple By-Law provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.*

§ 324.14

1965 Proceedings, p. 43. *Honorary membership to Nobles only. Majority vote of Temple.*

ANNOTATIONS TO BY-LAWS (IOWA)

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.3

1975 Proceedings, p. 20. The offices of Director and Outer Guard are incompatible, and one person may not be appointed to both offices.

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a Temple election is not a violation of § 325.6 if no action of the Temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate by-law, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple By-laws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. Because §325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in §101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply, because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.

§ 325.10

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1972 Proceedings, p. 153. A Temple By-law provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A Temple is free to regulate campaigns for

ANNOTATIONS TO BY-LAWS (IOWA)

Temple office so long as the regulations are consistent with Article 25 of the Imperial By-laws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1976 Proceedings, p. 175. An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.

§ 325.12

1977 Proceedings, p. 162. A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.

1977 Proceedings, p. 163. A Temple By-law which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.

1979 Proceedings, p. 170. Regardless of a "not guilty" finding in a trial by his Symbolic Lodge, a Shriner who was convicted of a felony is not eligible for office in his Temple until pardoned by proper State or Federal authority.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

1973 Proceedings, p. 96. A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

§ 326.1

1968 Proceedings, p. 121. The obligation of a Temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected Temple officer continues to hold office until his successor is both elected and installed.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1975 Proceedings, p. 19. Neither § 327.1 nor any other provision of the Imperial By-laws empowers the Potentate of a Temple to suspend a member of his Temple without a trial under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple By-Law provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple By-laws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial By-Laws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple By-laws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple By-laws in a manner consistent with the Imperial By-laws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.4

1965 Proceedings, p. 42. Temple By-laws valid which provide for both Potentate and Treasurer to sign checks.

ANNOTATIONS TO BY-LAWS (IOWA)

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where Temple By-laws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple By-laws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple By-laws in a manner consistent with the Imperial By-laws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 99. Under § 327.5, temple by-laws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple By-law having relation to the Temple's financial affairs must be read in light of § 327.5

1979 Proceedings, p. 171. In the absence of Temple By-Law provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a Temple meeting; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1972 Proceedings, p. 154. By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.

§ 328.8

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.8(d).

1976 Proceedings, p. 177. According to § 328.8(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.8(b).

ANNOTATIONS TO BY-LAWS (IOWA)

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.8(d).

§ 328.9

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 328.9(b); so that such activities may be continued on an annual basis after the adoption of § 328.9(b).

§ 329.1

1975 Proceedings, p. 21. § 329.1(b) requires only that the signers of a petition for a dispensation be in good standing with their dues paid in full at the time that the petition is signed, not necessarily at the time the petition is presented.

§ 329.4

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under §329.4(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. 169. By the provisions of § 329.4 (b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

§ 329.6

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

§ 331.1

1977 Proceedings, p. 162. Notwithstanding an inconsistent Temple By-law, § 331.1 requires the affirmative vote of 2/3rds or more of the members present and voting to adopt an amendment to Temple By-laws.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of Temple By-laws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candi-

ANNOTATIONS TO BY-LAWS (IOWA)

dates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1973 Proceedings, p. 99. § 332.1(d) requires payment of initiation fees before initiation, so that the acceptance of credit cards or other credit transactions to which the temple is a party for the purpose of financing the initiation of candidates is prohibited.

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the By-laws of a Temple, it may be changed only by an amendment to the By-laws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1978 Proceedings, p. 87. Section 332.1 does not permit different rates of initiation fees dependent upon the age of prospective candidates.

1980 Proceedings, p. 29. Payment by a Temple for the meals and lodging of candidates attending a ceremonial outside the jurisdiction of that Temple is prohibited by § 332.1(e).

§ 332.6

1973 Proceedings, p. 97. Imperial By-law §§323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

ANNOTATIONS TO BY-LAWS (IOWA)

§ 334.4

1967 Proceedings, p. 83. A Temple By-law provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. By-laws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of § § 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple By-laws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple By-laws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

ANNOTATIONS TO BY-LAWS (IOWA)

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.6

1972 Proceedings, p. 155. The members of the Temple are entitled to copies of the fiscal reports required of Temple officers by § 334.6.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

ANNOTATIONS TO BY-LAWS (IOWA)

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

§ 336.2

1971 Proceedings, p. 96. A band manager who had repeatedly violated §336.2(a) was publicly reprimanded and ordered to cease and desist.

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2 (c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.

1974 Proceedings, p. 26. The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

1978 Proceedings, p. 87. Inasmuch as §337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple By-laws may properly contain provisions related to the ownership of real estate by such Shrine clubs.

§ 337.3

1966 Proceedings, p. 212. Shrine Club has no independent existence. It is under complete control of the Temple, acting through its Potentate, having jurisdiction over it.

ANNOTATIONS TO BY-LAWS (IOWA)

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1967 Proceedings, p. 83. A Shrine club is not removed from the control of the Potentate by a provision in its By-laws that one-half of one percent of its members shall not be Shriners.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to §337.3, and he may require changes in the By-laws of such Shrine clubs even though such By-laws were approved by his predecessors in office.

§ 337.4

1967 Proceedings, p. 83. A Shrine club at the seat of the Temple with a membership including all members of the Temple is not authorized by Shrine law.

§ 337.5

1972 Proceedings, p. 152. Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

§ 337.6

1967 Proceedings, p. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1966 Proceedings, p. 211. Incorporating without complying with § 337.6 is violation of Shrine Law. Execution of long term debt without complying with §334.7 is violation of Shrine Law.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.6(c) (3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.6 or § 335.17.

IMPERIAL COUNCIL AAONMS ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS FOR SHRINE TEMPLES

The by-laws of the Imperial Council AAONMS, an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the by-laws requirements. Because of their numerous and diverse activities, many questions confront Temples concerning accounting requirements. The American Institute of Certified Public Accountants Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

The accrual basis of accounting is recommended to Temples, particularly the larger ones, as the most meaningful accounting method. However, it is not mandatory, and for some of the smaller Temples, this method of accounting may not be practical and, therefore, the cash receipts and disbursements method may yield adequate information. However, the Temples' auditors may not be able to give an opinion on cash basis financial statements, which states that the financial statements are prepared in conformity with generally accepted accounting principles. The auditor can report on cash basis statements as a special report.

One of the problems confronting Temples is how to report on entities such as Temple Holding Corporation, circus promotions, charity funds, and unit funds, some of which are not under the control of the Temple office. All funds, entities such as Temple Holding Corporations, charitable funds under the control of the Temple, and activities such as circuses should be included in the Temples' financial statements. Where the activity is a separate incorporated entity, such as a Temple Holding Corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total. In the case of units which have their own funds, the auditor may not from a practical standpoint be able to audit the funds. In such cases, the Temple's financial statements should be prepared without the units' funds if they are not under the control of the central office. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. The practice of allowing units to have funds which are out of control of the Temple office should be discouraged. Even though such funds may be excluded from the Temple audited financial statements, such funds must be included in the Temple's annual reports to the Internal Revenue Service.

As is set out in the AICPA Statement of Position, property and equipment, under generally accepted accounting principles, should be carried at cost. Appropriate depreciation rates should be established for these fixed assets and depreciation recorded on the Temple's books.

Included with this addendum is a revised chart of accounts for Shrine Temples. This chart has been updated to assist the Temples in conforming to move modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the Temple to maintain all of the detail expense accounts that are set out in the chart. The Temple may also add accounts as necessary.

Financial statement formats with sample Notes to Financial Statements are also attached. These are guidelines since only the Temples' auditors are in a position to determine the precise reporting and disclosure requirements.

The amount of cash necessary to meet minor needs should be determined and recorded as petty cash. The fund should be operated on an imprest basis.

At the beginning of the year, the total amount receivable from members for dues should be computed and charged to dues receivable. Accounts payable—Imperial Council—Hospital assessment should be credited for its part in Account 210. The Temple dues portion should be credited to Account 401—Dues Revenue.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations,

such as uniformed units, etc. Account 122 should be charged with the amount that has been advanced, and credited as payments are received.

NOTES TO FINANCIAL STATEMENTS

December 31, 1981 and 1980

Summary of Significant Accounting Policies

Basis of accounting—The accompanying statements have been prepared substantially on the accrual basis of accounting.

Designated funds—Designated funds represent unrestricted funds set aside by the membership and/or Finance and Accounts Committee for specific purposes.

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Investments—Investments in stocks and bonds are carried at the lower of cost or market. Gains and losses on the sale of investments and adjustments to the provision for loss in market value of investments are charged or credited to revenue.

Property, equipment and paraphernalia—Property, equipment and paraphernalia are stated at cost. Maintenance and repairs are charged to operations as incurred. At the time items are retired or disposed of, the applicable cost and accumulated depreciation are cleared from the accounts and the difference, net of proceeds, is charged or credited to operations.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 6th day of the 1st month, Muharram, 1402 (marked 36 in red) is the 5th day of November, 1981 (also marked 36 in red).

What day in the Mohammendan year is June 5, 1982?

Finding June 5, 1982 in the Gregorian calendar it is found to be marked 248 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 11th day of the 8th month, Sha'ban, 1402 (also marked 248 in red).

PROCEEDINGS

OF THE
IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER
OF THE
NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA
COLORADO CORPORATION

107th Annual Session

July 13-17, 1981
New Orleans Hilton Hotel
New Orleans, Louisiana

AFTERNOON SESSION
MONDAY JULY 13, 1981
THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened at the New Orleans Hilton Hotel, New Orleans, Louisiana, on Monday, July 13, 1981, at three o'clock p.m., Imperial Potentate Dr. F. T. Hogan H'Doubler, Jr., presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE H'DOUBLER: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the Session will remain open until adjourned.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I would now like to recognize Jack Jones, our Imperial Recorder, for a motion to elect Representatives as members of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I move you, Sir, that the Representatives of the Imperial Council and Iowa Corporation, including ad vitam and emeriti representatives, be elected to membership in the Colorado Corporation for the ensuing year.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: Is there discussion? If not, all in favor please signify by saying aye; opposed. It is unanimously carried.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I will now call upon our Oriental Guide, Walker Kisselburgh, to give the EWG Committee report.

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs, Illustrious Sirs, and Fellow Representatives: Before I start, I want to squash a rumor about the fruit fly in California. (Laughter) If you had as many "fruits" as we have in California, you are bound to get some flies. (Laughter)

Now I am pleased to report to you that your National Committee on Endowments, Wills and Gifts is energetically doing our best to continue to raise the necessary funds to carry forward our program in the future.

We are in a very stable financial condition. Now, may I have the first slide, please. [Slide]: Can you all see this slide?

... Cries of "yes" and "no"...

IMPERIAL SIR KISSELBURGH: Well, please notice on your left you will see a ten-year history concerning new monies and on your right you will see the number of estates that have been probated in each of these ten years.

Please note that in each and every year except one we have exceeded the previous year.

In 1980, we had an all-time high of \$73,230,892 in new monies. (Applause)

Also please note that the number of wills probated in our favor has increased each and every year except one.

Thus far in this year of 1981, after six months, we are seventy-seven wills ahead of last year at this time, which is a 10.75 percent increase.

Now, if this trend continues, and it looks like it will, we will once again have a record-breaking year, both in new money raised and total numbers of wills probated.

Please again understand—on your left is the new money and on the right are the wills probated. However, what you do not see up there on the screen is the fact that in our General Counsel's office, we have over 4,700 open files that have not been registered as far as being probated. We are the largest probate office in the United States and Canada, believe it or not. This is how successful we have been. (Applause)

We have, as a matter of fact, been very successful in our unique soft-sell approach because of hard-working, dedicated Nobles on our Endowments, Wills and Gifts Committee and also you fine Nobles who are anxious to help the crippled and burned child.

Now, we have exciting times ahead of us and you are all going to be a part of it.

Our Endowment Fund, which you will see in the annual report given to you with your registration envelope, has passed the \$1 billion mark.

Let me give you an example of how exciting this is.

Illustrious Sir Allan Mallquist, Past Potentate of Tebala Temple and our National Secretary for the Endowments, Wills and Gifts Committee, started working on this committee in 1956 when our Endowment Fund was just \$87 million. Now, some twenty-five years later, and he is still the hard-working Secretary he has always been, we have reached the fantastic figure of \$1 billion.

Now, please, do not think that we have all the money that we need because we do not. Our budget this year in order to run our eighteen Orthopedic Units and three Burns Centers is \$68,107,000 and now we are in double-digit inflation, just like the rest of business and, therefore, we must continue to tell the Shrine story whenever and wherever we can so that our members and the general public will continue to learn of the exciting things that we do for humanity, both in the Orthopedic field and in the burns field.

We are the greatest philanthropy in the world and we do not take one nickel from the Federal Government nor one dime from any insurance company and I hope and pray it stays that way. (Applause)

We are the purest philanthropy in the world because less than two percent of the money that we raise goes toward the cost of raising that money. Show me another charity or philanthropy that can touch that figure within fifteen or twenty points and I will put in with you.

Our competition is continuously amazed as to how we can do it and we do it because of dedicated Nobles like you, who believe, like I do, that we have the greatest philanthropy in the world, the Shriners Hospitals for Crippled and Burned Children.

We continue to need your cooperation in assisting our National Endowments, Wills and Gifts Committee.

If you Potentates and Chief Rabbans would provide in your budget a modest amount to be used by your Temple Endowments, Wills and Gifts Committee Chairman so that he can send out mailings and have other activities which require small expenditures, we would greatly appreciate it.

Our job is to tell the Shrine story and we are doing it very well with the very capable assistance (and I never thought I would ever say this) of Imperial Sir Gene Bracewell and his Public Relations Department. (Laughter and applause)

However, these two departments, Endowments, Wills and Gifts and Public

Relations need your cooperation in seeing that our message, through pamphlets and brochures, is widely distributed to our 936,000 members as well as the general public.

The seeds we plant today will bear fruit in the years to come. Please help us to plant those seeds by exposing our philanthropy in every way possible.

We have, to date, been very successful in raising money for Shriners Hospitals for Crippled Children and we can continue to be successful with your continuing reports.

Imperial Sir, that completes my report and I would move the acceptance of this excellent and favorable report. (Laughter)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Walker. Is there a second?

... The motion was duly seconded. ...

IMPERIAL POTENTATE H'DOUBLER: All in favor please say aye; opposed nay. It is unanimously carried.

Thank you, Walker, and now let's hear it for Walker.

... Rising applause ensued. ...

Now, Nobles, you have to appreciate the members of this committee because they are not out leading the parade, they are not taking fanfares, they are just doing the old work that puts this thing across and makes it possible for us to put together this beautiful program of expansion that you will be hearing about today and for several days to come.

As was said earlier, these are exciting times. Please go back and read your annual report to bring you up-to-date on where we are now and then we will show you where we are going.

I would now like to call upon our Deputy Imperial Potentate, Randy Thomas, to give us the report of the Investment Committee.

IMPERIAL SIR THOMAS: Thank you.

Imperial Sir, Imperial Sirs, my Fellow Representatives: Because of the hard work and generosity of many people, I have the pleasure of standing before you today as Chairman of the Investment Committee and presenting a very encouraging and optimistic report concerning the present condition of our Endowment Fund. My report will include the establishment of several new records or all-time highs.

Thanks to our tremendous support from Temples, individual donors, both Shriners and non-Shriners, our Endowments, Wills and Gifts Committee, private Foundations and many others, 1980 set a new all-time high for receipt of new money into our Endowment Fund.

For the year ended December 31, 1980, we received additions into our fund of new money totaling \$72.3 million.

In addition to this input of new dollars, we also witnessed a strong recovery in the common stock market at year-end.

Our total return for our investment management accounts for the year averaged 17.2 percent. When I say an average total return of 17.2 percent, that is a result of combining the numbers of all our various investment managers and includes the current income yield plus appreciation.

I would like to mention that in reviewing our accounts individually we found a good number reflecting total returns of twenty percent to thirty percent and our highest performing account for the year had a total return of 40.1 percent.

Because of a combination of the new money plus the good market environment, I have another all-time high to report. The total value of our Endowment Fund at December 31, 1980, for the first time in our history, passed the billion dollar mark. The actual value of the Endowment Fund totaled \$1,030,271,918.79.

Our fund was invested fifty-six percent in common stocks, twenty-nine percent in bonds and fifteen percent in short-term cash investments, such as Certificates of Deposit, Treasury Bills and commercial paper pools.

The Investment Committee continues to monitor the performance of our various

investment managers to ensure that our funds realize the maximum return obtainable without exposing our funds to unusual or excessive risks.

In conclusion, I want to state that the committee is pleased with the overall performance of our managers and our fund.

Imperial Sir, I move the receipt and acceptance of this report.

... The motion was severally seconded. ...

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion, which has been seconded. Is there any discussion?

If not, all in favor please indicate by saying aye; opposed nay. It is unanimously carried and let us give Randy and his Investment Committee a standing ovation.

... Standing cheers and applause ensued. ...

IMPERIAL POTENTATE H'DOUBLER: I think now everyone in this room is beginning to sense that this is a most exciting and wonderful time in which to be a part of our philanthropy.

At this time, I will again call on Randy Thomas, our Deputy Imperial Potentate, to give his report as Chairman of the Planning Committee.

IMPERIAL SIR THOMAS: Imperial Sir, Imperial Sirs, Illustrious Sirs and my Fellow Representatives all: For some time now, the Planning Committee and the Boards have been engaged in a review of our present hospital structure and the services provided in each facility.

For the past few years we have been aware of rapidly increasing demands for our services in the geographic area which we have described as the Southeast. For our hospital purposes, we have defined the Southeast Region as the area presently served by our Greenville and Shreveport Units.

Because of the rapid growth in this part of our country and the tremendous backlog of patients which we have built up in this region, the Planning Committee recommended to the Boards that a special committee consisting of members from the Board of Directors and the Board of Trustees be appointed and assigned the responsibility of studying the needs, along with the capabilities of our existing two hospitals, which serve the area.

As Chairman of the Planning Committee, I was pleased that the Boards agreed with our recommendation and the Imperial Potentate and the Chairman of the Board of Trustees appointed a special committee consisting of Richard B. Olfene, Chairman, W. W. Bennett and Webber Harrington.

In my opinion, they could not have selected a harder working group of men to undertake this important assignment.

Imperial Sir, at this point, I suggest we proceed with the several committee reports which we have prepared and which will give the Representatives a complete picture of our proposed program.

IMPERIAL POTENTATE H'DOUBLER: Thank you, Randy.

Before we do that, I want to first apologize to those who are standing. Tomorrow there will be more seats available in this room. Also, there will be microphones in the audience tomorrow. However, because of our time schedule today and the limited time available between the closing of our public opening ceremonies and this Session, the hotel did not have the necessary time to make the appropriate seating arrangements. Rest assured, however, come tomorrow, you will all have a place to sit and, as I say, there will also be microphones available throughout the audience which you will be welcome to use in connection with whatever comments you desire to make.

I will now call on Bob Turley, who will give the Jurisprudence and Laws Committee report concerning the Southeast Resolution.

IMPERIAL SIR TURLEY: Thank you, Imperial Sir.

This is the report of the Jurisprudence and Laws Committee of the Colorado Corporation dated July 13, 1981:
To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a Resolution, the text of which is as follows, viz:

"WHEREAS, the Boards of Directors and Trustees of the Colorado Corporation have received and unanimously approved the recommendations of a Special Committee appointed to survey the needs for orthopedic units of Shriners Hospitals for Crippled Children in the southeastern United States, which recommendations were submitted through and endorsed by the Long-Range Planning Committee of the Colorado Corporation after careful study and consideration of the report of professional hospital consultants engaged by the Special Committee; and

WHEREAS, such recommendations call for the establishment and construction of a new orthopedic unit of Shriners Hospitals for Crippled Children, which may be undertaken only after approval of the Members of the Colorado Corporation at its annual meeting, in accordance with Section 503.2 of the By-Laws of the Colorado Corporation; and

WHEREAS, notice of the proposed establishment and construction of a new orthopedic unit must be given to the Members of the Corporation, in accordance with Section 503.2(c) of such By-Laws; and

WHEREAS, the comprehensive nature of the recommendations of the Committees and their professional consultants is such that the Boards of Directors and Trustees believe that such recommendations should be considered as a whole by the Members of the Colorado Corporation at its annual meeting next to be held in New Orleans, Louisiana, in July, 1981;

THEREFORE, THIS RESOLUTION, which is unanimously and enthusiastically endorsed by all members of both the Board of Directors and the Board of Trustees of Shriners Hospitals for Crippled Children, will be presented to and recommended for adoption by the Members of the Colorado Corporation at its next annual meeting, in the following terms and provisions, to wit:

RESOLVED, that a new orthopedic hospital with a bed capacity of forty patients, designed so that it can be increased in size if the demand warrants an increase, be constructed at Shreveport to replace the present aged building; that, if it proves to be feasible, the new building be located upon the Shreveport property presently owned by the Corporation; but that, if it be not feasible to construct the new building on such property without materially interfering with the care of patients in the present building during construction, or for some other reason, that a new building site at Shreveport be acquired; and

FURTHER RESOLVED, that action be taken to acquire a new building site at Greenville, if necessary, for the purpose of construction of a new orthopedic hospital to replace the present facility at Greenville and to be occupied not later than 1990; and

FURTHER RESOLVED, that a new orthopedic unit of Shriners Hospitals for Crippled Children be established in Florida upon some site to be selected in the Tampa area; and that a new hospital facility, with a bed capacity of approximately sixty patients, be constructed to serve the crippled children of Florida, Alabama, and parts of Georgia; and

FURTHER RESOLVED, that \$50,000,000 of the funds of the Corporation be appropriated for the implementation of this Resolution, including (1) the acquisition of a site in the Tampa area; (2) the acquisition of sites, if necessary, at Shreveport and Greenville; and (3) the construction costs of new hospital facilities at both Shreveport and Tampa (but not including the costs of construction of a new hospital facility at Greenville); and

FURTHER RESOLVED, that in accordance with Sections 508.7 and 510.0(b)(1), the Board of Trustees and the Committee on Buildings and Equipment be hereby authorized, empowered, and directed to take such steps as are appropriate and consistent with the By-Laws of the Corporation to fully implement all provisions of this Resolution with deliberate speed, making progress reports to the Members of this Corporation at its annual meetings from time to time until the provisions of this Resolution are fully implemented.

The Committee reports that the Resolution is in proper and legal form, and that it will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

AND LAWS

IMPERIAL POTENTATE H'DOUBLER: Thank you, for a fine report.

Now we will call upon our Imperial Assistant Rabban, Richard Olfene, to give the Southeast Committee report.

IMPERIAL SIR OLFENE: Imperial Sir, Imperial Sirs and my Fellow Representatives: Unless there is an objection, I will later ask two members of our consulting firm to participate in our presentation today.

IMPERIAL POTENTATE H'DOUBLER: Is there any objection? Hearing no objection, then it is certainly in order.

IMPERIAL SIR OLFENE: Thank you, Representatives.

You have heard some glowing news today—first the report of Walker's committee and the wonderful work they have done and the results, followed by the report of the Investment Committee, telling you as to the conditions of our fund and to the yield and return that we are undergoing.

As a member of the Long-Range Planning Committee, it is our duty to plan for the Shrine for the future.

Let me say to you new members who are here, and please pardon me if I am repeating some of this to some of you who are here, but for many years now the record has indicated to us that between thirty and thirty-eight percent of the Representatives who come here every year are here for the first time.

Now, you may be already confused because the Shrine works in two corporations—the Iowa Corporation, which is the Fraternal, and the Colorado Corporation, which is known to us as our Hospital Program.

This is what we are talking to you about today—the Colorado Corporation.

Now, you have already heard it said by Walker that our 1981 operating budget is in excess of \$69 million. I am pleased to report to you that in the recent past years and projected for 1981 and, hopefully, projected in future years, that we are now generating operating surpluses in the Colorado Corporation.

Now, let me tell you, in layman's language and as best I can, additional facts I think you should know.

First of all, our source of income to run these hospitals comes from three areas or resources. The prime one is the income from the Endowment Fund that you have all worked so hard to build up.

The second source of revenue is the five-dollar assessment that each Noble pays when he pays his dues.

The third source of revenue, small as it may be toward the total, involves some miscellaneous unrestricted income that does come into the corporation.

I am pleased to tell you that our surpluses for the last two or three years, which is the operating fund less the cost of operating our hospitals, have been running in the range of about \$20 million a year. Again, that is surplus.

Now, some might say—"What are you going to do with that?" Well, our answer to you is that this is what we are going to do with it today. We will, as we continue here, define the needs which we are going to present to you in the next few moments and then we can also tell you that we have the monies to do the job.

In other words, we have taken these surpluses, we have planned and we have earmarked and we have moved them over into a fund specifically for the purpose of the long-range improvement of our hospital operations and that includes the upgrading of our physical plants and looking at areas all over North America where our needs can be established and confirmed.

Now, in so doing, I want to read to you a couple of short paragraphs from the letter of instruction to me and to my committee from the Chairman of the Board of

Trustees. He addressed this letter to me under date of September 12, 1980, and he said as follows:

"Confirming action taken by the Planning Committee meeting in Tampa on September 10, the Imperial Potentate, F. T. Hogan H'Doubler, joins me in appointing a special committee to be known as the Southeast Committee, for the following purposes:

"To investigate the comprehensive short- and long-range needs for Orthopedic services of Shriners Hospitals in the Southeast and make recommendations to the Planning Committee as to what action is necessary to fill those needs."

Well, that letter said to me, "Dick, go to work; you are the Chairman."

Now, the other two members of my committee are also conscientious and qualified members of whom I am extremely proud. They are Woody Bennett and Webber Harrington.

Also, I want them to be in a position to help me answer any questions that you may have upon conclusion of my presentation and so, at that time, I would ask them to come up here and sit in these chairs so that you, in turn, may know exactly who they are and also know that they were vital to us in our work on this committee.

Now, after the committee had met and we knew what our assignment was, we turned to our in-house people at Tampa—we turned to our Executive Administrator—we turned to our Medical Advisors and we turned to the office of the Vice President of the Colorado Corporation and we said to them, "This is the kind of information we think we need. We need statistical information that relates to Greenville, Shreveport and state by state as to what is happening in the Southeast—what is the history, what is the future of growth, not only in the general population but broken down into categories by age so that we, in turn, can get a handle on those as they would fit into our program."

Well, they supplied us with exactly the information we requested of them.

We had all kinds of charts and maps, many of which were also gotten through the United States Government in Washington. However, we do not want to bore you with the details involving all of those. I only tell you about those in order to assure you that we have left, in our judgment, no stone unturned in relation to this investigation.

Now, when we completed many of these studies, reviewed them and passed them back and forth and also talked to hospital people and others, Shriners in the Southeast, we said that, as a committee, unanimously said, we did not want to come before you with a presentation and have you, in turn, think that all of our information was generated by our own in-house paid employees who, someone might think, could in one way or another "slant" that information. Of course, I firmly believe they would not ever do that but then there is always that possibility that someone might think along those lines.

Therefore, with that in mind and with the approval of the full Planning Committee, we searched the country looking for a consulting firm who specializes in the hospital and health care field.

Well, after much study and much review, we located such a company. Their headquarters are in Houston, Texas, and the name of the company is Robert Douglass and Associates and, in order to help me with my presentation today, which you have already given me the courtesy of being able to do, I would like to bring forth to the stage now two members of this firm. They are coming from over there.

Now, I am going to introduce them to you and tell you just a little bit about them and what they did and they, in turn, are going to give you what I consider a pretty good and knowledgeable highlight presentation in relation to which we seek your concurrence.

Now, to prepare you for this, the committee authorized the Douglass people, after our approval, to prepare this (indicating) little mushroom colored brochure and we directed this be mailed to you and I think most of you have received it about ten or eleven days ago.

Now, in relation to you people from Canada, the day we were scheduled to mail this, your country went on a mail strike. However, we did the best we could. We have had another batch of these printed and have put one in each of your packets

and these contain some of the highlights that came from the report of Robert Douglass and Associates in relation to which I hold here the full report, which consists of some sixty-odd pages in length.

Now, by doing this and putting a cover letter in here and by designating and indicating that we would take this issue up before you on Monday afternoon, we feel we have been totally open with you—giving you plenty of opportunity to review in your own mind the whole proposition.

Now, what I would like to have you do at this point, is to listen to the members of this consulting firm.

Now, before recognizing them, let me say that I sat down with their President and said to him, "Now, let me tell you something, Buster. I don't want you people to come back in here with something you think we want to hear because if it is something you think we want to hear, we don't want to have anything to do with you. I want you to come back in here and tell me what you have found rather than whether it is good, bad or indifferent."

Well, they went on their merry way and we did not further touch them. They are professionals in their field.

Now, in order to make this presentation, let me first introduce to you, so you may know him in the event you want to direct any questions to him later, the individual who worked on this particular project for this company—Mr. Jay Cushman.

I would just like to have him stand at this point. Now, fellows, don't give him a hand until you have heard the end of his report. However, that is Jay, the Project Manager for this project.

Now, the man who is going to speak and present for the company is the President of the firm. I would now like to introduce him and have him come to the podium and continue presentation in behalf of the firm. I would now like to present to you Mr. Merlin Olson. (Applause)

MR. MERLIN OLSON: Thank you, Mr. Olfene.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Imperial Council Representatives: Our company is pleased to be here today to present and discuss a report with you and we are likewise pleased that you invited us to undertake this important project.

Our company is a specialist in hospital management, planning and consulting services. We have, for example, hospital administrators on our staff who look at hospital operations; we have hospital planners, who look at new and remodeled and changing hospital conditions and then we also have a series of hospital design specialists and architects who look at hospital facilities and building needs.

Now, as Mr. Olfene indicated to you, I believe, we were retained approximately three months ago by the Southeast Special Purpose Committee and were charged to answer three questions—is there a need for an additional Orthopedic Unit in the Shriner's system and particularly does that need exist in the Southeast Region; secondly, if the answer to the question is "yes," there is a need, where then should it be located within the Region? Finally, what will the impact of such a new unit be on the two existing crippled childrens units that exist in the Region, one at Greenville and the other at Shreveport?

Mr. Cushman, as well as others on our consulting staff, undertook this study and presented a full report to the Special Purpose Committee, as well as to the Joint Boards some four and a half weeks ago. That report was received by the Joint Boards and acted upon unanimously.

What we would like to do today is, in a very brief period of ten minutes, walk you through the findings of our study; the temporary conclusions that we drew and the recommendations we bring to you, this full body, as to our report.

Now, can we please have the lights dimmed.

[Slide]: Now, even though it was our charge to identify specifically the need and demand, such as it might be found to exist in the Southeast Region, we undertook an entire study of our entire hospital system throughout the United States.

The units as they exist, eighteen in number, are spread from coast to coast, as all of you are well aware, with good geographic deployment but, as we examined

each of the units and studied the data obtained in relation to each of them, we noticed each of the several units served a separate service area.

[Slide]: This just shows at random the Los Angeles Unit. Now, as you know, this is not exclusively within the City of Los Angeles but because of the several Temples with which it is affiliated and from which patients are identified, it serves Southern California, parts of Nevada and almost all of Arizona.

Likewise, the Twin Cities Unit at Minneapolis-St. Paul, although it is in a single metropolitan area, by virtue of its Temple affiliation, it is related to active patient programs in Minnesota, Iowa, parts of Wisconsin, all of North Dakota, all of Nebraska and parts of South Dakota.

Each of your eighteen units has a similar kind of service area orientation.

[Slide]: Down in the Southeast, the unit at Greenville that can be seen on this slide, serves an unusually large service area. Temple affiliations extend from Virginia in the north all the way to the State of Florida in the south. You will also be noting that this large service area is a complicating factor.

[Slide]: The important service area characteristics, when we examined them, had to do with population—how many people live in the entire service area in toto—and then, what is the Shrine membership in that service area and, further, what is the total supply of Orthopedic beds, both from Shriners Hospitals as well as other hospital facilities?

[Slide]: Now, in looking at the nation as a whole, we took a look at the total number of Shrine beds based on population and growth.

Now, on the lefthand side you see a system-wide average. There are that many beds per million population nationwide. However, the Shreveport area has a significantly greater number of beds per population and Greenville significantly less.

For example, there are more people to be served in Greenville and fewer people to be served at Shreveport than is true of the system as a whole.

[Slide]: We also wanted to take a look at how many beds there were per Shriner in the system and in the service areas.

Now, I previously talked about population but this one is for Shriners. Nationwide, there is roughly one bed for every thousand Shriners in the system.

However, in the Shreveport service area, that was one and a half beds for each thousand Shriners and in Greenville there is less than half a bed per Shriner in the several Temples affiliated.

[Slide]: We also took a look at the service areas all across the system, across the nation, identifying Shrine membership.

Now, down at the low end, as might be expected, is Hawaii and Mexico. Way out here (indicating) is Greenville and then, somewhat less in the middle is Shreveport.

Specifically, Shreveport has a Shrine membership of 39,000 and Greenville 147,000.

[Slide]: Also, population trends of the entire state were factors that led us to conclude, yes, indeed, the southeast region was an appropriate place to examine the possibilities of a new hospital.

In the decade since 1970, for example, the United States population has grown by eleven percent and the Southeast, as a multi-state region, has grown by twenty percent and, further, the State of Florida alone has grown by forty-one percent.

Now, demographers at the national level suggest these trends are going to continue—that the Southeast will continue to grow at a faster rate than the nation as a whole and that within the Southeast, Florida will be the fastest growing.

[Slide]: This slide, on the other hand, looks at the changes in Shrine membership. It is of one year in duration, 1979-1980.

In the past year, 1979-1980, for the first time, total Shrine membership, in all Temples decreased by four-tenths of one percent. In that same time period, however, when the total membership nationwide, interestingly enough, was reduced, the Shreveport service area grew by seven-tenths of a percent and Greenville by nine-tenths of a percent and the State of Florida by an unprecedented 2.7 percent.

Now, let me quickly tell you what these numbers mean.

Quickly, those two bars in the middle, for Shreveport and Greenville, suggests that the Shrine membership in those areas has grown at the same rate as the nation's population. However, the growth of the Shrine membership in Florida has increased three times as much or three times as quickly as the national rate.

[Slide]: Having looked at service areas and characteristics of each, we then identified three important characteristics that should be analyzed regarding individual hospitals throughout the system.

The first of these was the bed occupancy—that is, what percentage of beds are filled at any point in time?

Secondly, the waiting list—how long does it take for a crippled child to be admitted once they have gone through the system?

Then, lastly, the condition of the facility as reviewed by our physical facility experts.

[Slide]: Now, in terms of bed occupancy concerning the system as a whole, nationwide, you have roughly a sixty percent occupancy. However, the unit at Shreveport was at fifty-three percent and Greenville was eighty-three percent.

This figure of sixty percent nationwide is within the normal limits of specialized crippled childrens hospitals. However, it does include Shreveport at less than average but, most importantly, we find that Greenville is significantly more than average and, in fact, we would tell you, as professional people, that an occupancy of eighty-three percent is excessively high and will tend to have children turned away.

As a matter of fact, when we measured the waiting list per bed, suggested that at any point in time there are three children waiting for admission and that at Shreveport, the number was as low as 1.3 children per bed waiting to be admitted.

[Slide]: Now, a physical facility analysis on Greenville, which was constructed in 1927, suggests that the building is in generally good condition but it is functionally obsolete.

Now, this suggests, in turn, that because it was designed as it was, that several of the areas that were appropriate in the first few years following its construction in 1927, simply are no longer appropriate when compared with the given changes in technology of medicine and the like.

So, the building is good, though not perfect. However, it is functionally obsolete.

Our architectural and design staff suggests that this building has a remaining useful life of up to ten years.

[Slide]: The Shreveport unit, on the other hand, constructed some three years earlier, in 1924, is functionally obsolete, just as was Greenville, but the building itself is in poor condition. In fact, the building deficiency and structural problems have led to difficulties in accredited status by the Joint Commission on Accreditation of Hospitals and this non-compliance issue, together with the applicable safety codes, produce a life-safety hazard.

It is the opinion of our design staff, their professional opinion, that this building has no remaining useful life.

[Slide]: Now, a summary of our findings regarding these two units in the Southeast are, for example, that the Greenville Unit is over-utilized. That means that it is crowded and its service area is over-sized.

The Shreveport Unit, on the other hand, is under-utilized. However, it is functionally obsolete.

[Slide]: The solution to those problems would clearly be to recommend the building of a new Orthopedic Unit to serve Florida, Southern Georgia and Alabama and to replace the Shreveport Unit with a new unit containing fewer beds.

Thus far we have identified need and appropriateness for the new unit in the region.

[Slide]: Where then, should it be?

Well, here we have the Southeast Region. It is very large and has but two units—Shreveport at the extreme western edge of the Region and service area and Greenville, which is somewhat more central but indeed fairly north and, indeed, removed from the entire State of Florida, that state, again, being the fastest growing in terms of population and in terms of Shrine membership.

[Slide]: The service areas of these two units are shown on this slide.

The green area, all of these states extending from Virginia to Florida and including part of Alabama, is the service area of the Greenville system.

The area in red is the service area of the Shreveport Unit alone—that is to say, only the Shreveport Unit serves patients and Shrine Temples in that area.

The blue area of Arkansas, parts of Oklahoma and a small portion of Texas are shared service areas—served jointly by Shreveport and other units.

It is interesting to note on this slide, if I may, that there are now seven percent of the total beds in the Shriner's system in this green area but it represents some fifteen percent of the nation's population.

Seven percent of your beds are in the green area; fifteen percent of the nation's population is in there.

Conversely, however, seven percent of your beds are also in the red area but that represents a greater percentage of the nation's population.

[Slide]: Now then, we believe that a new service area should be identified. It should be carved up to include all of Florida, parts of Georgia and most but not all of Alabama.

This would be a new service area to be serviced by a new facility.

[Slide]: In attempting to examine the several sites in that new service area that should be considered, we identified four factors and criteria.

The first one, we believe, is an important one—proximity to a medical school. The value of important services that you offer for care and treatment of crippled children is augmented by educational programs and research.

We believe that patient care and particularly educational research programs are critical to the future of your system and we believe those prosper best in a medical school setting.

Secondly, of course, is proximity to population. How many people, for example, are there in the area to be serviced and particularly is the unit in consideration fairly central to the service area it is going to serve?

Thirdly, we have demonstrated from our analysis a critical need for proximity to active Temples.

The volume of children admitted to your hospital is a function of how active you and your fellow Nobles are in reviewing applications and arranging the admission of children.

Finally, the last item is that of sustainable bed capacity.

You will see in the next materials that we present that size of the hospital varies by population factors and, as professional hospital consultants, we suggest that the larger number of beds that can be sustained the better off the efficiency of the hospital.

[Slide]: Now, within the entire Southeast Region, we looked for various sites for location of this facility and, after looking at them in some depth, we selected four areas to look at in greater depth—Jacksonville, Florida; Gainesville, Florida; Tampa, Florida; and Miami, Florida.

You will recall that the service area that we designated would be all of Florida, parts of Georgia and Alabama.

[Slide]: Now, let us look at each one of these in relation to access to population. How far would the patients have to travel to get to each of these various sites?

We again examined the access of the active Shrine sponsors—how far away were all affiliated Temples—and we took a particularly careful look at the absence or presence of competition—that is, other children's hospitals or children's beds devoted to Orthopedic services, whether they were operated by the Shrine or not.

[Slide]: This matrix, as a matter of fact, is a summary of our entire findings on analysis of alternative sites for the location.

Now, on the lefthand side, for example, you will find such factors as medical school availability, population, Temple competition, bed capacity, how big and then across the top you will find the locations of Jacksonville, Gainesville, Tampa and Miami.

Our assessment was put in three categories of good, fair and poor.

You will notice, for example, that Jacksonville, on the left, has a fair relation to a medical school. There is none in Jacksonville in and of itself but the hospital and health care facilities there are affiliated with the medical school existing in Gainesville.

Proximity to population—Jacksonville is a medium-sized city but reasonably central to the entire region to be served.

It does have an active Temple and it has an absence of competition.

At the other end of the chart is another example, which is Miami.

It has a medical school and even though it is a large metropolitan area, it cannot be given a good rating on population because it is so far away from Georgia and Alabama, which would have to be served by the unit.

It has a Temple active, but not dramatically so, in producing admissions at Greenville and we believe this is because of the distance to be travelled. Further, there are children's facilities in the Miami area, though they do not have specific or extraordinarily actively developed new programs.

Now, when you look at Tampa, you will find that there is a medical school in Tampa, the University of South Florida, with an active Orthopedic program and with opportunity to expand.

Also, Tampa, which is on the Gulf Coast of Western Florida, is the fastest area of growth and its population within the state, as a matter of fact, is among the four highest metropolitan areas in projected growth for the next decade in the entire United States.

Further, Tampa has an active local Temple and it has a fair rating on absence of competition.

There is a children's hospital in the neighboring city of St. Petersburg, but not a children's hospital in Tampa itself. The existing hospital in St. Petersburg does not have a separately identified Orthopedic program scheduled for major growth.

Finally, a word about the bed numbers across the bottom.

Our assessment of demography, admission rate, influence of need, if the hospital were close to Jacksonville, even though we are not recommending it be there, it should be about fifty-five beds; Gainesville fifty-four; and Miami, fifty; but, indeed, sixty beds can be sustained in Tampa.

[Slide]: Therefore, by way of summary, Greenville is over-utilized in relation to its service area; Shreveport is under-utilized and the facility is obsolete. An additional unit in the Southeast is desirable and could be constructed and justified and we believe Tampa is the best site for such an additional unit.

[Slide]: Now, our recommendation to you, as you heard earlier—build a new sixty-bed unit in Tampa, Florida and build a new forty-bed unit in Shreveport, Louisiana.

[Slide]: And now, Nobles, based on some 220 projects that Douglass and Associates has done in the last seven years, we are convinced there is a legitimate, documented need and justifiable need for a new hospital in the Southeast and we also believe that an additional unit in Tampa would allow you to continue your excellent service for crippled and burned children.

Thank you very much. (Applause)

IMPERIAL SIR OLFENE: Thank you, Merlin and, gentlemen, was that not a pretty good job of putting this together for us?

Now, without a comparison of notes here, they told us just about what our in-house people told us from their information.

On the basis of all of this information, we then became convinced. We knew that the Shrine had an opportunity—an opportunity to move into a new era.

It was in the early sixties, for example, when we last embarked on an expansion program and that was when we entered the burns field.

You know, the way I see our product in the Shrine, which is the treatment of crippled and burned children, the only way we are going to survive, the only way that the program of this Fraternity and philanthropy is going to survive is that we have to produce a better finished product—nothing less.

Today, with insurance available, Federal, state, municipal and all kinds of medical services available, children can be treated in their home areas for Orthopedic care, for some burns in some areas and, on that basis, what in the final analysis do we then have to sell. Nobles, it is better treatment—treatment of excellence.

Now, how do we provide this? We provide it by being enthusiastic. Also, by being enthusiastic, there is only one way we can go and that is forward in order to provide the need and quality of service that you and I want these crippled children to have.

Now, gentlemen, we can go on with many more remarks to you. However, we thought you would mainly be interested in the highlights. We think we have other answers if you have other questions.

Now, there is one more thing and that is that I presume there are some of you sitting out there and saying, "Well, how did you arrive at the amount of money you want to put forth in relation to this program?"

Well, let me tell you, it was with a little bit of difficulty because we were not quite sure—because, until you give us the green light, we could not proceed to have architectural drawings or shop drawings or schematics made and, further, acquire the necessary property. Therefore, we used our best business judgment, based on some present building programs we are in and from that we have, again in our best judgment, also considering the current inflation rates and construction costs, that we could do the job for what we are asking.

Now, of course, this was done in connection with our best forward thinking and, of course, the best advice from accountants that we could get. As a matter of fact, Webb Harrington helped us tremendously in relation to that because he is an accountant. He did help put the figures together and, by the way, he has also just been going through the Portland issue. He served there on the Board for many years and his expertise was just enormous and we are so grateful to you, Webb.

He was the one that helped us generate an accounting factor and get us to a formula that we could apply in relation to all of this.

Now, as we go on, we may make adjustments, who is to say, but we do think this is a realistic figure and I will also assure you that we will not spend one dime more than we need in order to do the kind of job that you and I want the Shrine to do.

Now, I would like to mention one other fact and that is that I want all of you to know that the full committee went to each of our existing units. We visited Greenville and we then went and visited Shreveport and our findings were much the same as the Douglass people arrived at.

Greenville, is tremendously overcrowded. It is a sixty-bed unit. It is becoming outdated. We met with the Chairman there and several of his Board members. We toured the building, going from the basement to the attic. Now, as was indicated to you, that building has a life left of approximately ten years.

We then followed that visit by going to Shreveport and there we were all appalled. You would not be proud of the physical plant that we have in Shreveport.

Again, we met with the full Board there and, as a matter of fact, scheduled our visit on the day of the Board meeting.

I also want you to know that the Greenville people, who would be mostly affected by this spin-off, if you will, of the new unit, they enthusiastically support this new proposal and, in fact, they said to us, "Fellows, we wish you had done it some years ago because we cannot get children into that unit before months and months of waiting."

By the way, about twenty-five percent of the patient load in Greenville comes out of the State of Florida.

We believe we have an exciting program. Your Long-Range Planning Committee, in its judgment, is going in the direction you want us to go in. We have the funds and our purpose is to serve the need and so let's do it.

Let us start the Shrine today moving forward into a new era and where you can go home to your Temple members and say, "Fellows, I was fortunate, I was privileged to represent you when we moved the Shrine forward again."

Imperial Sir, I would move for the adoption of this resolution and implementation of it.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion made and seconded, to adopt and implement the resolution. The issue is now open for discussion. Is there any discussion?

...The question on the motion was severally called for...

IMPERIAL POTENTATE H'DOUBLER: The question has been called for.

All in favor of the motion indicate by saying aye; opposed nay. The motion is carried and I will now call on Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives, I, too, would like to have a unanimous rising vote on this but there is a provision in the Colorado Corporation By-Laws that requires a written ballot when we either close or acquire or establish a new unit and so I must advise you, Imperial Sir, that we have to have a written ballot on this.

IMPERIAL POTENTATE H'DOUBLER: Thank you, Bob, for that correction.

I will now call on Joe Howell, Chairman, Election Tellers, to come forward and explain this ballot to us.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives: First let me say that we do have a problem here today and I hope that you will bear with us.

We have thirty seats wide, fifteen rows deep and we will have to take up this ballot by crossing ballot boxes. I hope you will vote promptly, therefore, and continue to pass the box.

Later this afternoon, if we have another ballot just before we recess, then we can take up the ballots at the door.

When the Imperial Potentate gives you the ballot number that you will use, please tear it out of your book and be sure not to tear out but one. If you tear out two, you will lose your ballot. Therefore, be sure and vote with the right ballot because if he calls for ballot number two and you vote with ballot number three, you will have an ineligible vote.

IMPERIAL POTENTATE H'DOUBLER: I will ask that you all take ballot number twenty-seven.

Again, by way of additional information, if you are in favor of the resolution before you, mark your ballots with a "yes" vote; if you are opposed, mark it with a "no" vote.

Also, I would suggest that you keep your stubs as a souvenir because, fellows, we are making history here today.

...At this point, balloting and collection of ballots ensued...

IMPERIAL POTENTATE H'DOUBLER: Has everybody voted? I will declare the ballot closed. (Gavel)

If you will notice, Nobles, we are extremely crowded in this room. However, if you will settle down and be seated, while we are waiting for the results of this ballot, we will continue with another item of business.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I believe that Joe Howell is here to report on the last ballot we took. May we please have your attention.

NOBLE JOE HOWELL: It is with pleasure that I give you the results of ballot number twenty-seven.

There were a possible 815 votes; 647 actually voted. There were two spoiled ballots. Necessary for choice were 432. The "yes" votes were 598 and the "no" votes were 47.

...Cheers and applause ensued...

IMPERIAL POTENTATE H'DOUBLER: I will now declare the meeting in recess until Wednesday morning following the completion of the Imperial Potentate's Pageant.

...The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation recessed at four-forty seven o'clock p.m....

MORNING SESSION
WEDNESDAY, JULY 15, 1981
ELEVEN-TWENTY-FIVE O'CLOCK A.M.

The Annual Meeting of the Shriners Hospitals For Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at eleven-twenty-five o'clock a.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: Nobles, we will now recess for lunch. It is now ten minutes to one. We will reconvene at two-thirty. We can only stay until four-thirty because they have to get ready for the banquet. That means we are going to have two concentrated hours this afternoon. Please be prompt.

... The Annual Meeting of Shriners Hospitals For Crippled Children, a Colorado Corporation, was recessed at twelve-fifty o'clock p.m.

AFTERNOON SESSION
WEDNESDAY, JULY 15, 1981
TWO-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at two-thirty o'clock p.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: Now we will get on with the election of Trustees (members of the Imperial Divan and the immediate Past Imperial Potentate).

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives, I would like to place the names of the following Imperial Officers before you for election to the Office of Trustee: Randolph R. Thomas; Imperial Potentate Elect; Daniel E. Bowers, Deputy Imperial Potentate Elect; Richard B. Olfene, Imperial Chief Rabban Elect; Webber Harrington, Imperial Treasurer Elect; and Dr. F. T. Hogan H'Doubler, Jr., almost Junior Past Imperial Potentate.

IMPERIAL POTENTATE H'DOUBLER: Was that in the form of a motion?

IMPERIAL SIR JONES: Yes.

... The motion was then severally seconded, voted upon and declared to be carried...

IMPERIAL POTENTATE H'DOUBLER: Now, I will ask the candidates for the three-year terms of office for Trustee of Shriners Hospitals for Crippled Children to come up to the stage with their nominators and, while that is taking place, at this point I would like to call on our Parliamentarian, J. B. Hopkins, to explain this in detail.

NOBLE J. B. HOPKINS [Parliamentarian]: Thank you, Imperial Sir.

A number have asked the question and I have given a tentative ruling subject to my desire to discuss it with the members of the Jurisprudence and Laws Committee, which I was privileged to do with six of the seven members of this Committee, concerning the question as to whether or not you could vote for one or two of the three positions that are open. Now, while the By-Laws are silent on the subject in the Colorado Corporation, although it is settled in Iowa, the ruling is properly that it is a tradition and custom and, therefore, we are bound by it unless this assembly chooses to have a different method in the absence of a specific provision in the By-Laws.

The purpose, of course, is to prevent any accumulative voting and, in that regard, there have been some questions asked by some of you as to whether or not you could vote "John Smith, John Smith, John Smith". Let me say to you, you cannot do that. That would be a void ballot.

Now, are there any questions about this? You must vote for three different nominees running for the position of Trustee. You cannot vote for one or two—you must vote for three, and they must be different votes because of tradition and custom.

The Jurisprudence and Laws Committee, I am happy to say, unanimously concurs in that feeling.

Now, I gave you some quick decisions the other night at eleven-thirty and then some others subject to my desire as Parliamentarian to speak to those learned gentlemen from Jurisprudence and Laws and we struggled through even without the sagacity and wisdom of its able Chairman, Bob Turley. (Laughter)

IMPERIAL POTENTATE H'DOUBLER: Now, please understand that the three you vote on must be candidates. You cannot write in somebody, is that correct?

If you write in a name other than three of those nominated, yours will be a void ballot.

Now, will the candidates please come forward and we will have a drawing to see the order in which they are to be nominated.

...Whereupon, the drawing for position relative to nomination ensued at this point...

IMPERIAL POTENTATE H'DOUBLER: I will ask Dwight Worthy to sit on my far right, your far left. The second seat will be occupied by Dr. LeRoy Wolever; the third by Robert J. Turley; the fourth by Winner F. Delp and the fifth by C. Howard Bozeman.

At this time, I will call on Past Potentate Robert J. Lawton who will nominate Dwight Worthy.

NOBLE ROBERT J. LAWTON: Imperial Sir, Imperial Sirs, Fellow Imperial Representatives and Nobles All: Our Imperial Potentate has told us that our Shriners Hospitals stand at the threshold of a new era. We have also read with great pride our illustrious history contained in the "Parade to Glory" recently updated by Past Imperial Potentate Orville F. Rush.

We know our past, we know our present and we must now look to our future.

Over the past several months, we have informed each Representative that we most sincerely believe that there is a need to elect as a member of our Shriners Hospital Board of Trustees an individual who possesses the talent of a professional health care administrator.

The threshold of a new era and the treatment of excellence demands that we apply ourselves to the election of an individual who will be able to interpret and relate to executive management and communicate with the Board, having professional knowledge in the health care field.

Nobles, in addition to our existing Orthopedic Hospitals and three Burns Institutes, we have, by this Session, added another Orthopedic Hospital in Tampa, Florida, which means we are now operating in 16 states and two foreign countries.

Our candidate, a fully qualified professional health care administrator, is mandated by his state's standards to continue health care education and requalification every two years.

Since 1965, he has regularly attended continuing health education seminars at the Wharton School, University of Pennsylvania; Harvard; Cornell; Columbia and New York University; as well as the University of Chicago and other highly regarded institutions.

In order to administer a hospital facility, there are complex rules and regulations. An example of which I have before me, one state's code, which is subject to continuing changes and which involves an intricate knowledge of operating procedures in the health and safety fields. In addition, the Joint Commission on Accreditation of Hospitals, which accredits each Shrine Hospital facility, has now informed us that a major revision is required in the operational compliance of all facilities.

Nobles, today we have the opportunity to elect an individual whose profession is an owner and health care professional administrator of a facility which contains 284 beds and which is by any standard a large health facility. This illustrious Noble has served on state as well as county committees in connection with legislation, fire and safety, finance, personnel and professional staffing and other activities directly related to our needs.

Our candidate has distinguished himself in Masonry and has even attained the heights of the Scottish Rite by being coroneted with the Thirty-Third Degree.

This illustrious Noble is a business success and has for the past five years served our Philadelphia Hospital on its Board of Governors, where he has provided his professional input and has effectively become a part of the team which has now developed the first spinal cord injury center for children in the United States.

Nobles, our business is operating hospitals. The composition of the present Board of Trustees includes engineers, contractors, manufacturers, business executives, insurance and industrial specialists, lawyers, judges, certified public accountants, realty investors and physicians. We firmly believe that the treatment of excellence demands that we elect one health care professional administrator as Trustee.

We have the opportunity now to set aside personal preferences and geographic locations that satisfy our mutual need and it is for these reasons that I place in nomination for the Office of Trustee of Shriners Hospitals, the name of a fully qualified health care professional administrator—Illustrious Sir Dwight T. Worthy.

Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you very much, Bob.

I would now like to call upon Past Potentate Lee Peterson, who will nominate Dr. LeRoy Wolever.

NOBLE LEE PETERSON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: After this fine lunch, I hope you will all stay awake because this is important.

All of us have a serious obligation which requires a united and dedicated attention.

Last year I stood at this Imperial Podium and I told you I would speak slowly and lucidly so that you could hear and understand. I believe you heard me because you were quiet. I hope you were not asleep but I am not sure you understood me and my effort to introduce to you our candidate, Dr. LeRoy Wolever.

You know, we have the greatest philanthropy in the world and so let us treat it as such. We, the Representatives, elect these gentlemen and then five as a group are elected from the Imperial Divan. They, in turn, manage and operate our hospitals within the Colorado Corporation budget. They enact regulations, control and supervise the staff and promulgate the standards to be observed.

Yet we let someone else tell us how to vote. We let someone else mark our ballots when we go to the toilet or when we turn around and say "who are you voting for, Noble"?

Do not do this. Please listen to me and others and you will understand.

If I told you if you could find, for this position, a man that was active in all phases of Masonry, experienced in hospital administration, experienced as a hospital Chief of Staff, acting in the practice of medicine, active in various medical associations, capable of speaking to groups, even his peers, working with political groups, cities, counties and even regulatory agencies and who had received awards for his excellence in relation to this work, if I told you your life depended on it, I am afraid that you, like me, might be frightened and possibly you would say that this is not possible at any cost.

However, you are wrong. I have an individual such as this for your consideration.

I present to you as this individual, Dr. LeRoy Wolever, a medical doctor, a Noble, a person who is a very abled doer; a person that has achieved awards that cannot be purchased and in relation to which there was no politics involved; a man who does not know failure. He will always give you a smile and will give you the information that you want and, further, he will be pleasant about it. He is no stranger. I will vouch for this.

His affection for his children is no secret. He gives of his time to work with hospitals.

Now, let us go over some of these achievements and things that I told you we had in connection with this man.

He is a Past Potentate of his Temple and was raised as a Master Mason in Midwest City Lodge in Oklahoma. He was knighted a Knight Commander Corps of Honor in his Scottish Rite. He is active in his Scottish Rite as a Trustee of his Scottish Rite body. He is also a member of the York Rite.

He has received the Royal Order of Scotland, the Red Cross of Constantine.

He is a Jester, belongs to the Eastern Star, has served as an Imperial Representative for several years. He is a Past Commander of the Legion of Honor of his Temple and he is an active Mason and Shriner.

In relation to his medical background, and I would like to have you particularly listen to this, he graduated from the University of Oklahoma. He is a Fellow of the American Academy of Family Practice, a Diplomate of the American Board of Family Practice, a Past Owner and Past Chief of Staff of the Masonic Hospital at Cushing, Oklahoma.

He has previously served on all of the major Hospital Committees in his area such as Credentials, By-Laws and most importantly, hospital utilization and peer review, which our hospitals are subject to also and he is presently the Chairman of this latter committee in his area.

He is an investigator for the FAA, Speaker at FAA Seminars, a Past President of the Civil Aeronautics Aviation Medical Association of the World.

He received the award for Outstanding Medical Achievement in the field of Aviation.

He is listed in Who's Who of the West for Medical Accomplishments, is a member of the American Medical Association, the Nevada State Medical Association, the American Aerospace Association, the Civil Aviation Medical Association and the American Academy of Family Practice.

In relation to his personal life, he is married—has been married for thirty-two years. His wife is behind him in all of his activities. He has four daughters, four grandchildren and his son-in-law is a Shriner.

In relation to his community services, he has spent his time with the Sheriff's Aerial Squad for Search and Rescue, because he is the pilot of a multi-engined plane.

He was the physician for the Athletic Department for Clark High School in Las Vegas.

Now, I talked to this candidate about his hobbies and he said he had no time for his golf or anything else because he spends a considerable amount of time with his hospital work and our hospital work.

He gives examinations to our applicants for our hospitals free of charge—does not charge for it. Sometimes these amount to as many as three a week and, in so doing, he likewise moves them ahead of his patients so that he can get them on their way.

He had military service as a Second Lieutenant. He completed forty-eight bombing missions in the European Theatre.

I have been in this candidate's home and the love and affection shown in that home indicates to me this man has very much love and affection for his children. You can feel it and I would like to add here that if many of our homes had this love and affection in them that his home has, we would have an outstanding home situation among Shrinedom.

This illustrious Noble, Dr. Wolever, is asking for your vote. He would like to use his experience to the betterment of our Hospitals.

You gave the Trustees a bigger challenge through your vote for expansion a few days ago. Now, in the formation of the administration to take care of these problems, consider this candidate.

Further, you do not have a practicing doctor or physician and surgeon among the seven elected Trustees other than the Imperial Officers.

Do not miss this opportunity to pick quality to direct our great philanthropy. You will have this in the person of Dr. LeRoy E. Wolever. Thank you Nobles for your ballot. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Lee.

I will now call upon Chief Rabban Jack Farmer, who will nominate Robert J. Turley.

NOBLE JACK FARMER: Imperial Sir, Imperial Sirs and Representatives, I am Jack Farmer, Chief Rabban of Oleika Temple, Lexington, Kentucky and a fellow Representative to this Convention.

I come before you with pride and humility to nominate an exceptionally qualified Shriner for the office of Trustee for the Hospitals.

The man whose name I am placing in nomination is one well known to Shrinedom. Imperial Sir Robert J. Turley has earned lasting respect among his fellow Shriners for his devotion to our organization.

Bob Turley is well qualified for the office of Trustee. A young man of 54, he will bring vigor, wisdom, intelligence, experience, enthusiasm and love of Shrinedom to this office.

Bob has devoted countless hours to furthering the cause of the Shrine.

His service in our fraternity began with membership in Lexington Lodge 1, F&AM, serving as Master in 1957 at age 31. He was, in 1962, the youngest man ever to serve as Potentate of Oleika Temple and, as you might expect, has the unanimous endorsement of the Nobles and Divan of that Temple for the position he now seeks. Bob also holds membership in other fraternal bodies, among them the Royal Order of Scotland, the Red Cross of Constantine and the Royal Order of Jestors.

He is an Emeritus Member of this Imperial Council. This is Bob's twentieth Session as a Representative.

This is Bob's fifteenth year of service on the Jurisprudence and Laws Committee. He has Chaired this Committee for the past twelve years. Our Imperial By-Laws provide that after fifteen years of service Bob will become an Emeritus Member of this Committee this year.

Those of us with prior service as a Representative know full well the fairness and impartiality with which Bob has always conducted himself.

He has served as General Counsel of the Shrine; he is a Past Imperial Officer, having served as the Imperial Recorder from the retirement of George Saunders until the following Session, at which time he chose not to run.

Bob's devotion to the Hospitals we all work for is clear. He is an Emeritus Member of both the Lexington and the Cincinnati Board of Governors and he served as Vice Chairman of the Cincinnati Unit for five years.

Many of you probably do not know that for the last twelve years he has attended every meeting of the National Hospital Boards in an advisory capacity. Few men have served this organization so actively, so ably or so humbly.

We simply cannot afford to lose his talents. He provides the continuity, experience and competence to permit us to move forward to new and greater heights, especially in light of the adoption by this Imperial Council of a \$50 million building program approved on Monday.

It is therefore with great pride, respect and confidence that I offer in nomination for the Office of Trustee of the Colorado Corporation, the name of Robert J. Turley. Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Jack.

Aurie J. Thompson, Illustrious Past Potentate, will nominate Winner F. Delp.

NOBLE AURIE J. THOMPSON: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Fellow Representatives: Each year we are elected by our individual Temples to represent their Nobility at the Imperial Council Session. As Representatives, we are charged with the responsibility of making important decisions and electing the most qualified Nobles to promote the principles and activities of our fraternity—the Shrine of North America—and to ensure the continued progress of the World's Greatest Philanthropy, Shriners Hospitals For Crippled Children. In electing the members of the Board of Trustees of Shriners Hospitals, we are meeting perhaps our greatest responsibility.

By now, you all have had the opportunity to read the brochure outlining the record of our Illustrious Sir, Winner F. Delp, Past Potentate of Lu Lu Temple, in meeting his responsibilities to our fraternity and our philanthropy. Illustrious Sir Winner has indeed served the Nobility well and in his tenure as a National Trustee has distinguished himself as a tireless worker for the cause of the Crippled Child and the continued progress in our Hospital effort.

The list of the committees on which he has served goes on and on; Building and

Equipment, Salary and Personnel, Liaison Between the Philadelphia Spinal Cord Unit and our National Boards; Special Montreal Unit, Special Philadelphia Unit, Vice Chairman Long Range Planning; Chairman, Rules and Regulations, Chairman, Special Twin Cities Unit, Chairman, Special St. Louis Unit, Chairman, Puerto Rico Clinic and as a member of the Special Committee on the Spokane Unit, which has been under consideration for quite some time.

Noble Winner's devotion to our philanthropy goes back many years. Prior to being elected to the Board of Trustees, he was a member of the Board of Governors of the Philadelphia Unit and served as Chairman of the Building and Equipment Committee, Secretary of the Board and Chairman of the Board.

His devotion and work as a Trustee has been well outlined and it is only well and fitting that he should be re-elected to the Board of Trustees to serve another three-year term.

Noble Delp has not missed a single committee assignment nor any Trustee meeting—except one, when his flight was cancelled due to engine failure during takeoff.

Those who have served with him at all levels praise his hard work and dedication. He has been an excellent Trustee. Further, he has the support of his Temple. Likewise, we all have indeed been very fortunate to have him serve on the National Board and I, together with many in our fraternity, urge his re-election.

The Shrine, like many other large organizations, is constantly faced with the challenge of steering the right course through the seas of changing times. Experience and the vision to adapt and grow with the times are essential for the progress of our philanthropy.

Noble Winner has the experience and has demonstrated his outstanding business abilities by his performance in his many committee assignments. He has played an integral part in the operations of our Hospitals and will continue to do so. He is always there, ready, willing and able when called upon. What more can one ask in the way of service, devotion, dedication and ability.

Noble Winner was born in Trenton, New Jersey on August 26th, 1919. He attended Drexel Institute, where he studied mechanical engineering.

He served in the U.S. Air Force in World War II.

He has a most extensive and impressive Masonic and Shrine background, from Blue Lodge through the Shrine and all bodies. Likewise, he has a most interesting social and civic background.

His impressive business history includes bank affiliations, being the President of four corporations, Vice President of another, and he is currently Chairman-Emeritus of the Delp Corporation.

So, in all, we have here with us a Noble who has the experience, desire and proven ability and, therefore, it is only fitting that we retain him. Therefore, I urge your support for Illustrious Sir-Winner Delp as a candidate for re-election to our National Board of Trustees.

Imperial Sir and Representatives All: I am privileged to place in nomination the name of Illustrious Sir Winner F. Delp for the Board of Trustees of Shriners Hospitals for Crippled Children. Thank you. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Aurie.

I will now call upon Past Potentate Robert Bailey to nominate C. Howard Bozeman.

NOBLE ROBERT BAILEY: Imperial Sir, Imperial Sirs and Fellow Representatives: I am Robert Bailey, Past Potentate of Kərbela Temple, Knoxville, Tennessee.

This will be the site of the 1982 World's Fair, opening for your pleasure on May 1st of next year and going through October. Also, for those of you who may not be familiar with Knoxville, this is also in East Tennessee, in the foothills of the great Smoky Mountains and that, incidentally, is where an independent breed of people still measure corn by the gallon instead of by the bushel. (Laughter) This is the place where, in the early morning, when you get up and see the curling smoke rising over the horizon and where, as you view this, you are sure that this is an indication that a farmer is going to have hot biscuits for breakfast but, in fact, he is probably running off a gallon or two. (Laughter)

Now, you may wonder why I tell you this. Well, I first want to establish the independence of the people who come from East Tennessee and to likewise assure you that the re-election of C. Howard Bozeman to the Trusteeship, the Board of Trustees, will assure you an independent voice on that Board, as was assured you when he first assumed this position on the Board some four years ago.

It is my personal honor to represent some 4,000 members of Kerbel Temple in placing his name in nomination for re-election.

For those of you who have been attending these Imperial Sessions for several years, you know of his qualifications and have heard of them before, and you know of the valuable contributions he has already made to our great fraternity. I am also sure that you recognize the need to have him re-elected.

However, as indicated at one of our prior Sessions, statistics show that between thirty and thirty-eight percent of you are new here in exercising your responsibilities as elected Representatives and, therefore, it is primarily for your benefit that I will speak to his credentials for re-election.

Now, each of you have received a copy of Kerbel Temple's resolution. It is in proper form and it is signed by each member of the Divan and it tells you that Judge Bozeman was unanimously endorsed by his own Temple for re-election.

It tells you that on his own home grounds, he is highly regarded for his abilities because of the kind of person that he is.

His Temple is the Temple, incidently, which has become so well known for their paper sale, bringing in thousands of dollars each year for the support of our Hospitals. This past year alone, some 4,000 Nobles in the membership raised over \$240,000 in relation to this annual paper sale held on the third Sunday in May. For those of you who like to work with figures, this indicates an average of \$60 per member—really not a bad record.

Tennessee also is equally well known as the state for the number of patients that it sends for care to our Hospitals. They involve the Cincinnati Burns Institute and the two Units at Lexington and Greenville.

You also received a colored brochure which gives you certain personal data concerning Noble Bozeman—his family, his fraternal membership and his outstanding civic involvement. These are too numerous to relate to you at this time but I sincerely hope that you will exercise the opportunity and, in fact, it is your responsibility to be informed as to the candidate by reviewing it.

Now, one thing I may have overlooked and I hope, if you have that brochure with you that you will look at it while seated, is on the back you will find the Creed of Howard Bozeman—"A Young Man In A Hurry". It speaks volumes concerning this candidate.

Now, assuming that you have this information, I want to make some additional very important observations in his behalf.

The printed material tells us he is an attorney and an accountant, a very desirable professional background for the handling of hospital contracts and high finance.

He has served as a Special Judge on the Tennessee Supreme Court, the highest court in our state.

He is now in retirement as a County Judge of Knox County, where he supervised the erection of a \$33 million City-County Office Complex.

His hospital experience, even before being elected to the Board of Trustees, is contained in our brochure and speaks volumes. All this would merit his re-election but let us observe his efforts as a Trustee. Having been elected by you from the floor as one of you, he remains one of you.

This is stated on pages 29, 30 and 31 of your Call. It reflects, for example, that he has served on the Building and Equipment Committee; that he has served on the Special Purpose Committee for the Chicago Unit; that he has served as Chairman of the Special Purpose Committee for the Cincinnati Unit; that he has served as Chairman of the Philadelphia Unit Special Purpose Committee and that he has served as Chairman of the Evaluation Committee for the Colorado Corporation.

With all of his experience, he can attend the next Board meeting and move forward with continuity, to improve even more on his record of contributions to our

great philanthropy. You have already experienced in this Imperial Session, outstanding steps for our Hospital program. You will recall that on Monday afternoon you authorized the sum of \$50 million for the construction of two new hospitals. You also learned that extensive evaluation has been made in relation to the entire Hospital program. Judge Bozeman, as a member of the Board of Trustees, has helped to bring this kind of advancement into being.

In a lot of instances there is a tendency to feel that change for the sake of change is in order—that is, let some others have a chance.

However, I submit to you that this is not one of these instances. Here you have a dedicated and valuable Trustee, who is willing and eager to continue his service.

We are fortunate that Noble Bozeman desires to continue and he has just recently come to the point where he can devote more time to it even than he has already given and even more effectively.

Kerbela Temple solicits your continued support for this "Young Man in a Hurry" and I, for one, have observed the speed with which he moves and I am again quite anxious to see him get back on his path of "A Young Man In A Hurry".

I am therefore pleased to present in nomination, Noble C. Howard Bozeman for re-election as a Trustee of the Colorado Corporation. Thank you very much. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you again, Nobles, for your courteous attention to these nominating speeches and now, again, I will recognize Joe Howell.

NOBLE JOE HOWELL: Representatives, we are going to use Ballot 17 this time. Again, please do not forget to tear off the stub and please do not fold the ballot. It will help us to be much faster in giving you a return.

IMPERIAL POTENTATE H'DOUBLER: As Joe said, we will use Ballot 17 and, again, be sure to vote for three of the five nominated.

... Whereupon, balloting and collection of ballots ensued. . .

IMPERIAL POTENTATE H'DOUBLER: Has everybody voted?

I will declare the ballot closed.

We will now continue with the election of the Officers of the Colorado Corporation and, for this purpose, I will recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: It is my pleasure to nominate the following to serve as Officers of the Colorado Corporation for the Offices as indicated: Randolph R. Thomas, Chairman, Board of Directors; W. W. Bennett, President; Daniel E. Bowers, First Vice President; Richard B. Olfene, Second Vice President; Webber Harrington, Treasurer; Gene Bracewell, Secretary and Walker S. Kisselburgh, Assistant Secretary. I would so move.

... The motion was duly seconded, voted upon and was declared to be unanimously carried. . .

IMPERIAL POTENTATE H'DOUBLER: Now, I will again recognize the Imperial Recorder for the item of election of Directors of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives, it is my pleasure to place in nomination for election of Directors of the Colorado Corporation the following: Randolph R. Thomas, W. W. Bennett, Daniel E. Bowers, Richard B. Olfene, Gene Bracewell, Walker S. Kisselburgh, Russell Anthony, Webb Harrington, Jack Jones, Voris King, Edward McMullan, George Powell, Joseph Padgett, Jack Dean and F. T. Hogan H'Doubler, Jr.

I would move their election by acclamation.

... The motion was duly seconded, voted upon and declared to be unanimously carried. . .

IMPERIAL POTENTATE H'DOUBLER: We will next have the report of the Chairman of the Board of Trustees, C. Victor Thornton.

PAST IMPERIAL POTENTATE C. VICTOR THORNTON [Chairman, Board of Trustees]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Fellow Representatives: The Colorado Corporation By-Laws state that the President shall "prepare and present at all annual meetings a report of matters pertaining to the operations and transactions of the Hospitals."

Since I covered some of these matters in the Annual Report which was distributed to each of you, and since figures are more easily grasped by the eye than by the ear, I will refer you to the Book of Reports for detailed statistics on hospital operations and expenditures for 1980. Sometimes, of course, figures are grasped more easily by the hands—but that is another subject.

With your permission, I would like to depart from the general format I have used for previous annual reports.

Since, as I announced last year, I am not a candidate for re-election this year and since this is my fifth and last year as President of the Hospital Corporation and Chairman of the Board of Trustees, not counting the few months I served in 1971 after Harold Lloyd's death, I cannot resist reflecting on goals we had when I took office and progress or lack of it, toward those goals since then.

The first goal was to make our Hospital system "National Health Insurance Proof". As we stated then, we needed to do things for children the government could not do or at least not do as well as we could. This meant making our institutions centers of excellence, a term difficult to apply to any federal government operation that I know anything about.

It is an area in which a lot of progress has been made.

One small example of improvement is the new Hospital Evaluation Process, which will permit each Unit to see how it compares with the other Units. The first Evaluation Committee which I chaired in 1968 developed a very unsophisticated system of evaluation and it is quite satisfying to see the excellent progress since that humble beginning.

We have made progress by streamlining systems, computerizing certain operations and advancing the dates for budget review and appointment of members of the Boards of Governors such that each Unit starts the new year in full swing.

We have made further progress by instituting regular meetings of the Administrators, Board of Governors Chairmen and Medical Advisory Boards. The cross-fertilization of ideas through this fertilization of ideas through this means of communication has been most productive.

Of course, we have had help in avoiding demise by government decree, which was a real danger a few years ago. I believe that the Chappaquidick Cowboy has finally been corralled by the horrendous and obviously unmanageable increase in government spending. Remarkable public support and a sizeable increase in patient applications confirm the need for our services and forecast the survival and growth of our system.

A second goal, one totally compatible with the first, was the upgrading of our physical plants. Under the direction of Imperial Sir Woody Bennett, Vice Chairman of the Board of Trustees and long time Chairman of the Building and Equipment Committee, much has been accomplished toward this goal.

The most obvious example, of course, is the new Chicago Hospital Building, which was dedicated on June 14th. This magnificent new plan, with its large air-conditioned and landscaped mall, will be the scene of many great accomplishments in the years to come.

It might be interesting for you to know that the basic concept for the Chicago Unit was developed at a meeting of the Planning Committee around the dining room table in my home in Ft. Worth in 1973, nine years ago. Those present included five Trustees and Directors, four prominent doctors, the Executive Administrator and Lew Molnar. It took eight years of hard work on the part of Chairman Tom Roberts and his predecessor, Administrator Gene Yeazell, Chief of Staff Dr. Ed. Millar and others, not to mention an \$8 million gift, to bring the plan to fruition and the result is a tribute to their intelligent and dedicated service.

Physical improvements have been made in each Unit during the last few years and planning and work is still going on in others. I will mention only a few.

Although some minor problems were encountered during the early stages of construction of our new hospital building on the campus of the University of Oregon Health Sciences Center at Portland, excellent progress is now being made and we are estimating completion in 1982.

You will recall the proposal to construct a new hospital building on Wilshire Boulevard in Los Angeles. After years of negotiating with UCLA, the Special Committee concluded, and the Boards agreed, that it was impossible to reach agreement on an affiliation arrangement which would guarantee Shriners Hospitals the degree of autonomy you would want us to have should we build on the UCLA campus site. Consequently, the Boards will propose to you that the present Los Angeles Hospital Building, which was opened in 1952, be extensively remodeled to bring it to an efficient, contemporary and totally satisfactory status. If this program is approved, the renewed building will incorporate some of the features of the new Chicago Hospital. We are confident that this is a satisfactory alternative to the UCLA campus location.

With the exception of the Los Angeles Unit, I would say that our program of improvement of physical facilities is on schedule.

Another objective of a few years ago was the replacement of our antiquated Home Office Building in Chicago. It is evident, I am sure to those of you who have visited the elegant yet efficient and functional new Shrine Hospital Headquarters Building in Tampa, that this goal has been reached. The by-product of increased efficiency and service to the Hospital Units become even more noticeable as time passes.

A fourth goal, and one without which none of the others could have been reached, was that of establishing a reasonable degree of financial security for Shriners Hospitals.

Some of you may remember the financial austerity program we found necessary to adopt during the late sixties in order to prevent hospital operating expenses from exceeding operating income. Had this occurred, we would have invaded our Endowment Fund and ultimately impaired our financial security. I must confess that I was Budget Chairman during that time and about as popular with the hospitals as Brezhnev would be at a John Birch Society meeting. We did set some financial goals, however. One of them was an Endowment Fund of \$1 billion by the year 1982.

You and other Shriners accepted the challenge and went all out to raise funds through a myriad of fund raising activities with which you are familiar.

In 1971, we established the One Hundred Million Dollar Club to encourage Shriners to leave something to the Hospitals in their wills. They did and they are still doing so.

I was extremely pleased, as I got to this meeting, to receive word, and I just want to read you a letter which was most gratifying to me, a letter from the Potentate of Sabbar Temple addressed to our Imperial Potentate:

"Dear Imperial Sir Hogan:

"It is with great pride that we of Sabbar Temple report to you that we gained our goal of being the first Shrine Temple to reach 100 percent participation in the One Hundred Million Dollar Club. We had a victory celebration and we were proud to host over 300 of our Nobles and their ladies. It is our hope that other Temples will respond to our success and promote the One Hundred Million Dollar Club. It is a wonderful program and one that every Shriner should join".

This is signed by the Potentate and other members of the Divan and, believe me, it gave me a real thrill when I received this letter. Also, your applause indicates to me that you likewise are excited about it.

The Endowments, Wills and Gifts Committee. Chaired now by Imperial Sir Walker Kisselburgh, with Allan Mallquist as Secretary, presented our need eloquently to the public and the public responded generously.

The stock market, other investments and inflation gave us a boost, too, such that the goal of \$1 billion by 1982 was reached in 1980, two years ahead of time. So, on the supply side, to borrow a phrase from David Stockman of the Reagan Administration, we have done fairly well.

Inflation, which helped on the income side of the ledger, has not been as kind to us on the expense side. Operating expenses, which do not include capital expenditures for new buildings and equipment, have increased, since 1976, at an annual compound rate of almost 14 percent. This is higher than the rate of inflation but does include some new programs, such as the Philadelphia Spinal Cord Rehabilitation Program and increases in orthopedic research programs. The budget increase this year over

last was about 28 percent and it is obvious that we cannot continue to have increases of that magnitude.

As I told the Hospital Administrators at their meeting a few weeks ago, it is essential, because of the increasing demands for our services and the unknown impact of possible tax revision on our income, that they continue to exercise careful control over operating expenses so that adequate future funding is assured.

Of course, as you know from our meeting on Monday, we have spent and are planning to spend large sums on new buildings and remodeling programs. This is entirely consistent with my last statement because, presumably, we are investing in more efficient plans which will reduce further operating expense.

To sum it up, we have reached a goal of relative financial security and must be vigilant and prudent to the end that we maintain it. Let us not fritter it away as our National Security was frittered away in the period between the end of World War II and the present.

So much for those goals.

When I assumed this job, I had a few goals of my own. One of them was to strengthen the Board of Trustees. Actually, you Representatives took the first step towards that goal by electing highly qualified and capable men to this Board.

When I first became a member of the Board of Directors in 1964, the business of the Hospitals was known by and handled by a very small group of men at the National level. These men were very capable and dedicated and included, among others, one Harvey, two Judges and four Georges; Harvey Beffa, my predecessor; Judges Marshall M. Porter and Robert Gardner Wilson, and Georges Mattison, Klepper, Stringfellow and Saunders, and those still living continue to make a valuable contribution. However, the fine talents of many other members of the Boards of Directors and Trustees were not made use of.

To bring the full force of knowledge, experience and abilities of all the members of both Boards to bear on the policy questions and problems of our system, I have, in cooperation with each Imperial Potentate with whom I have served, appointed a considerable number of Special Committees composed of Board Members, Medical Advisory Boards, Executive Vice President Lew Molnar, Medical Director Frank Stelling and Executive Administrator Ann McGrath.

To these Committees have been assigned tasks of great importance. The Committees have worked diligently and intelligently with local Boards, Administrators and Chiefs of Staffs and have made excellent reports and recommendations to the Boards at the joint meetings. In turn, the Boards have had information necessary for intelligent decisions and actions.

I feel that this personal goal of stronger Boards has now been achieved and, that today, the members of the Board of Directors and Trustees are the best informed and most experienced in the history of Shriners Hospitals as I know it.

Another personal goal was development of a system of adequate accountability for our Research Program. To that end, the Research Advisory Board, Chaired by Dr. Robert D. Ray of Chicago, was appointed. Through the review and advisory functions of that Board of nationally recognized professional people, I believe all of us can be confident that money going into our Research Program is being spent in the best interest possible of the children we serve, our donors and humanity generally.

Well, you have listened patiently to this dissertation on goals and so now for the potpourri of news.

It is hardly front page news because most of you probably heard as soon as I did. Let's call it "for the record".

At last year's Imperial Council Session, the medical difficulties at the Spokane Unit were discussed. You directed us to find solutions to those problems and keep the Unit opened. A Committee was appointed to assist, and with complete cooperation among the Spokane Board of Governors, the sponsoring Temples and the Boards of Directors and Trustees, the Spokane Unit has been kept active. The local medical staff, too, has cooperated and the lack of a residency program has been resolved, for the time being at least, by the employment of a full-time ortho-

pedic staff physician. While a medical problem still exists, it is hoped that the continuing cooperation of all concerned will bring the Unit back to full operation.

The Boards, in a joint meeting, have taken all steps to reassure the Unit and Temples closely involved that everything they can do to ensure success will be done.

At Philadelphia, the new eight bed spinal cord center is fully operational and fully occupied and the Chief of Staff is extremely gratified with the improvements we have been able to make in the lives of those young people who had been treated.

A very important news item is that as of last January, we have a new Chairman of the Burns Advisory Board. Dr. John M. Kinney of Columbia University College of Physicians and Surgeons has accepted the position and has been of tremendous assistance to us since then. We are indeed fortunate to have him.

While not news to you, the elevation of Lew Molnar to the position of Executive Vice President, with its increased responsibilities, certainly needs to be mentioned. We congratulate Lew on his advancement. There's no way a Chairman of the Board could do his job without Lew and Ann Mcgrath and Frank Stelling.

Now, the real front page news, I have been scooped and inasmuch as you heard it previously, I will therefore not discuss the Southeast Proposal.

However, for the record, recognizing the great demand for our services at the Greenville Unit which has resulted in a year or longer wait for patients, and recognizing deficiencies in the Shreveport Unit Building, Imperial Potentate H'Doubler and I appointed a Special Committee of Trustees and Directors to make a study of future needs in the entire Southeast area of the United States and to make recommendations to fill those needs. The Committee, after careful consideration of the problem, supported by an in-depth professional study, recommended, and the Boards approved and would recommend to the Imperial Council, that a new Orthopedic Hospital be constructed in Tampa, Florida; that the 1922 vintage hospital building in Shreveport be replaced with a new building and that a site be acquired for a future new hospital building in Greenville.

Bob Turley, Past Imperial Recorder and Chairman of the Jurisprudence and Laws Committee, is always in attendance at the meetings of the Boards of Directors and Trustees. When the Boards took this action, Bob expressed the feelings of every Board member when he said—"this is the most exciting day in Shrine Hospital history since the construction of the Burns Units was approved." I hope you feel the same.

Now, let us turn to the business forecast section.

Last year I forecasted the following—an increase in demand for our services; more emphasis on the treatment of the whole child; more family involvement in the care of children; more research, particularly in Orthopedics, and added emphasis on burn prevention.

You will be interested to know that all these changes are under way.

You can read statistics as well as I, but a few might be interesting. Over the last five years, average length of stay has decreased from 33 to 24 days. The number of patients discharged has increased 9 percent. Most striking is that the total active list is up 48 percent and new applications are up 54 percent.

These figures are before President Reagan took office. If present indications are a guide, our federal government will retreat of necessity, from some of its financial support of social programs. I predict that charitable institutions generally will be called upon to play an increasing role. State health systems will be overburdened and I believe Shriners Hospitals will be asked to make an even greater contribution to the health care delivery system than they are now. I predict further that Shriners will respond magnificently to that request.

I cannot conclude my remarks as Chairman of the Board of Trustees without expressing my gratitude to the many who have made our hospital program so successful during my term in office. I know that you will join me in thanking:

Imperial Potentate F. T. "Hogan" H'Doubler, for his intelligent and cooperative leadership and for conceiving of and launching the "Stop Burn Injury Program". He has been wonderful to work with, as have been his predecessors.

Vice Chairman of the Board, Woody Bennett, who, as Chairman of the Building and Equipment Committee, has brought us so far in our rehabilitation and new building program.

All the other members of the Board of Directors and Board of Trustees who have worked so diligently on the numerous committee assignments which have produced such excellent results.

I have mentioned Executive Vice President Lew Molnar, but doing so a thousand times would not over state my appreciation, or yours, I am sure, for the value of his service.

General Counsel Ed Maag, and Assistant General Counsel Paul Ibach and their staff, who have handled so well the legal affairs of the Hospital Corporation.

Medical Director, Dr. Frank Stelling; Executive Administrator, Ann McGrath, and all the talented professional people and employees in Tampa, who make things happen.

And Charlie Cumpstone, Executive Secretary Fraternal Affairs, and his exceptional staff who are so supportive of and necessary to the success of the Hospital program.

The interested and knowledgeable members of the three Medical Advisory Boards, headed by three brilliant men—Dr. Donald B. Lucas, Orthopedics, Dr. John M. Kinney, Burns; and Dr. Robert D. Ray, Research.

It is a particular pleasure to thank the Chairmen of the Boards of Governors who are here in person and through them, their Board members, Administrators, medical staffs, nurses and employees who do the actual work with our charges.

The General Public, which makes our work possible through its magnificent response to our financial needs.

And, finally, you Representatives and the Nobles and families you represent for your untiring and unqualified support.

I hope you will pardon a few sentences in a personal vein as I leave office.

A little over six years ago, I retired from active work in my companies, hoping you would give me the opportunity to repay a little of my debt to society by serving the Hospitals. A year later you did and I appreciated it.

Our Hospital business is big business, so big in fact, that I had to knock three zeroes off of every dollar figure before I could be comfortable with it. You have excellent Boards, things are in good shape and I feel that we have an even more glorious future.

A number of you have asked me why I decided not to be a candidate for re-election. Frankly, I examined the record and found that my last three predecessors, who were elected to this office, Harvey Beffa, Harold Lloyd and Galloway Calhoun—bless their souls, all died in office. I concluded, therefore, that I was engaged in a hazardous occupation and should get out while I could. (Laughter)

These five years have been interesting, stimulating and a lot of work but I have been over rewarded by the generous, thoughtful friendship of so many of you and so many I have mentioned.

Thank you. God bless you and the kids we serve.

... Rising applause ensued ...

IMPERIAL POTENTATE H'DOUBLER: Thank you very much, Vic, for that splendid report. I will now recognize Past Imperial Potentate Woody Bennett.

PAST IMPERIAL POTENTATE WOODY BENNETT: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Distinguished Masons and Fellow Representatives: You have just heard a report from your President of the Colorado Corporation in relation to his last five years of activity, something which has brought our Hospitals to a new high.

Now, Vic had also served your seventeen years previously to his time as Chairman of the Board of Trustees in relation to many many other committee assignments. Now, it would be inappropriate for me here today to indicate to you all of the various committees he has served on and committee assignments he has had. Further, he has been one of the Representatives here for the last twenty-five years.

Therefore, at this time, it gives me a great deal of pleasure to place in nomination the name of C. Victor Thornton for Chairman Emeritus of the Board of Trustees.

Now, no other nomination being in order, Imperial Sir, I would move that we unanimously elect C. Victor Thornton by a standing ovation to Chairman Emeritus of the Board of Trustees.

... Rising applause ensued...

IMPERIAL POTENTATE H'DOUBLERS You know, I think that is what you call a "railroad". (Laughter) However, all in favor please say aye; opposed nay. It is unanimously carried.

Now, we have a resolution which reads as follows:

"WHEREAS, Past Imperial Potentate C. Victor Thornton has served as Chairman of the Board of Trustees and President of Shriners Hospitals for Crippled Children Board of Trustees in 1971 and again from 1977 to 1981; and

"WHEREAS, he has expressed his desire to retire from that position; and

"WHEREAS, it is fitting that his years of service be memorialized in a resolution to be preserved in the archives of the Order; now therefore be it

"RESOLVED, by its members in their annual meeting assembled, that Shriners Hospitals For Crippled Children hereby express its appreciation and gratitude to Past Imperial Potentate C. Victor Thornton for his thoughtful dedication and unselfish service and unparalleled abilities, all so freely given to the service of human kind throughout his tenure as Chairman of the Board of Trustees and President of Shriners Hospitals For Crippled Children; and be it further

"RESOLVED, that such members hereby acknowledge that among his many accomplishments, Imperial Sir C. Victor Thornton has steered our financial course or fiscal stabilities so that Shriners Hospitals For Crippled Children is prepared for the challenge of the future; and be it further

"RESOLVED, that such members hereby express their fervent hope that Imperial Sir Thornton will continue to share his unrivaled experience with Shriners Hospitals even while enjoying a well earned rest from the burden he has carried and the tasks he has performed which are hereby memorialized.

"Adopted at New Orleans, Louisiana on this 16th day of July, 1981."

That is signed by myself as Chairman of the Board of Directors and attested by Richard B. Olfene, Secretary.

The Chair now recognizes Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I have polled the Jurisprudence and Laws Committee and we agree that this resolution is in proper and legal form and will not conflict with any of the Articles of Incorporation and By-Laws of the Corporation, which is the report of the committee.

I move adoption of the resolution.

... The motion was severally seconded... (Applause)

IMPERIAL POTENTATE H'DOUBLER: It has been moved and seconded that the resolution be adopted. Is there discussion? Here comes our Parliamentarian, J. B. Hopkins.

NOBLE J. B. HOPKINS: I do want to find one thing to disagree with Jurisprudence and Laws on and that is that this resolution is not in proper and legal form because it is dated 16th of July. (Laughter)

IMPERIAL POTENTATE H'DOUBLER: All in favor indicate by saying aye; opposed nay. It is carried unanimously. (Applause)

This is really a beautiful plaque, Vic, and it is with deep and sincere appreciation that it is presented to you.

... Presentation of Plaque and applause ensued...

PAST IMPERIAL POTENTATE THORNTON: This is much too generous but I do thank you from the bottom of my heart. (applause)

IMPERIAL POTENTATE H'DOUBLER: As I said a while ago when Woody made his motion, that was certainly a "railroad". However, Vic has long been a railroad enthusiast and even has his own private car. Now, the fellows down in Panama came

up with this beautiful thing—which is an original rail tie spike, vintage 1853 to 1869, with a spruce spike of 1910. It is really a gorgeous thing and it says—"To C. Victor Thornton, for his outstanding leadership, unselfish service and innumerable contributions to the Shrine and its Hospitals as Chairman of the Board of Trustees and President of the Colorado Corporation, the Shrine of North America."

...Whereupon, a further presentation of the above mentioned gift was made to C. Victor Thornton... (Applause)

PAST IMPERIAL POTENTATE C. VICTOR THORNTON: Again, thank you, and as a collector of railroad memorabilia, this is truly an antique and I will treasure it always. (Applause)

IMPERIAL POTENTATE H'DOUBLER: Thank you, Vic, for a job well done.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I see that Joe Howell is back in the room and I believe we are ready to get the report on the Trustee elections.

NOBLE JOE HOWELL: Imperial Sir and Representatives, it is with pleasure that I give you the results of Ballot 17 for the office of Trustee for three years.

There were a possible 835 votes; 801 actually voted. There were 12 void ballots. Necessary for choice, 401.

The votes were distributed as follows; Wolever, 264; Worthy, 296; Delp, 554; Turley, 602; and Bozeman 651.

IMPERIAL POTENTATE H'DOUBLER: This means that we have, on the first ballot, elected three Trustees.

Now, let me urge you to be here promptly at nine o'clock in the morning. We will reconvene at nine o'clock.

This meeting will stand in recess until nine o'clock tomorrow morning.

...The Annual Meeting of Shriners Hospitals For Crippled Children, A Colorado Corporation, was recessed at four-thirty o'clock p.m....

MORNING SESSION THURSDAY, JULY 16, 1981 NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals For Crippled Children, A Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at nine o'clock a.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I will now call upon Imperial Sir Woody Bennett to give the Report of the Building and Equipment Committee.

PAST IMPERIAL POTENTATE W. W. BENNETT: Imperial Sir, Imperial Sirs, Nobles and Representatives: This is the report of the Building and Equipment Committee for the past year. I am going to report now to this 1981 Imperial Council Session.

Your Committee is composed of W. W. Bennett as Chairman; Gene Bracewell as Vice Chairman; Charles J. Claypool; William E. Mattison; Voris King; C. Howard Bozeman and Fred R. Morrison, Sr.

What I would like to do is to give you an update on what has gone on in relation to each of the Units, this, however, to be more or less in condensed form but I think it will give you, in essence, as to what happened in the past year.

CHICAGO UNIT

The new Unit has been completed and is ready for occupancy. The design and structure includes the latest orthopedic technology in hospitals with many new innovations which will include an outstanding research department.

ERIE UNIT

During the last several years Erie has had many improvement programs including the kitchen, driveway, board room and several other projects. We are now engaged in remodeling the boys' and girls' wards and nurses' station, as well as the construction of a new addition to the facility. Without the remodeling, Erie would be limited

in the number of older children they could treat. A new pharmacy program is also highly important for this Unit in order to meet the requirements.

GREENVILLE UNIT

Greenville has had several fine improvements over the last five years. Presently we are engaged in construction of an addition to the Unit which will house new X-ray facilities, waiting room areas, cast room and clinic. When this remodeling is completed, it should give this Unit a very up-to-date look for the next 8 years.

HONOLULU UNIT

A new laboratory Unit has been constructed and equipped. Projects under way in the completed areas will yield a most exciting program. Among these projects are an excellent new research laboratory, a room for outpatient study, a conference room, adequate office and storage space and an integrated research area for bone mineral research.

HOUSTON UNIT

A large addition to the hospital is under way which has been needed for years. This addition includes additional storage space to make retrieval of X-rays and medical records much more efficient. An auditorium is being added to be used for medical conferences, patient and family education and an in-house training service program. The clinic area is being expanded. A surgical waiting room for parents and an up-to-date recovery room will greatly improve post-surgical care for our children.

INTERMOUNTAIN UNIT

The architect is now making a complete study of this Unit, taking into consideration the operating suite, a new out-patient waiting room, the remodeling of the present laundry facility, the construction of a new boiler plant, updating of machinery and electrical equipment and many other changes which will modernize this Unit. This has now been referred to a study committee which should report back within the next 90 days. When modernization is completed, this will be a very effective and viable hospital.

LEXINGTON UNIT

We are now planning to make a complete study of this Unit which will include the laundry area, operating room, central supply, X-ray, out-patient waiting area, dietary and research. This Unit is in particular need of a general renovation program within the next year. The committee has recommended that we take the necessary steps to start study of this program.

LOS ANGELES UNIT

This Unit has been under complete study for the past 4 years to determine whether or not we should build a new Unit on UCLA's property or other properties offered to the Shrine. After reviewing these studies, it is now the recommendation of the Joint Boards to remodel and make the necessary additions to the present facilities. This is a very extensive program. Plans have been reviewed and an estimate for construction of \$24,000,000 has been established for the total cost of this program. It is anticipated that the construction would start in the early part of 1982.

MEXICO CITY UNIT

A study is under way as this Unit has requested a complete renovation of their kitchen area. Last year an addition was finished providing residents quarters and other renovation programs were completed.

MONTREAL UNIT

When this Unit was constructed, it was the normal practice that children were housed in large wards. Today more privacy is required. Montreal has requested that we make a complete study of the second floor to lead to an extensive remodeling program which will include wards, private and semi-private rooms and an intensive care area. The Joint Boards have recommended that we make the necessary program available.

PHILADELPHIA UNIT

The spinal cord injury unit has been completed and is under full operation. This is a very successful addition to this Unit.

PORTLAND UNIT

The new Unit is under construction. It is located on the property of the University of Oregon's Health and Science School and should be completed by July of 1982 and ready for occupancy. The new Unit not only will handle care and service for children but will have an active research department in cooperation with the University.

ST. LOUIS UNIT

An energy study program is under way which should be a pilot program for some of our other Units. A complete study is being conducted for an extensive remodeling program. Construction is now under way on a Metabolic Clinic to be completed in the next few months. When this work is finished it would update St. Louis for the next ten years.

SAN FRANCISCO UNIT

This is one of our new Units. Basically new equipment has been purchased and general maintenance has been maintained.

SHREVEPORT UNIT

Presently we are painting and doing work to maintain the hospital in a quality condition. This is also in the Southeast report.

SPOKANE UNIT

It is the recommendation of this Committee that we hire an outside consultant to make a complete study of this Unit which would encompass the building, the medical services and all other services required to make this an outstanding Unit.

SPRINGFIELD UNIT

Work has been completed on a major addition and remodeling program including an orthopedic and prosthesis shop. These operations can now be pursued under one roof rather than in separate buildings.

TWIN CITIES UNIT

Some new equipment has been purchased and general maintenance has been maintained. Water supply projects have now been completed.

BOSTON UNIT

Many new pieces of equipment for research were purchased this year.

CINCINNATI UNIT

A large residence has been purchased for the purpose of housing parents of children. A remodeling program which is now under way should be completed within the next five months, providing housing for up to eleven families. A study has been under way for the past few years to update this Unit. An architectural firm has made a feasibility study and has given us their recommendations. This has been approved by the Joint Boards to proceed with the remodeling and renovations. When completed this renovation will be a great asset to this Unit and will give it the privilege of expanding into other types of research programs.

GALVESTON UNIT

Several pieces of new equipment have been purchased for this Unit, especially pertaining to research.

The above report is recommended for your approval and implementation.

This report likewise has been signed by all of the members of the Building and Equipment Committee. I will not read their names to you because I gave them to you at the beginning of my report.

With that, Imperial Sir, I would move for the adoption and implementation of this report.

... The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: We have a motion and a second that the report as presented be adopted and implemented. Is there any discussion? If not, all in favor of the motion to approve and implement indicate by saying aye; opposed nay. It is carried.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: We will now stand in recess until one-forty-five p.m.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve-fifteen o'clock p.m....

AFTERNOON SESSION
THURSDAY, JULY 16, 1981
ONE-FIFTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, A Colorado Corporation reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at one-fifty o'clock p.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: Nobles, I would now like to call upon Noble Webber Harrington to give the report in relation to the Spokane Unit.

NOBLE WEBBER HARRINGTON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Most of us left last year's Imperial Council Session at Cleveland with a feeling of concern and unhappiness because of the fact that the situation at our Spokane Unit of Shriners Hospitals for Crippled Children seemed bleak and perhaps hopeless of satisfactory solution. We are pleased to report to you that while we have not solved the problems facing the Spokane Unit to the extent we would like to, we have nevertheless made some substantial progress.

Immediately following the Imperial Council Session at Cleveland, a Special Purpose Committee was appointed by the Chairman of the Board of Trustees and the Imperial Potentate to investigate conditions at the Spokane Unit and make a report to the Planning Committee, with recommendations regarding the interim operation of the Unit.

This Committee was Chaired by Mahlon Hessey, with George Powell, Winner Delp, Walker Kisselburgh and Dan Bowers as members.

As a result of the Committee's report, the Planning Committee recommended as follows:

1. That the Unit be kept open.
2. The temporary employment of a full-time doctor to permit inpatient operations to continue pending re-establishment of a residency program.

A Special Committee consisting of Webb Harrington, Chairman, Walker Kisselburgh and Winner Delp was appointed to work with the Board of Governors of the Hospital and Representatives of the Temples supporting that Unit to do everything possible to implement an affirmative program to create an institution of excellence in the Shriners Hospitals System with the same continuing status as all other Orthopedic Units.

Members of the Committee have met frequently with the Board of Governors of the Spokane Unit and the entire Committee attended the PNSA Seminar in Anchorage, Alaska, in February, 1981, and reported in detail regarding progress at that time.

The Committee reported to the Joint Boards which conferred immediately prior to this Session, at which time the Joint Boards enacted the following Resolution:

WHEREAS, the Spokane Special Committee has reported to the Joint Boards its meeting with Representatives of the Spokane Unit; and

WHEREAS, a resolution drafted by the Potentate of Algeria Temple, Bill Holter, for submission to the Annual Meeting, but withdrawn to publication, was read to the Joint Boards; and

WHEREAS, the Joint Boards have considered the recommendations of the Spokane Special Committee.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. A feasibility study and needs assessment of the Pacific Northwest area by Robert Douglass Associates (or some other similar hospital consultant firm) shall be immediately commissioned and shall be undertaken within 60 days; and the sum of \$55,000 is appropriated for the cost of such study.

2. The Orthopedic Advisory Board and the Director of Medical Affairs shall consult with the Chief of Staff of the Spokane Unit and endeavor with him to obtain the re-establishment of a residency program in the Spokane Unit.

3. The proposed purchase of a site adjacent to the Spokane Unit is hereby referred to the Investment Committee with the recommendation of the Joint Boards that negotiations be undertaken to purchase such property.

4. Efforts shall be continued to preserve the Spokane Unit as one of the Shriners Hospitals for Crippled Children and to insure that it meets the criteria of both Shriners Hospitals for Crippled Children and independent, qualified, well-recognized experts in the medical and hospital professions, including accrediting authorities.

5. The Spokane Special Committee shall meet with Representatives of the Spokane Unit on Tuesday morning, July 14, 1981, and furnish them with a copy of this resolution.

6. The Spokane Special Committee shall be continued in existence to carry out the provisions of this resolution and to communicate with Representatives of the Spokane Unit, from time to time, as appropriate, with respect thereto.

The Committee then met with the Representatives of the PNSA and the Spokane Unit on July 14, 1981, at which time those who attended endorsed the action of the Joint Boards.

In anticipation of Board action, the Special Committee had contacted Robert Douglass and Associates, the same consulting firm that did the Southeast Study, and I am pleased to report that just yesterday this firm was employed for the purpose of conducting the feasibility study and needs assessment for the Pacific Northwest Area just as they did for the Southeast Area.

The Special Committee intends to work closely with the Spokane Unit to implement the resolution of the Joint Boards.

Imperial Sir, I move acceptance of the report.

... The motion was duly seconded. . .

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion and the second. Is there discussion?

All in favor indicate by saying aye; opposed nay. It is carried unanimously.

... Business was transacted in the Iowa Corporation at this time. . .

IMPERIAL POTENTATE H'DOUBLER: I will now call on Past Imperial Potentate George Klepper, who has a resolution to present.

PAST IMPERIAL POTENTATE KLEPPER: Imperial Sir, Imperial Sirs and Representatives: I appear before you to ask you to pass a resolution as a memorial to a member that has given much to our Hospital movement. I would like to have the privilege of presenting it to you and ask for your approval.

The resolution is as follows:

"WHEREAS, there resides in New Orleans a member of Jerusalem Temple, our friend and associate of many years of service to Shriners Hospitals for Crippled Children, Dr. Guy A. Caldwell who was the Chief Surgeon of the first Unit opened of our Hospital chain in Shreveport, Louisiana, in 1922 and who performed the first operation performed in a Shriners Hospital; and

"WHEREAS, Dr. Caldwell has served for many years as Chairman and Advisor on the Surgical Advisory Board of Shriners Hospitals and helped in selecting the staff for each of our Units when they were opened; and,

"WHEREAS, Dr. Caldwell is in very frail physical health at this time and cannot be present at our Session; now therefore be it

"RESOLVED, that our gratitude for his many years of service with us is hereby expressed and that this report be made a part of the minutes and a copy be sent to Dr. Caldwell for his information."

I would move, Brothers, that we adopt this and that it be sent to Dr. Caldwell, who is sick here in his home in New Orleans. I would so move.

...The motion was severally seconded...

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion and the second. All in favor say aye; opposed nay. It is unanimously carried.

Let me add them I'm sure that we all agree that Dr. Caldwell has been a great inspiration to all of Shrinedom, having performed the first operation in our system and then going on and helping us with leadership for many, many years. He is a very great man, an inspirational individual to the Shrine.

Thank you so very much, George, for putting that resolution before us.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: Representatives, we will now stand in recess until nine o'clock tomorrow morning.

...The Annual Meeting of Shriners Hospitals For Crippled Children, A Colorado Corporation, was recessed at four-fifteen o'clock p.m....

MORNING SESSION
FRIDAY JULY 17, 1981
NINE O'CLOCK A.M.

The Annual Meeting of the Shriners Hospitals For Crippled Children, A Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at nine o'clock a.m., Imperial Potentate Dr. Hogan H'Doubler presiding.

...Business was transacted in the Iowa Corporation at this time.

IMPERIAL POTENTATE H'DOUBLER: I will now recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: I have two items I would like to handle.

I would first like to make a motion that those who have failed to register as members of the Colorado Corporation in accordance with Section 504.2 of our By-Laws, be stricken from the rolls.

...The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: You have heard the motion and the second, is there any discussion?

If not, all in favor indicate by saying aye; opposed nay. The motion is unanimously carried.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE H'DOUBLER: I will next recognize the Jurisprudence and Laws Committee, Ed Maag.

NOBLE ED MAAG: To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws a Resolution, the text of which is as follows, Viz:

"WHEREAS, our Erie Hospital and Houston Hospital were integrated into the operations of Shriners Hospitals for Crippled Children through local corporations by a change of name, modification and amendments to their charters and By-laws and an Operating Agreement with the Colorado Corporation; and

"WHEREAS, these local corporations, namely, Shriners Hospitals for Crippled Children of Pennsylvania and Shriners Hospitals for Crippled Children of Texas required a multiplicity of accounting and corporate reports and tax returns, which could be eliminated by a merger with the Colorado Corporation as the surviving corporation; and

"WHEREAS, the Board of Directors of the Colorado, Pennsylvania and Texas Corporations have unanimously endorsed this merger and recommend it for adoption

by the Members of the Colorado Corporation in the following terms and conditions, to wit:

"RESOLVED, that upon completion of all requirements provided by the laws of the States of Colorado, Texas and Pennsylvania, this Colorado Corporation shall merge with Shriners Hospitals for Crippled Children of Pennsylvania, a not-for-profit Pennsylvania Corporation, and with Shriners Hospitals for Crippled Children of Texas, a not-for-profit Texas Corporation, wherein this Colorado Corporation only shall survive.

"BE IT FURTHER RESOLVED, that the President and Secretary of this Corporation are authorized, empowered and directed to take all steps as are appropriate and consistent with the By-Laws of the Corporation to fully implement this merger and Resolution."

The Committee reports that the Resolution is in proper and legal form, and that it will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Robert J. Turley, Chairman
Robert E. Cooper
Theodore Corsones
Walter S. Jeffries
Edward G. Maag
Robert W. Morrison
Walter S. Pettit, Jr.

NOBLE ED MAAG: I would move for the acceptance of this report.

... The motion was duly seconded, was voted upon and declared to be unanimously carried...

NOBLE ED MAAG: Imperial Sir, Imperial Sirs and Representatives, at this time I wish to address you as General Counsel of the Colorado Corporation.

This merger of the Texas and Pennsylvania corporations into the Colorado Corporation is, in my opinion, in the best interests of all three Corporations.

We inherited these three smaller Corporations at a time we took over the hospitals in Texas and Pennsylvania and it has caused a good deal of multiple reporting procedures to the different entities. This will streamline our procedures, will save us money and our operations, I can assure you, will continue with full force and effect in both Pennsylvania and Texas if this merger is adopted.

Imperial Sir, I would move the adoption of this Resolution.

h. The motion was duly seconded...

IMPERIAL POTENTATE H'DOUBLER: The motion has been made to adopt the Resolution as presented. Is there any discussion?

If not, all in favor indicate by saying aye; opposed nay. It is unanimously carried and the Resolution is adopted.

... Business was transacted in the Iowa Corporation at this time...

... Noble Henning presented the reports of the Finance and Accounts Committee as contained on the following pages with respect to income expenditures for the Hospital Corporations, with the Representatives, by unanimous action, approving the adoption of the report for the year 1980 as submitted; the ratification, approval and adoption of the report of the revised budget for the year 1981 as submitted; and the approval and adoption of the tentative budget for the year 1982 as submitted as follows...

IMPERIAL POTENTATE H'DOUBLER: Now, I know many of you have asked for an opportunity to make your check presentations in connection with your fundraising activities and, for that purpose, I will now call to the podium, Past Imperial Potentate W. W. Bennett.

PAST IMPERIAL POTENTATE BENNETT: Thank you, Imperial Sir, for a job well done.

Fellow Representatives, Distinguished Masons and Nobles All. We have a lot of workers out in the quarry working for the Colorado Corporation and, of course, we want to recognize them for the fine work they have been doing and give you some idea of the location and effort they have made.

Now, yesterday we did receive their checks and made pictures so that they would have them for their magazines.

Now, those again wishing to present their checks, will they now come up and do so.

...At this point, monetary contributions were presented to Imperial Sir Bennett from various Temple Representatives in behalf of Shriners Hospitals for Crippled Children...

PAST IMPERIAL POTENTATE BENNETT: Again, we thank all of you for your contributions. We are sorry we did not get to recognize everybody before this august body but it will be a matter of record and sent to everybody. Yesterday, as I said, there were a lot of contributions made that were not reviewed here this morning. However, to all of you, thank you once again for your fine support.

IMPERIAL POTENTATE H'DOUBLER: I will next recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I move that all of the acts and transactions of those who have acted as Officers, Directors and Trustees of the Colorado Corporation for the past year and at this Session be ratified and approved.

THE BOARD OF DIRECTORS SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1980 and 1979, and the related combined statements of revenues and changes in fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1980 and 1979, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Combined organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations: Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children of Texas
Shriners Hospital for Crippled Children of Pennsylvania
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospital for Crippled Children (Quebec) Inc.

All United States corporations are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Gifts and bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that unit and an equal amount transferred from revenues designated for operations to investments.

Securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. Other securities are carried at cost (or estimated market value at date of receipt).

Property, plant and equipment—Property, plant and equipment are carried at cost if purchased or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The costs of maintenance and repairs are charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for significant retirements resulting from the renewals or betterments.

Deferred charges—In connection with obtaining gifts and bequests, the Hospitals sometimes incur legal fees, taxes and other expenses. These costs are deferred and charged against the subsequent receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Translation of foreign currencies—Mexican and Canadian currency accounts are translated to U. S. dollars at current or historical rates as appropriate in accordance with Statement of Financial Accounting Standards Number 8. Related gains or losses are reflected in operations for the period.

Pension costs—The Hospitals fund pension costs accrued of its noncontributory pension plans covering substantially all U. S. and Mexican employees.

2. FUNDS DESIGNATED AND RESTRICTED FOR INVESTMENT

The Hospitals, under policy established by the Board of Directors, designate for investment receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations.

Cash receipts from gifts and bequests are designated as funds held for transfer pending permanent investment. The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain gifts and bequests for investment purposes. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

3. MARKETABLE EQUITY SECURITIES

Marketable equity securities included in noncurrent assets at December 31, 1980 and 1979, carried at cost (or estimated market value at date of receipt) are summarized as follows:

	1980	1979
Market value	\$575,924,758	\$448,446,217
Cost (carrying value)	450,866,075	406,868,704
Net unrealized gains	<u>\$125,058,683</u>	<u>\$ 41,577,513</u>
Unrealized gains	\$146,256,077	\$ 68,138,295
Unrealized losses	21,197,394	26,560,782
	<u>\$125,058,683</u>	<u>\$ 41,577,513</u>

4. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment consisted of the following:

	1980	1979
Land	\$ 2,696,687	\$ 2,727,066
Buildings	54,984,372	47,313,167
Construction in progress	11,570,637	6,402,294
Equipment	15,494,383	13,567,570
	<u>\$ 84,746,079</u>	<u>\$ 70,010,097</u>

5. DEPRECIATION AND CAPITAL RESERVE FUND

Depreciation, based on rates shown below, was:

	1980	1979	Rates
Buildings and improvements	\$1,322,061	\$1,291,730	2.5 to 3.5 percent
Equipment	946,584	855,365	6.25 to 8.8 percent
Total charged to income	<u>\$2,268,645</u>	<u>\$2,147,095</u>	

The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. Expenditures for property, plant and equipment are made from the Capital Reserve Fund.

The Board of Directors approved transfers of \$18,000,000 and \$15,000,000 from funds designated for operations to the Capital Reserve Fund in 1980 and 1979, respectively. These transfers were made to fund future hospital construction.

The Board of Directors has increased the original appropriation for the construction of a new hospital unit in Portland from \$8,000,000 to \$15,000,000. Construction advances in connection with the Portland unit amounted to \$1,971,474 at December 31, 1980. The new Chicago hospital unit is anticipated to be completed in mid 1981 at a total cost of \$15,339,930. Remaining costs at December 31, 1980, amounted to \$5,990,767. A donation of approximately \$7,600,000 was received from a foundation in 1978 to fund a portion of the Chicago unit construction.

6. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters' building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial

Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$263,117 and \$(73,148) were due from (to) the Imperial Council as of December 31, 1980 and 1979, respectively, representing collections due the Hospitals, net of shared costs.

7. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. Total aggregate contributions to the Plan for the years ended December 31, 1980 and 1979, amounted to \$1,022,254 and \$928,932, respectively. The Hospitals have no past service liability. At June 30, 1980 and 1979, information regarding the Plan which excludes the current year contribution is as follows:

	1980	1979
Actuarial present value of accumulated benefits:		
Vested	\$ 9,059,637	\$ 8,241,030
Nonvested	4,532,338	4,026,269
	<u>\$13,591,975</u>	<u>\$12,267,299</u>
Net assets available for benefits	<u>\$14,743,987</u>	<u>\$12,273,852</u>

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 7% for both 1980 and 1979.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. The unfunded vested accrued liability of this plan amounted to \$5,885 and \$—0— as of June 30, 1980 and 1979, respectively.

8. OTHER LIABILITIES

Other liabilities at December 31, 1980 and 1979, include annuities payable of \$759,165 and \$647,062, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Also included in other liabilities are annuities of \$1,945,110 and \$1,509,659 at December 31, 1980 and 1979, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

9. NATIONAL HEADQUARTERS RELOCATION

The Hospitals' new National Headquarters building in Tampa, Florida was completed and occupied in February 1980. The building is located on 6.7 acres of land which cost \$500,000. The final cost of the building was \$3,781,543. The Imperial Council is provided space in the building for its National Headquarters.

In connection with the relocation of employees from Chicago to Tampa, the Hospitals have paid moving costs of all transferred employees. Permanent home financing was also made available by the Hospitals to these transferred employees.
